The NAPA National Warranty Program.

If you use NAPA Brand parts under your hood, or anywhere else in your car, you're covered. With the NAPA National Warranty Program, you're assured that NAPA AUTO PARTS stores across America will honor the manufacturer's warranty* on any NAPA Brand part—no matter which NAPA AUTO PARTS store or service outlet you made your purchase from. Contact Tammy or Art about any specifics on the event and let them know you are planning to attend so if more than one person is going maybe you can caravan to the event or spend the night in the area and make a day or weekend out of it.

What prompted me to make mention of this was what happened when Linda and I decided to attend the rally in Grand Rapids. At the last minute Ron and Kristie tried frantically to find out more information to attend. After a few phone calls they found the information they needed and ultimately Ron and Kristie did show up, we gave them a two minute course on how to run a rally and having never run a rally before they did very well, despite finishing last in a field of eight. But I hope Ron and Kristie decide to stick it out at least one more rally.

VETTE VUES MAGAZINE
P.O. Box 76270 PH:(404)252-2575
Sandy Springs, GA 30328

The Corvette Enthusiast's Magazine April 12, 1991

Dear Corvette Owner and/or Enthusiast:

Vette Vues has been publishing our monthly magazine since mid-1972...going into our 20th year thus far!

Even though you may have loved, driven and been involved in Vettes as long as we have (My first was a new 1965 Coupe), you may have never heard of "Vette Vues". But this is not unusual; we add several thousand new subscribers each year that had never heard of us, even though they had driven Corvettes for the last twenty years or so. Since we are available by subscription only and not on the newstands, we ARE sometimes difficult to locate. Thats why we are sending you and your Corvette Club a sample copy at this time. We hope you will show this issue to all of your Vette friends and let them know what we offer each and every month for the Corvette person!

Our regular subscription rate is \$20.00 per year for twelve issues. As a "special" offer to Corvette Clubs, we are informing you at this time "if" your Club sends in at least ten (10) subscriptions at one time with payment of \$20.00 each, we will send each of those "new" subscribers a FREE copy of our "The Best of Vette Vues" 512 page hardback book that was published several years ago! This is a normal \$10.45 value plus one full year of issues. But we must offer this only for ten or more new subscriptions placed at the same time.

Read through the enclosed issue and "enjoy"...we think you'll agree that for the hardcore Corvette enthusiast...you can't beat the quality and sheer amount of Vette material that we offer our readers each month.

Thank you!
