Capital City Corvette Club News

VOLUME XXVI - NUMBER 5 - MAY 1996

Dear Members:

I hate to be the breaker of bad news, but spring and summer have been canceled. We will now move directly in to fall. Now is the time to start putting cars away (that you barely got out of the garage) as winter approaches.

This little scenario is exactly how it seems. Where is the beautiful weather? I think we dipped down into the 20s last night. With the rain, wind, and snow, we may never see good competition weather!

The Holt Auto Sales Open House was a great success (despite the high winds). I heard there were over 200 people there throughout the day, and they sold several cars!

I have been tolerant about this until now. My Newsletter Deadline has become some kind of a joke. I don't think people realize that I mean business, and a deadline is a deadline. The Newsletter is supposed to be in the hands of the receiver by the 1st of each month. How can I do that when most articles are never on time?

We will be on vacation the week of May 26th. This means I will not be here that week to do the Newsletter. Therefore, I will be starting to put it together May 23rd, and I will be mailing it May 25th. If you would like your article printed, it must be in my mailbox or my door by 10:00 a.m. Thursday, May 23rd. Address your articles to P.O. Box 204, Westphalia, MI 48894. Be on time. No more joking around.

☛ RALLYE NOTICE ☛

The May General Membership Rallye will be held Wednesday, May 1, at 6:30 p.m.

at Richard's Food and Drink
(4105 North East Street, Lansing).

SHOE

from the president . . .

Loretta Spinrad

The Corvette Season is here as evidenced by the **Open House** last weekend in Holt. We had a great time and a great turnout. Thanks to everyone that came out to help. Your support was greatly appreciated. And in case you are wondering we went through 350 hot dogs and 30 cases of pop. And only a very few drops of rain.

Shaheens will have the Corvette Display "Past, Present, Future" at their lot on Wednesday and Thursday, May 1st and 2nd and have asked for our help in promoting this display. I knew you would be happy to help, so I volunteered your help on Thursday evening.

This will be another opportunity for us to promote the Corvette and our club. If you would like to help with this event, please plan to be at Shaheens by 6:00 p.m. and wear your club shirt. Don't forget your Corvette!

Another important event that happened this month was the **mystery dinner** so graciously hosted by Phil and Angie - Thank you, Italian is always my favorite!

As the weather gets nicer there will be an increasing number of events for all levels of participation. As our club is a National

Council Club, we will be supporting the events of sister clubs, that are duly sanctioned before other events.

All of us have our favorite events or favorite type of events, but the support of sister clubs is very important to the overall well being of our Region. There has always been strength in numbers, and a club standing alone is not nearly as effective as one that stands with the rest.

Mini-Rallye

We are having a mini club rallye on Wednesday the 1st in place of our regularly scheduled membership meeting. This will be very short no more than 30-45 minutes and will be designed to help those that have never rallied before to understand directions.

We have scheduled this event in hopes of increased participation at the May 18 Rallyes in Jackson.

I promise you a good time so be sure to come out for the fun. As always, guests are welcome to participate.

See you at the Rallye!

Competition update . . .

May 1996

Loretta Spinrad, RCD Michigan

Spring is finally here and so is the Corvette Season in Michigan, which also brings the competition season in our Region. So get those cars out, dust them off and let's get down to the netty gritty fun of it all.

Some of you have already been practicing at drivers schools and club events, but beginning the 18th of May the real competition starts in Michigan.

We only have a total of four events planned in May this year, but they are important events.

This year's season opener will be held in **Jackson** (two rallyes). **It would be great to see as many of you there as possible. Remember this is the** beginning of the season and we want to start off with a bang! Get your pencils, thinking cap, and a full tank of gas and meet us at Marino's Pizza on the 18th.

Now for the race fans Kalamazoo is hosting our first two race events on Memorial Day. If you haven't been to

Kalamazoo before, it is a large parking lot that gives you an opportunity to see what you and your Corvette can do and if you have never raced before, this is a great opportunity to get started.

Holt Auto Sales Open House a Success!

Retired Schoolteacher Fulfills a Birthday Dream: Going for a Spin in a Corvette

SALLY TROUT/Lansing State Journal

Hot wheels: Margaret Livensparger sits beside Steve Hanks, owner of Holt Auto Sales, after she took a spin in a 1991 Corvette. The drive fulfilled a birthday wish for Livensparger, who will be 80 on Friday.

HOLT

Driving a 'Vette is dream come true

A 1991 metallic aqua Corvette convertible alternately purred, roared and flew down Aurelius Road Saturday.

Behind the wheel was none other than Margaret Livensparger, retired Holt teacher who never tires of taking on new challenges. Her cruise around town was possible because of efforts of the Capital City Corvette Club and Steve Hanks, owner of Holt Auto Sales.

Hanks and the club learned that Margaret had always wanted to drive one of the hip cars. And what better time than her 80th birthday?

The sun came out, the convertible top went down and Margaret wheeled into the sales lot to the cheers of club members and hundreds of Corvette owner-wannabes who stopped by to check out the special 'Vettes on display at the club's annual spring outing.

By the way, Margaret's special birthday is Friday.

Attention: Corvette Owners

You are Cordially
Invited to Participate in the 1996 Marshall, Michigan
Memorial Day Parade
MONDAY, MAY 27th at 10 a.m.

Plan on joining us beginning at 9:00 a.m. on Michigan Avenue,
two blocks west of the fountain circle.

In 1985 Doug and Betty Collins thought it would be fun to invite their friends who owned Corvettes to join them in the Memorial Day parade. That year there were twenty three cars. The parade has steadily grown to over 200 Corvettes that have participated in past parades.

For those people interested in getting together after the parade, you are invited to join the group going to Cornwell's Turkeyville for lunch and an old fashioned flea market. This could be your only chance to show off your car and to get a good look at all the other cars.

If you have any question, please call Jay Farleigh 965-3873 or Kay Woods 964-8685.

SEE YOU AT THE PARADE!

This is an activity of the Battle Creek Corvette Club
