Capital City Corvette Club News

VOLUME XXV - NUMBER 9 - SEPTEMBER 1995

Dear All:

Well, where should I begin? How 'bout the low speed events at Owosso Speedway. I ran my first matching time there. Phil has been asking me for a long time now if I wanted to do it. I finally gave in and came in last in my division. I had a final score of over two seconds. Oh well, at least I gave it a shot.

I planned on trying it again at Mackinaw City, but for those who didn't waste a weekend, it didn't turn out quite the way we planned. It didn't rain on our parade, but it did rain all day Saturday, which canceled the events. I believe a few people stayed for the car show, but that's about all she wrote. Phil and I, Jack and Linda, and Joe and Pam decided to get away from it all and drove up to Sault Saint Marie to see the Locks and the Casino! Speaking of casinos, Friday night at the casino in St. Ignace, I know a couple of people who walked away with more in their pockets than what they came in with, right Angie?

For those of us who didn't go to Convention, I would like to thank Al and Linda Swift for their recap of the week's events for our Newsletter. Also, Linda finally confirmed the fact we didn't win any award for our very-well-written Newsletter. Oh well, we'll show 'em next year! Linda also said she would bring her pictures to the next meeting if all goes well.

If anyone is interested in writing up some sort of game for our Newsletter, let me know or just send it to me. You could do a monthly game or just a one-timer, whatever you like. It could be a crossword, a word find, or any other type that would be of interest to the club. I know most of us would enjoy doing them once in a while.

We are looking for someone who fixes copy machines. If you or someone you know might be interested, let me know! Thanks!

The deadline for the October Newsletter is Tuesday, September 26th. Anything received after that date will not make it in the October Newsletter. Please address your articles to P.O. Box 204, Westphalia, MI 48894. Thank you for being on time.

See Ya! Cindy

!!! MEETING NOTICE !!!

The September General Membership Meeting will be held Wednesday, September 6th at 7:00 p.m. at Richard's Food and Drink (4105 North East Street, Lansing).

DINNER ORDERED AT 7:15 P.M.

from the President

It is nearly September and as I look back over the last few months, I wonder where the summer has gone. As a club we have pursued a number of events both internally and externally. The most recent being our trip to Mackinaw City. Some of the very best laid plans just fall apart regardless of the effort made.

It is a real bummer to drive a couple hundred miles to find rain, wind, and more rain. At least Friday night's parade across the bridge was a success with more Corvettes than ever. It was unfortunate the events were cancelled and discouraging that we couldn't even find the person who took the pictures of the parade.

I want to apologize to the members that may have felt left behind at times. Once we split up on arrival, nothing seemed to go as planned. No one was left out intentionally, it was just hard to make connections at times. I hope this doesn't dampen your spirits for next year.

I would really like to thank the people that braved the heat and came out to the last mystery dinner that started from the Owosso Speedway. What a day, what a weekend! We (the entrant's) appreciate the fact that several of you came early to watch the event.

There are a few things coming up that I would like to take the time to remind you about.

The golf outing scheduled for September.

You do not have to be an experienced or good golfer to participate, however if you are you may want to put yourself up for bid. This is our yearly scramble with the Jackson Club and if you will remember they beat us last year by one stroke so we need to try a little harder.

Regardless of the outcome, we try to lick our wounds with fine food and drink afterwards.

Please note the Regional Points Standings in the Competition Update. There are a number of club members represented.

As a reminder - if you participate in another club's events you will want to make sure that your points have been submitted to Phil.

Nominations for officers will be held at the October and November meetings. If you are interested in being an officer, I strongly encourage you to seek nomination.

**Please bring at least one idea
for an event that you
would like to see the
club pursue next year!**

This should spark some interest!

September 1995

Loretta Spinrad, RCD

Like a great deal of the country, Michigan has had its share of extremely hot and humid weather which has taken its toll at the races this summer. But I guess we will all agree that hot, humid weather is better than the rain we had at Mackinaw this last weekend.

Flint sponsored six events July 29 and 30 with a great corn roast Saturday night. If you have not tried the Flint event, you will want to consider it in the future. There is a running start onto a 1/4 mile track that after one lap brings you into a 1/2 mile track. Don't get too excited Harry keeps putting this darn gate in the middle of the 1/2 mile. He keeps telling me that if I line it up right I can drive right through it. Boy it sure doesn't look like it from behind the wheel. But Harry, you must be right, I think I made it through all but once.

It is a fun track with a great party afterwards at the home of Donna and Tom Janos. And we can also thank Jim Harris for being the perfect chef.

I would also like to mention Flint served us lunch on Saturday which I am sure everyone really appreciated!

August 12 and 13 we were

the guests of the Shiawassee Club at the Owosso Speedway which is a 3/8 mile oval with a limited number of pylons. (Thanks guys and gals! It was great - put you pedal to the floor and go! The Shiawassee club is the smallest club in Michigan with the biggest heart. They have 100 participation at their events and also make a tremendous effort to please everyone, which we know is impossible. It is just unfortunate it was so darn hot! On Saturday we overlapped events due to a time problem with the track, but on Sunday we overlapped because it was so hot the entrants were suffering more than their cars.

Once again we had a picnic at Jackie and Barry Leone's. Their pool helped cool off a number of people and if you are interested in rabbits I know where you can find one or two. The two male Leone rabbits had little rabbits while Jackie and Barry were at convention and they need homes. So you animal lovers out there, speak up!

The trip to Mackinaw brought a close to the month of August. What started out as a great event ended up with several miserable hours of rain that forced

cancellation of the events. This was a great disappointment to everyone. Due to the cancellation several of us were forced to migrate to St. Ignace and the Sault. If you think it is bad to lose at the races, it is nothing compared to the casinos where some of us might just as well donate our money at the door. Even though Saturday was a disaster, the parade on Friday night was great!

Michigan has only two race weekends left for the 1995 season - September 2 in the Detroit area sponsored by CCM and Huron Valley and the Drags on the 16th.

There will be six events on Saturday the 2nd, four low speeds and two MTT. If you are interested in autocrossing this will be your last chance to participate in Michigan.

Drag racing at Stanton on the 16th will end the racing season in Michigan. An important reminder. There will be (1) record drag event and (2) bracket drag races. If you are in to drag racing remember come early and take advantage of the practice time.

As usual there will be a picnic at the track afterwards so bring your lawn chair and a dish to pass and take a few minutes to enjoy the day and

the company of your fellow NCCC Club members.

The racing season may be coming to a close in Michigan but, the Rallye season will just be getting off to a good start in October. We have had a few rallyes, but they were just warm-ups for the fall season.

September Region Meeting

There are some important topics that I would like to discuss at the September meeting so your attendance will be very important.

- ▶ Quality vs number of events per weekend for the 1996 season
- ▶ Adequate facilities for parking lot events (such as restrooms)
- ▶ Proposed Rulebook (it will come to a vote at the September Governors' meeting)

The Rulebook will be presented at the September Governor's meeting so if changes need to be made this will be your last chance to voice your opinion. I hope you will review the information I have supplied to you over the last several months and be prepared to discuss any areas you feel need some critiquing before the Governor's meeting.

As an added note, the vote by the RCDs was **NOT** to combine classes. I appreciated hearing your

opinions and based on your comments. Michigan voted "NO".

CLOSING THE BRIDGE

Corvette Fudgies Cruise the Straits!

Wow, I guess the Mackinaw Bridge is pretty strong. The mighty Mac held fast as a few hundred Corvettes traveled the 5 mile pass to kick off the weekend Corvette bash in Mackinaw. Although, what started with gallantry slowed to a despair, as mother nature concluded that this was to become a soaking affair. The rain came hard and brought an end to events, but nothing could stop us, as for we had money to be spent. On to the Casinos we went, where there was joy and sorrow.

I know, I know, your asking yourself, did Zeller win again? Well the answer is no, not exactly, but rather Angie won for us.

CAPITAL CITY ACTION

Can't stop the heat when it comes to the races. I don't know who was hotter at the Shiawassee low speeds, the drivers or the ever admiring faithful fans.

But, it wasn't long before we all got to enjoy a cool one, as the Mystery dinner caravan later capped off its day at Signatures restaurant in East Lansing.

A wonderful dinner was enjoyed by all who participated in this fun-filled evening.

Thanks for coming out, and we'll see you at the next event.

UPCOMING EVENTS

**AL SWIFT'S JOURNAL OF
NCCC CONVENTION '95 - PALM SPRINGS, CALIFORNIA**

"Yes! But it's Dry Heat!"

Monday

Due to conflicting schedules (I had to work), we didn't get to Los Angeles until Monday a.m. (California time). When we walked outside it was 109° at 11:00 a.m. Linda's brother Bob (a first time father of five days) had already volunteered his '63 340 HP convertible for us to use at the convention (he wasn't going anywhere anyway). We left L.A. Bob wanted a couple of pictures of us with the top down -- "what the hell" why not. We can always stop and put it up (first mistake!!). You don't stop anywhere in California unless you hit someone or need gas (six lanes each way).

Two hours later, top still down, we arrived at Palm Springs Convention Center. Temperature is 115° (dry heat), beer is cold, pool temperature is 94°. Checked in. Concourse cars were excellent, most from (where else) California and Arizona. The party was good: "California Country" with line dance lessons and a Great Country Band!!

Tuesday

Still on Michigan time! I'm up four hours before the speed events start (8:00 a.m.). We missed the bus (d*#n) for the outlet mall excursion. Linda missed "saving me" more money.

Low speeds were Great!! A smooth flat farmer's market, flea market large enough to run approximately ¼ mile Kana, with air conditioned bathrooms. Temperature at 12 noon was 114°! Tuesday night's party was "Route 66"! Another great band and party! Free beer etc. with special recognition to those who caravanned on Route 66 set up by Tammy Spinrad and Bob Reeve.

Wednesday

More low speeds (wish I had my car). At 11:00 temperature was 111°! Pool party started at 3:00 with "Crazy Adult Games"! Michigan region was represented in a water relay race by CCCC, GLCC, and JCC (five person team). A candy bar was open and put in the first person's mouth. They had to swim to the next contestant and they had to bite the other end and take it without touching it, etc.

Pool temperature was about 95°, beer temperature - cold. Pool side BBQ at 7:00 p.m.! Another good band and more crazy adult games. Linda Swift won the National Title in Hula Hoop and was presented a set of "Tireless Tubes". Chris Massie, from JCC, won a set of Michelin Tires in the drawing.

Thursday

Still dry heat! We didn't go to the drags! Too hot! But Steve would have been proud! The Michigan Region had to take over and run the drags. Pajama party Thursday night! Michigan won again for Best Dressed Man! CCM!

Friday

Friday morning, the rallye started at 7:00 a.m. Temperature was 90°. We'd seen a lot of Palm Springs and wished this '63 had air and auto instead of a high performance engine and clutch. Bob Reeve and Tammy Spinrad took third out of about 65 entries! Two groups of eight from Arizona rented stretch limos just to have fun! We finished!

The banquet was very nice with all the biggest regions sitting together. Michigan was one of the larger ones at the banquet.

Saturday

Saturday morning it was back to L.A. with the California traffic. I now know why they have so many freeway shootings -- five lanes each way, 50 miles at 0 to 40 mph.

Good Bye, California. Orlando next year! It'll be moist heat!!

Al & Linda Swift

P.S. We had a great time and a lot of fun! We have pictures, of course!

COOL CAR PARTY

DATE: SUNDAY, SEPTEMBER 24, 1995
TIME: PARTY TIME IS 1:00 - 6:00 PM
PLACE: R.E. OLDS MUSEUM, 240 MUSEUM DRIVE
LANSING, MI (ACROSS FROM LANSING CENTER)
HOST: JON 'The Voice of Drag Racing' LUNDBERG

We started the COOL CAR PARTY on our farm and it quickly outgrew the barnyard. The party was moved to a local eatery in 1992 where we had 50 cars and 90 people in attendance. This year we are moving the party 'uptown' to the R.E. Olds Museum and are hoping to draw 100 cars. We hope you and your family can attend.

Bring your COOL CAR; be it a street rod, street machine, classic, pickup, sports car, muscle car, pro street car, kit car, home built or whatever. We aren't looking for show cars....just COOL CARS that are driven and enjoyed. Unfinished or primed cars are just fine. If you think its cool, bring it!

No judging or trophies - just COOL CARS and cool people! Relax & enjoy!

We will have good food, for purchase, and good tunes for free.

The museum says no alcoholic beverages & the police say no open headers.

The museum will be open so bring the family.

This is an invitational event but if you have close friends with a COOL CAR and would like to invite them, go ahead. Please limit extra invitations to one.

We hope to see you and your car at the 4th Annual COOL CAR PARTY!

PLEASE RSVP BY AUGUST 28TH.
