From the Editor:

It is important to remember that this is your club and you do make a difference. The greatest asset any organization can have is its membership and our membership continues to grow! The continued success of an organization rests with its leadership and the members that work so hard to carry out the assignments and goals of the Board.

Elections will be held at our December General Membership Meeting. It is not too late to be part of a great team that is dedicated to the success of this club. Nominations will be open again at the November General Membership Meeting so please plan to attend.

Remember, it is easier to follow than to lead; it is easier to make no decision than to be criticized for making a wrong one, but is a wrong one better than none. "What if no one wanted to lead and no one wanted to make any decisions?"

From the President

You will see the newsletter getting shorter and shorter as the competition seasons draws to a close and the number of flyers diminish. Our club will definitely offer a number of activities to keep everyone busy over the winter months so don't despair.

However, before winter does creep up on us, let's remember the Rallyes that are left for October and our Reunion Party planned for the 30th of October. The party will actually start when the Rallyes have been completed, about 4:00 p.m. We are requesting all current members to bring a dish to pass (hors d'oeuvres, salads, or desert). We have slides of the years gone by, pictures, and old Newsletters. If you have any of these items from the past that you would like to share, please feel free to bring them. If you would like further information, please contact me.

I am pleased to announce that we were successful in our bid for a copy machine. In case you were not aware, Phil Hanses reported that his office was selling a number of copy machines through the sealed bid process. Thanks to Phil we were successful in obtaining a Canon NP 3825 copier complete with sorter and at a very reasonable price. Thank you Phil!!!

I would also like to remind everyone that elections will take place at the General Membership Meeting in December. You must have paid your dues in order to vote. If you are interested or know a club member that is interested in running for an office, please be sure to be at the November Membership Meeting where nominations will be open once again. If you have any

questions about an office, the requirements or commitments, please read your bylaws or call me.

I would like to thank Pam Feher and Joe Platte for hosting our Sweetest day Mystery Dinner. They had carnations for all the ladies and the men got to pay the bills. Now we can't ask for much more than that, can we ladies?

The holidays will be upon us soon and we do have some things planned.

First, for all those who eat too much turkey, we are having a mystery dinner on the Saturday after Thanksgiving. This will give you a chance to relax and eat something other than turkey leftovers.

Second, the Board of Directors would like to invite you to join them for dinner the night of December 13th at Richard's on North East Street. This holiday celebration will be held in lieu of the regularly scheduled Board Meeting.

Last, but not least, - NEW YEAR'S EVE. We are looking for volunteers to host the annual NEW YEAR'S EVE party. If you would be interested, please contact me as soon as possible.

As always we hope your schedule will allow you to join us at any or all of these events.

C.C.C.C. Board Meeting 9-27-39

Meeting was called to order by Loretta Spinrad.

Loretta has listed the general duties of the officers in the newsletter to help those that may want to run for an office in 1994 as nominations will be held at the meeting in October and November.

Nancy had no minutes for the last meeting as she was unable to attend.

Joe had no information as he just took over as acting treasurer.

Loretta is going to ask our members only to bring a dish to pass to the club reunion on 10-30-93. She has invited all the clubs in the region and all the past members that she could find listed. We will recommend that we schedule 3 races, 1 matching time and 3 rallyes for next year. If someone is interested in chairing a concourse we will change one of the other events to a concourse.

Art reported that the change to let 16 year olds race in low speed events ~~pasted~~ at the governor's meeting. They also accepted the bit from Palm Springs, Ca. for the 1995 convention.

Art has volunteered to do membership for the rest of the year and will be sending our renewal notices to the members. We have a new member, Clyde Nash.

Joe and Pam have volunteered to do a mystery trip October 16th. We will meet at the Harley at 6:00 P.M.

Steve had nothing for Public relations.

Phil will have the points in the newsletter.

Newsletter deadline in today 9-27-93.

New Business - We have scheduled the 1994 swap meet for 5-1-94. Phil reported that he may be able to get us a copy machine by bidding on some available through Clinton County and will check on details for us.

Meeting was adjourned.

C.C.C.C. Meeting 10-6-93

Meeting came to order at 7:23 P.M. at Trippers.

President Loretta Spinrad passed out forms for suggestions for a name for next years swap meet and for ideas for a place for the awards banquet. She also gave the treasurer's report as Joe Platte was not able to be here.

Loretta Spinrad gave a competition report and listed the remaining events for 1993. She also informed us that the region still needs a Beverage Chairperson for the convention. Mike Hoffman volunteered for the job. He will not be able to make --- the October 12th convention meeting so Chuck Duell will attend for him. The 1994 calendar will be done at the November region meeting and Loretta asked if anyone would like to chair a concourse and no one volunteered. We then decided to have 3 races and one matching time and 3 rallyes. Phil Hanses and Mike Hoffman said they would each do a rallye. If you would like to be a chair person for one of the events please let Loretta know.

Art Doty reported that at the governor's meeting they passed the change to let 16 year olds race in the low speed events. They would have to have their parent's permission, have their parent present and permission to use the parents Corvette. The bid submitted by Palm Springs, Ca. for the 1995 convention was accepted.

As acting membership director, Art Doty reminded everyone that dues are due at the November meeting and he will be sending out notices. Remember - you can't vote for officers unless you are a paid member.

Social events are being handled by volunteers. Joe Platte has planned a mystery trip for October 16th. October 30th is our rallyes and club reunion. Please bring a dish to pass. If you don't want to go on the rallyes the reunion is scheduled to start at 4:00 P.M. at Holt Auto Sales.

Steve Spinrad as Public relations is still trying to get the convention committee to use Spartan Speedway for the low speed event. We need to decide what to charge for the Peoples Choice Car Show for the 1994 swap meet. Much discussion was done on whether to charge \$1 or \$2. No decision was made. The swap meet will be May 1st.

Phil Hanses passed out the points report to those present. If you have points to turn in please do so right away.

Phil Hanses and Bob Nowicki will make a bid on a copier offered by Clinton county in an amount up to \$500. There are several copiers available for sealed bid.

November 20th there is a Vette Fest in Chicago and Marv Shreve will have his car in the show.

There are pictures of the cars at the Capital for sale.

Meeting was adjourned at 9:10 P.M.

From the cluttered Desk of the Gov..

Well I have been to another Dream and Drive, this time for 34 International Service Reps. Do you remember that very windy Thursday? I believe it was Oct.21st. CMI the company that puts on these affairs, put up their tents and hoped the tents would stay up. Though the wind tried the tents stayed put. At this show GM had two Dream cars on display. A tent was provided for these cars. But the people responsible for the cars parked them away from the tents. One car was the Buick Wildcat, I suppose you would call it a mid engine car even though the engine was located on top of the rear axle. The roof and windows were a one piece bubble that hinged for entry. The other car was like a police car used in the movie Demolition Man. We had a large variety of cars to demonstrate. Two Cadillacs, two Oldsmobiles two pick-ups, one or two Buicks, a Comaro, a Lumina APV, and a Geo tracker and more. I believe there were 14 cars to demo. We only had 34 people to show the cars to but they drove almost all of the cars at least once.

The next Dream and Drive will be Nov.6th,7th and 8th this is the weekend of the Governors meeting so half of the people that usually go will not be able to. Charlie Snider who belongs to the Flint Corvette Club will be chairing this event. If you would like drive a new Cadillac and see a powerful demonstration of anti-lock brakes and traction control this is your chance. The show this time will be at Hazel Park Race Track which is just south of 10 mi.rd. on the west side of Dequinder rd. A slight dress code is requested. If you have a day or two that you could donate your help would be appreciated. Give me a call and I will put you in touch with Charlie.

Vette magazine is sponsoring a Caribbean Cruise Jan 8th-15th 1994. Contact me for more information.

Thank all of you that have all ready paid your dues, you make the membership job a lot easier.

While I have your attention I am running for Governor again and I would apperciate your vote.

Thanks for letting me be your Governor

23rd Annual Capital City Corvette Club's

CORVETTE SWAP MEET & CAR SHOW

Sunday June 13, 1993

By: JERRY McDERMOTT

Unlike the 1992 meet, June 13, 1993 was sunny and bright. As a result, there were about double the number of cars and vendors as last year. This meant about 200 cars and 100 vendors as they were able to attract people from further away in the State.

This event is noteworthy as the oldest Corvette Swap Meet. What started 23 years ago as an auction is now held on the vast premises of the car auction in Lansing, Michigan but the annual meet is no longer an auction. It now consists of a swap meet; car show; vendors displays and sale items; Corvettes for sale corral; and new for this year, a disc jockey with a collection of Beach Boys music as well as other period music.

In addition to drag Vettes and an older road race Corvette, plus the myriad of individualized Corvettes, Valley Corvette showed a Shinoda/Mears Corvette with an ACI rear window replacing the standard hatch. Painted in a metallic aqua, the car was striking.

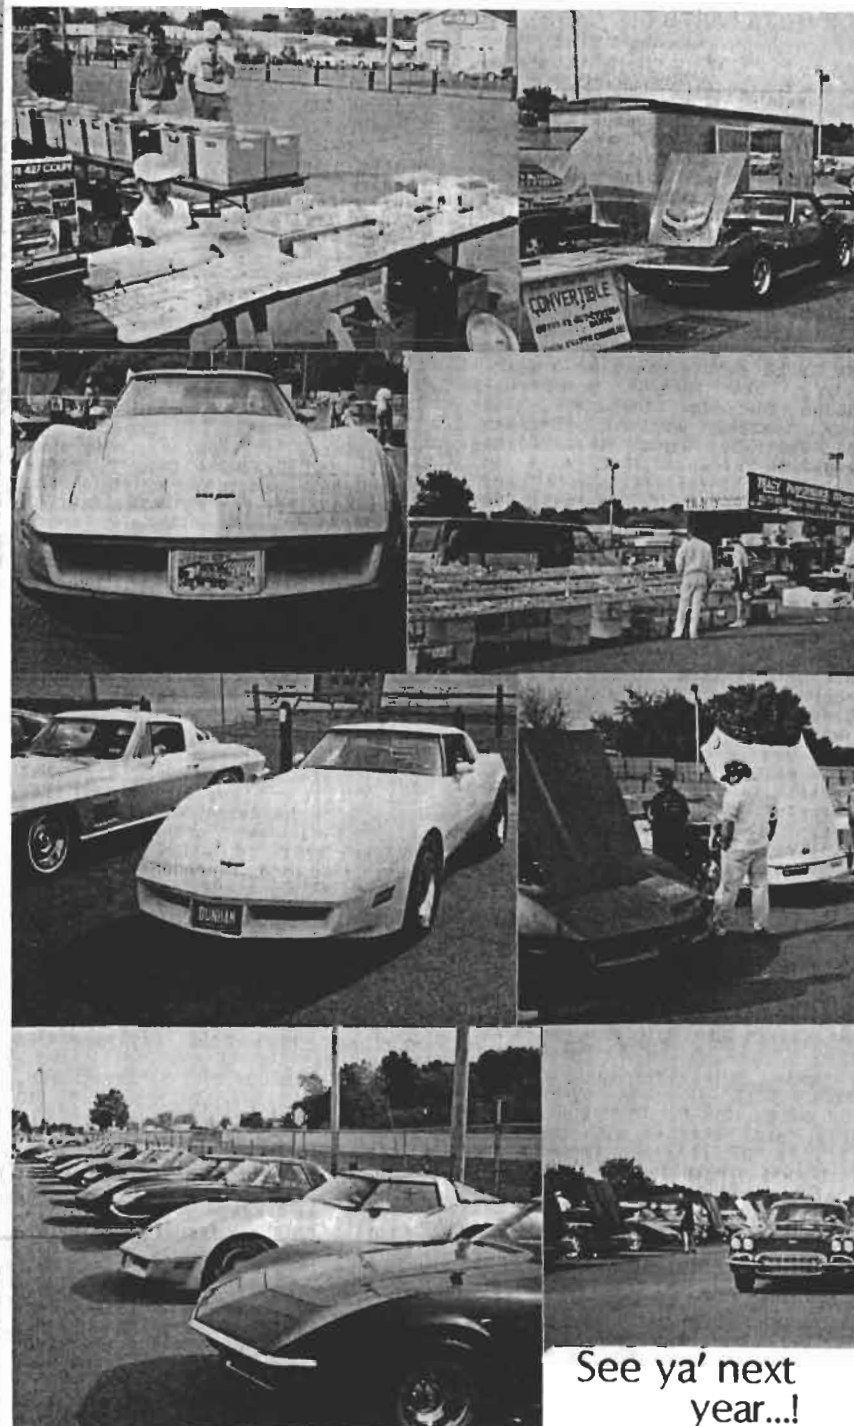

I asked Loretta Ames, the Club President, what this meet means to Clubs throughout the USA. She said that foremost is the fact that this is a local club, not a commercial venture. It is not owned nor sponsored by anyone. Furthermore, with only 58 members, the Capital Cities Corvette Club should be an example to others considering forming a club.

She believes that the best possible way to get enjoyment from your Corvette is with a club. She continued to say that they try to have as many events for as many people in the club as possible. "You can't really enjoy your Corvette unless you belong to an active club that gives you the opportunity to participate. That way you have many options open to you."

The annual swap meet is important as it generates enough funds that they have year round events and the opportunity to do all the things that the majority of the members want to do.

I asked Loretta to summarize the event for others. Without hesitation, she said, "Corvettes are Great".

See ya' next
year...!
