President's Page

Members,

It is the last month of 2023. First, I want to thank the club members for entrusting me to lead the club as President for another year. Second, as I write this, we are preparing for our Toys for Tots drive at The Lingenfelter Collection on the 2nd. This year will be even bigger than last as we have partnered with the Northville Concourse to open the event up to the entire Michigan Car Enthusiast community. Having the Lingenfelter's open their collection to help us with our charities is invaluable to getting people to come out and support. We are already thinking of how to expand on this event for next year and I hope to continue its growth. Third, the following weekend is our Holiday Lunch on the 9th, and it is always a good time. I hope you signed up and I will see you there.

Reflecting on 2023, it has been a long competition season. Starting at Turkeyville in May and concluding last weekend in Marshall. Capital City was well represented this year and looks like we will place 4th out of 15 clubs in our region and possibly top 40 nationally once points are final. This is thanks to many members that have come out to sanctioned events over the competition season and those who attended the National Convention. We will once again have multiple members recognized at the Regional Banquet in the spring. You are welcome to attend the event to congratulate our winners and enjoy fellowship with other MI Region members at the banquet, even if you are not receiving an award. There is always great food, great door prizes, and great stories to be told from the previous year.

This month, I also get to officially announce I have been appointed to take the Regional Competition Director position for 2024, as well as continuing as the Points Director. Our Previously elected RCD and Six-time National Champion, Rene Cardenas, has been elected to serve as the National VP of Competition. Due to this, and our Region still needing separate representation, our Regional Executive asked me to step in to fill the role. For those who know Rene, I have some big work boots to fill, and for those that don't, you should come out to some regional events and get to know him. He plans some great events. As a representative of Capital City and leading the competition for the Michigan Region, I hope to see more of our members come out and do some Rallyes or Funkhans next year... maybe even do some racing?

Remember to Wave!
