Capital City Corvette Club News

VOLUME XXV - NUMBER 4 - APRIL 1995

Dear Readers:

Have you been watching the club calendar lately? If you do, then you will notice some changes. First of all, the board members voted to change their meeting date from Mondays to Tuesdays. Secondly, a new event was added to the May calendar, **Corvette Night**, but I'll let Loretta explain all that. There were some other changes, but again, I'll let Loretta tell you. I just thought I'd tempt your curiosity a little.

You do realize you can earn up to 5 points, yes, 5 points by attending the Club Event of the Month. You will be able to recognize these by the symbol on the flyers stating so. It's a good opportunity to earn more points while having fun at the same time; can you beat that--a two-for-one!

Speaking of Club Event of the Month, I hope to see you at the Open House at Holt Auto Sales on April 8th. It should be a great day, if you like Corvettes, and I have a suspicion you do. Speaking of Holt Auto Sales, did you know that is where we will meet on the 15th to go to our Mystery Dinner hosted by Simon and Gloria Reiffer? See the enclosed flyer for more details.

Has anyone noticed the new logo at the top of this page? I started using it in February, and it stuck. I had been trying several different types, and the two of us voted this one in. Welcome.

Just wanted to let you know how much I enjoy being your Editor, and I appreciate all the comments and input I have been receiving. It's great to know people read the newsletter and not just look at the pictures (ha ha). Oh yeah, enjoy the Word Find!

I'll look forward to receiving all your articles for the May Newsletter by Monday, April 24, at P.O. Box 204, Westphalia, MI 48894.

Hello Spring! Cindy

1995 BOARD OF DIRECTORS

Loretta Spinrad - President & Competition Director, 372-4380

Steve Spinrad - Public Relations, 372-4380

Linda Roberts - Membership Director, 224-7183

Phil Hanses - Treasurer and Points Director, 587-3422

Art Doty - Governor, 321-5708

Charles Duell - Secretary, 694-6945

Phil Zeller - Social Director, 321-4857

Cindy Hanses - Editor, 587-3422

!!! MEETING NOTICE !!!

The April General Membership Meeting will be held Wednesday, April 5,
at 7:00 p.m. at Richard's Food and Drink (4105 North East Street, Lansing).

DINNER ORDERED AT 7:15 P.M.

From the President

Loretta Spinrad

Spring is approaching and we will soon be getting our cars out of storage and preparing for summer activities. I hope you will make room on your calendar for the many activities that our club and the Michigan region have planned for this season.

I would like to remind you that we have once again implemented the "Designated Club Event of the Month" for points purposes. This means that each month one event will be our main club event of the month and will be worth extra participation points. We are hoping to encourage participation at an event that you may or may not have considered participating in.

We hope this will broaden your interest and strengthen club participation.

The designated event for March is the bowling challenge to be held March 26.

April's event is the Open House at Holt Auto Sales on April 8th. Please wear your club shirt as this is an opportunity to promote our club.

May's event will be Spartan Night (May 26). See the "competition update" for details.

Even though we single out one

event each month for extra participation points, does not mean that we don't encourage your participation at all events, because we do. We realize it is sometimes easier and definitely more fun to participate in new adventures if you know familiar, smiling faces will be there.

Bloomington

We have discussed the possibility of our club travelling to the Bloomington Show as a group. The Bloomington Gold people have changed their attitude about the show as well as the show itself. This year the festivities actually start on Thursday, which is a day earlier for the swap meet.

This year the Workshops will be held on Thursday, with the Swap Meet being held Thursday thru Saturday, and the Road Tour on Sunday morning.

The cost this year is \$33.00 per person with a \$10.00 fee for the Road Tour. The "Glass Pack" which is the tent and special parking for clubs will be \$210.00 with the deadline for registration May 1, 1995.

The Board of Directors discussed the possibility of the Club sponsoring the cost of the "Glass Pack" if enough members were interested in

attending. This will be discussed at the next meeting so if this is an event on your calendar for consideration, you will want to be sure to be at the next meeting for input.

We are also planning our annual trip to Mackinaw in August. So if you like road tours here are two opportunities for you and your Corvette to cruise the roads and attend great shows at the same time.

Phil Zeller has done a terrific job putting together travel plans for this year's National Convention to be held in West Palm Springs, California. If you are interested in attending the convention this July be sure to check out the details in the "competition update".

April General Membership Meeting

Corvette Trivia
The Road Race Board Game.

Be sure to attend this meeting and enjoy "Real" Corvette Trivia and Road Race as developed promoted by the National Corvette Museum.

Competition Update . . .

Loretta Spinrad, Region Competition Director

The Michigan Region Meeting was held in conjunction with the Awards Banquet on March 18 and most of you were there, but for those that weren't I would like to take a few minutes to recap the Competition portion of the meeting.

We discussed some of the proposed changes to the 1996 NCCC Rule Book. I think it is important that everyone that is interested in competing be familiar with not only the current rules, but the proposed rules.

Fire Suits for Group III. This topic received a lot of discussion and the consensus was Group III should not be singled out. If fire suits are required (which there is argument for both sides of the issue) then they should be required by everyone, but at the high speed events only.

It was also suggested that RCDs should consider bringing in experts for discussion at the RCD meeting. It would appear that we are trying to make decisions without adequate information to base our decisions on. This point was very well received and I will be writing Gary Kelly a letter from the Michigan Region suggesting this.

It was also suggested that participants in race events should be wearing long pants and full shirts (no shorts or halter tops).

Helmets - Consideration is being given to a requirement for updating helmets on a regular basis. Information was shared that helmets do not wear out unless dropped or the padding becomes wet. It was also noted that Bell will recertify helmets. It was suggested that helmets should be checked at tech for proper fit; this seems to be more of a problem than the helmet itself.

Proposed Street Class - Overall there is support for the idea, but the majority of people would like to see some restrictions. Restrict to Low Speed only, restrict to two classes pre-1984 and 1984 and up, reduced points.

In conjunction with the idea of a new group, consolidating existing classes was also discussed. Perhaps A & B and C & D could be consolidated. This would eliminate so many one car classes.

Hoosier Radials - Mention was made that Hoosier is coming out with radial tires, and this will have to be addressed at the competition meeting. Hoosiers are currently Group II, but radials should technically be classified as Group I.

Your comments were greatly appreciated and will be shared at the May RCD meeting.

Calendar Update

You will note there is a change in the Competition Calendar. Corvette Coventry and MAG will be combining their events this season. Therefore, there will be 14 events the weekend of July 22 and 23. Coventry will not be running the Weekend of August 19 and 20 as originally planned.

Gordon Wilcox reported that a new High Speed Track is under construction near South Haven. This may be a possible site for future Sectional High Speed Events, or even Low Speed events with some modification to slow the speeds.

Gordon also stated that Grand Valley is planning a trip to the Corvette Museum April 28th. If you have not seen the museum and have an interest in going with another club, please contact Gordon.

National Council is also planning a trip to the Museum and the Bowling Green assembly plant in September in conjunction with the Governor's meeting.

In the last newsletter I reported on the progress of the competition events to be held during convention. Jim Harris reported at the meeting there has been no further update regarding the Drag Event. At this time they are still considering an 1/8 mile track.

The Michigan Competition season officially begins with the Drag Race Events on May 20 at Stanton and I would encourage your club's participation.

At the Region Meeting Roger made mention of the attendance for the Region Banquet. We have all experienced the ups and downs of good and bad weather, good and better attendance at our events and I feel a lot of what we experience is due to a lack of understanding.

I would like to see us work on improving the overall understanding of the Region and our many events as a group. Therefore, I am encouraging each of you to promote at least one competition or social event in the region that is not sponsored by your club.

Important Notice for Rallyes

There is a new waiver form for Rallyes. Be sure if you are hosting rallyes this season you have the correct forms.

Capital City offers our club members additional club points for participating in a "Designated Club Event of the Month". If every club did this for an event outside your club this could prove

to be very exciting for the region.

In addition to supporting another club and the region, you are encouraging your members to expand their normal area of communication and participation. It will give them the opportunity to meet people from other clubs, participate in new activities, and hopefully encourage future participation.

At next year's banquet I will be honoring the club(s) that had the greatest participation for an event sponsored by another club in the Region.

As I stated earlier, our first competition event in Michigan is the Drags on May 20th, but don't forget about Huron Valley's Swap Meet on Mother's Day. After all there may be something there for your mother, especially if she is a Corvette enthusiast.

Now back to the Drags on May 20th. Be sure to mention to your friends and anyone else you know, the Royals are encouraging Test Cars also. If you know of people that like to drag race, bring them along. You know that Gary and the Royal Group run a very good event, and the more the merrier.

Don't forget about the Potluck afterwards. You do not have to be a racer to participate in the potluck. This may be a perfect opportunity to get those new club members out to a new event.

The month draws to a close with autocross events in Kalamazoo on Memorial Day. For those people not familiar with the Kalamazoo event, it is a rather large parking lot offering a number of turns and quite a straight away on the back of the course.

In addition to the race, if you come early enough, you can stop in Marshall to get a glimpse of the Corvette parade to be held at the same time.

If you are interested in attending the National Convention in July Phil Zeller from the Capital City Corvette Club has been working on possible travel arrangements

Corvette Night at Spartan Speedway

The Capital City Corvette Club and the Jackson Corvette Club will be hosting Low Speed Figure Eight Events along with Rallyes at Spartan Speedway this summer as we have for several years.

The owner and manager of the track would like to give us the opportunity to promote our clubs and our events by having a Corvette Night at Spartan Speedway.

This special night will be held Friday, May 26.

There will be a Special Corvette Corral for our Corvettes to be displayed. At intermission we will parade the track and be given the opportunity to promote our organization.

In addition the tickets for this night will be priced at 2 for 1.

For further information contact Steve or myself at (517)372-4380.

I think this is a great opportunity for your club, the region, and National Council. I hope you will make this a priority with your club.

for those people that want to fly. Phil's mother is a travel agent and is anxious to help out in any way possible.

For anyone that wants to drive, Tammy Spinrad and Bob Reeve are organizing a Caravan.

Airline Flights for Convention

Depart Lansing 7/8/95 at 6:45 am thru Pittsburgh arriving Palm Springs 1:25 pm.

Depart Palm Springs 7/15/95 at 5:50 am thru Pittsburgh arriving in Lansing 6:49 pm.

Total Round Trip Cost \$366 per person.

In addition to the National Convention, if you are a cruise enthusiast, there is a motorsports cruise scheduled for December. The theme for this cruise is racing. There will be several race car celebrities and numerous race type events for your participation and enjoyment.

Sail Away on the S/S Norway

Prices include flights to Florida and transfers to the pier. Deposits of only \$200 per person will hold reservations with final payment due 9/29/95.

Rates start at \$832 per person to \$1107 per person.

For further information contact Capital Cruises (517)323-9700 or 800-653-1990.

PUBLIC RELATIONS

I know I promised in the last issue to have an article about the 1963 Split Window in this month's newsletter, but I am afraid it will have to wait until next month. It is Loretta's fault; she has kept me too busy.

I do, however, want to remind you about the Holt Auto Sales Open House on April 8 and an all new event at Spartan Speedway on Friday, May 26, 1995.

First, Holt. We are once again this year offering our assistance at Holt's Open House on Saturday, April 8. The actual festivities begin at 12:00 noon, however, we are asking the membership to be there about 11:30 a.m. with your cars if possible. Steve will have a special place for the Corvettes.

Club shirts are required as this is an event to promote our club and it is a little hard to promote the club if no one knows who you are.

We will meet at 11:30 am and set up our club membership table and the kitchen for the hot dogs and pop that will be given away.

We will need volunteers to help with the cooking and serving and working the membership table.

We also have a new event to put on the calendar, Corvette Night at Spartan Speedway. Jim Clark, the manager at Spartan, and Paul Zimmerman, the owner, have invited the Corvettes out to the track for a special Corvette Night.

This event will be held on Friday, May 26, 1995 and will be open to anyone with a Corvette, membership in a club is not required. We will have a special Corvette Corral where the Corvettes will be on display for the public.

At intermission, the Corvettes will parade the track. And as it is Fan Appreciation Night, the stands should be pretty full.

During intermission and parade laps we will be able to promote our club, the Michigan Region, and National Council.

We will also be getting a special price break for the night, tickets will be 2 for 1.

I hope you will put this event on your calendar. If you do not have a club shirt with our embroidered logo, please be sure to get one as we will want to make the best appearance possible.

I will have more information at the April Membership meeting so be sure to attend. And once again, be sure to put these two events on your calendar.

Watch next month's Newsletter issue for the 1963 Split Window.

The Social Section

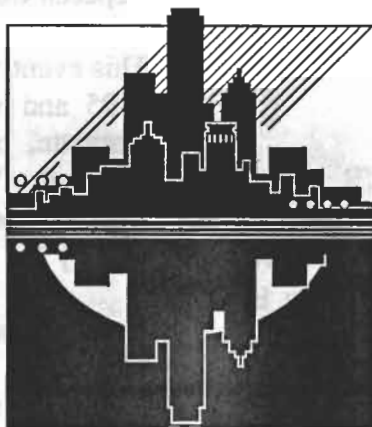

MARCH MADNESS

Who needs Basketball?

Who needs basketball when we've got bowling? Wow!

What a day. We had a great turnout for the annual bowl off against the Jackson Corvette Club. The competition heated up early as the valiant bowlers entered the **Mason Bowling Center** on Sunday March 26th at 11:30 am. Within a half hour, the bowlers had their lane assignments and were off to etch their names in the **Capital Corvette Club** history book. The hard fought battle lasted for two hours before the last bowling pin dropped.

Onward we went to a feast of celebration at **Sammy's Paddock Lounge**. The celebration became two fold as the results were tallied. Not only did the **Capital City Corvette Club** win, but we also had the opportunity to celebrate **Chuck's birthday!**

CAPITAL CITY ACTION

Well Spring is finally here! Time to bring your Corvettes out of their winter hibernation and get them ready to hit the streets. Remember to follow the great information Steve and Steve gave us at the general membership meeting for preparing your car for the road. A little TLC as Steve Spinrad puts it, will take your corvette that extra mile. Thanks for the input Steve & Steve.

Great job with the newsletter last month to all of you that contributed. Members of the **Harley Club** were extremely impressed with our newsletter, especially the article on the 1967 Big-Block Corvette. Keep it up!

UPCOMING EVENTS

Highlight these dates on your calendars.

4/5/95: Spend an evening with all your club friends as we engage in a fun-filled evening discussing our club at the General Meeting!

4/8/95: Get out and enjoy the Spring weather with all your club members at the **Holt Auto Sales Open House**. We will be giving out free hot dogs and soda pop. So, bring out the whole family and have some spring time fun!

4/15/95: Are you ready for a mystery? If not, get ready because we've got one in store for you. Join all your club members for this fun-filled evening. Contact **Gloria & Simon Reiffer** at 882-1660 to reserve your spot. Guaranteed to be a night filled with good food, good drinks, and good company.

Membership Spotlight

Indepth interview with Steve Pavlik by Linda Roberts, Membership Director

Seems like these last few weeks have been a sign from Mother Nature that we can soon get our Corvettes prepped and ready to start cruising down the road.

What better person to focus on this month than our very own McGuir Wax expert - Steve Pavlik.

When you think of Steve, a picture of a tall, thin, blue-eyed man that always seems to have a smile and a vehicle for sale, comes to mind. I was once told that Steve is the only driver known to break his car at the track and say "Oh! Well! maybe next time;" he is so easy going!

Steve grew up in the Lansing area with his two sisters Pat and Karen; both are tall like him. He told me when he graduated from Everett High School he was 5'8". Now look at him! Lucky Steve, most of us have grown out instead of up!

After graduation, Steve attended the Creative Center of Arts for Transportation Design in Detroit. He has a degree in Industrial Design, and has obtained two Journeyman cards. One in Diemaking and one in Die Design. He has been employed with General Motors since 1976 where he is a Senior Designer/Checker in Pontiac.

Some of you might have seen Steve in his younger days working at Steffin's Bakery which was owned and operated by his father. Steve's mom is an author and has published several articles. Just recently she had a book published about Lansing's Polish history.

Seems like from a very early age he has always had an interest in motorized vehicles. In the early seventies Steve was working at Capitol Suzuki. He even raced motorcycles for a few years. He once was a proud owner of an old McMasters Kawasaki Drag Bike.

Steve has been a member of several different car clubs throughout the years and has owned at least 50 automobiles of which

six were Corvettes. His first car was a 1930 Model A Ford.

At one time Steve had a 1974 White Corvette Convertible that was very noticeable because of the flag on his antenna, but he sold that one at last year's CCCC Swap Meet.

Presently Steve owns a 1981 Blue Corvette. He didn't tell me this, but I heard from a very reliable source he is rebuilding a 1971 Big Block Corvette. He does own mechanical and body work. Not surprising he even does a great job of painting too!

In 1987 he was a National Concours Champion winning first place with his 1967 Danguney Special XR7 Mercury Cougar. At the present time he is dealing on a 1970 Superbird that has been in storage since 1973.

After several moves Steve settled in Williamston in 1988. He tells me his place has been struck by lightening on three different occasions. Maybe he should buy lotto tickets. They say your chances of being struck by lightening are better than winning the lotto; if that is true, he should have won at least three times by now!

His winter months are spent working on his home and getting his cars ready for summer. He does take some pleasure time for himself, Candy and his son Steven whom we have all met at one time or another. It is real easy to recognize this group at the swap meets or car shows; Steve is the one doing the dealing, Candy is the one trying to sell the previous dealings, and Steven is the one supervising the entire operation!

I understand they enjoy downhill skiing and it sounds like Candy is a real natural at this sport.

Steve and Candy both enjoy parking lot autocross events where Steve has been overtaking the competition of late. He better watch out as I understand Candy is close on his heels.

C.C.C.C. MEETING OF 3-1-95

President

- Region report and national membership and financial reports distributed.
- Introduction of guest, Mike Croad ['84 Vette].

Secretary

- Previous minutes accepted as published.

Treasurer

- Financial report.

Competition

- Reminder, all Region and Gov. meetings open to members.
- Region meets at Holiday Inn south, Gov. in Louisville Ky.
- There have been a number of competition rule changes and proposed rule changes. See the competition update in letters for details.
- See newsletter for national convention information.

Governor

- The Governor has scholarship applications.
- See next newsletter for Governor meeting minutes.

Membership

- See newsletter for membership information.

Social

- There are a number of upcoming social events. See newsletter for calendar and flyers.

Public Relations

- Our participation in the proposed 4-1-95 car show was discussed. We will not participate.
- Discussed club outings to U.S.A. Cafe during their summer cruise nights.
- Holt Auto open house 4-8-95, see newsletter.

Points

- Flyers in newsletter will indicate participation points.
- Club " events of the month" will earn extra 2 points.
- Designated March event will be bowling On 3-26-95.

Editor

- Newsletter deadline 3-24-95.

New Business

- Spring roll out tips presented by S. Pavlik & S. Spinrad.

C.C.C.C. BOARD MEETING OF 3-13-95

President

- Discussed possible change in board meeting frequency, decided not to change.
- Board meetings will be on Tuesday in future.

Treasurer

- Reported account balance.

Competition

- Region banquet 3-18. Clubs asked to bring door prizes, board authorized expenditure.
- Calendar discussed, some changes possible.
- Club members urged to watch newsletter for possible changes and information concerning national convention.

Governor

- Gov. mentioned two future events members may wish to know about. Joe Pike Vette Extravaganza in Pentwater weekend of 5-19 and auto show at DeNooyer Chevy in Kalamazoo 6-17.

Social

- Bowling 3-26.
- April mystery dinner 4-15.
- National Convention 7-8 through 7-15.
- Several future events will need members to volunteer to sponsor.

Public Relations

- Holt open house 4-8, 12 to 4 P.M., will need members present at 11:30 A.M.
- Will bring Bloomington and other potential club trips to general membership meeting to discuss.

Editor

- Discussed need to settle business card entries in newsletter for coming year.

New Business

- Discussed having "spot rallye" in place of normal July membership meeting, details to follow.

Mystery Dinner

Get your Corvette out of storage and all shined up for a fun filled evening of cruising followed by dinner at a *mystery* location with lots of visibility.

When: Saturday - April 15, 1995

Where: We will meet at Holt Auto Sales at 5:45 and leave from there by 6:00 p.m.

Contact: Simon or Gloria Reiffer at 882-1660 before 2:00 on April 15 so that we can give a final dinner reservation count.

MEMBERSHIP WORD FIND

I've tried to incorporate as many of our member's names into this puzzle as I could.

Everyone should at least find their last name in here, if not their first name too.

I hope you have as much fun solving it as I did making it. Happy hunting! C. Hanses

I have a clue that will help you out, since there are so many "AL"s about. If you find the wrong one, your answer won't be as much fun. If you would like this tid-bit, the last page is where it sits.

Write the remaining letters in the puzzle in the spaces below to spell out the secret message.
