MICHIGAN REGION MEETING MINUTES

February 25, 1992

The meeting was called to order at 7:45 by RCD Deb Corbin at the Holiday Inn, Lansing, Michigan.

Secretary - Susan Butters

The previous minutes were approved as written.

Treasurer - Susan Butters

Susan passed out copies of the Treasurer's report and the final 1991 statement.

Balance as of February 25, 1992	<u>\$1,361.68</u>
---------------------------------	-------------------

Ways of increasing the treasury balance were discussed. Several ideas were suggested, start having 50/50 drawings again, at Region Meeting and also have various events; Sell T-Shirts. Loretta Ames will assist Susan in working up ideas to increase treasury.

Points Director - Sharon Meesseman

Sharon announced that she had final points standings but hadn't had time to separate them. If you want a copy now, see her otherwise copies will be available at the next meeting.

Regional Executive - Roger Thomas

Deb announced that Roger wasn't in attendance (something about going to Las Vegas for someone's birthday). However, he will be attending Governor's meeting this weekend. If you aren't going to Governor's meeting see Susan for a proxy.

Regional Membership Director - Jim Harris

Renewals were mostly in on time - not a great deal of problems. GVCA still the largest club in Michigan with 59 members. Memberships are down in MAL. Reminded everyone that if they plan on attending May governor's meeting, should get reservations in right away, because we have an excellent room rate for Indy time trials. Membership packets have been received by some people but not all. Will find out more information this weekend on this.

Regional Competition Director - Deb Corbin

Deb reviewed a letter she has received from Vice President - Competition regarding what he expects from all RCD's. In turn, she requires the same from all Competition Reps.

1. Sanction Requests must be received postmarked 70 days prior to the event.

2. Flyers must be postmarked at least 50 days prior to the event and must be in the correct format.

If the other RCD's and VP - Competition do not receive the flyer at least thirty (30) days prior to the event, it will not count for National Points.

3. The VP-Comp is to receive correct results within 30 days of the event or points will be pulled.

4. Non-Sanctioned Events - A club may host a non-sanctioned event and be covered by NCCC insurance if there are no NCCC sanctioned events (of any type) within 100 miles in the Region and if there is NO CONFLICT WITH NCCC SAFETY GUIDELINES. However, the club must request a non-sanctioned event authorization from me postmarked at least 15 days prior to the event and receive a non-sanctioned event number. Non-sanctioned requests will be held until 65 days before the event to insure that no sanctioned event gets requested that would be in conflict with the requested non-sanctioned event. Signed waivers must be sent to me within 15 days of the event. If waivers are not received, I will not grant anymore non-sanction requests to that club.

5. An updated Calendar of Sanctioned events is to be sent to each club monthly and also bi-monthly an updated Region Points standings is to be sent.

Deb stressed to all reps that they are responsible for sanction requests, flyers and results being submitted right and in a timely manner. If they are not, club points will be pulled.

Deb reviewed rulebook changes. She asked for the reps to take back the concours rules to their clubs for review. Loretta Ames submitted a copy of a letter from CCCC membership asking NCCC to suspend the rulebook for one year since new rulebooks have not been received. Concerned about not receiving the new rulebook in time for the season. A copy of this letter was sent to NCCC officers, RCD's and Governors.

Jim Harris stated he planned on proposing that any future rulebooks be available 60 days before the season starts.

Reviewed clarifications to be discussed at Competition Meeting.

Convention - Jim Harris

Pat Dolan stated that the Michigan State Police track was not available to rent out for the low speed event.

Jim Harris stated chairpersons are still needed for: Beverages, Corvette Mall, Concours and Rallye. If you know of anyone who might be interested, contact Jim.

Jeff Wixom and Dave Cripe's written proposals on handling t-shirt sales, etc. for convention were passed out and reviewed. Jeff stated his proposal was based on screen printing. Dave stated he prefers to do transfers. After discussing the proposals, Jim stated that each club would have one vote. Ballots were passed out for the clubs present to vote and Susan will send information to the three clubs not present asking them to vote and return ballot to Jim by March 13. The results will be announced at the March meeting.

Calendar

Calendar reviewed with the following addition - May 17 - CCBC Car Show and Swap Meet - Non-sanctioned.

Old Business

Michigan Region Trails Committee will be: JR Biksacky, Susan Butters, Dan Davis, Art Doty, Barry Leone, Ray Meesseman, Jim Sweet and Jeff Wixom. Congratulations!

Region Party - Deb reminded everyone to get their reservations in and all clubs in attendance are to bring a \$20 door prize. The drawing was held for the free room - The McGladdery's won the room. They then donated the room cost back to the Region. Congratulations!

New Business

Deb submitted a proposed By-Law Change - Article I, Section 3 in an attempt to get more in line with NCCA:

From: Order of Succession shall be: Regional Competition Director, Regional Points Director, and Secretary/Treasurer.

To: Order of Succession shall be: Regional Executive, Regional Competition Director, Regional Membership Director, Regional Points Director and Secretary/Treasurer.

Seconded by Pat Dolan. Will be voted on at the March meeting.

Kevin Smith moved to adjourn the meeting at 10:20 seconded by Jim Harris.

Respectfully submitted,

Susan Butters
Secretary

*** * * LOOKING FORWARD TO SUMMER * * ***

Here we are, it's already late March and as always time is flying by. The Club has many events planned, for the soon to be upon us summer, all of which sound like fun!

I, myself, am making large strides towards becoming more active this season. These efforts include Janet's 82 Collector's Edition, a new RP Class Road Racer, and major changes to my DPA Drag Car. I hope that everyone else is making progress towards the impending summer.

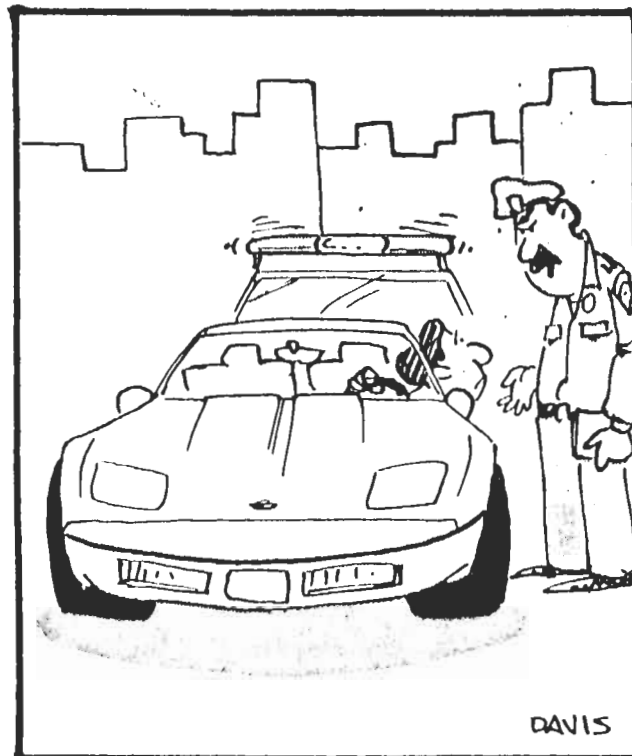

It would be terrific to see all of you at our Swap Meet on May 9th and all of the other CCCC's Events planned for this year.

I hope some of my new found enthusiasm will be contagious.

See all you of this CORVETTE SUMMER!!

Crank it up,

Charlie Eifert, President

COMPETITION REPORT

DRIVERS – Start Your Engines! NAVIGATORS and WRENCHES hang on!! The Competition Season is beginning April 11th with a Driver's School at Ideal Speedway in Springport for all racers and those who think they would like to be racers and anyone else who would like to participate. There is a flyer in this month's newsletter giving all the pertinent details.

If you have never participated in a low speed event, here's your chance to cruise around the track without the pressure of actually racing. The nice thing about a driver's school is, it is just what is says "school". You can test yourself and your car. If you are unsure about racing or your ability to compete, you can take the advantage of this school to spread your wings a little while getting some free advice. In addition, this is the only time you can have an experience racer ride with you and give you pointers that may or may not help you out. If you have no desire to race yourself, but would just like to watch, come on out and enjoy the fun!!

Racing is not the only competition event that will be held this month. Huron Valley has the season's first sanctioned rallye on Sunday, April 26th. Our club is sponsoring a mini-rallye for a warm-up to the real thing on Saturday, April 25th.

If you have never participated in a Rallye and would like to know what it is all about be sure to read "What is a Rallye" in this issue.

Capital City Corvette Club held its Annual Awards Banquet on Saturday, March 7th. If you were not there you missed a wonderful meal and a great time. For those of you who could not make it I would like to take this opportunity to congratulate those individuals who were presented with awards.

If you will recall in the last newsletter I explained the points system and how it works, the people receiving awards at the banquet were recognized for their participation in events based on the points system.

The TOP TEN AWARD WINNERS WERE:

1st place (Steve Spinrad), 2nd place (Loretta Ames), 3rd place (Art Doty), 4th place (Nancy Doty), 5th place (Marty Riel), 6th place (Linda Riel), 7th place (Tammy Spinrad), 8th place (Jim Myers), 9th place (Joe Platte), 10th place (Penny Myers).

The following people participated in enough events to earn them a place on the Race Team and a Club Patch: Steve Spinrad, Art Doty, Joe Platte, Chuck Shuman, Loretta Ames, Nancy Doty, Tammy Spinrad, Charlie Eifert, and Sandi Carpenter.

The following people participated in enough events to earn them place on the Rallye Team and a Club Patch: Marty Riel, Linda Riel, Steve Spinrad, Loretta Ames, Art Doty, Nancy Doty, Pat Spinrad, Joe Platte, Ron Horton, Tammy Spinrad, and Mike Walsh.

And last but not least the Concourse Team: Jim Myers, Scott Ferris, Matt Tillson, Maryann Tillson, Penny Myers, Marve Shreve, and Linda Weaver.

Congratulations are in order for each and every one of these people for a JOB WELL DONE.

On Saturday, March 21st I attended the Region Meeting and Awards Banquet. You will find a copy of the February 25th Region Meeting Minutes in this newsletter. I will publish a copy of the March Meeting Meetings **next month**, but I would like to touch on the most important aspects of the meeting **at this time**.

Fund Raisers: The Region is still looking for fund raisers. Two ideas presented were a softball tournament and a Show and Shine Car Show. If you have any ideas please contact Susan Butters or myself.

CONVENTION: As I have previously reported the Michigan Region would like to bid for the NCCC Convention to be held in 1994. If the Region bids, the bid has to be presented at this year's convention in July.

Jim Harris and a handful of other Region Members have been working on this bid for quite some time now, but unfortunately they are lacking the support from the Region members that is needed to make this a reality.

The convention seems like a long way off, but there is a lot of preparation needed to bid, let alone put the convention on. If we want to have the convention in Michigan we have to be willing to help Jim now!

The people from the East Side of the State (Ray Meesseman and MAG) have volunteered to handle the Speed Events; The Royal Corvette Club of Western Michigan will be handling the Drags (Dan and JR); The Corvette Mall is being handled by the Kalamazoo Club. Now for our Club: Charlie Eifert will be in charge of the Beverages, Connie Lang volunteered to do the Rallye, and I will be doing the Convention Booklet. There is still one more Chair position that needs to be filled and that is for Door Prizes, Raffle, and Sponsors.

The Convention is a lot of hard work for a lot of people, but we feel it is worth it. If you have never attended a convention, let me fill you in. People from all parts of the country bring their cars, their families, and their money to Michigan. Approximate attendance is 750 people. These people participate in Rallyes, Racing, Concours, and a number of other events offered. Can you imagine 750 Corvette Owners in the same town for one full week?

As I said a convention takes a lot, a lot of work and workers are desperately needed. Thus far enthusiasm has been less than hopeful and without you and your commitment, Michigan can not and will not bid for 1994.

This means a lot to the Region and can mean a lot to CCCC. Enclosed you will find a post card asking for your help to work on one of the committees that our members from Capital City has volunteered for. If you have any interest in one of these projects or would like to assist in another area, now, or at the time of convention please complete the card and return it to me.

The next convention meeting will be April 16th and if we have not recruited enough members interested in helping, Jim Harris will be notifying NCCC at the May Governor's Meeting that Michigan will not be bidding. I can't begin to tell you what a loss for Michigan this would be, so please give consideration to some area in which you would like to help.

On a lighter note, the banquet was fun and CCCC had a number of people attending. In fact our club placed third in attendance. In our last newsletter, I noted our members that would be receiving trophies so I won't repeat myself, but I would like to congratulate some members that were not from our club.

It would appear that the only people who are ever recognized for their efforts are the actual participants, but that is not always true. There were four people honored at the banquet for worker points and I think it was wonderful. It just goes to show you do not have to be a competitor to be recognized and/or have fun. Guy and Kay Pratt were awarded trophies for having the most worker points in the Region. Sue Sweet and Jimmy Sweet (Jim and Sue's son) received trophies also.

These individuals were at every event. They helped setup the courses, they were time keepers, starters, whatever was needed to make the event a success and they were wonderful.

The highlight of the evening was Deb Corbin and Susan Butters. Deb took first place in points at the National Level and Susan took third! What an honor.

CONGRATULATIONS TO ALL!!!

Loretta Ames, Competition Director

WHAT IS A RALLY?

For those of you who have never participated in a Rallye you will want to read the NCCC Rule Book for the pertinent rules; however, this will give you a brief overview of what to expect on a Rallye.

First, in order to compete in a Rallye you need a driver and a navigator. The driver is responsible for driving the car and the navigator is responsible for keeping the driver on the right course. (The navigator reads the directors and looks for clues).

Everyone is given an instruction sheet. Be sure to write your time and mileage down when starting. DO NOT depend on your trip-o-meter. All cars are different and you can get hung up real easily.

The rules/directions will lead you through the course. Right turn, left turn, straight, etc. In order for the rallye to be a sanctioned event it must be at least 50 miles in length. Sometimes, you run the same roads over and over. There are usually clues to look for and questions to answer based on these clues. As I said this is usually the navigator's job.

Things to remember:

(1) If you miss a clue, don't back up. When you discover you have made a mistake, STOP. Write down your mileage. Go back to the last place you know was correct, write down your mileage again, and start over from that point. When you return to the same place you noted your error write down your mileage for the 3rd time, now you can subtract the mileage accumulated in error.

(2) Don't yell at your partner!!

(3) Look for clues on both the left and right side of the street. Clues on the left are supposed to be so designated, but don't take anything for granted.

(4) Don't yell at your partner!!

(5) If you miss a clue, go back and look for it immediately. Clues are in succession. Therefore, if you find number one and number three, you have obviously missed number two, go back before going to the next clue.

(6) Don't yell at your partner!

(7) When you finish the course, write down your completed mileage. You will want to subtract any mileage for the times you turned around.

(8) Have a good time and remember don't yell at your partner!!!!

There is more to running a rallye than I have presented, I am just trying to highlight the main ideas.

Maryanne is having a fun rallye on the 25th of April. Even though this rallye will not be as stringent, it will give the newcomers the opportunity to get their feet wet.

HAVE FUN AND HAPPY RALLYING TO ALL!!

From your competition director

Our **Ice Cream Run/Rallye** will be on **Saturday, April 25**. We will meet at Frandor at the top of the Grand River parking lot (next to Red Lobster). See flyer in this issue for further details!

The **R.E. Olds Transportation Museum** will be featuring some CCCC Corvettes in their Corvette Exhibit, **"A History of the Corvette"**, from **April 4 through April 22**. Thanks to all who are displaying their Corvettes for this cause. The museum is in need of operating funds and hopefully this exhibit will increase admissions for those 2 1/2 weeks. See the flyer in this issue for museum schedule and please stop down for a visit.

We're having the **First Annual(?) CCCC Picnic** at **Lake Lansing Park-South** on **Sunday, August 2**. We have reserved our own shelter and have access to the beach, volleyball nets, shuffleboard courts, horseshoe pits, pedal boats and a playground. More on this in future newsletters.
