From the Editor:

ATTENTION ALL CORVETTE ENTHUSIASTS! If you are interested in participating in corvette related functions there are plenty of opportunities available for you.

Bloomington Gold is being held this coming weekend, June 25th - 28th. If you have never attended you may want to give some consideration to this event. Restoration classes are held on Thursday, the Swap Meet is held Friday thru Sunday, the Corvette Auction is held Friday Evening and Saturday, there is a car for sale lot, the Bloomington Gold Certification Lot, a Road Tour (last year 1200 participated), and the Special Edition where a very select group of Corvettes are on display. As I said there is a lot going on and it can be a very exciting weekend.

If you decide to attend, be sure to stop by our booth or Dave Cripes' and perhaps we can organize a Capital City Reunion.

In addition to Bloomington we have a lot happening right here in our State. Be sure to catch Maryann's Society Page and the enclosed flyers for all the details.

I would like to remind you about the Classified Section. If you have anything you would like to have advertised please let me know by the Newsletter deadline and I will be happy to include your advertisement.

COMPETITION REPORT

The competition season has been very busy since mid May. As an update from my last report, the Flint Corvette Club held their Concourse on June 13 and I understand they had a beautiful day and a good turn out.

On June 20 and June 21 (Father's Day) Flint held four low speed events. They had a little trouble with the weather, just as we did for our speed events. Mother Nature just doesn't always want to cooperate. The track was a little less than desirable on Saturday, and we had a few spin outs (nothing serious, just a few bruised egos mine being one of them), but other than that everything went well. We had pretty good participation from Capital City - Sandy Carpenter, Nancy and Art Doty, Steve, and Myself.

I would like to remind you that Corvette Coventry of Southwestern Michigan has their speed events this weekend (June 27 and 28) for those of you that may be interested. These events will be held at Southwestern Michigan College at Dowagiac. The flyers for these events were in your last Newsletter.

The Shiawassee Corvette Club will be hosting 4 speed events on the weekend of July 11 and 12 at the Owosso Speedway. There is a flyer enclosed detailing these events.

The Region Meeting will be held July 21 at the Holiday Inn (formally the Clarion). This is the last Region Meeting and Convention Committee Meeting before Convention.

The Convention will be held in Arlington. Texas July 26 - 31st and I hope that our members that plan on attending have a great time.

There has been a change in some of our remaining sanctioned events. The Concours scheduled for August 8th has been cancelled. If anyone is interested in Chairing the Concours scheduled for October 3rd or a Rallye in late September or October, would you please contact me. (As a reminder we are having a Halloween Rallye on October 31 which is being chaired by Linda and Marty Reil).

* * * PUBLIC RELATIONS REPORT * * *

Now, that the Swap Meet is over it is time to move on to our next public event - the Holt Auto Nostalgia Night! We had a rough draft of the flyer in the last issue, this issue has the finished product.

This is our second year and we are hoping for an even bigger turn out than last year.

We will have our Club Operated Concession Stand with our last year's chefs returning (Dennis and Elaine O'Hara) to serve grilled hot dogs, pop, and misc. junk food. Since we are expecting a tremendous crowd help from our membership will be greatly appreciated.

We will once again have a disc jockey to play rock and roll music starting at 7:00 p.m. and in addition to the music we will have a dance contest, a hula hoop contest, and as an added attraction we have The Brenda Smith Dancers performing. These are the same people that will be performing at the Citrus Bowl this coming year. They will be putting on quite a show for us as they are National Champion Rock and Roll Dancers.

We would like to solicit as many door prizes as possible for this event and we could use everyone's help.

The event will basically be the same as last year. The cars will start coming in around 5:00 p.m. so if you can help we would like you there by 4:00 p.m. We will need people to work the gate, direct cars, and help with the concession stand. If you would like to help in any of these areas would you please contact Loretta or Myself. And don't forget to bring your CORVETTE!

Not to change the subject, but don't forget we will have the Corvettes on the Mall at the Mini Grand Prix in August to help the Arthritis Foundation. More details on this event later.

THE SOCIETY PAGE

Happy summer, everyone! I hope you all have been enjoying these warm days (and nights) so far this summer. Hopefully, we'll be able to cruise around with the top (windows, for you coupe owners) down well into July, maybe even August, before those snow flurries start coming down.

How about a couple of fun events to get the season started? Get ready for our annual Fourth of July party at Dave & Pat Cripe's house after the Lansing downtown parade. Festivities start around 11:00 a.m. at Dave's house and, weather permitting, bring your swimsuit and towel for a dip in the pool. You'll also want to bring a blanket or chair for later that evening because we're heading out to the fireworks after our second parade that day in Mason. There's a flyer in this newsletter, so I hope to see many of you there. (Just so you all know, I've already committed CCCC for 20 Corvettes for the Lansing parade's so I'd really like to see everyone out there dusting their Vettes off and bringing them downtown that morning!)

Also, don't forget about Cruise Nights at the R.E. Olds Museum on Wednesday evenings - Vette Night is July 29 so we'll see YOU there! And, the USA CAFE has Cruise Night on Thursday evenings for the next 8 weeks, so if you're not busy and the weather's cooperative, come on down!

And, if that wasn't enough, we're also going to be having our SECOND ANNUAL CORVETTE NOSTALGIA NIGHT at Holt Auto Sales on July 18th!!! Get out your poodle skirt, shine up those saddle shoes and get your do-lang do-lang down there and have a GREAT TIME!

AND...(does the fun ever stop?)...circle (AUGUST 2nd) on your calendar - that's the date for the CCCC Picnic/Christmas in August Party at Lake Lansing Park. Just imagine, 85 degrees, sitting in your sand chair with a frosty cold drink, singing Christmas carols and opening presents! We will have a Christmas Tree there and lots of great stuff to eat. More next month on this!!!

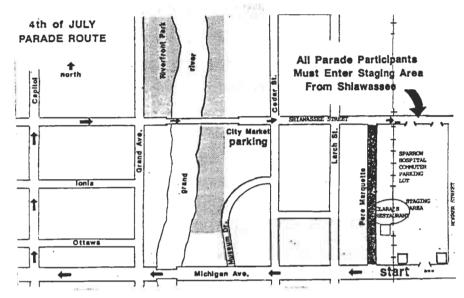

*just kidding, but Santa will remember who was there at the August party!!!
