From the President

I think I see summer. Yep, that's summer. Sunny and seventy degrees, it's almost here, I promise.

The club's show season has gotten off to a great start with a very successful "Blessing of the Vettes" show on the 17th. For those of you who were there to work or show or both, thank you very much. For those of you who weren't able to make it out, we missed you and we'll hope to catch you next time. For those who didn't get there early, let me tell you how our day began. When Sandy and I left home about 7:30 the sky was over cast and it was a little windy. The closer we got to Culver's the more the clouds parted and the sunnier it got. Needless to say, at this point I was pretty impressed with our ability to change the weather for the better. When we turned into Culver's lot we were greeted by three large asphalt trucks preparing to make substantial renovations to the parking lot. I thought, "Great, what do Corvette owners fear more than rain? Hot tar." About that time Cory showed up and the parking lot repair was over and rescheduled for another day. It was a mistake on the part of the contractor. As usual, Culver's was a wonderful host and provided a great venue for the show and of course, great food was available for all. We haven't crunched all the numbers yet but it looks like we raised about \$165. for our charity (the VFW home in Eaton Rapids) and brought some decent money back to the club. Thanks again to everyone involved, for a great show. And a special thanks to Gary Wyma for all his work as "Father Superior" in blessing the cars.

On Friday the 23rd, Sandy and I attended a ceremony at the Capital Area Career Center to present the clubs scholarship for 2008. This is the first year that the scholarship included the memoriam to Colin Nethaway and it was an emotional event. Mr. and Mrs. Nethaway were present and provided a matching \$500. amount to our fund, so we actually gave out two scholarships. The CACC has a beautiful plaque for the "Capital City Corvette

Club/Colin Nethaway Scholarship recipients that will hang prominently in the facility.

I know it seems like this year has just begun but, four months from now we will be opening nominations for the 2009 board. I don't bring this up to scare anyone but now is the time to start looking at your long range plans and to think about what commitment you may be willing to make to the club in "09". Start looking at the various board positions and talking to the current board members about the jobs involved. Listen to the reports given at the meetings and watch the activities at our events. Being nominated to serve on this board is an honor bestowed by your fellow members and it should be looked at in just that way. I completely understand the pressures and time constraints that life puts on us all. I'm not twisting anyone's arm to commit to something they really can't do. I'm asking each of you to look at the positions, consider your situation and do what works best for you. I'll close this discussion by saying that being on the board is a blast and I think you'll love it.

Our 50th Anniversary Party is going to be a little different with regards to pre-registration. We will have a very nice commemorative tee shirt available with our 50th logo on the back and a small 50th emblem on the front. These shirts will primarily be available through pre-registration and while we may have a few available the day of the show, I wouldn't count on it. If you want shirts, pre-register. If you want shirts but are unable to attend the show, pre-register for just the shirts. We don't want anyone who wants a shirt to miss out so get that pre-registration in ASAP.

In closing let me say that I think we're off to a great start this year and that's do to everyone's efforts and co-operation in making this club's activities great. Keep up the good work and by all means, "Have fun". JB

**CAPITAL CITY CORVETTE CLUB
GENERAL MEETING
MAY 7, 2008**

President John Bechtel called the meeting to order at 7:00 p.m. Patty & Mark Lewis from Grand Ledge are visiting.

Secretary: Sandy Bechtel presented the minutes of the April 2, 2008 general meeting. Gary Wyma moved to approve the minutes as presented. Mike Britz seconded. Motion approved.

Ambassador: Sandy Bechtel advised construction on the museum's expansion has begun. You can go on line at www.corvettemuseum.com/webcam to see the progress. Also, the museum has a new brick program for the walkway to be paved in front of the addition. Sandy introduced Joe Thomas, Michigan captain for the 2009 caravan. Joe noted our caravan will be leaving from Lansing on September 2, 2009. It will merge with Indiana's caravan on September 3, 2009, and continue to the museum that day. A DVD was shown to help explain the caravan.

Points: Carrie Hutton advised current point totals are posted on our website. She reminded people to use sign-up sheets for meetings and events. John Bechtel explained we are coordinating event participation with our waiver forms. Carrie offered club window stickers (\$3.00) and banners (\$5.00) for sale.

Membership: Colleen Bratschi advised we currently have 109 regular, 1 honorary, and 72 Future Corvette Owners of America (FCOA) members. Colleen offered club flags (\$15.00) and shirts (\$8.00) for sale. She also explained that the NCCC membership year runs from August 1st to July 31st. If a person joins after July 31st, he/she will not have to pay an NCCC renewal fee on November 1st (our club's membership renewal date).

Social: Kathy Wyma referred us to our website for event fliers. *On May 26th, we will meet at 8:00 a.m. at the Coyote Grill and caravan to Marshall for their Memorial Day parade. Carmichaels have again invited our club to join them for a hog roast following the parade. *We will meet at 1:15 p.m. at the West Saginaw Quality Dairy (near Art Van) for the May 31st drive & dine. *If you plan to attend our June 6-8 spring fling in Traverse City, make your room reservations now (see Bob Maynard for details). *Our June drive & dine has been re-scheduled for June 29th. We will meet at 2:30 p.m. in the Okemos Meijer parking lot. *Keep August 2nd open for a drive & dine to Turkeyville for a dinner theatre evening. *Colleen Bratschi noted it is time to begin signing up for our July 30th mini-golf outing at Hawk Hollow. *Simon Reiffer advised it is necessary to make your room reservations immediately if you plan to attend Corvette Crossroads in late August. *John Bechtel noted the Battle Creek Corvette Club is celebrating their 20th anniversary on May 18th.

Treasurer: Carol Putmon advised she has all account information available for review.

Editor: On behalf of Chris Burke, John Bechtel noted the deadline for submitting articles for our June newsletter is May 24th.

Competition: Gary Wyma reminded everyone that May 10th is the low-speed training event in Marshall.

Public Relations: Bob Maynard noted that our next 50th anniversary committee meeting will be Tuesday, May 20th at 6:30 p.m. at Delhi Café. Milton Price explained that he has already located cars for every one of our 50 years except 1960.

Governor/Vice President: Rich Bratschi indicated sanction fee changes were voted down at the recent NCCC regional meeting. NCCC is entertaining a dues increase for 2009. Our region is not supporting the increase. (Gloria Reiffer noted the last increase was absorbed by our club.) Rich encouraged everyone to attend our August 16th low-speed event, and to work and race.

President: *John Bechtel encouraged members to attend the Pure Stock Muscle Car Drag races in Stanton, MI on September 12-13. *John noted IntelliChoice voted the Corvette as the best value for vehicles costing \$24,000 or more. *John advised it is necessary to purchase insurance for our new trailer (liability and physical damage), as well as coverage for our personal property (DJ equipment, canopies, tables, etc.). Because there is almost no market for such coverage for a club like ours that does not own a vehicle to tow the trailer, we have only been able to secure one quote (Acquity) through Bob Maynard. John further explained that insurance premiums were not included in our 2008 operating budget. He requested that \$500.00 be withdrawn from our CD to pay for insurance. (Future budgets will include this expense.) Dave Kuempel moved to approve the \$500.00 withdrawal and expenditure. Carrie Hutton seconded. Motion passed.

Old Business: Pam Platte suggested that members consider attending the Salvation Army car show. See her for details.

New Business: None

Member Comment: Dave and Diana Kuempel stated they have already signed up for the 2009 Caravan, and encouraged others to join them.

50/50 Drawing: Joe Platte was this month's winner.

Adjournment: Milton Price moved to adjourn. Geri Jennings seconded. Motion passed. Meeting adjourned at 8:32 p.m.

Low Speed Driving School

Submitted by: Patti Leppanen DeNike

Woo Whoo, what an experience! I would encourage every Vette owner to participate in a low speed driving school. I attended the Corvette Low Speed Driving School held Saturday, May 10, 2008 in Marshall, MI by Calhoun County Corvette Club.

*The certificate I received after completing the training read: **It is hoped that this experience will further your understanding, appreciation and enjoyment of driving your CORVETTE in actual competitive events in the future.***

I have an **understanding** of what my car is capable of and how to handle it. I have an **appreciation** for the skills that I have acquired from the expertise of the instructors to the fine product the Corvette is. I have always had **enjoyment** for my car but taking it to the next level was awesome. Many of the skills learned in a legally controlled environment can be carried over into some driving situations on the public streets.

A few of the Capital City Corvette Club members were in attendance. As volunteers, they were greatly appreciated by Calhoun County Corvette Club members as they quickly put them to work around the course. I would like to thank John Bechtel, Gary Wyma, Milton Price, Dave Kuempel and Jim DeNike for their cheers and encouragement.

My first two times through the course was pretty slow. I heard that I looked something like Grandma driving her Buick to the grocery store.....ha ha! The third time through I told my instructor to make sure his seat belt was tight because I had figured out the course. Each additional time through the course I felt a little bit more confident. There were 10 runs in the morning and 10 in the afternoon. The afternoon runs were timed with deductions for knocking cones out of their box. I kept giving myself a goal to obtain a better time each run. I enjoyed speeding around those cones so much, and that it made Jim pretty nervous as he wasn't sure what I would do if we encountered a construction zone with cones on the way home.

The weather was just a bit cool in the morning but was perfect by lunchtime when we were treated to grilled hot dogs, hamburgers, chips, salads, and cookies. As a volunteer you are given a free lunch for helping out. What a great opportunity for Vette owners. Food and Vette conversation, what could be better?

Once again....What a great experience! Everyone should "bond" with their car at least once, if not MANY times!

This recipe was sent to us by Bill Griffith, our club member down in Pearl River, Louisiana. Sounds good!

Try This....It is easy, and I do it all the time. Can't Fail!!!

Here's the recipe for the crawfish/shrimp/crab sauce.

(I normally serve it over angel hair pasta)

1 Qt. Half and Half

1/2 lb. butter

1/2 cup flour

Angel Hair Pasta

1 or 2 tablespoons chopped green onion tops (more if you like'em)

1 1/2 tablespoons Worcestershire Sauce

2 pounds of crawfish tails , shrimp, or lump crab meat (or a combination)

(I usually boil them first in Zatarain's liquid crab boil) * they're after a "boil" and a party, and it's hard to peel and save!....I like to peel and EAT!!!....but ya have to.

1 teaspoon black pepper

1 teaspoon salt

1 tablespoon LA HOT SAUCE (Don't use Tabasco...it's CRAP!...I hate Tabasco, it ain't Louisiana....it's all grown in Mexico, and S. America!...screw them!)

1 tablespoon of chopped garlic (minced from grocery store is OK...easier)

In a saucepan, heat the half and half. In another small pan, melt butter and add flour slowly. Whisk until flour is incorporated. Add the flour mix to the half and half and cook a little to thicken. (Don't boil or "scald")

Remove from heat. Cook Pasta....like directions say....I do it 4 minutes in a boil....al dente' or something like that. Drain Pasta.

Add rest of ingredients to cream sauce. Stir and heat.

Place Pasta on plates and ladle cream sauce over the pasta.

Garnish with parsley, green onions, and parmesan cheese if ya like to.

Enjoy.

French bread, and a nice salad go good with this.

*(It's also REAL GOOD ladled over grilled RedFish filets, or any "firm" fish that lends itself to grilling.)

I hope you try this and enjoy it.

-Griff - Pearl River, LA

P.S. : I've cooked this many times, and I swear it will make you crazy for at least three days!.....Works every time.

P.P.S. : "Sandy, where's my new Corvette from the raffle? I guess they're getting it ready and are going to ship it.....right?"HA!-Griff...who won it?

This email was sent to our past president, Simon Reiffer.

Arnie Brown here. . . Hemmings Motor News has your email address listed, and I am writing to you in hopes that we may furnish your club with CUSTOM MADE CAR BADGES.

A custom made car badge can be a significant source of income for your club. The club orders the badges, then *(if they so choose)* the club makes a profit by selling them to the members or anyone willing to support the club.

We are the car badge manufacturer of choice for most car clubs, golf clubs and fraternal organizations. Please feel free to contact the references on the car badge page of my web site. www.arniebrown.com/badges.htm. Also on the same page is a price list and ordering information.

I personally feel that we offer the finest quality car badges in the world and deliver them in a timely manner.

Our badges are manufactured by a 103 year old, jewelry company in the Philippines, T. R. Santi and Son. www.tr santi.com/index.html T. R. Santi is also one of the largest ring makers in the world. *(WE DO NOT USE MANUFACTURERS IN CHINA OR INDIA)*

Our badges are made of solid brass, 3 inches wide, and a hefty 1/8th inch thick. Many are 22 karat gold plated. We use cloisonné coloring and then a clear coat of epoxy that make them impervious to the elements.

I think you will enjoy my web site, www.arniebrown.com and I would be pleased to hear from you.

Kindest personal regards,

Arnie Brown

P. S. Here are some pictures of badges we have designed and made.

Little Hawk - 18 Hole Bentgrass Putting Course

Only a handful of natural grass putting courses exist in the United States. One of only three in Michigan, this par 54 bentgrass putting course features undulating greens winding through picturesque landscaping. Always immaculately groomed, the variety of hole layouts provides a challenge for the beginner or expert. Families, couples, seniors... this unique putting experience provides fun for everyone. Playing time 1 ¼ hours.

Regardless of your age you will love this romp through the trials and tribulations of the unavoidable aging process.

Corvette Crossroads Information

The 19th annual Corvette Crossroads Auto Show takes place in Mackinaw City on August 22 & 23. The weekend features a Karaoke boat cruise or dock party on Friday night. The show itself is from 10:00 am – 2:00 pm on Saturday with 250 – 300 Corvettes in attendance. It takes place on a paved parking lot behind the Mackinaw Crossing Mall. Saturday night at 7:00 pm we parade through town and then cross the Mackinac Bridge.

Pre-registration (by August 1) is \$25. After that date the cost goes up to \$35. The cost of the Karaoke Sunset Boat Cruise is \$15 per person. An event shirt is available for those interested. You can find more information and a registration form at: <http://www.mackinawchamber.com/content/view/88/225/>

Corvette Crossroads is a great time to get better acquainted with other CCCC members. Weather permitting; there is a bon fire at the beach every evening. Thursday's group usually eats together that night and the next morning. After that the group is larger so we try to get together in smaller groups so that we can be seated.

To accommodate member's schedules we usually head up in two groups (plus those who drive up on their own). A stop is made along the way to eat and gas up the older Corvettes (like our guzzler). One group will head up Thursday morning, leaving from Clark Corners (Clark Road and Old US 27) at 10:00 am. Another group will head up on Friday. Please see Gloria Reiffer if you would be interested in leading the Friday group.

We've made the Chippewa Motor Lodge and Waterfront Inn our home for many years. The Chippewa is no longer in existence. A new all suites hotel, with the same owners, has taken its place. Get your reservation in now to avoid losing out on a room. They have a 72 hour cancellation policy if you should have to change plans.

More details will follow as they become available. In the meantime, you can contact webmaster@cccorvette.org if you have any questions about the weekend. Hope you can join us!
