VOLUME XXV - NUMBER 2 - FEBRUARY 1995

From the Editor:

It seems we got 1995 out to a good start. We have a lot of great ideas and a lot of enthusiasm from what was heard at our meetings. We encourage member participation in submitting articles to the Newsletter. Not only will it be a great asset to the rest of the membership, but you will receive 5 points as well. Look over the points system in this Newsletter, and you might find some ways to get points that might surprise you.

We bowl against the Jackson club soon. All you bowlers, we need you on our team to uphold our bowling championship status. We look forward to seeing you there.

Did you go to the Awards Banquet in January? Applause to all the winners!!! A year of fun, hard work, and dedication really pays off at this time of year. Thanks to Loretta for her hard work in putting the Banquet together. We all enjoyed it!!!

The March Newsletter deadline is Friday, February 24. Send your articles to me at P.O. Box 204, Westphalia, Michigan 48894.

Until Next Month, Cindy

!!! MEETING NOTICE !!!

The February General Membership Meeting will be held Wednesday, February 1st, at 7:00 p.m. at Richard's Food and Drink (4105 North East Street, Lansing).

DINNER ORDERED AT 7:15 P.M.

From the President

The first Board of Directors meeting for the year has been held and I would like to report we are well on our way in planning for 1995. I would like to take this opportunity to thank everyone for their participation in 1994 and we look forward to your participation this season.

At the last meeting I requested those in attendance to complete a questionnaire pertaining to the club's events and overall direction. I have reviewed the responses and shared the results with the Board. We are happy to report your suggestions were very positive and we will be working very hard to make sure that your ideas and requests are included in this year's calendar of events.

The first thing we will be pursuing (and by popular demand) is the time of the meeting and subsequent dinner.

Please note the following changes regarding the meeting:

The meeting will start at 7:00 p.m. sharp, with dinner being ordered at 7:15 p.m. Many people have requested an earlier time and even though our meetings were scheduled for 7:15 p.m. I never started before 7:30 p.m. due to late-comers. I will be starting at 7:00 by popular request. Hopefully this will facilitate an earlier dinner for those that found our former time somewhat late.

In addition to the change of meeting time, we will be incorporating more car related items on the agenda when at all possible. The February Meeting will offer a special Corvette informational session that you will

not want to miss. Whether you are into details or not, you will enjoy the evening I am sure.

We have two new members on the board, Phil Zeller (Social) and Linda Roberts (Membership). Both of whom are very anxious to share their ideas and contribute to the club, as you will soon find out.

Phil is planning our annual Bowling Challenge with the Jackson Club so lets not disappoint him. Dig out those bowling balls and be sure to participate. The ability to bowl is not required or expected.

Linda will be interviewing members of our club for our Member Profile Column that will appear each month in the newsletter. This should prove to be of interest to everyone. This will be a great opportunity to learn more about members of the club.

All in all we are planning a great year with parades, mystery dinners, caravans, parties, and competition events, all of which we hope you will enjoy and participate in.

Please join me in welcoming our new board members as well as those that have served before. I hope you will lend your support to the entire board as they have committed their time and efforts to our club this year.

Reminder Region Banquet

Please mark your calendars for March 18, 1995, the date of the Region Banquet. If you have not made your reservation you will want to do so soon. This is a good time, an opportunity to meet members from other clubs, and I encourage you to attend. If you would like more information, please see the flyer in this newsletter or contact me.

The Social Section

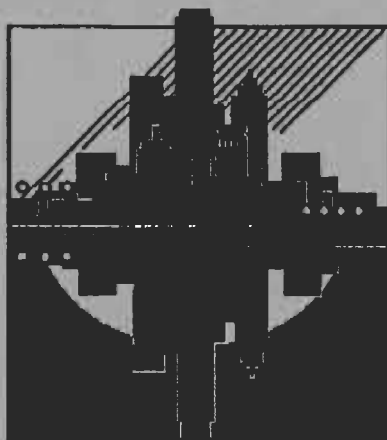

SOCIAL DIRECTOR COMMENTS

Your Social Director

Please allow me to introduce myself. My name is Philip Zeller and I, thanks to you, have been elected to the position of Social Director for the Capital City Corvette Club for 1995.

Currently, Angie (My better-half and member of the club), live on the west side of Lansing. We both work full-time jobs and attend college classes in whatever meantime we have left over. I also graduate assist in teaching Dale Carnegie Human Relation Classes once a week.

We have both been members of the Corvette Club since July of 1994. We have participated in as many club functions as our busy schedules have allowed us to. Like many of you, owning a Corvette was a goal I set a long time ago, long before the day came when I actually purchased the magnificent machine. Since that purchase over 2 years ago my appreciation for the Corvette has only increased. And thanks to you folks the appreciation grows fonder.

CAPITAL CITY ACTION

Things are getting started fast this year. In January we had a New Year's Eve party and we are celebrating our annual club banquet. We hope to see all of you at the banquet and get to know you better. Heck, I'll even be there so you can place a face to my name. And if I'm lucky, I can place a name to each one of you.

And speaking of you, thanks for all the great input on the social activity questionnaire. Your comments are, and will be welcomed. I hope to see every one involved with our social activities this year. The more the merrier.

Seriously though, if it weren't for you folks, we wouldn't have a club. You make the difference! Thanks for supporting each other and having fun.

UPCOMING EVENTS

Highlight these dates on your calendars.

2/1/95: Spend an evening with all your club friends as we engage in a fun-filled evening discussing our club at the General Meeting!

2/18/95: The first Mystery Dinner of 1995. Find out before hand where it will be, and you might get lucky! Guaranteed to be an exciting evening. What more could you ask for - Good Friends, Good Food, and Good Drinks!

2/26/95: The 21st Annual Kalamazoo Corvette Club Swap Meet. If your going, let's make a day of it. Meet your club members for Breakfast and travel in tandem. For any club member interested, a group of our club members are planning on getting together at the Flap Jack Restaurant on Waverly at Old 69 at 7:00am. Please feel free to join these members for breakfast. They'd love to wake up to your smiling face over a hot cup of java and pancakes.

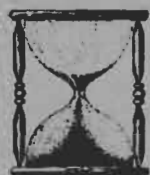

In March be prepared! The annual Bowl off against Jackson is coming on the 26th. Don't be square, be there!

HAVE BEEN CHANGED DUE TO THE
RESPONSES WE RECEIVED IN THE
QUESTIONNAIRE.

They will still be held
at Richard's Food & Drink...

But.....

The Meetings will start at 7:00 p.m.
Please be on time.

We will order dinner

I just love a good mystery, don't you?
But it must be something exciting, something new.
Well guess what, I mean where, you're going tonight?
You could win some cash if you guess right.
You won't know till you get there,
but throw in a buck if you care.
The ones who can figure it out
Will get to share in the wealth!
If you'd like to be a part of this party,
and you think you're a smarty,
Meet me at the southeast corner of the parking area
of the Meijers on South Cedar and Pennsylvania.
We'll do this on Saturday, February 18th at 6:00 p.m.
Oh, and don't forget to R.S.V.P. to him:
Phil Zeller - 321-4857.

PUBLIC RELATIONS

I, too, have events to be reported. Loretta gets all the easy ones like competition where you have to do fun things like results and flyers and deal with unhappy competitors. I get all the hard stuff like car shows and parades and open houses where I have to work my fingers to the bone.

Now that we have all the important stuff figured out, let me tell you about this year's public relations events that have been identified to date.

There may be a car show in March. I have been participating with a group of individuals that are trying to put on a show at the Lansing Center during the month of March. I have indicated that we would be interested in participating. I have requested spots for four cars.

If this show does become a reality, we would have the opportunity to place four cars in the show all of which would have to be of show quality. We would submit photographs and write-ups about the cars and the promoters would select the entries. I will keep you updated on the negotiations.

If you feel you would be interested, please arrange to give me pictures and a write-up about your car including any special

features.

Next, Holt Auto Sales would like to host another Open House this April. If you will recall we helped with the previous Open House and it was a success.

Steve Hanks pays for the hot dogs and pop and we provide the labor. He publicizes this event via the radio and the turn out was very good.

This is our opportunity to promote our club to Corvette Owners.

Last, but not least, the parade into the 21st Century. This is the same parade we participated in last year. Even though this parade is not usually open to automobiles, we have been invited back again this year.

There are some stipulations, however. We have to notify them of our intent to participate by mid-March. When we send in our application, we have to provide them with a list of cars, drivers, passengers, and last year we had two people carry the banner.

This parade is televised and we can write our own commercial so to speak. Because this parade is televised, we have to commit earlier and fulfill our commitment. Therefore, if we say we are going to have 11 cars (last year's commitment) we have to provide 11 cars, as we are allotted a certain footage and they schedule accordingly.

This parade is the same day as the record and bracket drags so before making your decision to participate you will want to check your calendar. If you would like us to pursue this parade, please contact me by the next meeting. We will decide at the February Meeting whether to participate or not.
