## Details from Lino ~ Corvettes of Western Ontario

---

Hello from London, Ontario and the Corvettes of Western Ontario (CWO)! How are all things "Corvette" on your side of the river? I am trying to get the word out to our Michigan neighbour clubs in the hopes you might come and visit us. Might you be good enough to add this event and date to your club calendar or local listing. Please read on...

Our fourth Crown Vettes show will be held on **Sunday August 11th, 2019** once again at the **Lambeth Legion**, 7097 Kilbourne Rd, London, from **9 am to 1:30 pm** - draws held at 1 pm. Please note that this start time is one hour later than other years. The Legion is located just minutes north of the 401 and 402...straight north on Colonel Talbot Road to Kilbourne. We had 150 Corvettes out last year, and hope to keep on growing.

The Legion building offers indoor washrooms, and two air conditioned floors to seek shelter from the heat and/or rain (heaven forbid). There is also a large outdoor covered patio from which you can view the sea of Corvettes parked just beyond.

The Legion ladies are once again serving breakfast (8:30 – 10:30 am). They will also fire up the BBQ at 11:30 am, and will be selling hamburgers, hot dogs, sausages, and fries. The bar will open at 11:00 am . Proceeds from food and bar sales go directly to the Legion.

There will be some "People's Choice" awards. This is purely a subjective and fun award, based on what "tickles the fancy" of the lay judges. No tire treads need be cleaned! No carpets vacuumed. Quad C points will only be awarded for attending.

We will have several draws with these proceeds going to the War Amps.

We are inviting you to c'mon over and visit us. We are 60 miles from Port Huron. The US dollar is worth \$1.25 Canadian right now...meaning your dollar has 25% more purchasing power here! On Saturday, the day before our show, the "Old Autos" show takes place in Bothwell (Google it and check out their show – hundreds of classics and modern machines - all makes are welcome). So why not shoot over to Bothwell on Saturday, catch Old Autos, and then grab a dinner and room in London. Then Sunday morning, come on out to the Legion for our Crown Vettes and breakfast! Make it a mini vay-cay!

There is no "pre-registration". Entry at the gate is \$20 cdn per car (if you give us \$20 usd, we will give you \$5 cdn in change). This event will go, rain or shine. If it rains, the cars get wet, but the people stay dry, thanks to the hall and covered patio.

Additional access to our flyer and map can be viewed on our club website at [www.corvetteswo.com](http://www.corvetteswo.com). Check out the awesome photos from last year.

If this message has reached you in error, please forward it to the current President or Social Director in your club. C'mon out and let's have a Corvette party!

Thanks for considering us for one of your summer Corvette experiences.

## **More on the Old Autos Show in Bothwell ~ August 10**

---

I'd like to tell you a bit about the "Old Autos" car show in Bothwell on Saturday (the day before our show). Bothwell is a very small town south west of London... about 20 minutes' drive west of London (so "kinda" on your way to London). They hold the show at a Fair Grounds and have about 800 cars...any and everything. They have a 50/50 draw that has gone crazy in the last ten years. Last year, the winner took home \$40,000!!! Yep, you read that right! \$40,000! People from miles around who are not even car enthusiasts go there at 2 PM and 3 PM and even 3:30 pm just to buy tickets for the 4pm draw. You could leisurely roll in to the grounds at 1 PM en route from Port Huron, have a bbq lunch there, look at cars, buy a ticket or ten, and hang out till the draw. You could then arrive in London for 5 pm, grab your room and dinner and head downtown to Victoria Park...there is always something happening in the park every weekend of the summer (Google it to see what event).

Then, as suggested in our invite, come for breakfast at the Legion Sunday morning and enjoy our show. In lieu of Victoria Park, Grand Bend (1 hr) or Port Stanley (40 mins) are nice runs to the shoreline of different Great Lakes. They too have weekend events. Anyway, my purpose here was to give you a little more detail about the Old Autos show. Just something to consider, that does not require an early arrival on your travel day.

Kayoo.  
Cheers.  
Lino
