# Tech Tip

## Corvette logos

- The corvette emblem has changed over the years with each new generation. Some generations had several iterations. The original 1953 emblem had a US flag, but was replaced before introduction with the red bow tie flag you see here (GM executives decision).

Please submit YOUR "Tech Tip" to the editor!

## From Our President

---

Well the car show season is in full swing. My wife and I just returned from Bloomington Gold held at the Indianapolis motor speedway. What a great experience, 3 days of nothing but corvettes. We had one day of rain, but it did not dampen the show. This year celebrated the 1967 stingray. There were L88's (427 CI 430 HP 1x4 carb) , L89's (427 CI 435 HP 3x2 carbs), L36's (427 CI 390 HP 1x4 carb) and all the rest represented. The Saturday Gold Tour started with a trip around the Indy track and a cruise into the countryside ending on Main Street, a few blocks from the track. Chevrolet had 2018 corvettes on display. The new Carbon 65 edition was there (see pic ->). Ron Fellows driving school offered track rides in 2018 Grand Sports. I heard a rumor that the new ZR1 was going to be there, but I did not see it or the mid-engine 'Zora'.

July is another busy month for events. Just to name a few we start with a car show on the 1<sup>st</sup> in Okemos, and for all you racers, we end the month with our annual Spartan Speedway low speed rally on July 29<sup>th</sup>. Be sure to sign up. For you folks itching to take a drive south, visit the National Corvette Museum in Bowling Green. It is a great trip and the roads through Kentucky are awesome, plus the Motorsports Park is open. In August don't forget to mark your calendar for the NCCC convention also in Bowling Green. Check out our newsletter and the web site for more events and flyers and our Social Directors' email announcement.

Save the Wave,

Jerry Wardell

We will also have several bus tours that will include Mammoth Cave, Bourbon Country, Barbara Mandrell's home, Fontanel, Gibson Guitar, a tour of historic Glendale, with antique malls and the historic Whistle Stop restaurant, a tour of Nashville on the "Country Music Jamboree" and as an added bonus a total eclipse of the sun on the 21<sup>st</sup> of August.

Our host hotel is the Holiday Inn and Sloan Convention Center with additional rooms available at both the Marriott Courtyard and Hilton Garden Inn which are both located across the street from the Holiday. Parking for trailers is available in the lots at either end of the Holiday Inn and Sloan Convention Center.

We are working to have Convention registration available on line on the National Council of Corvette Clubs web site, <http://corvettesnccc.org/Convention2017.html> Registration is planned to open on January 2, 2017. This year you will have to register for your hotel rooms separately and that information will be available with the Convention registration form. Also if you are planning to tour the Corvette assembly plant, they will not be available this year at Convention. The Corvette Plant no longer handles plant tours, this is all scheduled and led by the Museum staff.
