Capital City Corvette Club News

VOLUME XXV - NUMBER 5 - MAY 1995

Dear Readers:

Can you believe it's May already? I guess time flies when you're having fun! But, if you thought April was fun, just wait till you see this month's calendar. It is jam packed with events for the competitor, the 'parader', even the 'swap meeter'.

Remember the Road Tour we had last year right before convention? Well, it's ba-a-ack! Last year we had over 250 Corvettes from across the nation; let's see if we can do that again without convention to help us out. This will be Saturday, the 27th of this month! See the flyer for the place and time. The Memorial Day Parade in Marshall is also a big Corvette event. If you've never been there, it's where Corvettes line the streets four cars wide and parade downtown Marshall. I think there were about 220 last year. Don'cha just love parades!

Coming up this year are the 4th of July Parade in Mason, Golf, Miniature Golf, the Mackinaw Car Show, Mystery Dinners, and a whole bunch of other activities for everyone! We hope you will get out there and participate, for it is participating that gets you everywhere!

I'll look forward to receiving all your articles for the June Newsletter by Friday, May 26, at P.O. Box 204, Westphalia, MI 48894.

Editorially Yours, Cindy

1995 BOARD OF DIRECTORS

Loretta Spinrad - President & Competition Director, 372-4380

Steve Spinrad - Public Relations, 372-4380

Linda Roberts - Membership Director, 224-7183

Phil Hanses - Treasurer and Points Director, 587-3422

Art Doty - Governor, 321-5708

Charles Duell - Secretary, 694-6945

Phil Zeller - Social Director, 321-4857

Cindy Hanses - Editor, 587-3422

!!! MEETING NOTICE !!!

The May General Membership Meeting will be held Wednesday, May 3,
at 7:00 p.m. at Richard's Food and Drink (4105 North East Street, Lansing).

DINNER ORDERED AT 7:15 P.M.

From the President

Loretta Spinrad

Hello and welcome to Corvette weather! Mother Nature has cooperated (more-or-less) with our events this month, the Open House at Holt and the Mystery Dinner.

The **Open House** at Holt Auto was a great success for our Club as well as Steve Hanks. We talked to Corvette Lovers, gave away hundreds of hot dogs (they were great hot dogs, too!), and promoted our club and the many events we sponsor. In fact, we have three potential new members, so be sure to come to the next general membership meeting to help extend a very warm welcome to these Corvette Lovers.

To top off the day, we had an opportunity to socialize with the Kalamazoo Corvette Club members as they made a special trip to Holt to support this event. Our thanks goes to the membership of our sister club in Kalamazoo for their participation.

We also had a great turn out for the mystery dinner on the 18th. A big thank you to Gloria and Simon for their hard work, enthusiasm, and imagination.

May is going to be a very busy month for us with the competition events, Corvette Night at Spartan Speedway and Corvette Road Tour '95. Yes,

we are sponsoring the Road Tour again this year on Saturday, May 27. Please see the "Competition Update" and the enclosed flyer for complete details.

As our club is sponsoring both the Road Tour and Corvette Night at Spartan Speedway, your help will be needed, both before and during the events.

We will be preparing a mailing and working on the details at next General Membership Meeting so please come prepared to work.

At the last Board Meeting we discussed the possibility of numerous social events, and I am happy to report there will be a lot of things on the calendar as you have a very committed and energetic Social Director as well as Board Members. If you have a spare moment, we will find some way to fill it!

In all seriousness, we are planning a number of great events and Phil Zeller will be looking for volunteers to help out throughout the year.

Convention - I would like to remind you about Convention in Palm Springs in July. If you haven't mailed your registration you will want to do so soon.

You should have received

information regarding this year's "Raffle Car" (the 1995 Indy Pace Car) in the mail. This is a beautiful car so don't forget to buy your tickets. As a reminder the proceeds from the ticket sales go to the Charity Committee which supports Spina Bifida and the youth scholarship fund.

You do not have to be present to win, but you do have to buy a ticket. The second prize is usually a sizable sum of money. The second prize winner does have to be a member of National Council and must be present to win.

If you would like to buy tickets or sell tickets to your friends, our club as approximately 200 hundred to sell.

May will be a very important meeting so be sure to mark your calendar now!

May General Membership Meeting

Worker Bees needed!

We will be planning and preparing for Spartan Night and Corvette Road Tour '95. Your help will be appreciated!

Competition Update . . .

Loretta Spinrad, Region Competition Director

May is almost here which means the beginning of the competition season in Michigan. And I strongly encourage you, the competition reps and governors to share as much information about the events with your club members as possible. There may be that one person out there thinking about competing and needs just a little encouragement.

Our Competition Season in Michigan will be off to a great start with the Drags on May 20th in Stanton. As my personal favorite (in reality how could you not enjoy the drags when you drive a 10 second car) the drags is a perfect place for new competitors to start as there are no turns and most of us have plenty of practice on the street every day! Remember there is a potluck at the track after the event. This is a great opportunity to socialize with members from other clubs and share all of our stories (fish tales)!

On Sunday, May 21 CCM and Huron Valley will be hosting autocross events in the Livonia area. I say in the area because the lot is still somewhat questionable due to GM working overtime. There are 6 low speed events scheduled for the day starting at 10:00 a.m. If you plan to attend you may want to call Gordon McCann at 313-455-3060 the day before to verify the location of the event.

The following weekend is Memorial Day and the Michigan Region Clubs have several things planned for your Corvetting enjoyment.

Friday, May 26 is Corvette Night at Spartan Speedway. This event is open to anyone with a Corvette and is not limited to club members. There will be corral parking for all Corvettes. The races start at 7:30 p.m. so you will want to be at the track between 6:30 p.m. and 7:15 p.m.

Corvette owners will have a reduced gate price (two for one). This is also fan appreciation night so the stands will be full.

During intermission the Corvettes will parade lap the track and the more cars we have the more fun for everyone.

For those that have never run at Spartan this will give you the opportunity to look the track over **prior to the events scheduled for June 10 and 11.** For those that have run Spartan before you will see they have made several improvements.

In any case it should be a fun night for everyone, so be sure to mark your calendar.

**Corvette Road Tour '95
Saturday, May 27, 1995
Lansing Michigan**

**Staging at MSU
Breslin Center
10:00 a.m.**

**Step Off will be
12:00 noon**

**Corvettes on the Mall
12:00 - 5:00**

**Corvette Road Tour '95
Saturday, May 27, 1995**

The road tour has been revived for 1995. Lansing has asked us back again this year for an even greater day!

Due to problems with the railroad tracks, staging will be at the Breslin Center starting at 10:00 a.m. on Saturday.

Step off time will be 12:00 noon.

Because we are starting at the Breslin we will be taking a

different route through campus which will allow the participants a better view of beautiful old buildings.

We will once again exit from Beal onto Michigan Avenue and proceed west towards downtown Lansing.

We have increased the distance this year as we will be turning north on Pennsylvania Avenue to **Oakland, West on Oakland to Cedar, South on Cedar to Michigan, West** to the Downtown Mall area where we will park and show the cars on the Mall.

The Downtown Business Owners Association is anxious to have us and has assured me more businesses will remain open as we will be on the Mall during the afternoon hours from 12:00 - 5:00 p.m.

Capital City is sponsoring this event and would appreciate your support and participation. For further information on either of the Capital City events contact Loretta or Steve Spinrad at 517-372-4380.

Sunday you will have an opportunity to recuperate before the Parade in Marshall on Monday and the Autocross Events in Kalamazoo.

Staging in Marshall for their Memorial Day Event starts at 9:00 a.m. and is sponsored by the Battle Creek Club. For further information contact Jay Farleigh 616-965-3873.

In addition to the parade in Marshall, the Kalamazoo Club will be sponsoring two events at the GM Parking Lot on Sprinkle Road in Kalamazoo. The first Car Off is 12:00 noon so there is time to catch both events the same day. For further information on the Kalamazoo events contact Bill Siebel at 616-375-6117.

With the parades and competition events scheduled, May will be a pretty busy month, but don't forget about Huron Valley's Swap Meet scheduled for Mother's Day on **May 14. Their event is held at Rampy Chevrolet in Ann Arbor and I am sure they would appreciate your participation.**

The month of May is only the beginning as June brings not only low speed events, but rallies.

On **Saturday, June 3 the Great Lakes Club will host two rallies just to get you started off on the right foot. These rallies will start at the State Secondary Complex just west of the I69 and I96 junction. For information contact Pat Thuemmel at 517-372-0057.**

Capital City and the Jackson Corvette Club will host a busy weekend on **June 10 and June 11. We will be sponsoring 8 low speed events over the two days at Spartan Speedway along with two great rallies Saturday evening.**

I know that after a day of racing, rallye is the last thing on your mind, but I guarantee you these rallies **will be fun, fun, fun, and you will enjoy yourself.**

As a little enticement and to make sure you **enjoy yourself, we will be hosting a barbecue at the track after the rallies.**

On **June 17 the Grand Valley Club will be sponsoring a low speed event at the Ionia Fair Grounds. I was not able to attend this event last year due to our Swap Meet, but I am looking forward to the challenge this year and hope to see several of you there to support Grand Valley.**

Now that **I have covered the good stuff we need to get down to business, that means rules and paperwork.**

There **have been some problems with the sanctions and the flyers**

so I would like to remind you of the following:

The Sanctions are due to me 70 days prior to an event. The **sanctions must be complete and include the name of the chairpeople. These people must be National Members of the club hosting the event.**

The Flyers are due to me 50 days prior to the event and the **flyers must match the sanctions. If your sanction says you are having a matching time for example, your flyer needs to say matching time or the sanction will be cancelled. If you are having multiple events, please indicate all the events being held.**

Flyers for rallies must state the type of rally it is, if it doesn't the sanction(s) will be cancelled.

Every nationally sanctioned event must be chaired by a National Council member of the host club. If there is no chairman from the hosting club on site at the event, the event does not exist and will be cancelled.

Being new to this position I have a lot to learn. I appreciate the encouragement I received from most of you and the time Gary Kelly has given me in making sure that Michigan is conforming with the rules, your support and cooperation is needed and will be appreciated.

In addition, if you have requested a non-sanction event and I have indicated waivers are required please be sure to have the waivers returned in the time period requested or future non-sanctions will be cancelled. If for some reason you cancel the event, please let me know so that I will not be looking for waivers.

Rule Book Changes

Based on the our discussion at the last region meeting I did send Gary Kelly a letter voicing our comments, suggestions, and

concerns. In response to comments made by several RCD's Gary has requested our preference regarding the class structure. As time is running out and our meeting is not scheduled until May 9, I am enclosing a copy of Gary's letter for your review. Gary would like Michigan's response by April 30, so please review and call me with your comments A.S.A.P. so that I can respond to Gary.

I am also enclosing updated sheets for the Proposed Rule Book. I would appreciate your comments being returned to me prior to the May 9 Region Meeting so I can combine them and present them to the group as a whole. I would like my comments at the RCD meeting to reflect Michigan's views as a whole.

Beginning next month the "Competition Update" will begin publishing Region Competition Results and Points.

If you have any questions please feel free to contact me at 517-372-4380 or during the day I can be reached at 1-800-877-5659.

Rulebook Clarification Request

Is an electric water pump or an electric driven waterpump driven by an electric motor and small belt legal? A question has risen about a clarification in 1990 about being able to remove the belt and then drive the waterpump electrically.

Group III Classes A & B.

1963 Split Window Coupe . . .

Definitely a rare Corvette . . . by Steve Spinrad

The 1963 Corvette Sting Ray brought an all new look to the Corvette. The first coupe and a split window to boot, the elimination of the trunk, independent rear suspension, and aluminum knockoff wheels to mention a few of the changes.

And of course the car was more aerodynamically designed - Duntov still having a production race car in mind.

The story goes (Duntov told this at one of his convention speeches to NCCC members) the side exhaust pipes were another feature that was going to be put on the Z06 race option, but Zora's wife burned her leg on the side pipe on the prototype, so the option was redesigned with fiberglass insulation inside the covers and not released until 1964.

There were several cosmetic features unique to the '63. The Split Window being the most notable along with the hood grilles that were also unique to the 1963.

The introduction of the aluminum knockoff wheels widened the vette suspension by 2", which in turn lowered the center of gravity for better cornering, and allowed for quick changing of tires (i.e. during a race). Of course being aluminum, they made the car lighter and more importantly, lighten the unsprung weight, meaning better handling - another race car must.

The Fuel Injection was also redesigned for better durability and probably more horsepower, but this was never advertised.

Have you ever wondered why the first Corvettes had trunks

and all of a sudden they disappeared with the '63 model?

Time and Money!!!!

The rear-end was being redesigned and GM would not budget the engineering hours needed for the design of both the rear axle and the new trunk placement, so Duntov opted for the rear-end.

The trunk was eliminated to make room for the gas tank which had to be moved to make room for the new suspension design. So the trunk disappeared with the birth of the independent rear suspension.

1963 Split Window Coupe

**Quantity produced
10,594**

**Base Price
\$4,257**

As with any new product design there are always changes and more changes, until the right combination is found. The 1963 Sting Ray was no exception to the rule. Everything from the glove box to rear hold-down locks were continually being changed throughout the production

year, striving for perfection in the new design.

For example did you know the 1963 had one of four types of inside rearview mirrors? We are not talking about four different options, the mirror design was actually changed 4 times and the buyer had no choice as to which mirror came with the car.

The 1963 has a lot of odysseys for its particular year, so if you are considering the restoration of a 1963 you had better do your homework, as I do not believe any other model in history had so many components change throughout the production year.

It is definitely a beautiful car, but what a nightmare to find the correct parts for each particular car.

There were 21,513 1963 Corvettes produced with the coupes taking a slight edge over the convertibles.

Why is it then we seem to see more convertibles than coupes. I know you are not going to believe this, but the 1964 seemed more attractive without the center window split, (and more functional) so you guessed it. People started removing the center section on the 1963 to look like the new '64.

Imagine that - you never know what some people will do to their Corvettes, the next thing you know they will be cutting the fender wells for race tires!

There is a lot to learn about the '63, I have only scratched the surface, but I hope it provides you with some incite to the complexity of the car and its history.

Watch for next month's feature!

The Social Section

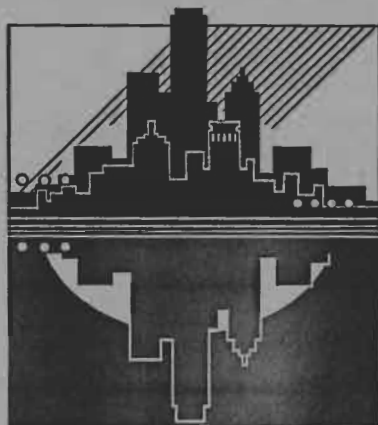

OPEN HOUSE HOSPITALITY

Cool weather didn't stop the heat

The grill stayed lit all day as we passed out free hot dogs at the Holt Auto Sales open house. We had a pretty good turn out on a cloudy day. People came out to look at automobiles and swap stories on their corvette experiences. Even our friends from the Kalamazoo Corvette Club came out to pay us a visit.

As the day went on, the sales people of Holt Auto Sales became busier and busier. Especially when they heard the news that one of our own Capital City Corvette members may be in the market for a new corvette. Joe had his own escort group as he walked around the parking lot.

But, the highlight of the day was meeting new potential club members.

CAPITAL CITY ACTION

Where was Sherlock Holmes when we needed him? We could have used him at the Mystery Dinner hosted by Simon & Gloria Reiffer. They took the mystery dinner to a new level as they added a "whodunit" and quite a questionable quiz.

We all met in Holt at 6:00pm and headed out for a night full of mystery. We had an old-fashioned country meal at Jon's and headed on for dessert at Bill Knapp's. After that, a few of our members went out to do a little 'boot-scoot-and boogie' at the Silver Dollar.

Thanks to the Reiffer's for this night of mystery.

UPCOMING EVENTS

Highlight these dates on your calendars.

5/3/95: Spend an evening with all your club friends as we engage in a fun-filled evening discussing our club at the General Meeting!

5/26/95: Are you ready to cruise your corvette on the race track? If not, get ready, because it's Corvette Night at Spartan Speedway.

5/27/95: Meet us at MSU for the 1995 Capital City Corvette Road Tour. We had over 300 corvettes in last year's tour, so come on out and join the corvette crowd at 10:00 a.m. at MSU as we begin to organize to hit the road at noon.

5/29/95: Meet us for breakfast at the Flapjack Shack before we caravan to the Marshall Memorial Day Parade. After the parade join the rest of our members at the Kalamazoo Low Speed events.

For further details see the flyers or call a board member.

C.C.C.C. MEETING OF 4-5-95

President

- Brochure distributed outlining December S/S Norway Motor Sports Cruise.
- Discussed possible Air-Fare costs to national convention.

Secretary

- Previous minutes accepted as written.

Treasurer

- Report presented and accepted.

Competition

- Discussed region competition handout.
- Members reminded to check calendar in newsletter each month as there have been some changes and may be others in future.
- Need volunteers to work at Spartan for our June events.
- Copies of the proposed rule book were made available, Loretta needs member input or suggestions before May Governors meeting.
- Proposed street class for racing discussed.
- Proposed peoples choice concours discussed.
- Items from last region meeting:Grand Valley club going to museum 4-28. The September Governors meeting will include a trip to museum, all are invited.
- Steve Pavlik Received 3rd place rallye trophy for region.

Governor

- Noted that Jackson club had made favorable comments about our newsletter.

Social

- Mystery dinner 4-15, meet 5:45 at Holt Auto.
- Bowling results: C.C.C.C.-122, Jackson - 121.

Public Relations

- Holt Open house 4-8, club members meet there at 11:30 A.M.

Played National Museum Vette Trivia Game.

Adjourned

C.C.C.C. BOARD MEETING OF 4-18-95

President

- Opened meeting at 7 p.m.

Treasurer

- Report of balance
- In future, written report will be available at general membership meetings.

Competition

- Those who have input for proposed rule book need to contact Loretta prior to **next region** meeting 4-9-95.
- C.C.M. may have to change their 10-8-95 rallye.
- The flyer is ready for our June events.
- Stanton drags 5-20-95.
- More about upcoming events at next general meeting.

Social

- Discussed caravan to **Marshall Memorial Day Parade**. **Kalamazoo has low speed events** later that day.
- Discussed possible July 4th parade participation. Board consensus to recommend to members we participate in Mason Parade. More on this at next general meeting.
- Mackinaw in 8-26-95, rooms will be booked at same motel as last year, and caravan will leave at noon 8-25.
- There will not be a Christmas in August party this year.
- Discussed having a rotating cruise night activity during summer months.
- A week night miniature golf outing will be planned.
- As we did last year, a golf outing will be planned for September.

Membership

- Holt Open House did generate some membership leads.
- We will solicit membership at Spartan Speedway during our participation on their fan appreciation night.

Public Relations

- Thanks to club members who attended Holt Auto Open House. Turnout was good despite weather.

Editor

- Discussed types of articles allowed for newsletter. Consensus of board members that Corvette and other auto related articles are what we want. Members who wish to submit classified ads for non-auto related items may do so, but business related ads will not be accepted for the classifieds as we sell business space in the Newsletter for that purpose.
- 4-24-95 deadline for May Newsletter.

New Business

- The City of Lansing has asked us to duplicate last year's Convention Road Tour this May 27th. The start time will be noon, requiring line-up to begin at 10 a.m. at M.S.U. More on this at next general meeting.
- May 26th is fan appreciation night at Spartan Speedway. There will be a Corvette Corral, and the club will be parading our cars around the infield during intermission.

Adjourn 9:05 p.m.

Sponsored by:
Capital City Corvette Club
Downtown Business Owners Association
Holt Auto Sales

For additional information contact:
Steve or Loretta Spinrad
517-372-4380

Attention...

Corvette Owners

You are Cordially Invited to Participate in the
1995 Marshall, Michigan

Memorial Day Parade

MONDAY, MAY 29th at 10 a.m.

Plan on joining us beginning at 9:00 a.m. on Michigan Avenue, two blocks west of the fountain circle.

In 1985 Doug and Betty Collins thought it would be fun to invite their friends who owned Corvettes to join them in the Memorial Day parade. That year there were twenty three cars. The parade has steadily grown over it's eight year life to the over 200 Corvettes that have participated in past parades.

After the parade we will assemble at the Marshall High School for refreshments and to have a closer look at the cars. There will be facilities for your comfort available at the school, the same as last year. For those people interested in staying longer, many will be proceeding to Cornwell's Turkeyville for lunch and an old fashioned flea market.

If you have any questions, please call Jay Farleigh 965-3873 or Kay Woods 964-8685.

1991 Parade

SEE YOU AT THE PARADE!

This is an activity of the Battle Creek Corvette Club

JOIN US FOR A CARAVAN TO THE MARSHALL
MEMORIAL DAY PARADE. WE WILL MEET AT
THE FLAP JACK SHACK AT THE CORNER OF
WAVERLY AND LANSING ROAD AT 8:00 A.M. TO
LEAVE FOR MARSHALL AT 8:15 A.M.
