Capital City Corvette Club News

VOLUME XXVI - NUMBER 6 - JUNE 1996

Dear Members:

It's June, and that means competition season is here. This month is jam-packed with events. Great Lakes will start us out with two rallyes, then Huron Valley and CCM will host four low speeds, followed by Grand Valley's two low speeds. Capital City will then sponsor Corvette Night at Spartan Speedway and our own three low speeds the following day. That same day, Capital City and Jackson will each put on a rallye. The next day, Jackson will host their own three low speeds. If that is not enough, also this month is Bloomington Gold.

Competition season didn't start out half bad; Phil and I have already conquered one rallye and screwed up the other, thanks to me (he says). Don't you think he could look past that **and be happy** I drew **FOUR KINGS!** Anyway, we **had a good time**, the weather was great, and we took home the bragging rights of another rallye.

Sorry, I can't tell you much about what when on in the month of May, just those two rallyes. I guess you'll have to read the rest of the newsletter to find out.

Now I'd like to take a moment to honor the passing of a Capital City Corvette Club member, Abe Crayon. Our sympathies to his family and friends.

If you would like your article printed in the July Newsletter, it must be in my mailbox or my door by 10:00 a.m. Thursday, June 27th. Address your articles to **P.O. Box 204, Westphalia, MI 48894**. Be on time.

Cindy

1996 BOARD OF DIRECTORS

Loretta Spinrad -

President/Competition Director, 372-4380

Dennis O'Hara -

Governor, 393-9025

Sharon Wasson -

Secretary, 627-9231

Phil Hanses -

Treasurer, 587-3422

Jim Gossum -

Membership Director, 646-0398

Phil Zeller -

Social Director, 676-6609

Cindy Hanses -

Editor, 587-3422

Steve Spinrad -

Public Relations Director, 372-4380

Angie Zea -

Points Director, 676-6609

MEETING NOTICE

The June General Membership Meeting

will be held Wednesday, June 5, at
7:00 p.m.

at Richard's Food and Drink
(4105 North East Street, Lansing)

DINNER ORDERED AT 7:15

SHOE

from the president . . .

Loretta Spinrad

May has been a busy month for most of us, but let us take a moment to remember one of our own, Abe Crayon. As many of you know, Abe told us that he had been diagnosed with brain cancer in April. In fact when we were at the Holt Open House, it was Abe's first appearance in public in quite some time. I am sorry to report that Abe lost his battle with cancer on the 20th of this month. Abe will be remembered as quite a character and will be greatly missed.

Please see the enclosed for further information.

Our club rallye was held on the 1st and we had a great turn out. Almost everyone made it through without a hitch (we will not mention the one car that had a little trouble). However, when two men get together, well need I say more!

I do believe everyone had a good time.

The following night we were at Shaheen's for the "Past, Present, and Future" Corvette Showing. A great big thank you to all the members that were able to participate. We had a wonderful turnout considering the late notification. You will be

happy to know that we have a number of new members as a result. And don't listen to anything Jim Gossum tells you about my recruiting techniques.

The club rally was a warm up for the opening competition event which was held in Jackson on Saturday the 18th. Thanks to those of you that were able to participate. Capital City had pretty good participation - a special thanks to Mike and Nancy Dotson for coming out to their first "real" rallye. You may want to know they were still talking to each other when they finished. Maybe the rest of us need to inquire as to their secret.

I understand a number of club members attended the car show at Charlton Park on Sunday. I was cooking and Steve was doing dishes or we would have joined you. It was a great day for a car show, in fact the entire weekend was designed with Corvetting in mind.

Please review the calendar

for the upcoming events in June. Our club will be hosting events the weekend of the 21st and your help will be appreciated. We will be planning the weekend at our June Meeting so you will want to be sure to attend.

The Huron Valley Corvette Club has asked us to join them and the Jackson Corvette Club for an evening of socializing on June 15, 1996.

Get your Corvettes out and fill the tank for a road tour to Ann Arbor. We will be leaving from the Harley Hotel Parking lot at 4:00 p.m. on Saturday, June 15 for all interested parties. If you will recall we cosponsor events with Huron Valley and Jackson in August, this will be your opportunity to meet the membership from Huron Valley prior to the event. For those of you living in Mason and the Leslie Area, we will pick you up along the way if you like. Be sure to mark your calendars for the 15th of June!

Competition update . . .

June 1996

Loretta Spinrad, Region Competition Director

Welcome to the Michigan Competition Season! Our first events (2 Rallyes) were held on Saturday, May 18 and Mother Nature was great!

If you were not able to attend you missed quite a day. We had good rallyes and a number of birthday parties, none of which we were invited to. It's just as well, the party goers were a little rowdy and a little too young for me. If anyone would have told me I would be sharing lunch (and after a rallye at that) with a 100 or so kids, I would have known they were hallucinating.

In any event, we all survived; however, I'm still not sure where those rocks were, and if I didn't know better I would say

they disappeared between cars, but since everyone else seem to have found them, I must need new glasses. Even though Steve and I couldn't find the rocks, for the first time ever, we got the mileage right. Miracles do happen.

I would like to thank the Snooks and the Millers for a fun day. Next time we are going to bring our own cards, a pair of two's just doesn't make it.

►Future Events for June ◀

May 27 - (which is almost June) Kalamazoo Corvette Club will host 2 speed events. (1) Low speed and (1) Matching Time. This is an excellent opportunity for beginners as well as experienced drivers to get their cars out and tuned for the upcoming season. The parking lot is large enough to accommodate plenty of room to run. It would be nice to see just a few less pylons at the end. I am getting old and slow and having to steer our dinosaur throw the end can be rather hard at times. Perhaps we could work something out for the new cars and the old cars, like a handicap. We could forget the cars and handicap the drivers, maybe I would have a better chance. Well anything is worth a try.

June 8 - Great Lakes will host 2 rallyes in the Greater Lansing Area. Pat Thuemmel and Troy Collins will be hosting and if you remember from last year, Troy is a real airplane buff, so if I were you, I would come prepared for anything.

June 9 - CCM and Huron Valley will be hosting a number of events in the Livonia Area. The event will be held at the

GM parking lot on Amrhein Road. If you have participated in events at this site before you will recall the parking lot is not exactly next door to food, drink, or restrooms. You will be happy to note that there will be a Porta-John on site as well as food and drink. Thanks to the host clubs for the consideration. I am sure it will be appreciated by all.

June 15 - Grand Valley will be hosting two events this year at the Ionia Fair Grounds. Both will be low speed events. You will want to note that open exhaust will be allowed so bring your earplugs.

June 21 - 23 - Capital City and Jackson will be hosting a number of events during the course of the weekend, starting with Corvette Night at the speedway. If you arrive in a Corvette on Friday Evening, the price for the regularly scheduled races will be two for one. The Corvettes will park in a special area inside the grounds and will be on display for to the public. At intermission we will have the opportunity to parade lap the track. Saturday and Sunday will bring 6 low speed events and 2 rallyes with a barbeque at the track Saturday Night.

National Council of Corvette Clubs - RCD Meeting - May 10, 1996

This was Dale's first meeting as RCD as he was on a cruise during the February Meeting. He provided patches and rebates to all the regions for the 1995 Competition Season. Michigan received \$329.00 in rebates (Susan you will be happy to know that I still have the check and I know exactly where it is at.)

UNOFFICIAL RALLYE RESULTS

Fun Rallye

1. Loretta/Steve Spinrad
2. J.R. Biksacy and Doug Telgenhof
3. Tammy Spinrad and Bob Reeve
4. Art/Nancy Doty
5. Tim/Pat Diamond
6. Phil/Cindy Hanses
7. Pat Thuemmel and Troy Collins
8. Mike and Nancy Dotson

Poker Rallye

1. Phil/Cindy
2. Tammy / Bob
3. Tim / Pat
4. Art/Nancy
5. Pat/Troy
6. Mike/Nancy
7. JR/Doug
8. Loretta/Steve

Thank You

Drag Records -New drag record:

Group IA - 12.78/Sig Sutherland

We discussed the possibility of increasing the number of national awards and the committee liked our recommendation of 15 places. This will become effective with the 1996 competition season and will affect the awards presented in 1997.

Waivers - how should we handle competition points if an entrant does not sign the waiver? Rulebook is very clear, no signature, entrant does not receive any points. A suggestion was made to conduct a roll call from the Waiver sheet at the Driver's Meeting and if not on the list you cannot compete. The decision was made that if someone does not sign, that person theoretically does not exist, therefore everyone else should move up.

Hoosier has new tires. Dale received a call from Hoosier asking where their tire would fit. Discussion pointed out "0" DOT (no street wear) rating and weight difference. Dean Lacky saw the tires in competition and they are considerably faster. The Rulebook specifically states **Hoosiers are not included in Group I as they are defined as competition tires.** (page 2-20)

Vote: 10 - 3 in favor of group 11. The new Hoosier tires will be placed in group II.

Clarification - Can '91 and up front and/or rear bumper covers be installed on an 1984 thru 1990 Vette and still run in Group I or I-S (NO) Unanimous

Clarification - Replacement intake manifold for a 70 LT1 -

there is no superseded part. Center bolts not the same, gaskets do not match, modification is necessary. (NO) Unanimous

NCCC Competition concerns - Dennis Patrick addressed the group regarding the possible future use of the Internet for schedules, point standings, Rulebook - increasing the way of communication for the future.

National Council is looking at some participation on the Internet. Rulebook is on a floppy and could be put on the Internet. We currently offer the rulebook to the NCCC membership only and books are sold. Donnie wouldn't have a problem with schedule on the Internet, but Rulebook and points could be a problem. - sanction requests, flyers, points, etc. electronically. Security could be a real problem. We agreed that this is something that should be investigated, but carefully. We need to investigate safeguards.

Nancy Bailey was asked why she mailed minutes first class? She asked for each committee's view regarding 1st class vs bulk postage rate. One copy to each national officer, regional officer, and governor. Competition Committee recommended minutes should be mailed via 1st class mail.

Dean Lacky asked about any technical data in response to Holdridge's previous letter. . Two pages from Technically Speaking were provided to the group and Dean asked if anyone knew if there were any mistakes. It was decided that no one could really look over the two sheets and know right up front if there were any discrepancies.

Clarifications need to be asked if

there are questions.

Insurance - what is the coverage from K & K - coverage is for the club. Liability coverage for guests at an event. Damage to facility for example. K & K does not provide road insurance for club trailers for liability. If a trailer is being towed to an event, it is not part of event, but the club would be covered for liability issues. Using trailer at the event. Some coverage if in restricted area. Equipment in restricted area is covered under liability issue.

Last few weeks Council has had an incident at a non-sanction event. Two cars hit, no damage, no claim was filed. No waivers were signed. Waivers should be signed regardless of event type. This would be good practice as it provides a good record of who was in attendance. This could be very important. The question was asked as to how many times people have to sign the waiver if more than one day event. Once per weekend is sufficient for common sites.

Round table Discussion -

Muffler for group I '84 and later. What does this include? Only muffler or muffler and pipes. System has to be factory available or OEM replacement. Muffler any commercially available in original position. Muffler eliminator does not satisfy the requirement for muffler. We need more information regarding Mid-America's mufflers. Super-trap is not sold as a muffler, sold as a tuneable exhaust system. Is this a muffler or not? How do we tell if the piece is a muffler or not? The entrant needs to prove the piece is a muffler. Must be advertised and sold as muffler.

Jim Adrian (West Coast Region) has resigned as of the 15th of the month. They have no Competition Director at this time.

Novice Competition Class. Two person car, can one person run in Novice Class and one in regular class? "Yes" Novice can only obtain 30 points though and this sometimes becomes a problem that needs to be watched carefully.

Autocross - you are supposed to run the lowest class that you qualify for. What if no one is in my class, can I move up to next class? NO! Use the Rulebook strictly as written to determine class.

Sanction vs non-sanction - club can not contact insurance company for insurance without sanction or non-sanction number. It was suggested that all correspondence should go through the RCD. Dale will contact Dennis Patrick regarding a procedure that could be put in place for insurance inquires for all events.

What if scatter shield is not available for a group Group III car? If scatter shield is not available, an approved blanket can be used. (See Rulebook pg 2-25)

Novice Class points could possibly run over by a few points. This should be watched very closely by RCDs and make sure Novice entrants are moved into proper classes when necessary.

Declared city list. Could these cities be published? Dale suggests we contact him or the RCD of the region for correct declared city.

Navigator for Funkhana must be 16 years old including Convention event.

What is the definition of a race tire? No DOT rating, racing purposes only.

Funkhana for Convention. Should points for this event be included for the overall competition award? Points have been included in the past. Florida does not want to count any non-car event for points. It was the feeling from the RCDs that this should be left to the Florida Region.

Question on Sanction Request Form - do non-sanction request forms need to be sent to National? - "No"

Dale would like any information available on hand-controls installed in Corvettes.

If your flyer states the day the event will be conducted, you must hold on the day stated, you cannot carry over to the next day.

This is an important notice as events cannot be carried over to the next day. If the event is not run on the day it is scheduled for, it is considered canceled by Council's rules. This comes up frequently due to weather. It is an inconvenience but it is the only way to insure that everyone is being treated fairly.

I would like to extend a very warm welcome to Michigan's newest club "North Oaks".

Governor:

Joe Peplinski
207 Aqueduct Drive
Walled Lake MI 48390-3611
810-669-3166.

We would like to send our condolences to the family and friends of Abe Crayon, a member of the Capital City Corvette Club and the National Council of Corvette Clubs who passed away May 20, 1996 of cancer.

Abe was just recently diagnosed with cancer. He will be greatly missed by his friends in the Capital City Club.

In Memoriam

CRAYON, ABRAHAM CURTIS

Lansing

A loving son, father, grandfather and companion and friend passed away from cancer on May 20, 1996. He was born June 12, 1939 in Orlando, FL to Georgie

Bell and Vetta T. Crayon. He served in the United States Navy. He received his bachelor's degree in psychology from Wilberforce University in 1964. He went on to obtain two more degrees; a master's in psychology at the University of Cincinnati and a master's in social work from Wayne State University. Abraham dedicated his life to helping others, especially children. He recently retired from Michigan Department of Social Services in July, 1995 after 30 years of service. He was a poet, a musician, a hypnotherapist, and a licensed pilot. He was proud of his children and grandchildren. He was a member of Alpha Phi Alpha, the Masons, the Shriners, and the Capital Area Corvette Club. He was preceded in death by his father, Vetta T. Crayon and his son, Darren Kyle Crayon. Abraham left behind his loving fiancé and companion of twentyfive years, Janice Tribble. He also left his mother, Georgie Bell Crayon and his children, Vincent Curtis Toran, Kevin Curtis Crayon, Shawn Anthony Crayon and Tiffani Ann Crayon. He leaves to mourn his brother, Vetta Crane Jr. and his 8 grandchildren. He will be sorely missed by all of them and a host of nieces, nephews and cousins. Services will be held 3 p.m. Thursday, May 23 in the Tiffany Funeral Home, 3232 W. Saginaw, where the family will receive friends from 1 p.m. until service time. Donations may be made to the American Cancer Society or Wilberforce Scholarship Fund.

Clubs

Spartan Speedway is easily accessible from all directions. If traveling from West I-69, exit 69 at I-96 eastbound to 127 South and exit at the first Mason exit and turn right. The track is a short distance on the left. If traveling from East I-69 exit I-69 at US 127 South and exit at the first Mason exit. Travelers from east and west bound I-96 should exit at southbound 127 also and proceed to the Mason exit.

An Evening of Socializing

The Huron Valley Corvette Club has asked us to join them and the Jackson Corvette Club for an evening of socializing. Get your Corvettes out and fill the tank for a road tour to Ann Arbor.

Who? All interested parties.

When? June 15, 1996.

Where? We will be leaving from the Harley Hotel parking lot at 4:00 p.m.

Why? This will be an opportunity to meet the membership from Huron Valley prior to our events we co-sponsor in August.

What Else? Those of you living in the Mason and Leslie area: We will pick you up along the way.

Questions? If you have any questions regarding this event, contact Loretta at (517) 372-4380.
