From the Editor:

I would like to thank all of you who have been so supportive in the production of this Newsletter. I have received several compliments regarding the first publication and our Club as a whole has received compliments from outside sources.

I indicated in the previous issue that more changes were to come and we would be having numerous surprises over the next few months. We are still in the planning stages, but some of the changes had to be put on hold this month as there was business with a more crucial deadline that had to be taken care of first.

As you read through this month's issue you will find a lot of important information that you will probably want to hold on to for future reference so please keep your Newsletter handy.

Be sure to catch the Classified Ads. The response was great, and there are some real bargains. One especially but I will let you figure out which one.

The next Newsletter will be published, Wednesday, March 25th. If you have any articles to submit (and I look forward to your input) I need to have them by Sunday, March 22nd. I realize this is an adjustment on some people's part, but I am trying to make this publication as informative and fun for everyone and it does take time to do it and do it right, therefore I would really appreciate your cooperation.

PRESIDENTIAL PONDERINGS

I sincerely hope that members and officers alike will read this letter and take it to heart, realizing it is written with the Good of CCCC in mind.

- * I wonder what it would be like to hold a General Membership Meeting without a lot of background chatter.*
- * I wonder what it would be like to be able to start a meeting on time (7:30 pm) with ALL the officers present.*
- * I wonder what it would be like to have a prospective member be impressed with the first meeting they attended and return to a second.*
- * I wonder what it would be like to be able to do what's right for the Club without having to worry about which member will not like the move.*
- * I wonder what it would be like for Officers and Event Chairpersons to do the jobs they have committed to in a in TIMELY and COMPLETE manner.*
- * I wonder what it would be like for everyone to enjoy and be happy with the club and all the other members.*

In closing I have to say I have been thinking of some ways to make these ponderings become reality, but I need your help! I can't do it alone!

Respectfully,

Charlie Eifert, President

PUBLIC RELATIONS

This last weekend was the Kalamazoo Swap Meet and along with selling a few parts here and there I was able to promote our May 9th Swap Meet and things are looking pretty good.

Apparently, Huron Valley just realized our meet was the day before their's and they have contacted me about doing some joint advertising. I will keep you informed about the possibility.

We mailed numerous letters to vendors, magazines, and individuals and our efforts are beginning to pay off. We have had responses from as far away as New York and Wisconsin, and as close as our own back yard. We are beginning to receive a lot of phone calls and several vendors have committed to spaces as of this date. All in all things are looking pretty good!

I have discussed several advertising possibilities with Steve Hanks (Holt Auto) and he is working on several promotional ideas for us with 94 Gold.

In case you are not familiar with 94 Gold, they are the Oldies Radio Station that has the car give away in the summer. This year they are giving away a 69 Big Block Corvette and it looks great! The car is coming from Steve Hanks and he is trying to coordinate advertising for us with the promotion of this car.

Next on the agenda is our car shows for this summer (our fun days). As already announced we will be holding our Wash 'n Shine at Holt Auto on July 18, 1992. Steve Hanks has once again been very considerate and graciously offered us the use of his facility. More about this event next month.

We do have something new - The MINI GRAND PRIX - Downtown Lansing. The Mini Grand Prix is sponsored each year to help the Arthritis Foundation, and we have been asked to participate. This race has been traditionally run on July 4th along with the parade. This year it will be held on Sunday, August 30th and they have asked if the Corvette Club would be interested in displaying our cars on the Washington Square Mall prior to the race.

This was discussed at our last General Membership Meeting and there was overwhelming interest in this event. So folks we are committed.

As of this date, the details are still in the making, but this is the tentative plan of events.

- 1) There will be a Dinner held Saturday Night and tickets will be available for participants. The price is unknown at this time.
- 2) They are hoping to have a marathon type run in the morning. Whether it will be a 5K or 10K is unknown at this time. But whatever the case, Maryann has volunteered Matt to be our designated runner. Let's hear it for Matt! Matt you had better come home soon before she volunteers you for the Boston Marathon!
- 3) The Corvettes will be displayed on the Washington Square Mall itself, the block in front of the Manufactures Bank Building where the water fountain is located.
- 4) The Race itself will be held in the afternoon.

Please remember, these are only tentative plans at this time, and as definite decisions are made I will let you know the status and where the Club fits in.

All three of the events mentioned above, the Swap Meet, the Holt Show, and the Mini Grand Prix are all excellent ways to promote our club in the community. I hope you will all take advantage of these opportunities and help the club as much as possible.

Thank you,

Steve Spinnis

TO: All Members of Capital City Corvette Club

FROM: Maryann Tillson, Board of Trustees, R.E. Olds Transportation Museum

The R.E. Olds Transportation Museum needs your help!

I am asking my fellow members of the Capital City Corvette Club to help me out with an event that myself and other members of the Board of Trustees of the R.E. Olds Museum are producing.

The museum survives on donations, public and private grants, and money received through museum admissions and the giftshop. However, especially in these tight economic times, the money taken in from museum spectators has not been great enough to outweigh operating costs of the museum. This is why the museum would like to have an indoor Corvette display during the month of April. The display will kick off on Saturday, March 28, run through the month of April and the Corvettes can be taken out of the display on Saturday, May 2 - just in time for Corvette weather! There are quite a few benefits to participating in this display:

FREE, SECURED, INDOOR, HEATED STORAGE  
CARS MAY DISPLAY "FOR SALE" SIGNS (FREE ADVERTISING)  
SECURITY AT ALL TIMES MUSEUM IS OPEN TO PUBLIC  
ENTRANTS HAVE FREE ADMISSION TO DISPLAY & MUSEUM  
EXCELLENT CLUB EXPOSURE  
NO JUDGING - ALL ENTRANTS WILL RECEIVE A FRAMABLE  
CERTIFICATE OF PARTICIPATION

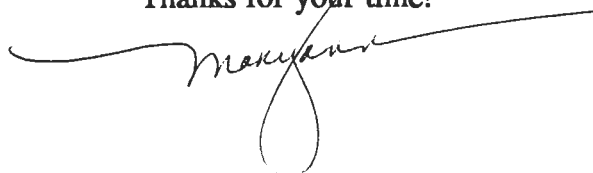

and the best reason of all...

YOU'RE CONTRIBUTING TO THE MUSEUM AND HELPING  
TO PRESERVE A PIECE OF THE HISTORY OF LANSING

If there is any way that you can help out in this display, please let me know. We already have a few Corvettes, however, in order to make this an impressive display of the history of the Corvette, we need quite a few more.

Should you have any questions or need further information, please call me at 517/349-6769.

Thanks for your time!

## **COMPETITION REPORT**

The competition season is upon us and there are several things happening that you will want to be aware of.

First, I received a copy of the NCCC changes at the Region Meeting, Tuesday, February 25th. If you would like a copy, please contact me. There are several pages so I will not be putting them in the Newsletter.

Second, the points system for CCCC has been changed. There was much deliberation regarding the points system and we wanted to be as fair as possible to everyone. In the past it would appear the points were designed for a few, leaving others without much hope for achieving recognition in the points standing. We hope this has been alleviated.

A copy of the new points system has been included in this newsletter. Please note the changes with probably the most obvious one being the worker points or lack of. There will be NO worker points for the chairpeople of an event. The chairpeople are expected to work the event that is why they are the chairpeople. The workers of the event are the only members eligible for worker points.

If you are wondering how this came about it is an attempt to give every member the same opportunity to finish in the top ten in the points standings. There are not enough events each year for every member to have an opportunity to chair something, but there are plenty of members who work very hard at these events.

For those of you who are not familiar with the points system, this is a brief explanation.

There are awards given out each year at the Annual Awards Banquet. These awards are based on the top ten points leaders in the following categories: All around (points for everything), race, rally, and concours. These points are earned according to the published rules.

This issue contains the Points Standings as of Mid February. These standings may or may not change as Phil has not had an opportunity to adjust his figures based on the new rules. If you have any questions regarding points, please contact Phil or myself.

I have also received the final points standings for the Region. As they have not been published yet, I will just recap them for you.

CCCC finished 3rd in the overall points 234 points from 1st place, 3rd place in the Speed Trails, and 2nd in Matching Times.

Our individual winners were:

Art Doty - 3rd overall, 5th speed, 2nd matching times, 9th rallye  
Steve Spinrad - 4th overall, 6th speed, 3rd matching times, and 6th rallye  
Nancy Doty - 3rd overall, 5th speed, 1st matching times, and 9th rallye  
Loretta Ames - 5th overall, 4th speed, 5th matching times, and 6th rallye  
James Myers - 3rd concours  
Penny Myers - 4th concours  
Marty Riel - 1st Rallye  
Linda Riel - 3rd Rallye  
Pat Spinrad - 12th Rallye

The complete finalized list will be available in March at the Banquet.

As I stated earlier this year, the calendar in the region is determined by the club point standings. This year CCCC finished 3rd, lets go for #1 in 1992!!!

As stated earlier, the Region Meeting was held Tuesday, February 25th and several things were discussed.

Deb Corbin highlighted the rule book changes and I presented the letter (published in this Newsletter) written by the Club. There were a number of people in agreement with us that it is pretty hard to comply with rules no one has seen. Our concerns will be relayed to the powers to be this weekend's Governor's Meeting, however, I wouldn't hold out much hope.

The Region is quickly running out of money and we are looking for ways to improve the treasury. There was a strong appeal made to all Competition Directors to inquire of their club members about fund raising ideas.

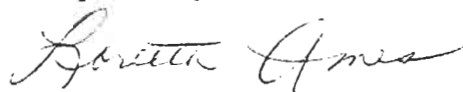

There were several items to discuss and to cover everything at this time would be redundant as I will publish the minutes as soon as I receive them. The minutes of the last meeting are in this publication and I have covered the highlighted areas.

Jim Harris is still looking for Convention Chairpeople if anyone is interested. He still needs someone to handle beverages, Corvette Mall, Door Prizes and Raffle, Concours, and Rallye. Please, if you are at all interested contact Jim Harris, FCC or myself and I will relay your interest on to Jim.

The Raffle Ticket for the free room at the Region Banquet was raffled and unfortunately no one from our club won. However, Bob Reeve did when the 50/50 raffle for a total of \$16.00

If I have missed anything I apologize, but it is now 2:00 am and my computer has decided it is time for bed! GOOD NIGHT!

Respectfully submitted,

Re: 1992 Rule Book Changes

To: NCCC Officers  
Regional Competition Directors  
NCCC Governors

As a Charter Club of NCCC we are writing to express our deep concerns and great dissatisfaction in regards to a still non-published Rule Book for 1992.

As stated in the 1990/1991 Rule Book the purpose of the sanction program "is to encourage inter-activity between individual Corvette Clubs within the National Council. The National Council is operating the Sanctioned Program to provide uniform and fair standards under which competition events may be sponsored by individual Corvette Clubs."

The 1992 Competition Season started January 1 and is well underway and not one of our members has seen a completed rule book for 1992. As rumor has it, the rules have been changed substantially, therefore putting everyone unfamiliar with the rule changes at a severe disadvantage for competitive purposes.

We do not want to believe National Council is trying to promote dissention among its members, but that is exactly what is happening. Consideration must be taken as to hardship this has and will cause all clubs and their members that participate in NCCC Sanctioned Events.

In reviewing past rule books, the first thing we read is how our organization is trying to promote sportsmanship and competition that is fair to all participants. Is this really true or are we just reading empty words? No one should be put at a handicap to compete in any sanctioned event, but that is exactly what is happening. You cannot expect the players to play by the rules, if they don't know what the rules are.

We are therefore requesting the 1992 competition rules for all categories be suspended and revert back to the 1991 competition rules for the 1992 competition season.

Sincerely,

General Membership
