## Volume XXIV - Number 10 - October 1994

From the Editor:

So, how did you like video night at Holt Auto Sales and the golf Outing in Mason? If you liked the activities we had last month, just wait till you see October's calendar. You know, we host our own Ralleys October 1st, 3 of them. Other ralleys during the month are hosted by Kalamazoo, Jackson, and Great Lakes (if you're in to Ralleys). There are also low speed events on the 2nd and 23rd if you are interested. If none of that interests you, maybe you would be interested in a leisurely Mystery Dinner on the 22nd.

Check out the Classifieds this month. Need some club apparel, such as a shirt or jacket? There's something there you might be interested in. We also have a report from our Governor, Art Doty.

The deadline for the November Newsletter will be Tuesday, October 25. My address is still P.O. Box 204, Westphalia, MI 48894. Let's not be late, everyone.

Well, everyone, we took on Jackson at the Golf Outing, and believe it or not, we didn't come out the winner. I'm sorry to say that Jackson's small group of five people beat everyone one of our four teams of sixteen players. Oh well, wait till next time!

Editorially Yours, Cindy

#### **\*\*MEETING NOTICE\*\***

There will be a General Membership Meeting October 5th at 7:15 p.m. at Richard's Food and Drink  
(4105 North East Street, Lansing) Dinner Immediately Following

## PRESIDENT'S REPORT

### Video Night!!!!

I am happy to report that our 1st Video night was a great success. We had a number of videos to share with the membership. The Convention Video was the main attraction, and thanks to Jim Weber, Phil Hanses, and the O'Haras we had plenty more. Jim brought the 1994 Corvette promotional tape, Phil brought the promotional tape that was presented at the Dream and Drive, and Dennis and Elaine brought the video of the Parade into the 21st Century which the club participated in last May.

In addition to the videos there was plenty of food including pizza and a surprise birthday cake for Elaine O'Hara.

I really appreciate the effort you made and the support given for this event.

### New Members !!!!!

I would like to welcome our new members:

Jim Weber with a white 94 Coupe. Jim has recently moved to the Lansing area from Madison, Wisconsin.

Tom and Vicki Waier join us from Okemos. Tom bought his car from a NCCC member that was in Lansing for the Convention.

Please join me in welcoming not only Jim, Tom, and Vicki, but all the new members that have joined our club in the last few months.

## Nominations

Nominations for Club Officers will be held at the October and November General Membership Meetings, with the election of officers at the December Meeting.

The Board of Directors meet once a month, and they are responsible for the overall direction of the club and the activities and events pursued and participated in. If you have an interest in becoming more involved in the club and having a voice in how it operates, you may want to consider holding an office. I can assure you, your enthusiasm and commitment will be welcomed.

The following is a brief synopsis of the positions and responsibilities. The By-laws of the club give a more formal description. If you do not have a copy of the published By-laws, please let me know and I will make sure you receive one.

**President** - the president is ultimately responsible for all the activities of the club. The president should be willing to attend all of the clubs activities and events and be willing to step in and assume responsibility for every activity if necessary. The only mandatory requirement for the president is the person must have held a former office in the club.

**Vice President Competition** - The competition director is the club's representative to the Michigan Region and is responsible for all the competition events and the club calendar. In addition, the competition director is ultimately responsible for the points program administered by the points director including the year end awards.

The competition director is required to attend the Region meetings and report back to the club.

The competition director schedules the club's competition events in accordance with the Michigan Region Calendar and is responsible

for each event's chairperson, flyers, and points. It is also necessary the competition director be familiar with the NCCC rules and requirements for competition events.

The competition director is also the vice president and must be ready and willing to assume the duties of president in the absence of the president.

### **Governor**

The governor is the club's representative to the National Council and is required to attend the governor's meetings that are held 5 times a year. The governor is responsible to report back to the club on the happenings at the national level.

### **Secretary**

The secretary has the responsibility of taking minutes at the general membership meetings and the board meetings and having the minutes published in the club newsletter each month.

### **Treasurer**

The treasurer is responsible for the club's funds. The treasurer pays the club's bills and balances the check book each month. The treasurer is responsible for a report at each meeting.

### **Membership Director**

This person is responsible for all membership responsibilities including the collection of dues, soliciting new members, and promoting the club.

### **Social Director**

The social director is responsible for the club's social activities. The social director, along with the Board of Directors, sets the social calendar and plans social events to meet the needs of the membership.

### **Public Relations**

The public relations director is responsible for the club's promotional events and activities including those events that interact with the public. This person also solicits advertisers for the club's newsletters and promotes the club and its activities.

### **Points Director**

The points director is responsible for the administration of the club points system. The points director collects the points from the membership and keeps track of each member's total points for the year. The points director also assists the competition director with the year end awards.

The points director publishes the points in the club's newsletter on a monthly basis.

### **Editor**

The editor is responsible for the publication and mailing of the newsletter each month. This includes obtaining the articles from the officers and other members, collating, and mailing.

In addition to the specific duties of each office, each officer should be willing to attend the general membership meetings and the board of directors meetings each month.

It is important to remember this club is only as strong as the leadership supported by the membership. Your support and participation will be welcomed.

## **Competition**

Race events:

Record and Bracket drags were held Saturday, September 10th.

While our members may have not brought home too many trophies there was certainly one winner. **LINDA ROBERTS.** Linda needs to be congratulated on having the most test runs, prior to an event, in the history of drag racing. Win or Lose, Linda was definitely there to have fun and it appeared she was **doing just that.** Congratulations Linda on a great day!

Flint and Ypsilanti will be hosting low speed events at Flint Auto City on Sunday, October 23rd. If you like oval track racing, this will be your last chance for the season.

If you enjoy parking lots, CCM and HVCC will be hosting 3 events on Sunday, October 2nd.

Rallyes are next on the agenda with ours scheduled for October 1st.

The chairpeople of our rallyes tell me that a great time is promised to all. Be sure to mark your calendars and if for some reason you are unable to make the rallyes, check with the rally masters for the ending destination, as I hear dinner is planned. Just think of this as a mystery dinner with a few questions along the way! See the flyer in this issue.

Kalamazoo will be hosting two rallyes on October 9th, and Jackson will hold two on October 15th. Great Lakes ends the month with two rallyes on Sunday the 30th.

As always, the flyers for these events can be found in our newsletter.

## Region Meeting

The Michigan Region Meeting was held on Tuesday, September 13th.

The region currently has \$11,499.75 in its treasury thanks to the Convention and the Dream and Drive activities.

In addition to the Corvette and Cadillac

Dream and Drive events, the region has been asked to participate with Oldsmobile.

Barb Harris reported that Corvette Coventry is now Michigan's largest club with 86 National Council Members.

Tiretown is the currently the number one club in the nation with MAG being number two. Sharon Meesseman is currently in 3rd place in the national points standing.

Sharon Meesseman distributed the region's points standings. A copy can be found in this issue.

Sue Butters gave the competition report on behalf of Deb Corbin.

Gary Kelly will no longer accept names of participants or workers without NCCC membership numbers.

The new NCCC rule book that is under consideration would limit the number of events that can be held on the same day. The suggestion was made for 6, but was later changed to 7. There are a number of clubs and regions that try to hold so many events on the same day the quality of the event is jeopardized. An example of this is the combining of matching times and low speed events. Currently there are no restrictions. The proposal would limit one matching time with one speed event to be combined.

Capital City holds only one event at a time.

The 16 year old driver was also discussed. National Council rules now allow 16 year olds, accompanied by and with the permission of their parents, to participate in speed events. However, there are some tracks including GM parking lots that do not allow anyone to participate under the age of 18. Even though NCCC allows the 16 year old driver, if the facility limits participation to 18 year olds, the event must adhere to facility rules.

Additional points for FTD winners is also being considered.

Consideration is also being given to allowing regions to hold sanctioned events. Currently only clubs can hold the events.

New rule consideration: side exhaust must comply with OEM standards, cannot back date.

There were no concourses scheduled in the region this year. Jim Harris inquired as to what other regions were doing. With the rule change and a team judging requirement holding a concourse just doesn't seem worth it.

Region officers will be voted for at the November meeting. Those running for office are:

Elana Siebel, Secretary  
Susan Butters, Treasurer  
Sharon Meesseman, Points  
Roger Thomas, Regional Executive  
Jim Harris and Barb Harris for  
Regional Membership Director  
Ray Meesseman and Loretta Spinrad  
for Regional Competition Director

**REGION BANQUET - Corvette Conventry** will once again host the Region Banquet in Benton Harbor. The date has been set for March 18 at the Holiday Inn. The cost will be \$19.50 per person. There will be raffle tickets on sale for \$1 each with the winner receiving a nights lodging at the Holiday Inn or \$50 cash.

The possibility of the Region sponsoring a scholarship was discussed and tabled until Roger could bring back additional information.

Roger also inquired about the region purchasing sophisticated timing equipment with each club renting the equipment for their events. This was too tabled for further discussion.

Jim Harris gave a post-convention report which was good and bad. The region made money, \$5,000 on shirts alone. There were complaints about the parking, high speed, and various minor things with the banquet, youth program, registration, door prizes, and Corvette mall. Jim said the criticism was meant to be a helpful tool for the next convention, but as one listening to the letter, it is a little disheartening to hear especially after all the hard work. As far as the participants, everyone had a great time.

## PUBLIC RELATIONS

As promised we have made application with Michigan State University to work a concession stand at the Breslin Center for miscellaneous events. As of this date we have not had a response.

The Video night was a success and we owe a great deal of thanks to Steve Hanks and Holt Auto Sales for allowing us to use their facility for the event. I understand Steve spent the entire week preparing for our video night, and we certainly appreciate it.

We have a mystery dinner scheduled for Saturday, October 22nd for which I will be the chairperson and hope you will mark your calendars.

We will be pursuing the possibility of another parade and car show in the Lansing area for the summer of '95. This may or may not be combined with other events.

As this type of event requires numerous licenses, permits, and cooperation of municipalities and various law enforcement entities, the feasibility is unknown. We will keep you informed of the developments.

From the cluttered desk of the Gov.

It's Rallye time again. If you are new to the club or haven't tried it before don't pass up the opportunity. October 1st your club is putting on three rallye's, all different, all at the same time. See flyer for all of the details. Dennis has promised that the color will be great so get out and rallye with us, you will enjoy it. The fall Luxury Drive will be October 28th, 29th and 30th. We can use all the drivers we can get. This is like the Corvette Dream & drive only using Cadillacs. There is a dress code but not that strict. It will be in the Pontiac Silver Dome parking lot. You can sign up at the October 5th meeting or give me a call and let me know which days you can help out.

I would like to explain a little bit about your club to you. When you joined Capital City Corvette Club you also became a member of the Michigan Region which has 14 clubs with about 540 members and 32 people who don't belong to any club. Also most of you are national members of which there are 11,526 as of Sept. 17, 1994. One of the biggest reasons for the national (NCCC) besides writing rules for Rallyes, Races and Concourses is to provide liability insurance for those putting on events. Medical is also provided to entrants in those events. All the medical bills that I accumulate from my crash at MIS that my insurance won't cover will be picked up by K&K our insurer through NCCC. In some cases that could be big dollars.

### **CAPITAL CITY CORVETTE CLUB VS. JACKSON CORVETTE CLUB**

After waiting for a late afternoon thunderstorm to pass, the golfers from both clubs hit the links. Hat's off to the brave souls from both clubs who battled the elements to play. After what was obviously nine serious and hard played holes of golf, here are the results:

**J.C.C. Fivesome - 34**

**C.C.C.C. Groups - 35, 39, 43, and 44**

**OH WELL! We'll nail their butts next year! Again, thanks to the 22 members from both Lansing and Jackson who came out!**
