Capital City Corvette Club News

VOLUME XXV - NUMBER 7 - JULY 1995

Dear Readers:

Hello out there! Is anybody listening? Have a safe, fun-filled Independence Day! You will notice this month we have no meetings. In place of our two meetings, we are having a spot-rallye and a goofy game of miniature golf. Don't forget about the Mason Parade on the 4th. See the flyers inside.

A lot of people have come up to me telling me how much they like our newsletter and ask what part I do in the whole process. Well, I have decided to tell all of you, even if you don't want to know. This is usually how it happens: Each board member submits their own article to me already typed, ready for printing. I type this page (of course), the monthly calendar, the Classifieds, and occasionally I will help someone else by typing their article for them. I have also done flyers and puzzles, etc. Everyone submits their article, and I organize them in some orderly fashion (I try to get the calendar as close to the middle as I can). Next, I copy them one by one, trying to get them as clear as the copier will allow. The calendar is always on colored paper. Next is the tedious job: collating. Each page is put one by one in order with the rest until I have one huge stack of criss-crossed paper. Then each pile is put inside the covers and stapled, sealed, stamped, labeled, and First Class Mailed to you! I should note that Phil helps me whenever he can. Last month my 3-year-old niece helped. She's the one who stamped First Class Mail on your newsletter. She had to help too. So, now that you know the process of Newsletter production, any volunteers?

Now you realize why getting your article to me in a timely matter is so important. Sometimes when I have done this by myself, it has taken all day. Therefore, the deadline for the August Newsletter is Thursday, July 27th. Anything received after that date will not make it in the August Newsletter. Please address your articles to P.O. Box 204, Westphalia, MI 48894. Thank you for being on time.

P.S. Happy Birthday Phil! (July 3rd)

As Always, Cindy

!!! RALLYE NOTICE !!!

The July General Membership Rallye will be held Wednesday, July 5,
starting at 6:15 p.m. at Richard's Food and Drink (4105 North East Street, Lansing).

DINNER ORDERED AT RALLYE DESTINATION.

From the President

Loretta Spinrad

Wow! We have made it through two busy months now and going for three. I made the comment that I tried to keep our membership as busy as possible so that no one had a chance to become bored or disinterested. I forgot that meant me too! I am sure that you are all aware they will be coming to take me away soon, but in the meantime, we have plenty to do.

First, I would like to thank everyone that helped at our Spartan event. The participation from our club was great. It is unfortunate that Mother Nature decided to take her PMS out on us, but we survived and, all in all both days turned out pretty well.

We have a couple newer members that I hear are being fitted for fire suits as they will be joining the pro-circuit soon - Phil Zeller and Angie Zea. Just remember you heard it hear first! We had to twist Phil's arm (just a little) to get him out on the track, but he bit the bullet and gave it a try. Then we had a heck of a time getting him to come in. Angie, however, was a little more of a conquest, but good competition and sportsmanship prevailed and she gave it a shot. Phil had better be careful, it is embarrassing when the gals beat the guys in their own cars - Right Steve?

Another new member was also on the scene and I think working harder at driving in the stands than we were on the track. Abe gave it a try on Saturday and said he had such a great time that he practiced all night long. Consequently, he was too tired to participate on Sunday. The next event is in July, Abe!

The rallyes were also successful. I said they

would be easy, after the third go around for tie breakers, I guess I made it too easy, but all in good fun.

Last but not least, the picnic! We were not hurting for hungry appetites. A special thanks to everyone that brought a dish to pass for the picnic and all the workers that volunteered their time to make the weekend a huge success.

Now that June is just about over, we need to look at the next few months. We will not be holding a regular membership meeting on July 5, we will be having a short social rallye instead. We will meet at Richards parking lot with the first car leaving at 6:30 p.m. for the unknown! Please be sure to be prompt!

Phil and Cindy Hanses are planning a miniature golf outing for July also. Please read you Newsletter carefully for the details.

If you are planning to go to Mackinaw at the end of August, don't forget to make your reservations by July 1. I understand Mackinaw City is under going some great changes to enhance the already crowded vacation spot. In addition to the caravan on Friday, I would like to plan a club get together while we are there, either breakfast or dinner.

From the cluttered thoughts of the Gov.

We are on our way to the Bloomington Gold Swapmeet at Springfield Ill. We left a week early so that we could visit with some friends who live near Decatur and take in some local sights. Consequently we missed the race at Ionia again. To compensate we watched Drag races at the Coles County Drag Strip in central Illinois. They had about 130 cars and 12 bikes, these people seem to be more dedicated than we are. They spend all day most every saturday all summer. At least we get some weekends off.

I will be attending some of the many workshops at Bloomington. This is an aspect of Bloomington that some of you might not be aware of. This year there are 41 different seminars available. they cover everything from Promos to Performance modifications. Chances are good that you will learn something no matter how well you understand the Corvette.

On August 4th, 5th and 6th there will be a Dream and Drive at the Pontiac Silver Dome parking lot. There will be 24 Vettes so we will need all the drivers we can get. You don't have to be anything more than a Corvette driver to participate. All NCCC members are encouraged to attend. Besides getting to drive a new Corvette you can get a taste of Autocrossing in somebody else's car. The rules seem to be, drive as fast as you want without squealing the tires. It's a lot of fun so don't miss out. You don't have to drive all three days, any one or two will help. Some of the drivers will be staying at a nearby hotel. I have the number if you need it and they are offering a discount. If you want to go please let me know as soon as possible. I hope to be seeing you soon.

CAPITAL CITY ACTION

Capital City races in at Spartan Speedway

Rubber was burning as Capital City hosted their annual Low Speeds at Spartan Speedway. We had a great turnout from members of our club as well as members from other area clubs. The events consisted of running timed laps around the figure eight at Spartan Speedway. It looked like so much fun, Abe and I talked each other in to giving it a try. After the races it was on to the rallye, where our own Phil & Cindy were victorious.

Then, what better way to cap off the day, than a good old-fashioned barbecue. As Dennis took to the grill, the rest of us enjoyed his work. Thanks to all who helped and took part in this great day.

MEMORIAL DAY PARADE

Rain or no rain

The early morning rain did not stop the faithful from attending the Marshall Memorial Day parade. Seven Corvettes occupied by Capital City Corvette Club members headed South to participate in the Marshall parade. We braved the rain as we followed Phil Hanes on and off the road.

After the parade we gathered at the Marshall High School to swap some stories and win some raffle prizes. After that it was on to Turkeyville to enjoy an afternoon snack. All and all, it was a pleasant day.

UPCOMING EVENTS
