VOLUME XXV - NUMBER 11 - NOVEMBER 1995

Dear All:

As the competition season comes to a close, I've got to say it has been exciting. Trying matching times and doing well in rallyes this year has been more than I expected. Can't wait till the Region Banquet next year to find out the final statistics.

This is November, which means things are going to slow down until next year when we again will have many exciting events. During the fall and winter months, we will usually only have Mystery Dinners and some parties to fill our calendar. Let's not forget our club's Annual Banquet January 13th.

We will be taking final nominations for officers at our November General Membership Meeting. You must have your 1996 dues paid **before then** in order to run or vote. Don't let this opportunity to voice your opinion pass you by. This is the one time in the year where everyone's voice counts as far as officers go. So, please come to the meeting and place your ballot.

If anyone is interested in writing up some sort of game for our Newsletter, let me know or just send it to me. You could do a monthly game or just a one-timer, whatever you like. It could be a crossword, a word find, or any other type that would be of interest to the club. I know most of us would enjoy doing them once in a while. I'd be glad to publish just about anything.

The deadline for the December Newsletter is Saturday, November 25th. Anything received after that date will not make it in the December Newsletter. Please address your articles to P.O. Box 204, Westphalia, MI 48894. Thank you for being on time.

Your Editor, Cindy

!!! MEETING NOTICE !!!

NOMINATIONS

The November General Membership Meeting will be held Wednesday, November 1st,
at 7:00 p.m. at Richard's Food and Drink (4105 North East Street, Lansing).

DINNER ORDERED AT 7:15 P.M.

From the president . . .

Loretta Spinrad

Fall is definitely here, there is no denying it! We will soon be putting our cars away and snuggling in for the winter, but don't dig in too deep as we still have plenty of things scheduled on our social calendar.

Thanks to all of you that were able to participate in our Rallyes held on October 7 and a special thank you to the members that made the trip to Jackson on October 22 to support one of our sister clubs.

I would like to remind you that election of officers will be held at our December meeting. If you would like to be on the board it is not too late, nominations will be opened again at the November meeting.

If you will are unable to attend the December meeting an absentee ballot may be voted under certain conditions. Remember the club depends on you! So be sure to vote.

At our **November meeting** I believe it would be appropriate for Steve to remind everyone what needs to be done to store your car for the winter. If you want to put your baby to bed with lots of loving care, be sure to be there.

Corvette Videos

Dianne and Jack Taulbee have a brand new 1995 Corvette and Jack has offered to share his video with the club so the rest of us can drool.

In addition to Jack's 1995 Corvette Video we will be showing the Corvette Museum Video. If you have a Corvette Video that you would like to share, be sure to bring it along.

Dues Reminder: Linda Roberts sent everyone a dues notice with the deadline of November 1. It is very important that you get your dues into Linda promptly as we need to submit the club's renewals early this year. Also, you must be a paid member for 1996 to hold office and vote in December.

Las Vegas

For those members interested in the Las Vegas Trip in March, a flyer and registration form are in this Newsletter. Be sure to complete and return your deposit to me by the 10th of November. This trip is open to anyone. If you have friends and/or family that would like to join us, the more the merrier. Remember if we have 26 participants we will get one ticket free which will be raffled to the participants. If you have any questions please contact me.

Competition update . . .

November 1995

Loretta Spinrad, RCD

Well folks by the time you read this newsletter, the competition in Michigan will have ended for the 1995 season (Region competition) with a number of rallies throughout the state.

I was not able to make it to Kalamazoo for their two rallies on the 1st of October, but I hear they were quite challenging.

October 7, Capital City sponsored two rallies which took us throughout the countryside of Westphalia. Steve thought we would do better if he drove and I navigated since I try to drive and navigate at the same time. I am glad to say I am back to driving. What a scaring ride. If you have wondered why you only see Steve behind the wheel on the race track, it is because if he is behind the wheel he thinks he is on a race track. Do you have any idea how hard it is to read a sign that is 12 inches high going 80 miles per hour? It doesn't work well, trust me.

On the 14th Great Lakes sponsored two rallies and what started out as a cold, miserable day ended up being not so cold, but still a miserable fall day. But not nearly as bad as it was in Muskegon on the 21st. I don't think we saw any indication of sun all day. There were times

I really thought it was going to snow. This was particularly bad for the Muskegon folks as the rallye course took us through some very nice wooded areas where the colors would have been great if the weather would have been better. In fact there was one area (the park) that was really quite nice (and romantic). I kept telling Steve this would be a great place to park, but he missed the hint. What it would be like to be 16 again.

Jackson held two rallies on the 22nd that we thought for sure would be a repeat of the Muskegon Rallyes the day before, but we could not have been more wrong. The sun came out, the drive was nice (providing you didn't have to stop) and the scenery was great. That is except for the man that wanted to shoot everyone that stop to look at his stolen street signs that were all over the front of the garage. Some people have no sense of humor.

This weekend Great Lakes will host the last three rallies for the season (Thank Goodness!) and I understand it may snow - great!

In all seriousness, I would like to thank everyone for their support to our competition

program in Michigan throughout this last year, both the entrants and the workers.

I think the workers deserve a great big thank you from all of us as it would be pretty hard to host quality events without the help of our workers, so be sure to thank your club members from all of us!

The next Region meeting will be held November 7, at which time we will be setting the calendar for 1996. I will provide calendars for your convenience during the meeting, but please come prepared to bid your dates. If you want to host events with another club, please work out the details prior to the meeting and not during the bidding.

Next - Quality Events!

I cannot stress the importance of quality events. We have discussed this issue at various times, but as we set the calendar for 1996 let's plan accordingly. The new rule book will limit the number of events you can have each day to seven; however, there are some regions that would like to see this number reduced to four.

Please be considerate of everyone when planning

your competition schedule and events for 1996. If you chose to hold all of your events on one day and the weather turns bad or workers don't turn out, people are not always real understanding. Likewise, if you are going to sponsor rallyes, please make sure the Rally Chairpeople know and follow the rules (in the current Rulebook). I have had so many complaints about rallyes this year, it is mind boggling. Let's strive for quality and fine hospitality in Michigan.

I will have Sanction Request Forms available at the November Meeting for your convenience.

When I receive a draft of the completed Rulebook I will make a copy available to you as I have done throughout the year.

I am including the Michigan Region Points Standings as of October 14, 1995 for the top 10 places, in addition I am including the National Points Standings as of September 25, 1995 for the top 10 places with the following exceptions: 08/20 Concours held in the Northeast Region; 8/26 Concourse in the East Region; 08/26-27 events held in the Indiana Region; 08/27 Drags held in the West Ohio Region; 09/02-04 events held in the Michigan, West and West Ohio Regions.

As winter approaches, many of the clubs start to hibernate a little bit which is understandable after a busy Corvette Season and to help with the cabin fever that seems to get to all of us, Capital City has

planned an event to help alleviate the boredom and we would like to invite our friends to join us.

We are planning a trip to Las Vegas the weekend of March 7 -10. This is a tour package with a non-stop flight leaving from Lansing on Thursday, March 7. If you or any of your members would like to join us, we would like to have you. Please feel free to distribute the enclosed flyer to your members and/or friends. If we have 26 paid reservations we will receive one package free which will be raffled off to the participants.

See you at the November meeting!

RALLYE AROUND

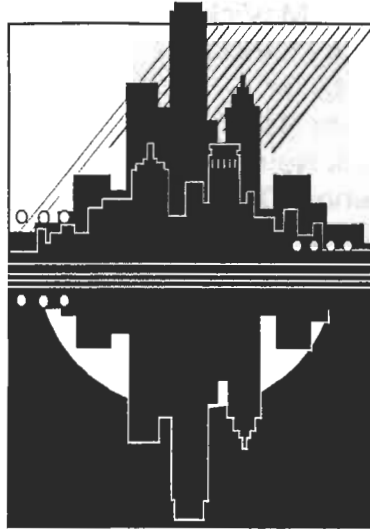

More miles than any other month!

If you wanted a last chance to run your Vette for the season, this past month was for you. Folks had the opportunity to put more miles on their Vettes in the month of October, than they have all year.

Every weekend has been filled with activity as two-somes climbed into their cars to hit the road.

And what great time of year! As the Fall colors took over, our members had the opportunity to enjoy nature's beauty. Angie and I were lucky enough to experience both sides of a rallye. We chaired a game rallye with Phil and Cindy's Rallye of Small Places; and then ran in the Great Lakes rallye to end the month.

We happened to do a lot better chairing a rallye, than

running the rallyes this year. No more beginner's luck!

Although, it wasn't beginner's luck for Dennis and Elaine O'hara in Capital City's Rallye of Small Places. Dennis and Elaine blew the competition away in the game rallye. One could say, they were the trivia experts of the day. Congratulations O'haras! And congratulations to Pat and Tammy for winning the gimmick rallye.

Thank you to all that came out to support our club, you make it work for all of us!
