Meet at 11:15 a.m. at the Quality Dairy located at 8512 W. Saginaw (east of Value City Furniture). We plan to leave at 11:30 to arrive in Vermontville by noon. Those driving on their own must be in the parade lineup by 1:00 p.m. as they fill in the spots behind us at that point.

After the parade we will travel to Hastings for good food and beverages at the Walldorff Brewpub and Bistro.

President's Page

Members,

In past letters I have often encouraged participation in Regional and National Events to support the club, meet new people, and have some fun. This month I want to point out another benefit to going to these events, the memories and stories. While attending these events, I have collected a handful of inside jokes, funny pictures, new friends, great stories to share, and a few awards. Enough so, it created a situation where I needed to move them out of the garage and make room for them in the house. This small issue is giving me an excuse for a long overdue overhaul to the man cave.

While moving, cleaning, and hanging these awards I realized what is important about them, almost every item had some memory attached to it. While working on this at my house, I have also visited a few members that have been with Capital City and NCCC for many more years than I, and they have amassed larger collections, have more stories to tell, and I enjoy listening to so many of them. We are quickly approaching event season here in Michigan. Other Regions have already started hosting events. So, come out and participate, even if it is just to work or hangout. I promise you will have a good time and collect some of your own memories and stories. I know we all came for the car, but we stayed for the people!

Remember to Wave,

Kyle

- FCOA new member packets are sent directly to the children. Contact after that is in the form of emails sent to the child's sponsor to pass along.
- NCCC cards should be sent out this month.
- Simon has offered to pick-up Convention shirts at the May Governor's meeting.
- The Huron Valley Corvette Club, located near Ann Arbor, is no longer a member of NCCC, as only 6 members were NCCC members, and it needs to be at least 51% to get the NCCC insurance.

Points Director: Dan Burk

- Not present/No report

Competition Director: Kevin Mead

- The Jackson Club meets tonight to discuss if we will get their sanction numbers for 2023.
- Nothing new for the Birch Run autocross.

Editor: Tom Faupel

- Newsletter published yesterday, although Tom had to use his personal email account to send it out to the members.

Membership Director: Angela Hyde

- The club currently has 98 members, 2 honorary members, and 36 FCOA.
- Angela has 60th Anniversary key chains and brochures for potential new members for those who are interested in obtaining them.

- Shaheen's has renewed as the club sponsor.
- Chuck identified the Sports Stop as a new potential ad customer, and Angela will follow-up on that.

Social Director: (position currently vacant)

- Angela Hyde has volunteered to do this position. Nomination made by Bob Maynard, seconded by Katherine Twining, and approved by the majority of the membership in attendance. A vote will be taken during the next General Membership meeting.

Chaplain: Ward Harris

7:45 New Business:

- Kyle wants to increase our club's interaction with other clubs, such as those in Flint, Detroit, and Muskegon. For example, trying to draw members from these clubs the the CMN show, and conversely, having more of our members attending events hosted by these clubs.
- Event Updates (Bowling, Blessings, Birch Run, CMN Show). All were discussed above with the exception of the CMN Show which is now scheduled for Sep 10th.
- Changing Names on Checking and Adding Comp Director: This is in progress.
- Meet Capital City event (Spring): Kyle has had a discussion with the staff at the Edgewood Blvd Texas Roadhouse. He suggests we do a Meet the Capital City Corvette Club as a flyer event. Texas Roadhouse does these on Monday and Tuesday nights. The way it works, is that an organization can distribute flyers, and then folks can bring these in to get a discount on their meals. The organization also profits from this, and Kyle suggests we give this money to a charity. The meet and greet typically last a few hours, and Kyle and Angela have volunteered to represent the club, and others are welcome to volunteer to attend. It was also suggested that we have a donation bucket where patrons can donate directly to the charity.
- Kyle is also in discussion with Texas Roadhouse for other events. The advantages include it is near Shaheen's and has a lot of parking space to hold an event.

7:55 Other Business:

65th anniversary plans – Committee Update? Picture Update?

- Angela reported that we plan to have a Car, Coffee, Conversation event at Shaheen's on Jul 22nd. She is exploring a Tshirt for this event that attending club members are encouraged to wear. There were questions regarding who was paying for the Tshirts, and this will be discussed at the next Board meeting.
- On Jul 29th, there will be another party at Bob and Shalimar Maynard's. Time and details yet to be finalized, although sounds like Bob's Burgers is on the menu. Kyle, Kevin, and Angela will be exploring if a Funkhana can be included.
- 65th anniversary clothing can be purchased at the Sports Stop. As a reminder, you can also order large tote bags for \$37.50 and the smaller tote bag for \$22.50. Both have embroidery on one side.
- Tim has contacted Ben and he is fine with us using Shaheen's to update our photo. They just need a month or so notice. Tim suggested we shoot for Jun 4th, with Jun 11th as a back-up. Members in attendance were in agreement, so Tim will work with these dates. We will probably do the photo shoot mid-late morning and then grab a snack somewhere afterward.

Regional Timing Equipment: No update

Member Comments – Club members are booking their rooms for the National Convention.

7:30 Adjournment at 7:43. Motion by Simon Reiffer, seconded by Kevin Mead.

When I was searching for a C6 Corvette, I wanted one with a back-up camera. Unfortunately, that was not an option for the C6. My kids say I'm a "YouTube certified mechanic" and after watching a number of videos, I decided that it was within my capabilities. I've had good luck buying aftermarket radio equipment from Crutchfield, so I got in touch with them, and found a new unit that included a back-up camera. They also had the bezel to make it blend in well with the dash, installation instructions, and I also bought a patch plug that went from my C6's wiring harness to the new unit so that I didn't have to splice a bunch of wires together. Removing the center console on the C6 is pretty easy. I had to tap into the right side back up light wiring to power the back-up camera, and drill a hole in the back tail panel to run the back-up camera's video cables through. I then snaked a piece of small PVC pipe from front to rear underneath the trunk carpet and ran the video cables up through that and then under the carpet and center console to the new head unit. All in all, it can be done in an afternoon, and I now have a better head unit that includes a back-up camera.

NATIONAL CORVETTE MUSEUM CORVETTE RAFFLES

ABOUT THE RAFFLES

The National Corvette Museum conducts a series of raffles each year as a way to raise funding for the day to day operations of the Museum. The raffle fundraisers are a tremendous help to the Museum and a large part of our planning and daily operation funds. Licensed by the Kentucky Department of Charitable Gaming – License Number ORG0000854.

THE RAFFLE EXPERIENCE

All raffle winners will also enjoy the benefits and excitement of taking delivery of their new Corvette at the Museum as part of the “R8C Museum Delivery” experience. A VIP tour of the Museum and Corvette Assembly Plant (if available), one-year individual membership to the Museum, hands-on training/instruction by a NCM delivery team member, program decal and a wall plaque are all part of the Museum Delivery experience that is available exclusively through the Museum. R8C deliveries are viewed worldwide via the Museum’s webcams. Visit raffle.corvettemuseum.org for rules & upcoming raffles.

ELIGIBILITY

Winner/Purchaser must be 18 years old with valid driver’s license.

Upon receipt of your completed ticket request form with payment, if tickets are still available, a raffle ticket stub will be completed with your contact information and placed in the raffle ticket drum.
