We just got back from the NCCC Convention, held in Bowling Green, KY. We headed out in the morning and got there in time for dinner on Saturday. The convention didn't officially start until Monday, but there was plenty to do on Sunday between washing the Corvette, getting teched for the rallye and greeting old friends from across the country.

The big highlight for Monday was Tom Hill's 1.5 hour intro to the C-7. Afterwards we were able to sit in it and check it out up close. (I now like the taillights.)

We entered People's Choice Car Show, but you can see the judges in their red shirts inspecting the car next to us for the judged Concourse. Too many hours with q-tips for us to want to concourse!

Tuesday brought the rallye with a 60+ mile tour through some beautiful countryside. We had to skip the last 1.5 pages of instructions in order to make it to the NCM before the 4 hour cut-off. We finished at 38, which was about halfway through the pack. If Simon ever wants to win a rallye he needs a new navigator. I get wrapped up in the view and miss steps from time to time. Unfortunately, a missed turn can take you miles out of the way when you are dragging a trailer. Having a pre-set destination and an understanding driver helps.

We arrived at the NCM just in time for a late lunch and to watch them drive seven C-7's in for display.

On Wednesday we went out to Beech Bend Park and watched the drags with Jerry and Sally. We had a bit of excitement when a drag equipped Corvette broke a spindle at the lights. About a third of the way down the track the front tire flew off the driver's side and he finished the quarter mile on three tires. I don't think that he broke any records with that run, but he did get it repaired and back out on the track by afternoon. Amazing...

Wednesday afternoon we did a walking rallye at the Museum. Finding the answers was an adventure! We didn't see the results so we have no idea how we did on it. I think Art & Nancy did well though.

CCCC's Website received 1<sup>st</sup> place in the 2013 NCCC Club Web Site Contest at the Awards Banquet on Friday night. This is our 6<sup>th</sup> trophy.

After breakfast on Friday, Simon and I headed off to Bloomington Gold in Champaign, IL. It was a bit of a letdown after all the years at Pheasant Run in St. Charles. However, they still did a good job and we enjoyed it despite some heavy thunder showers in the afternoon. We had our rain gear with us so a little bit of rain didn't bother us. Unfortunately, we had minor car problems and had to miss the road tour.

Overall, it was a fun trip! I would recommend that everyone try a Convention at least once. The 2014 convention will to be in Savannah, GA. Can't wait!

## From Our President...

---

Summer is here and I'm thinking, baseball, hot dogs and driving the vette with the top down! Now, that's not such a good idea when it's raining, but if you plan it well, you may be able to enjoy the sun and fresh air and wind in your face!

Speaking of all things Corvette, we've had some great drives already, I'm thinking, Vermontville, Saugatuck, and cruising around in a couple of fun rallye's. And here it is just the start of July!

A quick look at the calendar of events coming up in the next few months should get everyone washing and waxing their favorite car, the vette of course! There is still a lot to participate in and enjoy with other members, as well as maybe meeting some new folks along the way.

So break out the soap and water, do whatever tuning or maintenance needs you need to do, because the season of the Corvettes is upon us!

Hey, get out there and have some fun and enjoy the rest of the summer! I know Chris and I will!

Terry Burke, President

***Bloomington Gold - 2013***

**Social Time and Dining:** 5:00 – 7:00 pm

**President:** Terry Burke called the meeting to order at 7:00 pm.

He welcomed and introduced guest Karl Glarner to the CCCC meeting. Sandy Bechtel and Terry recently attended the Capital Area Career Center to present 2 scholarships on behalf of the Club. One recipient, Kevin Hutton, son of Carrie Hutton, was present and expressed his thanks to the Club. He plans to attend LCC working in the automotive area, and plans on attending Michigan Tech. Kevin received the Colin Nethaway Scholarship. He responded with *Save the Wave*. A letter of thanks was received from Hector Rios Rosas for the John Bechtel Memorial Scholarship; he will be studying auto tech at LCC. The principal of the Capital Area Career Center expressed his appreciation to the CCCC for the donations awarded to the seniors. He stated it will enhance their learning process.

Terry reports the year is going well. The Club's participation in the Vermontville Syrup Festival was a fun event and was well attended. One hundred and sixty-five cars participated on the Sparrow Hospital Hospice event held at Bud Kouts. A check for \$3,700 was presented to Sparrow. Eight corvettes from the CCCC were on display during the event. The next Sparrow Hospice Muscle Car/Corvette Club event is scheduled for Saturday, September 7<sup>th</sup> at Hawk Island.

Elizabeth, niece of Mike Britz, was introduced and welcomed to the meeting.

A car show is scheduled for Friday, June 7<sup>th</sup> from 5pm to 8pm in Williamston. Car shows will also be held on Mondays in Williamston through August 26. Blessing of the Vettes is scheduled for Saturday, June 8 at Culver's in Okemos, with two rallies following the Blessing. Mike Britz and Terry Burke are in charge of one rally, and Gloria and Simon are planning a gimmick rally.

Bob Maynard and Chuck Miller will chair the car show.

**Secretary:** Katherine Twining requested approval of the May 1, 2013 Membership Meeting Minutes. MOTION was made by Craig Iansiti and SUPPORTED by Janet Iansiti to approve the minutes as presented. MOTION CARRIED.

**Treasurer:** Mike Britz forwarded financials to board members for review. He reports the books are in balance and all bills have been paid.

**Governor/VP:** Simon Reiffer mentioned that the C7 emblem cannot be used in any way until GM grants permission. The only exception is if the Club receives something from a sponsor that has the logo on it. This information comes directly from GM, via NCCC leadership. He will be attending a regional meeting on Tuesday, June 18, along with being at the National Convention the 24<sup>th</sup> through the 28<sup>th</sup>. Simon requested he be notified if anyone would like to purchase a lapel pin so that he can acquire them while at the convention. If you attend cruise-ins, etc, Simon suggests that you share information about the CCCC with others in attendance.

**Points:** Howard Hein was not in attendance but Gloria Reiffer reports that all points are up to date.

**Membership:** Dave Pursel emailed the current membership today, and asked that members let him know of any changes, etc. FCOA membership currently is at 54, with 102 CCCC members.

**Editor:** Gloria Reiffer had no report. The newsletter will be a little later than usual this month as Simon and Gloria will be out of town attending the National Convention.

**Competition:** Howard Parks has two sign-up sheets for the upcoming low speed events. Also, he would like individuals to sign up to work registration, track duty, etc. as he needs lead time to assemble responsibilities for the July 27-28 Spartan Speedway event. Drivers will need helmets, ten years or newer, to participate. Registration forms, calendar and events are on the website.

**Public Relations:** Bob Maynard had a sign-up sheet for the Blessing of the Vettes. He received a

painted palm leaf with the American Eagle and Flag to be used for the silent auction. The trophies and dash plaques have a photo of the VFW home for widows and children of veterans as a background. Craig Iansiti and Ted Lasher will assist with parking cars and Milton Scales and Chuck Miller will work with the sound system. New mini sponsors donating at the current meeting included Rich & Colleen Bratschi, Randy & NancyLee Buck, Terry & Chris Burke, Jerry & Dominique Palacio, David & Kathryn Pursel, and Harold & Katherine Twining. These are in addition to the mini sponsors mentioned in the April General Membership Meeting Minutes. The sponsorship allows entry to the show and the rallies.

**Social:** Janet Litrenta had flyers for the upcoming car show at the Colonial Village Baptist Church; they would like to feature Corvettes at this show which runs from 6 to 8:30 on Tuesday, June 11. Janet recognized members with June birthdays: Herb Schultz, Kim Beaman, Chuck Miller, Kathryn Pursel, Ralph Swan, Sally Wardell, James Boettcher and Gary Wyma.

#### **Appointee Reports:**

**Hearts and Flowers:** Julie Lasher sent a get well card to Katherine Twining, a sympathy card to Mike Britz and family, and a congratulations card to Milton Scales for his recognition as the Distinguished Alumni of the Year Award for 2013 from the Lansing Community College Alumni Association.

**Historian:** Sue Keith was pleased with the photo op turn out Sunday, June 2. The Club was formed in 1958, and it was nice to have Jim and Judy Hoppin participate. The club has been very successful with numerous members being around for a long time, as well as consistently acquiring new members. From the membership list, Sue was able to obtain the following information: Dave Cripe joining in 1972, being a member for 41 years; Art and Nancy Doty joining in 1974, being members for 39 years; and Joe Plate joining in 1989, being a member for 24 years. Many good traditions have formed over the years since the club was formed.

**NCM Ambassador:** Joe Thomas was not in attendance.

**Photographer:** Ted Lasher reports 60 of CCCC's 102 members were present for the photo shoot at the Capitol Building. Patrick Lickfeldt brought his 58 for the photo shoot which was taken on the back side of the Capitol Building. Generations from C1 through C6 were represented. Ted reminded members if they have a new car to let him know so that a picture of the car can be put on the member page. Chuck Miller expressed his appreciation, as well as that of the entire membership, for the great job Ted does with his photography work.

**Quartermaster:** Position is still open. Blessing of the Vettes, Horsepower at the Zoo, and the Sparrow Hospice event are covered. Individuals have stepped up to transport the trailer to these events. Mike Britz will be trailering to the Blessing of the Vettes.

**Sergeant At Arms:** Robert Ribar had no report.

**Webmaster:** Gloria Reiffer reports all is up to date. Gloria was informed that the Website will be transferred to the new server soon; however, the calendar may be lost in the process.

#### **Member Input:**

**Sandy Bechtel** shared information about Horsepower at the Zoo (HAZ). 100% of the net proceeds go the Potter Park Zoological Society; to date, \$27,800 has been donated to the project. This year's event is scheduled for Sunday, September 22, and attendees will receive free entry to the zoo. Sandy will have a sign-up sheet at the next meeting. There will be door prizes, a silent auction and a bake sale. Any items donated for door prizes or auction items will be greatly appreciated.

**Dominique Palacio** had hats available with the CCCC logo for \$10 plus tax.

**50/50 Drawing** was won by Alex Spitzley.

**Adjourn:** MOTION was made by Craig Iansiti and SUPPORTED by Mike Britz to adjourn. MOTION CARRIED.

Respectfully Submitted,

Katherine Twining  
Secretary

### John Bechtel Memorial Scholarship

Awarded to Hector Rios Rosas

To whom it may concern

I would like to thank you for the scholarship that you have given to me. It is an honor to receive this scholarship. I will use this for my education, it is of my best interest to keep studying and going to college. I plan to study auto technology in LLCC. Again thank you for this scholarship. Sincerely,

Thank you for your time and consideration.

Hector Rios Rosas

### Colin Nethaway Scholarship

Awarded to Kevin Hutton

Dear CCCC members,

I wanted to write and let you all know how much I appreciate being chosen for the Colin Nethaway scholarship.

My plans at this point in time are to attend LCC to get some of the basics out of the way and then transfer to Michigan Tech. I plan to continue studying automotive but my goal is to be an engineer. This scholarship will give me a good start to completing this goal.

I thank you again for the scholarship; I truly appreciate this wonderful gift to start my college education.

Sincerely,

Kevin Hutton

---

Longtime CCCC members will remember Kevin as a young boy. His mom, Carrie Hutton, was our Points Director in 2007-2008, prior to having her Corvette totaled in an accident. We expect to see Carrie back in the club someday and perhaps Kevin too!

**President:** President Terry Burke called the Capital City Corvette Club Board Meeting to order at 6:30 p.m. He expressed a special thanks to all involved with the Blessing of the Vettes. It was a successful event with good planning and management. Howard Parks is chairing the July 27 Spartan Speedway event and will update in his report.

**Secretary:** Katherine Twining emailed the May 15, 2013 board meeting minutes to the board for review. MOTION was made by Dave Pursel and SUPPORTED by Howard Parks to approve the minutes as emailed. MOTION PASSED.

**Treasurer:** Mike Britz updated the board via email and all income/expenses are up to date.

**Governor/VP:** Simon Reiffer attended a Regional Meeting the previous evening. He brought forward a request for financial donations for Ray Meesseman Scholarship. It was suggested that, since there are already several financial donations/scholarships, etc., from the CCCC, this be left up to membership on an individual basis.

A location needs to be decided upon for the 2014 Regional Banquet. Suggestion was raised for CCCC to host the event at Gilmore Museum and that the Museum could care for catering details.

**Editor:** Gloria Reiffer reminded the Board that she will be out of town until the 1<sup>st</sup> of July and that the newsletter will be completed later than usual.

**Competition:** Howard Parks reports one of the CCCC canopies is damaged, and that he has looked into replacing it. Following conversation,

MOTION was made by Dave Pursel and SUPPORTED by Simon Reiffer to purchase a canopy. MOTION APPROVED.

Howard has 25-30% of workers needed for the Spartan Low Speed event scheduled for July 27, and he will seek additional volunteers at the next membership meeting.

**Public Relations:** Bob Maynard expressed his thanks to everyone who assisted with the Blessing of the Vettes. He felt the event went very well and that a great job was done on the dash plaques and trophies.

**Social:** Janet Litrenta brought forward ideas for several drive and dines. One suggestion was for Tuesday, July 9 at Trippers for their appetizer specials and the second was for a trip to the Dairy Queen on the west side of Lansing on Sunday, June 30 from 2 to 4 or 4 to 6.

Janet also brought up the question regarding any special gathering, etc. for the CCCC's 60<sup>th</sup> anniversary, and if anyone had any suggestions.

## ***Summer Getaway to Mackinaw City ~ August 22 – 25, 2013***

This is a fun time to get to know everyone. We do lots of socializing between eating, daily ice cream runs and our bonfires on the beach at night.

With all of the Corvettes arriving, downtown Mackinaw City is the place to be Friday night. We usually eat at the Pancake Chef because they can accommodate our large group and they have a very nice buffet dinner. We don't have solid plans for Saturday's dinner yet.

### ***Caravan Details***

We will caravan from Clark Corners (Clark Road and Old US 27) at 10:00 a.m., Thursday, breaking for lunch at the Houghton Lake Big Boy. No caravan is planned for Friday at this time.

We are open to suggestions on where to plan a day trip for Friday.

The Mackinaw Beach & Bay Resort is a newer hotel, all suites. Most members stay next door at the Waterfront Inn, an older motel offering many first floor rooms, some facing the lake shore. The Bridge Vista Beach Hotel has a variety of accommodations, plus an indoor waterpark (we will be staying there). Visit [www.mackinaw-city.com](http://www.mackinaw-city.com) for accommodation types and room rates. I'm told the best rates are available by booking online. Rates at the Waterfront Inn are close to last years but will most likely go up as the date approaches. They have a 72 hour cancellation policy if your plans should change.

Those traveling with a pet should check out the Beachcomber Motel, sandwiched between the WI and the BVBH. Call 231.436.8451 or 1.800.968.1383, or visit [www.beachcomberonthewater.com](http://www.beachcomberonthewater.com) for more info.

Contact Simon or Gloria at 517 . 646 . 2180 with any questions you may have about the event. We hope you can join us for this fun weekend!

Don't forget to register for the Corvette show on Saturday.

## ***24<sup>th</sup> Annual Corvette Crossroads ~ August 24, 2013***

**JOIN US FOR A WEEKEND OF FAMILY FUN!**

**Bruce and Mary Wentzel** have been heavily involved with the National Corvette Museum and are both Founding Members and Lifetime Members. They have also been members of the Corvette Club of Michigan since the early 1980s. This club competes in various events from March until October. The Wentzel's have six Corvettes that have taken many Sports Car Club of America (SCCA) Championships and competed in Michigan Region events and National Council of Corvette Club (NCCC) events from Florida to California. They autocross and have run track events for many years and look forward to participating in future events at the Motorsports Park. They say the facility will open up lots of opportunities for individuals as well as clubs.

The Corvette is what brought Bruce and Mary together, which is one of the many factors that contributed to their support of the new facility. They are so excited about the development of the Motorsports Park and believe it will open up a chance for those who want to enjoy their Corvette or other vehicle and seek performance driving in a safe environment. "We hope that others will take this opportunity to give back to the National Corvette Museum what it has given to all of us. What better way to show your appreciation than to support the Motorsports Park."

### **ZORA-1 Corvette Donated to NCM**

If you are a Corvette fan, chances are you've seen a beautiful photograph of Zora Arkus-Duntov standing next to a red 1984 Corvette at the foot of Mount Rushmore. You can't help but feel a rush of American pride seeing two of our Founding Fathers in the same picture as someone who lived the American dream so well - Zora, the immigrant who was the Father of Corvette.

The Corvette in that picture is known as "ZORA-1" and has been donated to the National Corvette Museum by Francis Mariano. It was originally ordered in 1983 by a Chevrolet dealership in Fargo, N.D. specifically to be driven by Zora himself during the Black Hills Corvette Classic that year. Zora drove it accompanied by his wife Elfi. His successor as Chief Engineer, Dave McClellan, also used the car to lead the caravan and both engineers signed it to commemorate those events.

Special license plates were issued for the car by South Dakota Governor Bill Janklow, who was a Corvette enthusiast and great supporter of the Black Hills Corvette Classic, officially giving it the name "Zora."

Thank you to Mr. Mariano for your donation, and allowing all of us to enjoy this Corvette that is a tribute to its namesake.

### **NCM Nominated as an 8th Wonder of the World**

The National Corvette Museum has been listed by VirtualTourist.com as a nominee for the 8th Wonder of the World. The site, a leading travel research website and community that is part of TripAdvisor, invited Tourism Boards to submit a nomination - whether an ancient, natural or manmade landmark for the area they represent, to be voted on by the general public.

Voting runs through September 30 and you can vote once per day at <http://www.virtualtourist.com/8thwonder>
