All,

Attached is a flyer for a type of NCCC event called a Funkhana that we haven't had here in MI in quite a while. This coming weekend in Perrysburg, OH we will be doing a trial test weekend to see if this type of event draws any interest in our Region's membership to encourage clubs to perhaps host some of them next year in conjunction with car shows or rallyes or by themselves. We have 20 participants signed up already or 10 Corvette teams consisting of a driver and a navigator. Funkhanas are events that consist of the teams doing silly tasks from inside their Corvettes. We are doing Funkhanas that will not require excessive speed or any particular racing skill to perform and if the vehicle even moves it will not exceed 10mph. We will not require anyone to get in or out of their Corvettes to perform any physical tasks. They will be similar to gimmick game rallyes, but from inside your Corvette. Due to the Corvettes being stationary or barely moving, we will not require anyone to wear helmets or the need to go buy two helmets to attend. These Funkhanas are designed to attract the non-racing car show and rallye participants as well as racers to come and enjoy an event and cheer and laugh at the other teams as they attempt their goofy tasks. If you don't have any plans for this coming weekend and want to come and hang out with other Corvette owners having a good time and enjoy a catered lunch for workers and participants, please let Carolyn or myself know if you would like to come out and give it a try one or both days or if you just want to come and observe and work one of the 7 stations, we will provide you with a free lunch.

The 14 Funkhana events this weekend are being hosted with sanctions from Great Lakes Corvette Club, Corvette Club of Battle Creek, Jackson Corvette Club, Lakeshore Corvette Club and Grand Valley Corvette Association. If you belong to any of these clubs and want to come help out and Chair or Co-Chair one of your own events or participate, please let me know.

President's Page

Members,

It is rolling into November. As I write this, we are still in 2nd place regionally. There are still a 14 event Funkahana and a 14 Event Autocross to go. It would appear we will slip into 3rd place unless we get some extra people out to these events. Even if we slide to 3rd, we have improved our finishing position each of the last two years. So, to all who came out and competed in any Rallye, Autocross, Concourse, or will be at the Funkahana, Thank You! We have represented Capital City well in the region.

Unfortunately, as the leaves fall most of us put our Corvettes away for the winter. Some probably already have. It is a sad time of year. It often means it could be up to 6 months before we see our friends at events again. Though, this also means planning for next year begins. We should have another busy calendar year in 2023. If any member has an event they wish to plan or an external event they want to organize a group to attend, don't hesitate to speak up. Any member can organize such an event. A member does not have to be an elected or appointed officer to chair an event. While events are normally car related, they do not have to be. Sometimes it is just nice to have an excuse to drive your Corvette somewhere and hang out with your friends.

Just a final note. I have two events I normally close the year with. This would be the MIS Nite Lites and a Toys for Tots event. I am intending to have both but some of the planning is waiting on others. Please pay attention to your email, the website, and newsletter for updates. We will have these events!.
