be under your hood.*

The NAPA National Warranty Program.

If you use NAPA Brand parts under your hood, or anywhere else in your car, you're covered. With the NAPA National Warranty Program, you're assured that NAPA AUTO PARTS stores across America will honor the manufacturer's warranty* on any NAPA Brand part—no matter which NAPA AUTO PARTS store or service outlet you made your purchase from. Many NAPA parts are better

than your car's original factory equipment. And because NAPA is so confident of the quality of their parts, many are covered for as long as you own your car.

For total confidence on the road, use NAPA Brand parts. They're backed by the strongest national warranty program available.

C. C.C.C. Broad Meeting of 8-19-92

Meeting was called to order by Charlie Eifert at 8:42 P.M.

Janet Eifert gave the treasurer's report.

The minutes of the last meeting were depensed with.

Art Doty had nothing to report as Governor but is still working on award patches from previous years. Art also needs cars for the Mini Grand Prix to be displayed on the Washington Mall.

As competition director, Loretta Ames reported that 4 cars went to the Flint Rallys. The calendar is in the newsletter. There is 6 events this weekend. Flyers for our October 3rd rallys went in on time. We would like to break even on our rallys.

Matt Tillson reported that we have no new members. He has contracted Pat Thuemmel and she thinks the club started in 1956 but is checking into this. When Matt gets this information he will send in the money for a brick at the Corvette Museum.

Mary Ann Tillson has nothing on Social except she is thinking of doing another ice cream run in September.

There was nothing to report by our Public Relations director Steve Spinrad.

Phil Hanses reported that the points would be in the newsletter.

Editor, Loretta Ames needs all of the newsletter reports tonight. The newsletter will be mailed on Sunday.

No old business.

New business - we will go to Clara's after tonights meeting and to DeLucca's after the September membership meeting.

No Swap and Sell.

Nominations will be held at the October 1st general membership meeting and at the broad meeting.

The meeting was adjourned at 8:25 P.M.

Nancy Doty

C.C.C. Membership Meeting of 9-2-92

The meeting was called to order at 7:41 P.M. by Charlie Eifert.

Nancy Doty read the minutes of the broad meeting of 8-19-92. The minutes passed as read.

Janet Eifert gave the treasurer's report.

Art Doty will be going to the governor's meeting on September 19th and 20th. Everyone should have gotten a notice for the new Corvette Credit Card.

Loretta Ames has some changes to the competition calendar which will be in the newsletter or if you have any question call her. Our club is number one overall and in the speed trails in the region. There is a convention meeting at Jeff Wixom's the 9th of September. Please let Loretta know if you would like to have our club put on any special events for next year as she will have to select our events at the region meeting soon.

Membership was not present.

Social was not present but Dave Cripe reported there is a car show at Uncle John's Cider Mill on 9-6-92 and one at the Olds Museum on 9-7-92.

Steve Spinrad reported that the Drags are still going to be held on September 12th. Also, he wants everyone to think about the car show in January so you can get your car ready now if you would like to put it in. A 50-50 raffle was held. Chuck Shuman won \$8.00 and Bob Benko won his dollar back.

Phil Hanses gave the top ten. He also needs results from some of the events.

Loretta will need all reports for the newsletter by the 21st of September.

Old business - We had 3 of our cars at the Mini Grand Prix.

New Business - We talked about going to the race track in Jackson. Loretta will check into this. There is a Corvette Show at St. Agnes the 18th of September.

Swap and Sell - Bernie has tickets for sale for the car given away by Grand Valley. This is the last week that they will be on sale. Elaine O'Hara has an 86 Honda Prelude for sale.

The meeting was adjourned at 8:30 P.M. and we all headed for DeLucca's.

Nancy Doty

COMPETITION REPORT

The racing season in Michigan is officially over with the last events being those held over the Labor Day Weekend, but those of you that are interested in competition, there are still some events to come.

Flint will be hosting their second concours of the season on Sunday, October 4, 1992. If you are interested in participating in this event, please refer to the flyer in last month's newsletter.

For those of you who enjoy the challenge of a rallye, there are several being held this month. Our club will be hosting two rallyes on Saturday, October 3 and our Halloween Rallye on October 31.

In addition, Royal Corvettes of Western Michigan will be holding two Rallyes on October 10, with an Hayride and party to follow. If you and your navigator are still on speaking terms, MAG will be hosting three Rallyes on October 24.

There was a Region Meeting held on September 15 and Jim Harris updated everyone on the proposed plans for the Convention Bid Presentation to be presented at the Governor's Meeting September 19th. The presentation will include a Video and a booth at which Melting Moments Ice Sampler Bars will be given out with the compliments of Steve Hanks and Holt Auto Sales.

Jim announced his plans to have a convention meeting for chairpeople every month starting in January.

Jim also stated that he would be sending a letter to every club in the Michigan Region requesting a loan payable sometime in the future. The Region Treasury is really in need of funds and the Region will need money to bring the Convention from plans to reality.

There were a few shirts printed earlier this summer with the Convention Logo which were available for Chairpeople. This is a golf shirt, jade in color, with a logo on the front and on the back. The Region has decided to make one more printing of these special shirts and make them available to any NCCC member in the Michigan Region who may be interested in purchasing them. Once again, this is a one time only printing. The shirt is Jade which has been the color chosen by the Region to be exclusive to Region Members Only. If you are interested in purchasing one or more of these shirts, please complete the order blank which you will find in this newsletter and return to Jeff Wixom as soon as possible.

National Council has some by-law change proposals which will be voted upon at the September Meeting. One of these proposals addresses the number of times a National Council Officer can hold the same office. At the present time, the same office can only be held for one term, the proposed change would limit an officer to two consecutive terms. I am sure Art will give us the details of the vote at the General Meeting in October.

Pat Dolan reminded everyone that National Council has a Death and Disaster Fund for any NCCC Member or their family. If you have or know a fellow member that has experience a disaster, please contact me for further details.

Jim Harris reported ^{HAVE} that he hopes to the Membership Renewal Packages by the end of October.

Deb Corbin reviewed the Region Calendar and discussed rule clarifications. She also noted there have been several Drag Records broken.

Apparently, Gene Kelly is having trouble receiving results in a timely manner, therefore, he has reminded all RCDs that if the Event Results are not turned in on time the penalties are as follows:

If he has not received the results within 30 days, the club putting on the event and the members of that club will lose their points.

The next step is everyone in the Region will lose their points.

Third, the event will be considered a non-point event and no one will receive points.

FOR ALL CCCC CHAIRPEOPLE, THAT IS WHY THE POINTS FOR ANY EVENT WHICH YOU ARE CHAIRING MUST BE IN TO ME WITHIN 10 DAYS IN ORDER FOR ME TO MEET THE DEADLINE ESTABLISHED BY THE REGION AND NATIONAL COUNCIL!

Debbie is still looking for names to be added to the Corvette Help-Net. As of this date, Steve Spinrad is the only person from our club that has volunteered. If you are interested in participating in this network, please let me know.

Michigan Region voted to make a by-law change and allow Michigan Region race events to be run in the rain. Personally, I feel this is unsafe, but for those of you who feel you can and would like to compete in an event rain or shine, you will now receive Points for the Trails.

The Michigan Region Party will be held in Benton Harbor on March 20, 1993 at the Holiday Inn. Once again, Michigan Region will have a Fund-Raising Raffle with the first prize being a free room, the night of the banquet. The second prize is a dinner for two. The cost of each raffle ticket is \$1.00. If you are interested in purchasing a raffle ticket please contact me.

As stated, the banquet will be March 20 and there will be no late reservations accepted. In the past, late reservations have been accepted and not paid for. It was suggested that clubs should be responsible for any members that did not pay.

Michigan Region Officers will be elected at the November Meeting. The following are the nominees for 1993:

Secretary - Elaina Siebel
Treasurer - Susan Butters
Points - Sharon Meesseman
Competition - Deb Corbin
R.E. - Roger Thomas
Membership - Barb Harris

If anyone is interested in receiving a complete copy of the Michigan Region Minutes, please let me know.

PUBLIC RELATIONS

We are only approaching October, but spring will be here before we know it, therefore it is time to start thinking about our Swap Meet.

At the last Board Meeting the Directors decided to keep the same weekend as last year, therefore, once again we will be holding our Swap Meet the Saturday before Mother's Day. The date for 1993 is May 8th.

We have been in contact with the Greater Lansing Auto Auction and Steve Hanks of Holt Auto and both are once again very supportive of our Club and our Event.

We are currently in the process of having flyers printed and mailing letters to all vendors. If you would like someone added to the mailing list, please let me know.

~~~~~ THE SOCIETY PAGE ~~~~~

I can't believe I'm saying this so soon, but I hope you all had a great summer! The leaves are already changing color, which should make for some gorgeous scenery for the October 3rd rally. Please circle this date on your calendar, as I anticipate a good time to be had by all. I'd really like to see some new faces at our events, so even if you haven't rallied before or if you're scared off by everything that you've heard about them (just kidding), come on out and have a good time. Just don't bring your spouse/significant other/girlfriend/boyfriend or anyone you have to live with afterwards and, most important, don't bring along any sharp objects which could be used as weapons. But seriously folks, if you're in the mood for a little friendly competition while taking in the colorful Michigan countryside and possibly win an incredible trophy for your efforts, then this is the event for you. Please see the NCCC flyer in this issue for further details. Hope to see you there!

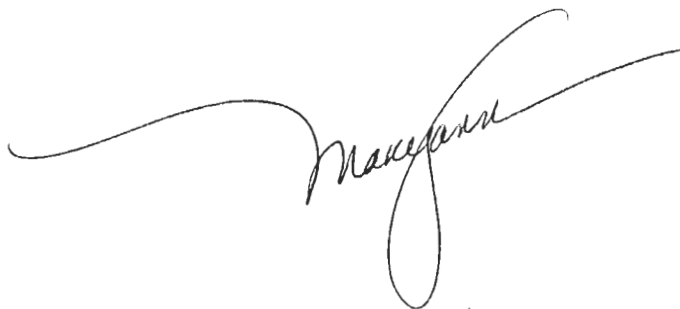

And, as if one rally per month wasn't enough, don't forget the Halloween Rally on October 31!!!

Also, please let me know at the October 7th general membership meeting your thoughts on taking a trip to the horse races in Jackson or the Detroit area. If there is an interest, I'll make arrangements for us to reserve a room or table at the track.

Also, a trip to Frankenmuth is tentatively being scheduled for a Saturday or Sunday sometime in early November (11/7, 11/8, 11/14, or 11/15). I'll bring this up at the next couple of meetings to get a feel for interest. As with the trip to the horse track, unless interest is favorable, these events may not happen. So here are a couple of chances to get involved in a club event before the winter is here and we're all waiting for spring.

I know this may sound a little early, but it's time to start thinking about the Lansing World of Wheels Car Show at the Lansing Center. This will be held on the weekend of January 15-17, 1993. I am now making my official plea on bended knee to all members to consider putting their Corvette in the show. It runs from Friday night through Sunday afternoon and we could **REALLY** use your generous contribution of allowing us to display your Corvette for the weekend. I'll be begging/groveling/bringing this up in future meetings, so be prepared!

Until next month .....
