## Removing Cone Marks after an Autocross Weekend

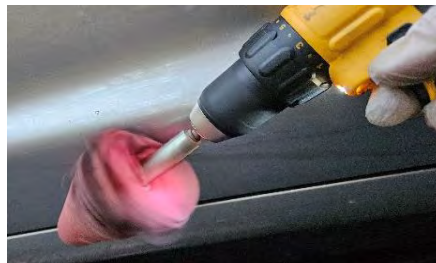

As much as I would like to tell you how good of a driver I am on track days, the truth is the cones get more scared than other competitors do when I come up to the start line. Due to this, I often have cone scuff marks on my car. This is just some plastic transfer and does not hurt the finish, but sure does look unsightly for those of us who use our autocross car for other purposes than just track events. I have developed a pretty quick and easy way to remove them without too much elbow grease. Follow below for the process, the is usually 10-15 minutes for me after each event.

Meguiar's Cleaner Wax  
Mothers Power Ball (Or Cone)

Dab the wax on the area where the scuff marks are

Use Drill on high speed setting to buff the marks with the wax using light pressure. Let the speed and the cone do the work. You can follow up with any wax you want and it works on ceramic coated vehicles as well.

Buff off with a microfiber towel to a nice shine and you are good to head off to the car show next.

**Members,**

We are turning the corner here and rounding out another year. However, if you are brave enough to keep your car out for a few more weeks, we are not done yet! There is at least one more Autocross coming up that will be held in Perrysburg OH - the MI Region Turkey Runs. This is important for two reasons. First, we have slid into the 3rd place as a club in the Region. If we get a handful of people to compete in a few more events, we could change that and improve our bidding order for 2024 dates. The second, the Ladies Rookie of the Year, is still a wide open race. As of this writing, there is not a Lady that currently meets the requirements. If this interests you, please reach out to myself or our Competition Director, Kevin Mead, for further information. There is also the possibility another Funkhana will get scheduled in Marshall. If you have never done one of these, they are a blast for all involved and you should really come out to one. Keep an eye on the Calendar of Events for updates because there are open sanction numbers that can still be used.

Aside from Competition events, we also have business at hand this month to finish our elections for next year and determine where our charitable donations will go this year. Coming into December, I have been afforded the opportunity to once again have Lingenfelter's support for our Toys for Tots Drive. We will be combining our efforts this year with another group, the Northville Concours De' Elegance. This allows us to invite the entire NCCC Region and the clubs from The Michigan Corvette Roundtable. This should be a much larger event this year and I am appreciative of Ken and Kristen Lingenfelter's support in growing this event. We then close our year with the Christmas Party at Coral Gables in East Lansing. Our party is always good for a few laughs. If you haven't made it in past years, please come join us. Unfortunately, due to the availability to host the Toys for Tots event, we will be skipping the MIS Nite Lites this year.

I mention all of these events because I want you to come out and participate. If you do and you are planning to bring your Corvette, please remember to confirm your tires are safe to drive on in low temperatures. I know I have mentioned this previously, but it is that important for safety.

**Remember to Wave!**

**GENERAL MEMBERSHIP MEETING**

**October 4, 2023 - Delhi Café & Zoom**

**7:00 Call to Order:** Simon Reiffer

- No mail received.
- **From Kyle:** Thanks to Angela for planning the caravan to Uncle John's Car Show.
- Thanks to everyone who helped at Children's Miracle Network Show, especially to Christine for the main planning and Milton Scales for being our guest DJ. Also, the club should know how generous Sandy was with the purchase of door prizes.
- Thanks to Simon and Gloria for putting our caravan to the JCC Show at Ye Ole Carriage Shop together. This is a museum ran by a JCC member and you should look it up. It is worth setting up an appointment to go see as it is open by appointment only. You can go online to the Region site and see pictures from the event.
- Thanks to everyone who came to the Fill The Pantry at Antioch Church - Pastor Ed Thomas is a Corvette owner, former CCCC member, and helps us with YouTube content. I plan to make this an annual event as well, to thank him for the help he provides us and the Michigan Corvette Roundtable.
- October is still going to be a busy month with lots of opportunities to hang out with your Corvette family, earn some points for the club, and enjoy your car. Don't put it up yet!
- Officer Nominations - Newer members, we want you too. Please consider nominating yourself or letting someone else know you would like to be nominated for a position. We are always welcoming fresh ideas and energy.

While Sandy and Gloria were setting this up Lisa Smith, the manager there, approached them and asked if the club would be willing to help with purchasing a smart TV for their community room. A motion was made by Gloria Reiffer to pay up to \$400.00 toward a new smart TV for the home, seconded by Joyce Cradit and approved by the majority of the members present. Gloria, Simon and Sandy will check into the television set.

## NCCC's Family Helping Family Program

A quick check of the Family Helping Family Program found that there are less than 100 NCCC households signed up to help nationwide. Michigan lists 3 households. NCCC members are needed to sign up in order to make this program useful.

Just think if you were traveling and something happened to you or your car. Wouldn't it be better to have a fellow NCCC member help you out instead of a stranger? This is a way that we can help others in that situation.

Those signing up would agree to provide assistance to help out another NCCC member for free. You would make a commitment to respond as soon as you can or to find someone else who can. They don't want someone to wait for hours just because it may be in the middle of the night. If it was you needing help, you would want someone to respond as quickly as possible. We would hope that the person receiving assistance would offer some type of appreciation, maybe help with gas money or even lunch.

Some things you can sign up to offer assistance with include:

- General knowledge of the area
- Refreshments and conversation
- Accommodations for the night
- Knowledge of mechanic or dealership
- Mechanical expertise
- Use of a car trailer
- Use of tools and/or lift

Go to the NCCC Website and choose the Members Only menu item on the home page to find out more about the program. After signing in, click on the Family Helping Family dropdown menu.

If you think you would like to volunteer for this program, please see Simon and he will get you the volunteer form.
