From the Editor:

If you will recall, at publication time last month we were preparing for our annual trip to Bloomington. For those of you who could not attend, the weekend turned out to be pretty beneficial for most of us.

Would you believe we had more club members in attendance at the Bloomington Gold Event than we do at most club meetings? In all seriousness, the weather was great, the attendance at the event was good and there were over 1600 cars in the Road Tour.

Be sure to check out this month's calendar for the up and coming events. You sure don't want to miss anything and there are lots of things planned.

August is upon us, and before you know it we will be making plans for next year. If everyone would take a few minutes to think about where you would like to see the club be at this time next year, what type of events you would like see the club pursue, and what members you feel are best qualified to lead our club into the future.

I realize it is still early in the year, but time has a habit of getting away from us. Nominations will be made from the floor at the October General Membership Meeting, published in the November Newsletter and voted upon at the General Membership Meeting in December.

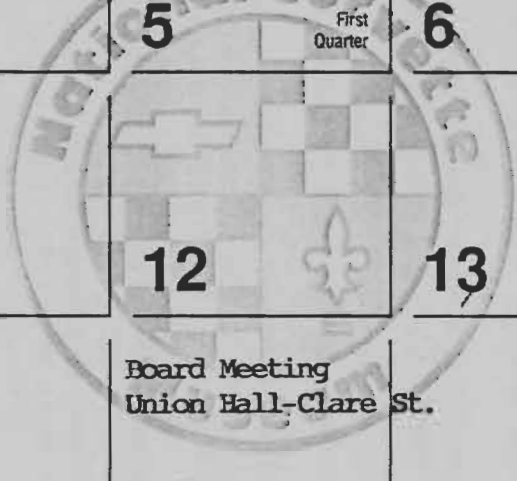

I would like to remind you about the Classified Section. If you have anything you would like to have advertised please let me know by the Newsletter deadline and I will be happy to include your advertisement.

Membership Meeting of July 1, 1992

Meeting was called to order at 7:41 P.M.

Treasurer's report was given.

Governor's report - You should be getting your special tickets for the raffle car. The cost is 5 for \$15.00.

Competition report - There are some results in the newsletter. On July 11th and 12th there are race events at Owosso Speedway. Convention is the last week in July. We have a rallye open for anytime after September 14th and we need a chair person for a concours for October 3rd. Connie Lange volunteered for the rallye.

Membership - We have 60 members.

Social - See the newsletter. There is a cruise night every Wednesday at the USA Cafe and every Thursday at the Olds Musuem. August 2nd is the Christmas in August party. July 18th is the Holt Auto Show. The Brenda Smith dancers will be there. Loretta has flyers for this event. Vette Vues gave some door prizes and magazines for this event but we could use more.

Public Relations - The vendors at the swap meet want it to remain a one day event. We need to decide on next years day for the swap meet. Corvette Club of America will be at Bloomington the week after the Bloomington Gold.

Points - Phil passed out the points report at this meeting as they weren't in the newsletter.

Editor - The newsletter could use some classified ads. We have run out of the back covers but Loretta doesn't want to order more until we decide if we want to redo them. The next newsletter deadline is the 25th of July.

New Business - Charlie Eifert appointed Nancy Doty as secretary.

Swap and Sell - Dave Cripe has Bloomington Gold Corvettes for sale at a mere \$550.00. Matt Tilson has limited edition maps, booklets, programs, etc. for sales. Also he would be glad to sell the dirt from his shoes. Call immediately before you miss out.

The meeting was adjourned at 8:45 to Sammy's on Jolly Road.

Board Meeting on July 15, 1992

Meeting called to order at 7:39 P. M. by President Charlie Eifert.

Secretatry - Nancy read the minutes from the July 1st meeting.

Treasurer - Janet gave the balance in our account.

Governor - Art reported that the count was down for convention.
The next region meeting is Tuesday, July 21st.

Competition - We have requested two rallyes for October 3rd which
Connie Lang and Mary Ann Tilson will chair. Huron Valley has two low
speed events and a matching time on July 19th. Check your newsletter
for details.

Membership - We have no new members. Matt will be sending in the
first payment for our brick in the museum.

Social - The Christmas in August party is August 2nd at Lake Lansing.
The flyer will be in the next newsletter.

Public Relations - No report.

Points - No report.

Editor - Newsletter deadline in July 25th.

Old Business - The Holt Auto Show is this Saturday. We need lots of
help. Elaine and Dennis will help with the food. The music is set
and the Brenda Smith dancers will be there. We will have a porta
john delivered. Dennis has put ads in the State Journal and Steve
Hanks has advertised in Wheels and Deals. We could use some more door
prizes. If you are going to help please be there by 4:00 P.M. We
need cars.

More Old Business - Art says we still need to get the patches for
previous years competition. Motion was made to have Art get the
information and order the patches. Seconded and passed.

Still More Old Business - July 29th is Corvette night at the Olds
Museum.

New Business - Loretta made a motion to get a plaque for Steve Hanks
in appreciation for his support, to be given at the Holt Auto Show,
not to cost more then \$30. Seconded and passed.

New Business Again - Loretta has ordered trophies for the speed events
and will have them to give out at the Region Meeting on Tuesday.

Swap and Sell - Steve needs a 77 alunimun wheel. There is a 1964
Corvette to be auctioned off. Jim Meyers has two club jackets for
sale.

The meeting was ajourned at 8:23 P.M. to Richards.

COMPETITION REPORT

The competition season is half over, but that does not mean the spirit of competition is decreasing in any way. The racing season in Michigan will be drawing to a close with the Drags on September 12; however, the rallye season will just be getting a good start and there is still a least one concourse planned. For those of you who enjoy racing you can always travel south and race right up until December.

In this issue are flyers for the events scheduled for August and September. As usual the Michigan Region Calendar is published at the beginning of this Newsletter so you have the opportunity to schedule, well in advance, any events you would like to participate in.

There are two Rallyes scheduled for August 9th. One is sponsored by the Flint Corvette Club and one is sponsored by the Michigan Autocross Group. There are usually a number of people in our club that enjoy participating in a Rallye, therefore, I would like to organize a caravan for all members that would like to participate in this event. We will meet at the Lake Lansing Road Meijers between 8:30 am. and 8:45 a.m. and leave promptly at 8:45 am. We should arrive in Flint by 9:45 am and have time for a quick brunch at Walli's before the Rallye begins. The Rallye ends at a Restaurant where everyone will have plenty of time to eat, drink, and be merry before the return trip home.

There are races once again scheduled for August 22nd and 23rd at the Owosso Speedway. There will be six events over the weekend and if you have never been to the track, it is close to home (about 45 minutes) and you may want to come out and enjoy the fun!

The concourses we had scheduled for August 8th and October 3rd have been cancelled, and we have picked up two rallyes in their place. Connie Lang and Maryann Tillson will be chairing these events which will be held on October 3, 1992.

Don't forget, Linda and Marty Riel will be chairing the Halloween Rallye on October 31, 1992.

The Region Meeting was held Tuesday, July 21st.

Roger Thomas requested that all donations that have been made to the National Corvette Museum by club members or clubs on the whole be reported to him. Apparently, National Council has not been receiving the appropriate credit for memberships and/or donations made to the Museum.

Jim Harris reported there are currently 8,672 National Members and Michigan Membership totals 388 with Grand Valley remaining the largest club.

Debble presented a plan for a help network (copy enclosed). National Council is hoping to facilitate members when travelling away from home with the names of individuals that can be contacted in the case of car trouble. If you would be interested in participating in this program would you please let me know and I will add you to the list.

Competition Report - Con't.

Debbie reported there were a number of drag records broken on May 26, June 8, and June 20. These records will be posted in the next Blue Bars, but in case you have a particular interest in a certain class, I hope I have the correct information for you:

LIB	14.07	IC	14.30
LIC	14.88	IE	13.95
LID	14.78	2A	10.80
L2A	10.91	2C	12.42
L2B	11.48	2D	13.03
L2D	13.28		

Jim Harris reported on the Convention Bid Proposal. A copy the tentative proposal was passed out and discussed. Jim will be presenting this to the Executive Board at the Governors' Meeting during the Convention this week. The official bid will be made at the Governors' Meeting in September.

The next Convention Meeting will be Saturday, September 5, 1992 at the home of Jeff Wixom.

Nominations were submitted for Region Officers.

Secretary	- Elaine Sible
Treasurer	- Sue Butters
RCD	- Deb Corbin
RE	- Roger Thomas
RMD	- Jim Harris

If you would like clarification on anything I report from the Region Meetings or the Convention Meetings, please contact me.

The Region Competition Calendar will be planned at the November Region Meeting and I would like to hear from you as to what type of events you would like to see Capital City Sponsor in the 1993 Competition Season. We are allowed seven sanctioned events each year. They can be any combination of Race, Rallye, or Concours. I would like to be fair to everyone, and as I will have to bid for the dates and events at the November Meeting, I would like your input. If you would take a few minutes to note what type of events you would be interested in participating in and what, if any events, you would interested in chairing, it would be appreciated. Please complete the questionnaire and return to me as soon as possible, but no later than September 15th, this way I can comply the information and present it to the Board of Directors and the General Membership before the November Meeting.

Thanks,

Loretta Ames, Competition Director

CORVETTE HELP-NET

This letter will explain the purpose of the CORVETTE HELP-NET and provide some guidelines for it's use.

HELP-NET was conceived with the idea in mind that if you had a problem while taking a trip in your Corvette, you would much rather talk to and receive help from a fellow Corvetter than a stranger.

You probably know a lot of friends in your hometown or club who would be willing to help you, but who would you call in Jackson or Flint or Muskegon? Wouldn't you like an alternative to Joe Bob's Wrecker Service?

Each Governor would sign-up one or more people in their club to be put on this list as a contact person. This contact person could then keep a list, if need be, of other people in the club who would be willing to help when called.

Someone on the list should have a trailer and everybody should be familiar with Corvettes, mechanically, although just having someone to talk to is better than nothing at all. It doesn't take a rocket scientist to help push a Corvette onto a trailer. If you have your name put on the list, you have agreed to provide help, basically, for nothing.

On the other hand, if you call someone to come 100 miles and rescue you, some expression of appreciation should be given. Beer, gas money, wax their truck or all of the above. Put yourself in the other person's shoes; both as helper or helpee.

Also, if you are on the list, you make a commitment to respond as soon as you can or find someone who can. The call may not be a life or death situation, but 5 hours at night in a roadside park or along side the road is an awfully long time to wait.

NO SOLICIATIONS OR DISTRIBUTION OUTSIDE OF CLUB MEMBERSHIP WILL BE PERMITTED. This list will be for contacting someone in case you are stranded and need help. Don't use this list to call and ask about mufflers for your Corvette or to make a mailing list to sell a car. Use the list, don't abuse it!

Each new and current member of a Michigan Region club would receive the list, this letter as a 'rulebook', and a simple map showing approximate hometown locations, so you won't call someone in Flint from St. Joseph.

This idea attempts to go back to the real 'grassroots' meaning of any club: Help your fellow members. This should be an informal, 'help your buddy' kind of thing.

If you would like to be put on this list, let your governor know and they will get in touch with me.

Thanks,

Deb Corbin

The 2nd Annual Corvette Nostalgia Night was a great success. At least as much as one can expect considering we had a Mini-Typhoon. Do you believe it? It rained on our Ice Cream Rallye in April, it rained on our Swap Meet in May, it rained on our races in May, and on our Fun Night in July. I am glad Maryann has reserved the Pavillion for our Christmas Party this coming weekend.

In spite of the rain, everyone seemed to have a good time.

If you weren't there, you missed terrific dancers and great hot dogs!! For those of you that were there, weren't the kids just great? And rain or not, they were determined to put on one heck of a show, after all what are a few rain drops to professionals.

There was about one half hour where everyone crowded into the two car garage. It was a little crowded, but spirits remained high. Of course it help when Dave Cripe and Loretta kept the Concession Stand Open. Dave was selling his little heart out and Loretta was standing in the rain cooking hot dogs, trying to keep up with Dave's orders.

When the clouds cleared, the kids finished their numbers, but not before Maryann held the hula hoop contest. What competition! There was one little girl that I swear could have gone all night. She had that hula hoop down to a science.

We awarded trophies for the first three places determined by People's choice and the winners were Tom Miller with a Classic, Maryann Tillson with her 1980 Show Car and Dan Wickens with his 1970 LT1. Congratulations to all.

In addition to the trophies awarded for the first three places and the hula hoop contest, we awarded Steve Hanks and Holt Auto a Plaque in appreciation for all they have done for the club and our members.

We would like to express a special thanks to the two people who helped us during the entire evening and they weren't even club members - Al Fuller, and Judy Kloko. Al worked the front gate with Janet Elfert and Judy helped Dennis O'Hara with the hot dogs.

Last, but not least, thanks to all of you who braved the weather and brought your cars out and those of you who donated your time and effort in support of the club.

Bernie and Cheryl Christian, Dave and Pat Cripe, Janet and Charlie Elfert, Scott Ferris, Phil Hanses, Connie Lang, Elaine and Dennis O'Hara, Bob Reeve, Chuck Shuman, Tammy Spinrad, Matt and Maryanne Tillson - all of you are to be congratulated too!

~~~~~ THE SOCIAL PAGE ~~~~~

Here we are again, fellow Corvetteers - the summer is just about half over (can you believe it?) and before the autumn leaves start falling on your car covers, we're going to have one last blowout party.

Yes, it's time for the Annual Christmas in August Party! Festivities will be at Lake Lansing Park-South and will start around 2:00 in the afternoon and continue until whenever. We have the shelter reserved (just in case it rains, but it won't), so come on out, pack up the kids (sorry, no dogs allowed) and bring the Corvette (I will try my hardest to reserve some spaces, probably at the cost of serving jail time, but I will try). There are volleyball nets, horseshoe pits, slides and swings for the kiddos, paddle boats, and, of course, swimming in the lake (so bring your swimsuit, towel, etc.).

The CCCC Official Christmas Tree will be on display in the shelter, but if you have any ornaments you'd like to put on it, be my guest! Santa will be on hand to pass out presents (don't forget to bring one - \$5.00 limit) and we're going to pull numbers like we did last year (lowest number picks a gift, next number gets to take it or pick, and so on).

Hot dogs, burgers, (and accompanying condiments), soda and iced tea are ON THE CLUB, so just bring a dish to pass. Just so you know, alcoholic beverages are not permitted at Lake Lansing-South, so a blatant display of a pyramid of Bud cans just might get us tossed out.

I certainly hope you all can make it out to the Lake for some fun and frolic in the "surf" (a/k/a the wake from the boats and jetskis). By the way, if ANYONE has a boat (preferably with waterskiing equipment) or a jetski, please feel free to bring them to the party!

Call me at 349-6769 if you need more info - hope to see you there!

Happy Christmas!  
MaryAnn
