## **ROCKIN' ROAD TRIP**

Last month, Phil and I took a vacation to the south. We started out for Tennessee, and arrived in about 10 hours. The next day we went to *Dollywood*, which is in Pigeon Forge. This year they have added a \$7 million addition called Jukebox Junction. Here you can re-live the music and fun of those nostalgic good times of bobby sox, rock'n'roll, classic cars, and All-American fun known as the Fabulous '50s! And there, sitting atop *Rockin' Roadway* was a shiny red 1957 Corvette. What a Kodak moment. Next, we "tooled down" *Rockin' Roadway* in a Corvette replica (along with other classics) as hits from the '50s played on the latest in AM radios. (We had to wait for a Corvette to come along before he would ride.) Afterwards, we took a walk around, looking at *Legendary Racers*, the cars that helped shape three decades of racing history -- from Daytona to Indy, plus Midget Racers and Winged Racers. These cars were provided courtesy of the International Motorsports Hall of Fame in Talladega, Alabama.

After spending a couple of days seeing the sights and the *Smoky Mountains*, we headed west to Nashville. We spent about an hour looking down *Music Row* through shops and museums of some famous country stars. There was much more to see, but we had to move on. From there, we took off north to Bowling Green, Kentucky. I guess you know where we went -- I woke up in front of the *National Corvette Museum*. (You see, I had two jobs on this trip: control the air conditioner and sleep.) Anyway, \$8 each got us permission to come and go as we please from the museum for the rest of the day. We looked around as Phil drooled on the displays, taking snapshots, and trying to avoid a group of noisy kids. We went to our car, had lunch, and came back in to watch the film and buy a few souvenirs from the gift shop. Then I said, "Hey, why don't we buy our prizes for the golf game here?" Well, I got my way, as the top (or bottom?) three can vouch for. There was so much to see and do, that we wished we had more time. You see, after we left the museum we headed for Kansas City, Missouri, and stopped in St. Louis to see the "Arch" on our way home. So, if you get a chance, here are some fun and exciting places to visit. If you want to see the pictures, I'll be glad to show them to you.

Oh No! What's this? I'm sorry, but the deadline for the September Newsletter is Monday, August 28th. Anything received after that date will not make it in the September Newsletter. Please address your articles to P.O. Box 204, Westphalia, MI 48894. Thank you for being on time.

Bye! Cindy

## **!!! MEETING NOTICE !!!**

The August General Membership Meeting will be held Wednesday, August 2nd at 7:00 p.m. at Richard's Food and Drink (4105 North East Street, Lansing).

DINNER ORDERED AT 7:15 P.M.

## From the President

*Loretta Spinrad*

It is hard to believe, but it will soon be August, then September will bring Fall and before you know it, it will be \_\_\_\_\_.  
A nasty thought I know. But don't despair! We still have plenty of great Corvette days ahead and I hope you will make the most of them.

I would like to thank those of you that participated in the miniature golf outing. We had great weather for the event and a good turn out. Some people may have played better than others, but some of us just wanted to practice our swing, the number of strokes didn't count. Steve would like to go to the driving range next time. That way he can beat the poor ball to death and no one will care. What do you think?

Please make sure to put our General Membership Meeting scheduled for the 2nd of August on your agenda. We will finalize our plans for the Mackinaw Weekend amongst other interesting things.

We have decided to do something a little different for our mystery dinner in August. Phil Zeller will have the pertinent details, but I can tell you it will be tied to the race events held at the Owosso Speedway on August 13, 1995. The board continues to look for new ways to encourage participation in all events so we decided to start our mystery dinner from the race track after the events. We hope you will come early and encourage fellow club members that are competing in the events, or better yet, bring your helmet and give it a try.

Our big event for the month will be the trip to Mackinaw on Friday, August 25. For those interested in caravanning, we

will be leaving the Meijers parking lot (Lake Lansing Road) at 12:00 noon on Friday. We will stop for lunch on the way and arrive in Mackinaw about 5:00 p.m.

The Mackinaw weekend offers many opportunities for enjoyment.

**Friday** - we will begin with the caravan which always help build the interest and anticipation for the weekend. Once we arrive at Mackinaw there will be a parade of Corvettes across the bridge. Even if you don't drive a Corvette, it is fun to mingle with the people and see the beautiful cars. After the parade, we can meet for dinner as a club and plan our weekend.

**Saturday** - The car show starts early and the autocross racing is mid-day. Everything is in the same general location, so you can see or participate in one or both or just watch.

In addition to the car show and races, there is always an arts & craft show which offers a lot of shopping enjoyment and numerous other activities throughout the area. Saturday night you may want to take the boat cruise, or explore Mackinaw Island, or St. Ignace.

**Sunday** - is the day to relax and head home.

This is a great opportunity to meet members from other clubs around the state, in addition to people that have no idea clubs exist. I hope you will decide to join us for a wonderful, relaxing weekend away from the hubbub of the city.

## Competition update . . .

*Loretta Spinrad, RCD*

Welcome home convention participants. Steve and I were not able to attend this year's National Convention, but we hear from those that did a great time was had by all. I understand the Michigan folks were very instrumental in the operation of the Drag Event. Thank you from all of us, that is true sportsmanship.

Besides the competition events, the hikes in the mountains, and parties, I hear that Roger and Val Thomas had their own party. Something about being hot, outside with very little (or no) clothing and I never did hear the remainder of the story. I believe this should be investigated further at our next region meeting.

Bill Siebel was kind enough to represent Michigan at the RCD Meeting in my absence. Bill provided me with his notes, and I have received the minutes of the meeting from Gary Kelly.

### **Proposed Rulebook Changes**

1. Novice Class points
2. Novice Class travel points
3. Class structure
4. Master Group Classes

I am enclosing a copy of minutes and proposed changes. As you can see the combining class issue has resurfaced. We did not discuss this at the last meeting as I thought it was a dead issue and apparently it is not. I need to hear from every club by August 5 so that I can respond to Gary by August 8.

As far as combining classes I would like to point out the following:

If you combine classes A & B and C & D that does not mean the cars can be updated or backdated across lines. It only means you will be competing in one class for points. If you have a 1978 "D" car you will not be able to utilize any parts or changes that would pertain to a "C" car in the same group or update a "C" car with "D" changes.

Another issue is high speed vs low speed, vs drags. If you feel that combining classes is a good idea it would not make sense to combine classes in one event and not another. It would be just too hard to monitor. Personally I feel this is a step backward and not forward for NCCC, but I will vote according to the majority of the region.

The rule book will be presented at the September Meeting, your comments are needed. This is a five-year book that we will all have to live with. I would also like to remind you that we are trying to encourage new members. I mean new, new people. People that may have purchased their first Corvette and would like to give competition a try. Are we writing the book for a few or for the beginner as well as the experienced. Everyone has a right to their opinion. But make sure when you are voting for your club, it is your club's opinion that is being expressed, not just your own.

### **Other Matters**

Please read the paragraph under Business Manager very carefully. It pertains to Car Shows. There have been a lot

of questions this year regarding car shows, sanctions and insurance coverage. It would appear that insurance coverage is becoming more and more of an issue every day. So be careful. If you are sponsoring or co-sponsoring a car show you better make sure you have a sanction or non-sanction number. You may not think it is very important, but it appears it is and will continue to be. The last thing any of us want is an accident, but if something should happen, you certainly don't want to find out you have no insurance coverage.

Dale Samuelson has indicated his intention to run for the office of Vice President - Competition. Good Luck - Dale!

### **July in Review**

Due to the scheduling of Convention, we did not have many competition weekends in Michigan, but the 14 events in Benton Harbor probably made up for it, in the minds of a few anyway.

I never thought I would say a Nuclear Power Plant would provide a nice site for racing (or anything else for that matter), but it did. If you have not been to this event location, it is set in the hills and I am sure what once was a forest. The scenery was nice and it was a nice change from the ordinary parking lot. I would like to send a special thank you to the two clubs sponsoring (Coventry and MAG), Port-a-potties and food were both provided. This was greatly appreciated by all the

participants and workers, I'm sure!

The events ran smoothly until Mother Nature decided to attack us. She must have been having a bad day, an exceptionally bad day. Just as the last event was starting the wind came up, the sky opened, and the equipment started to blow away along with the rest of us. One minute is 90 degrees and the next minute everyone is soaking wet and wondering if they should get in the car or under it.

We were able to get the last event in after a fashion and move on to the party where we got rained on again.

We did have two casualties on Saturday. Gordon McCann's car must have decided it didn't like the location and decided to give up on the first run. Gordy, do you think the motor will be done before or after Meredith's wedding? Ray Meesseman's car was also a casualty of the day with rear-end problems. Ray you shouldn't be so hard on that poor car. Maybe if you said nice things to it once in a while it may be helpful.

Thanks again to Coventry for the party, and the workers and participants that battled the heat, rain, and wind for a nice weekend.

#### Upcoming Events

July 29-30 Flint Auto City  
August 12-13 Shiawassee Club-Owosso  
August 26 Flint and Kalamazoo at Mackinaw City

The Flint Corvette Club will sponsor (6) low speed events at Flint Auto City this weekend with a Corn Roast Saturday Night.

On August 12 and 13 the Shiawassee Club will sponsor (4) low speed events and (3)

matching time events at the Owosso Speedway.

Both of these race weekends are held at race tracks. Flint Auto City is two tracks in one. A small oval into a larger oval. This is somewhat different than most tracks and offers another opportunity for the competitor.

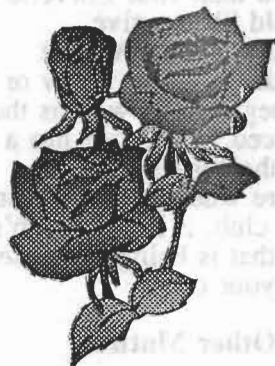

The Owosso Speedway is a 3/8 mile oval that creates a difference challenge.

August 26 will be a matching time and low speed at Mackinaw which is a good time for everyone. There will be a number of clubs from around the state at these events. This is an excellent opportunity to encourage club members to come to a social event and at the same time give competition a try.

Then on September 2, Huron Valley and CCM will sponsor autocross and matching times events.

I have included the National Points Standing as of July 2, 1995. The Points Standing for our Region will be in next month's newsletter.

**Congratulations to Meredith McCann on her upcoming marriage on August 5, 1995. Good Luck Meredith and Best Wishes from all of us!**

## CAPITAL CITY ACTION

### Meetings take on a whole new meaning!

**S**urprise! Betcha didn't think a membership or board meeting could be so fun! In July our meetings took a whole new twist, from a mystery rallye to golf gone goofy!!!

It all began with the July 5th board meeting when we met at Richards at 6:30pm. From there, Loretta sent us on our way in a mystery dinner rallye. We ended up at Applebees restaurant (Well at least some of us did!), one of my favorite local restaurants (Love those riblets).

Then, on July 18th, we had the best board meeting I've been to yet (Just kidding Loretta!), miniature goofy golf was on the agenda. As we started playing, Phil

Hanses said read the rules, although I don't think the rules were ready for the Capital City Corvette Club. As we made our way around the course whacking golf balls there was laughter heard by all (And a few other unmentionables).

When we were finished, we all made our way down the road to The Draft House to quench our thirst and tally the scores. As luck would have it, you got remember, this was golf gone goofy, the ever cunning Jack Nelson was the victorious winner! Congratulations Jack! And thanks goes to Phil & Cindy for putting on this fun filled evening.

## CAPITAL CITY PARADES

To all who joined us for the 4th of July parade I want to give my thanks! We hope you had a good time and we look forward to seeing you at upcoming events.

## UPCOMING EVENTS

Highlight these dates on your calendars.

8/2/95: Spend an evening with all your club friends as we engage in a fun-filled evening at the general membership meeting at Richard's (7:00pm).
