## From our President

February 1st marks the deadline for registering for the annual NCCC Convention and I hope all who want to attend will get their names on the record to attend in Indianapolis, Indiana July 5-10. We also are celebrating leap year this month and our thoughts turn to Valentine's Day on February 14th to spend with our very own valentines.

Spring is just around the corner in another six weeks, so we turn our thoughts to getting the corvettes out of winter storage and making them road ready for another great season of enjoying the open road with all of our friends in the club. Don't forget that production is scheduled to begin on February 1st for the C8's at the Bowling Green, KY plant. So there are many exciting events on the horizon for 2020 and I hope all of you will participate in as many as you possibly can.

I hope to see all of you at the next club membership meeting on February 5th and please drive safely.

Respectfully,

Your President

Bob Maynard
