CHARTER MEMBER OF THE NATIONAL
COUNCIL OF CORVETTE CLUBS INC.

The best car insurance in America could be under your hood.

The NAPA National Warranty Program.

If you use NAPA Brand parts under your hood, or anywhere else in your car, you're covered. With the NAPA National Warranty Program, you're assured that NAPA AUTO PARTS stores across America will honor the manufacturer's warranty* on any NAPA Brand part—no matter which NAPA AUTO PARTS store or service outlet you made your purchase from. Many NAPA parts are better

than your car's original factory equipment. And because NAPA is so confident of the quality of their parts, many are covered for as long as you own your car.

For total confidence on the road, use NAPA Brand parts. They're backed by the strongest national warranty program available.

From the Editor:

I would like to apologize for the delay in getting this month's newsletter out, but with the Swap Meet and all the races, there just wasn't time for everything.

I would like to take this opportunity to express our sincere sympathy to Art Doty and the loss of his Mother. Even though Art's mother had been ill, it is never easy to lose a loved one.

Earlier this year the General Membership voted to hold one General Membership meeting and one Board Meeting each month. At the time this decision was made, it was noted that the General Membership was welcome to attend, however, it was not required nor would points be awarded.

Due to conflicting schedules the Board Meeting had to be rescheduled for May. Instead of having it on the 3rd Wednesday of May it was held on the 4th Wednesday in May. As this was a Board Meeting and not a General Membership Meeting, only the Board Members were notified. When the Board Meeting was held, it was not held at the Union Hall because of availability. Once again, the only people notified were the people involved, the Board Members.

We understand some people may have been upset over this, however, we would like to remind everyone, this was a Board Meeting and there was no way or reason to notify the entire membership. In the future if you plan on attending a Board Meeting it would be to your best interest to contact a Board Member prior to the meeting to determine the correct time and location so there are no hard feelings or misunderstandings.

The position of Secretary is still open and the Board of Directors is looking for someone that may be interested in the position. If you are interested, please contact Charlie Eifert or any member of the Board.

Loretta Ames, Editor

CAPITAL CITY CORVETTE CLUB
GENERAL MEMBERSHIP MEETING
MAY 6, 1992

Due to the availability of the Union Hall the meeting was held at the Frontier Restaurant on Filley Street. The President was absent so the Meeting was called to order at 7:40 p.m. by Loretta Ames, Competition Director.

A motion was made and seconded to accept the Meetings of April 1, 1992 as published in the Newsletter. Motion Passed.

A motion was made and seconded to accept the Board Meeting Minutes of April 15, 1992 as published in the Newsletter. Motion Passed.

Governor's Report:

No report - Governor absent

Treasurer's Report:

No report - Treasurer absent

Competition Report:

The membership was reminded of the upcoming events. Drag Racing May 16th at Central Michigan Dragway, Stanton; Low Speed Events at Mottville on May 23 and 24; Low Speed Events On Monday, May 25 at Kalamazoo. All the flyers were in the Newsletter.

For those members who had never participated in a race type event, Loretta briefly explained the class system and the requirements for entrants (Seat Belts and a Snell 85 approved helmet).

A reminder was made regarding CCCC Low Speed Events to be held at Spartan Speedway on May 30 and May 31. A plea for workers was made and Phil Hanses and the Tillsons volunteered.

A brief update on the Convention bid was given. Matt Tillson (Under pressure) volunteered to Co-Chair the Beverages with Charlie Eifert.

Membership Report:

No new members to report at this time; however, membership applications would be available along with other club information at the Swap Meet.

Social Report:

Maryann presented the winners of the April 25th Rallye with appropriate trophies (Cardboard Ice Cream Sodas). She highlighted the event for all those that were unable to attend.

There will be a party at Spartan Speedway Saturday, May 30th after the racing has concluded for the day. The club will be furnishing Beverages and Hot Dogs.

Gneral Membership Meeting Minutes

May 6, 1992

Page 2

Public Relations:

Steve updated the membership on Spartan Speedway and their opening night. Perhaps a Corvette Night could be a possibility in the future.

Points:

Phil stated the points would be published in the Newsletter.

Editor:

Newsletter Deadline is May 23rd

Old Business:

None

New Business:

None

Swap Meet:

A detailed report, including a diagram of the facility was presented. A request was made for workers to help Friday Night and Saturday. Vendor Setup will start Friday at 5:00 pm and all the spaces need to be marked before hand. The gates will open to the vendors at 7:00 am so workers will be needed to work the gates starting at 7:00 am. The gates will be open to the public at 9:00 a.m.

Meeting adjourned.

TREASURER'S REPORT
MAY 1992

INCOME:

Swap Meet Vendor Spaces	\$1,319.00
Money From Swap Meet	4,149.00

Total Income	\$5,468.00

EXPENSES:

Swap Meet Remote	\$ 400.00
Supplies	51.57
Trophies (Peoples Choice)	83.20
Fliers	160.00
Security	75.00
Auto Auction	1,419.00
Dinner	451.82
Swap Meet Ads	509.18

Total Expenses	\$3,149.77

Respectfully Submitted,

Event chairpersons/hosts are responsible for giving me an attendance list so I can update the points list. If a member attends an event that is not sponsored by CCCC but is eligible for CCCC points, it is the responsibility of the member to notify the points director.

NOTE - This list does not include points for the Swap Meet. If you worked at the Swap Meet please see me at the June 3 meeting or call me at (517) 587-3422 by June 16 to let me know how many hours you worked.

Phil Hanses
1992 Points Director

MEMBERSHIP REPORT

This month, I have four new members to add to the current list of members. The first new members I would like to welcome to the club are Gary and Sandy Lightfoot, who are from Okemos. They have a 1985 red coupe and are interested in autocrossing, cruising, shows, and family outings.

I also would like to welcome Douglas and Julie Konen, who are from Dimondale. They have a 1984 black coupe and are interested in caravans, rallies, parades, cruising, and family outings. All of these new members signed up at our swap meet.

I have an up-to-date list of members for those members who would like one. This brings our current membership to 60 paid members, which breaks down as follows: 38 NOCC Master members, 6 NOCC Spouse members, and 16 COCC spouse members.

I also have membership information on the NATIONAL CORVETTE MUSEUM in Bowling Green for those who are interested. This is a very good cause and I encourage those who have been thinking about it to join now. The founding memberships will be ending soon and it may cost more to become a member in the future. I joined a few months ago and received a gold membership card, lapel pin, and a very impressive certificate signed by Zora Arkus-Duntov. The founding membership also entitles you to free admission privileges and a subscription to the Crossed Flags museum newsletter.

They also have a special deal for Corvette Clubs who would like to purchase a 12"x 12" brick to be placed in a prominent floor location reserved for clubs. The brick will have the club name, city and founding date etched for permanent historical record. The cost of the brick is \$600 but it can be spread out over three years. Since we are a charter member of NOCC, we must be one of the oldest clubs in the country. The Corvette is the common thread that holds all Corvette Clubs together, so it is important to preserve its history. The board will discuss the possibility of membership in the near future.

Matt Tillson
Membership Director

* * * * COMPETITION REPORT * * * *

May has been an extremely busy month for those members interested in competition events.

We started the month with the Drag Races on May 16th. If you were not able to attend the event, let me recap the day for you.

We had great weather, which seems to be the exception at this point in time. Capital City had a pretty good showing: Joe Platte, Steve Spinrad, Steve Pavlik, Sandy Carpenter, Tammy Spinrad, and myself. (I hope I didn't miss anyone). The final results are in this newsletter, but for those of you not into drag racing let me do some highlighting.

Steve set a new record for Men's Group IIIA and won top eliminator for the day. His new record is 10.37. Winning top eliminator means Steve won every time he was at the line. (Congratulations!!!) I also set a new record for Ladies Group IIIA at 10.85 and won top eliminator for the ladies. It is a good thing Steve and I didn't have to run against each other. We can't both drive the same car and the same time and I don't think Steve would be the one to run down the track while I drove his car. (Do You?)

Tammy ran under the record for Ladies Group IB; however, she was disqualified for mechanical reasons (the wrong fan). Hopefully by next fall this problem will be taken care of.

Not everyone's day turned out so well, did it Joe? When you participate in any racing event, you spend the entire day outside. By the time the day is over, you are tired, hungry, and if you didn't win, you are not exactly on time of the world. By now you just want to go home and lick your wounds and hope for a better day. But first you have to get home and some of us had better luck at that than others.

On the way home, on the highway, in the middle of nowhere, I guess I shouldn't say no where, there was a flea market on the corner with ONE booth open, Joe's car decided to die. Now if you know anything about Joe and his yellow bumblebee, it never breaks in a convenient place at a convenient time (If there is a convenient place and time.) For anyone traveling Highway 57 that day the must have thought we looked pretty silly.

We had this cute little yellow car jacked up on the side of the road, a van towing a race car right behind it, a motor home towing another race car third in line and a bunch of not so happy people standing around shaking their head. Oh Yes! And we had one more really silly looking person standing in the middle of the highway taking pictures of our entourage. Well it was a dirty job but someone had to do it and I didn't want to crawl under the car, so I thought photography would be a better way to go.

All is well that ends well and we were **finally able** to get Joe, Joey, and the yellow bumblebee home before midnight and before anyone turned into a pumpkin.

Over Memorial Day weekend we were racing the oval track near Mottville on Saturday and Sunday. Capital City was represented by Art and Nancy Doty, Sandy Carpenter, Steve Spinrad, and myself.

Like the drags, someone has to win, someone has to lose, and someone has to break. This time it was our turn to break, but darn, why couldn't it have been Steve driving.

For those of you not familiar with Steve's road course car, it is the blue one that was in the Lansing Center Show in January. You know the one that had the nice chrome headers and side pipes, nice black slicks, and waxed and within an inch of its life, well not anymore.

I found that racing tires, sand, wet weather, and asphalt don't always work well together. Steve is always telling me to do a few burn outs, heat up the tires, and clean off the sand. Well, that is what I was doing and for most of the day it worked pretty well. Do you have any idea what it is like to heat up the tires, stomp on the gas and have the half shaft break. Not fun!! The worse part is no one could figure out why I wasn't going any where and I am sitting in the middle of the entrance to the track waiting to be rescued. OH! WELL! As Steve keeps saying "everything has to break sometime".

On Monday, Kalamazoo had their races at the GM Parking Lot and it was great to see people from the club come over after the parade in Marshall to cheer us on. It is always not to know you have your own club members routing for you every time you go out on the track. Right Matt?

Matt Tillson decided to give autocrossing a try. As I have already told you all you need to race is a seat belt and a helmet and at a race event helmets are pretty ample.

Matt raced his 1989 in the Novice Class and did pretty well. We were proud of you Matt!!

Because the Newsletter is so late this month I am able to report on our Low Speed Events that were held May 30 and May 31. Well, May 31st anyway.

As usual the weather was rotten on Saturday which caused all sorts of problems, but Sunday was a different story. The weather was great and the events went very well. I would like to thank Maryanne and Matt Tillson, Phil Hanses, and Bob Nowicki for their help as workers. I know if you have no interest in racing, working the event isn't exactly on the top of your priority list, but we cannot run an event without workers so these people were greatly appreciated. I would also like to thank the event Chairpeople: Art Doty, Charlie Elfert, and Steve Spinrad, who along with Nancy Doty and Sandy Carpenter tried to fill in wherever needed while they weren't on the track.

As I reported earlier Matt gave racing a try in Kalamazoo, so it was only fair that Maryann give it a try at our event. Maryann, however, decided to do things a little differently and decided to run in the G Class (G for Garbage and you have to remember anything but Corvette is Garbage). Maryann decided to race the Saturn. She did better than some that drove Corvettes.

Matt and Maryann, aren't our only new racers. Steve Pavlik and his friend, Candy tried their hand at racing on Sunday and hopefully had a good time. Nice to see you and hope you will come out again.

If you were not able to make any of these events, don't worry, we have racing all summer so why not come out and see what it is all about. As Bob Nowicki said "this looks like fun!"

Loretta Ames

SWAP MEET - MAY 1992

What a day! Or should I say 2 days!

Loretta and I would like to thank all of you that were able to help make this year's meet a wonderful success. Those of you who couldn't be with us, you missed a lot of hard work and a great dinner at the Pour House afterwards.

With the exception of the weather, we felt things went pretty smoothly. We had vendor setup Friday Night as well as Saturday Morning. The setup Friday night worked out very well for us and the vendors. By the end of the day, we had sold 123 vendor spaces, 28 Cars for Sale spaces, and over 100 cars in our corral. Not bad for a rainy morning.

I personally spoke with all the vendors and they were very happy with our new facility and our setup arrangements. In fact, we received numerous compliments regarding a lot of things.

We would like to take this opportunity to extend a special thanks to the following people:

Robert Baker and Gary Bender (Greater Lansing Auto Auction) who were gracious enough to allow us the use of their facility for our event. We are grateful for their support throughout our planning stages and the day of the event. For those of you that are not familiar with their contribution they provided the plants and balloons, the overnight security necessary to support our vendors, and television advertising. Thank you Robert and Gary, you were great!

Steve Hanks (Holt Auto) who continues to support us on a regular basis. Steve, what can we say, you are one of a kind. Steve provided radio advertising, the largest portion of the remote, and magazine advertising, not to mention the moral support and numerous ideas from day one right through the day of the event. And as usual there were a number of cars available for our members to drive back to Holt from the show. I repeat, what can we say. We are grateful for all you have done and continue to do for us.

And a special thanks to those individuals who were able to take time off from their jobs on Friday to help us setup before anyone arrived. We would like to extend our appreciation to Elaine and Dennis O'Hara, and Matt Tillson for taking that extra step once again as you have done so many times in the past. And Dennis a special thanks to you and the Lansing State Journal for all the advertising that was provided to us at a very reasonable rate.

We certainly don't want to leave anyone out. We had a great turnout from the Club Members and we appreciate the help each and every one of you were able to offer.

Loretta and I spent hundreds of hours trying to make this event a success, but without the help of all of you, it would have been impossible. Thanks to all of you that were able to help!

After the event **we went to the Pour House** for a well deserved dinner and a few surprise door prizes. Congratulations to those of you who were the lucky winners.

Steve Spinrad, Chairman

(The Accounting on the back is for Club Members only.)
