Volume MMXX – June/July - Issue 5

## From our President

With the cancellation of the Corvette Crossroads Event and all other car show events for the remainder of the year it brings us to a decision as to what events we actually are able to sponsor this year. My thought on the matter runs as to what Angela suggested a few weeks back as to have a caravan of corvettes driving to a destination with a picnic lunch on board and doing proper distancing so as to comply with the executive order for safety with the Covid 19 Pandemic. By doing it this way we could still have some resemblance of a social get together without risking the health of our membership. We can discuss the issue at our next membership meeting and make a decision moving forward. Another issue was discussed at the board meeting to have a test and tune event at Spartan (Corrigan Oil) Speedway on August 8 with members and metal body cars. Again we can discuss this at the August 5th meeting. Until that time, please stay safe and I look forward to seeing as many of you as possible at the meeting.

Respectfully,

Your President

Bob Maynard
