KANS

"That Corvette dealership has offered to pay for your counseling. Apparently, they saw you hugging and caressing one of their cars on the lot."

The image shows the exterior of a Bob Evans Restaurant. The building has a red brick facade with a prominent gabled roof. The restaurant's name, "Bob Evans RESTAURANT", is displayed in large, yellow, stylized letters on the brick wall. Above the name is a small decorative element resembling a tree in a pot. Below the name, the text "Let's Meet for Breakfast" is written in white, followed by the date and time "Saturday • November 13, 2021 • 9:30 a.m." in white. The entrance features a covered porch with white columns.

Members,

This past month, my wife and I had the opportunity to visit the National Corvette Museum in Bowling Green KY. I wanted to share some of my takeaways while they are fresh in my mind. This is a must go destination for any Corvette lover and is worth planning your own trip to visit. We managed to while traveling to Nashville. The Museum is very close to the exit off I-65 so, it is convenient to include it as a stop on any trip. We went through pretty quickly, but I would recommend planning for a 2-4 hour visit. There is plenty of information and displays of all generations. There is certainly something for everyone. Don't forget to ask the cashier to point you to our stone in the walkway. You will exit through the gift shop, full of all things Corvette! I didn't make it out without a handful of items and you probably won't either. If you ever get the chance to visit, I highly recommend you do and take your Corvette. There are some good places to get pictures of your car on the grounds.

Also this month, the Corvette world is buzzing with news again with the Z06 reveal. If you haven't looked into it yet, it is quite the machine and very worthy of the attention it is receiving. Personally, the sound of a Flat-plane crank V8 spinning at 8,600 RPMs is the feature I am looking forward to the most. Reports I read claimed performance comparable to the C7 ZR1. Pretty incredible while staying naturally aspirated and is quite an accomplishment. This also leaves room for potential improvements from a turbo or supercharger. Will there be a C8 ZR-1? Will the E-ray actually get built? Which V8 will be used as part of the hybrid drivetrain? Only time will tell what Chevrolet brings to market, but they are certainly keeping the interest in Corvette high.

Remember to Wave!

Membership Meeting Minutes

CAPITAL CITY CORVETTE CLUB GENERAL MEMBERSHIP MEETING OCTOBER 6, 2021 - Delhi Café & Zoom

7:00 Call to Order: Kyle Felts

- There is no mail to review.

Board Reports:

Secretary: Melissa Hass

- Approval of September minutes: Motion by Mary Wells, seconded by Stella Wood and approved by the majority of the membership in attendance.

Treasurer: Mike Britz

- The books are up to date and all bills have been paid.
- Our total donation to CMN is \$690, including Club and membership donations.

V/P Governor: Simon Reiffer

- National Governor's Meeting was held in St. Louis. There is a new rule book coming out. They want to change the number of sanctioned events. Our Region is not supporting it. They also talked about insurance, CCC had a few claims this year. The easiest way to take care of this is to just sign waivers at all events.
- The National Convention next year will be at Harrah's in Atlantic City. Rooms will be \$120 per night.

Social Director: Michelle Faupel

- We will not be able to have our bingo event with Delta River in November because of Covid. Maybe we can just donate things for their bingo and/or make goodie bags for them. There are 38 apartments there. Maybe next year we could plan the event earlier in the year and do outside or at the fellowship hall in the church next to them.
- The Marquette Retirement car show will be on October 24 from 1:30 to 4:30. A box lunch will be provided. After the event we will then drive to MSU Dairy.
- The Jackson Corvette Club party was very nice.
- The Michigan Princess Mystery Dinner Cruise is on October 30.
- Jerry and Sally Wardell are planning a color tour on October 16.
- The Holiday Party will be at Coral Gables on December 4.
- Toys for Tots Luncheon will be at Cheddars on December 5.

Points Director: Mary Wells

- Points are up to date for what I've received.

Competition Director: Kyle Felts

- Please keep checking the calendar and web page for upcoming events, the club is currently in 3rd place.
- If people are working other events, they should receive points.

Hearts and Flowers: Ann Voss

- Absent, no report.

Chaplain: Ward Harris

- Nothing to report.

Membership Meeting Minutes

New Business:

- Nominations for officers. List at end of Minutes.
- Kim Keith: The Corvette Museum has asked for donations. We currently have a brick there from a previous donation. Individuals can buy a membership or donate individually. Discussion was had about club donations and amounts. There are a number of things that can be purchased as a donation that would have our Club's name on it.
- Craig Iansiti made a motion that the donation be capped at \$250, it was seconded by Mike Britz.
- Bob Ribar made a motion to donate that \$250 to a local charity of the Club's choice, seconded by Katherine Twining.
- Simon Reiffer made a motion to table this discussion until the November meeting and make the donation in December when we usually do; it was seconded by Craig Iansiti.
- We should start thinking about our 65th Anniversary plans. Per Gloria we can get a cover on Blue Bars in 2023. It might be an option to have the celebration at Shaheen's. Early next year we should form a planning committee for this event.

Other Business:

- Jerry Wardell: Please sign up for the color tour, we currently have 21 cars going.
- Dave Pursel: No updates for the AV equipment.
- Sport Shop in Mason will put logo on shirts and other items that you already have. They are extremely helpful and will let you take things home and try them before you purchase and put our logo on them. You can also order from their catalog.
