FROM THE EDITOR:

CONVENTION!

As you all know, the NCCC Convention starts Saturday, July 9 and ends Friday, July 16. Corvette owners from all across the country will be there, so let's make them all feel welcome to Lansing, our Capital City!

New members keep rolling in. If you know of anyone with a Corvette who might be interested in joining our club, please give them a new member form or refer them to Mike Hoffman. Welcome to all our new members!

Just a reminder that I am still running Classified Ads in the newsletter. Send them all to me at the address below. This is a FREE service to all. Also, it doesn't have to be a Corvette you're selling. It can be just about anything. Take a look and see.

The deadline for the August Newsletter is Saturday, July 23. You can send everything to me at P.O. Box 204, Westphalia, MI 48894. Please don't be late.

Cindy Reynolds, Editor

~ MEETING NOTICE ~
GENERAL MEMBERSHIP MEETING
WEDNESDAY, JULY 6, 1994
7:15 P.M.
RICHARD'S FOOD AND DRINK
(4105 North East Street, Lansing)
Dinner Immediately Following

From the President

We are getting very close to Convention Week and your help will be needed and greatly appreciated. We still need workers for the low speed event to be held at Spartan Speedway on Tuesday and Wednesday, and dealers for the Las Vegas night on Thursday night.

Worker passes are available free of charge to anyone wanting to work that is not registered for convention. Please remember the worker pass only allows admittance to the event you are working. If you are interested in attending the picnic on Monday or any of the parties throughout the week you will be required to purchase a day pass. Day passes will be available each day for \$20.00, with the picnic on Monday being an additional \$10.00.

This newsletter contains an updated calendar of events for your review. Please look it over and if you are not registered it is not too late!!

Workers will be needed as security for the entrance gate, staging, corner workers, time keepers, and results posting.

Numerous workers are needed for the Las Vegas night to deal. It is requested that workers wear black slacks of some sort and white shirts. It will also be mandatory that all workers refrain from drinking alcoholic beverages. This is a safety precaution for the handling of money.

If you are interested in either of these events and you **have not already signed up**, please contact me prior to **July 5th the next** region meeting.

The Road Tour is an important part of the convention this year and Capital City is responsible for its success. We are asking **all** club members to participate if possible. Line up will start at 3:30 p.m. Saturday, July 9, 1994. This will be at the parking lot at Farm Lane and Mt. Hope. I will need workers to assist in checking people in, numbering and lining them up. I will also need people that will not be participating in the actual parade to work corners throughout the MSU campus and downtown Lansing. Our club has well over 60 members and I hope I can count on each and every one of you to help with this very important event.

We are also asking all club members to wear the royal blue embroidered shirt for easy identification.

This parade is open to the public and public participation is definitely encouraged. The only requirement being possession of a Corvette.

As you know, the parade will end downtown with a car show, dancing, and contests. Help will also be needed to help park cars and count ballots for the car show.

The convention committee is still in need of door prizes for daily give aways. If you are interested, or know someone that is interested in donating a door prize, please let me know as soon as possible.

July 4th Please note the parades of this date have been removed from our Club calendar. We did not receive the entry applications needed for our participation. In addition, the party scheduled has been cancelled due to the lack of chairpeople for this event. It didn't appear the participation interest was too overwhelming and we do have our parade the following weekend.

I would like to remind you that the trip to Mackinaw will soon be upon us and if you haven't made your reservations, you had better hurry, time is running out!

This is a fun weekend starting with a parade across the bridge on Friday evening and a Corvette Car Show on Saturday. Saturday night there is a boat cruise for those interested. And there is always gambling at the Reservation in St. Ignace.

We will have a club caravan leaving from the Meijers parking lot at 12:00 noon on Friday with a stop for lunch at the midway point. Please see the flyer for details. If you would like to attend, please let me know.

Competition Report

Drag Racing - We once again returned to the Drag strip on June 11 and this time mother nature was a little nicer to us. However, mechanical problems caused the demise of more than one car. Our car broke during testing and J.R. Bisacky's car broke just as the event started. What a bummer!! However, the day was not to be a total loss. In fact, for one of our very own, it was a great success. Bill Stehouwer, a relatively new member, captured the win (top eliminator) in the class drags. Congratulations to Bill and on his first time out!!!

Low Speed/Autocross - Our low speed events at Spartan the weekend of June 4 and 5 proved to be very successful. We had good weather, a good turnout, and a great party. This was a warmup for convention, and overall, we think things went very well in spite of the sparse Club participation. I would like to thank participants and workers alike!

The week of July 10-15 will be filled with Convention events. The next region events will be Shiawassee's low speeds at Owosso Speedway the last weekend in July. There is a flyer in this newsletter with pertinent details.

Loretta

Public Relations

Loretta and I are on our way to Springfield for the Bloomington Gold Show, if you have never attended this event, you don't know what you are missing.

This event hosts the largest Corvette Swap meet in the country and a road tour that had 1600 cars last year.

As a reminder we will be discussing the future of our swap meet at the August 3rd meeting and would like to hear your ideas. If you will recall it was discussed at the June meeting, where discussion was tabled until August. We will definitely have to make a decision at the August meeting so come prepared to present your ideas.

Many of you know, last year was a grave disappointment due to extremely bad weather. I started the swap meet 24 years ago and it is not easy to let go, but we must be realistic about its future.

To hold a 25th annual may or may not be the thing to do, but remember whatever your feelings, it does take a commitment from more than Loretta and myself to make it a success.

It is the club's number one way to make money for the year, but are there better ways? Do we pursue a 25th annual, but take a different route? Do we just cut the budget and operate on the funds generated from the races?

These are all things to be considered and your input will be greatly appreciated.

**Club shirts will be available
for sale
at the July 6th meeting.**
