Capital City Corvette Club News

VOLUME XXVI - NUMBER 7 - JULY 1996

Dear Members:

Well, now that summer events have started and everyone has had the chance to get their feet wet, don't look now, it has just begun!

June started off roaring with two rallies put on by Great Lakes. We cruised the streets of Bath and Meridian Township. And if you weren't there, you missed a good time. We didn't even argue very much!

Huron Valley and Corvette Club of Michigan held their four low speed events at GM Livonia, and Grand Valley hosted two low speeds at the Ionia Fairgrounds.

Corvette Night at the track was canceled because of rain. But Capital City's and Jackson's low speeds and rallies were a success without a drop of rain to speak of.

This time of year has been so busy with us, it's hard to participate in everything we would like. With so many open houses, parties, reunions, etc. going on, we miss so many things, but we will try to do what we can. It's even hard to find the time to put the Newsletter together!

If you would like your article printed in the August Newsletter, it must be in my mailbox or my door by 10:00 a.m. Thursday, July 25th. Address your articles to P.O. Box 204, Westphalia, MI 48894. Be on time.

As Always, Cindy

PS: Happy Birthday, Phil, on July 3rd!

STOP RIGHT THERE!

Now that I have your
attention,
please read the first page
after the calendar for an
important notice.

Thank you.

from the president . . .

Loretta Spinrad

Do you believe it! Summer is actually here, and the Corvettes are brushed off and cleaned up in preparation of a great Corvette summer.

For those of you that were not able to attend the Social Event with the Huron Valley and Jackson Clubs, you missed the opportunity to spend the evening with some pretty nice folks. We had dinner at the Jackson Brewing Co. (The former Win Schulers in Jackson) and continued on to the ice cream parlor where we were witness to a birthday party and a 21 dip Sundae. You know it really is amazing how little boys can eat, but a 21 scoop sundae proved to be even too much for them. It was great entertainment for the rest of us.

This last weekend we co-hosted events with the Jackson Club and I would like to sincerely thank the members that were able to donate their time over the weekend to make the event a huge success.

It was unfortunate that Friday night brought rain and forced the cancellation of the Friday Night event. We were forced to regroup at Sammy's Lounge for dinner so the night would not be a complete lose. The weather couldn't have been better for Saturday and Sunday and I have great racoon eyes to prove it.

Our events came off without any problems, and everyone returned from the rallyes without any major confrontations. I hope everyone had a good time and enjoyed the events of the weekend.

Congratulations go out to Nancy Dodson and Bridget Stehouwer. Nancy joined the ranks of race car driver for the first time this weekend and we are certainly proud of her. Bridget on the other hand beat Bill on the track in his own car. Sweet victory for the ladies.

In all seriousness, we had a wonderful weekend and I really do appreciate everyone's help. Events are always more successful when the club members come out to support them.

Several members will be leaving for the Bloomington Show this week and Steve and I hope you have a great time. It is truly the best of the Corvette Shows. We will be thinking of you as we are cooking and washing dishes on Grand River.

Phil has information for you regarding the parades coming up. Please mark these on your calendar. The Mason Parade is particularly a good time and we always enjoy dinner afterwards. What is a social event without eating?

As our July meeting is scheduled for the 3rd, the day before the holiday, we decided to host a social event in lieu of a regular meeting. Phil will provide the details in his report. Please be sure to mark your calendars and pass the word along to family and friends, we don't want people coming to the wrong place.

The Michigan Region will hold its July meeting on the 9th at the Holiday Inn South. If anyone is interested in attending, it is held in one of the conference rooms starting at 7:30 p.m.

July will be a little quieter than June and August as National Council will be hosting the Annual Convention in Florida. We usually don't plan a lot around this week as not to discourage participation at the convention.

But be prepared for August as we will be gearing up for Spartan again on the 17th and Mackinaw City on the 23rd.

The Caravan for Mackinaw will leave the Meijers parking Lot on Lake Lansing Road at noon on Friday (8/23) stopping at Houghton Lake for Lunch, arriving in Mackinaw City at approximately 5:30 p.m.

See you at our July 3rd Social Event!

Competition update . . .

July 1996

Loretta Spinrad, Region Competition Director

Summer is finally here and so is the Competition Season. Our first race events were held on Memorial Day in Kalamazoo and as usual, Mother Nature welcomed us with rain and wind and more rain. It was so exciting trying to drive a race car with slicks through several inches of water!

The rain did stop sometime between events, the puddles started to dry up and by the end of the day the course was pretty well dried out in most areas.

Hats off to the Kalamazoo Club and the people that participated in the events, you were pretty brave souls!

Steve and I missed the rallyes on the 8th hosted by Great Lakes and the races on the 9th hosted by Huron Valley and CCM, but I hear all survived.

This last weekend, the Capital City and Jackson Corvette Clubs hosted speed events and rallyes at Spartan Speedway.

Summer in Michigan brings two types of weather, cold and rain, or scorching hot. Well we had cold and rain on Memorial Day, so June brought the scorching hot sun for the Spartan events.

When the races were finished on Saturday, we hosted two rallyes just in case people had any energy left. Once again this year, the success rate for completion was very high as we kept the rallyes very simple.

To top off the evening we ended with a picnic at the track for all participants.

Sunday brought more sun, more fun, and more picnicking. All in all it was a very successful weekend for everyone, well almost everyone, some of us went home with broken cars (two days in a row).

We send our
best wishes
to all our
Michigan friends
going to convention
in Florida

Good Luck
Be careful
Have a safe trip!

The next events to be held in Michigan will be July 27 and 28 in Benton Harbor. This will be a 14 event weekend with 7 events held each day. Please remember no alcohol of any kind is allowed on the property, but I am sure there will be plenty of refreshments available at the Thomas' after the events.

(Remember to bring a dish to pass for the party)

A number of events will be sponsored in the Michigan Region in August so be sure to have your cars ready for lots of fun and excitement.

Don't forget the Mackinaw Weekend August 23-25. If you would like to enjoy a nice relaxing weekend, be sure to be in Mackinaw City on Friday in time for the Corvette parade across the bridge.

Important Reminder:
Competition questions are to be addressed to me as the RCD of Michigan, not the Vice President of Competition. I can assure you that the rules are the same for everyone in National Council. I am once again asking for your cooperation as Dale cannot answer questions from 12,000 members at large. I know your questions are important, and I will provide the answers to your questions the best I can. If I cannot answer them, I will contact Dale. Some questions may have to wait until the next RCD meeting. I hope you will make an effort to understand.

GOVERNOR'S REPORT

Dennis O'Hara, Capital City Corvette Club Governor

We just returned from a thunderous, wet, wild trip to Louisville, KY and the 2nd Quarter '96 N.C.C.C. Governor's meeting... obviously, we survived, although a little soggy...

It was announced that a total of 63 rooms were booked at Executive West for the N.C.C.C. Governor's meeting. All in all, we had a roomful of folks representing the interest of all N.C.C.C. members across the country - a pretty impressive turnout.

Governor's meeting dates for 1997 were announced... Feb. 21-22, May 9-10, Sept. 12-13 and Nov. 14-15.

George Swift N.C.C.C. Director of P.R. informed us of the change in Brand Manager for Corvette due to the retirement of Jim Perkins. We will be looking toward building a relationship with the new Brand Manager. As reported in the past, no Dream & Drive this year - looks like it may be back late next year after the new "Vette" Convertible is introduced in 1998.

Dennis Patrick, N.C.C.C. Business Manager told us to make sure event co-ordinators get the insurance waivers signed
-- NO SIGNED WAIVER
-- NO PARTICIPATION! Make sure they are signed!!

Gary Daugherty, Director of Charity talked about the death benefit program (form on back of this report). He also announced

that Pat Dolan will be filling in for him for the next 4-5 months due to the Gary's business obligations that will require his complete attention.

John Osborne, Director of Publications reported that the Scholarship '96 are closed (May 1). A total of 25 were sent in... 15 female, 10 male -- NONE from Michigan.

Larry Beebe talked about convention '96 and all the events that will be available to the conventioners. For those of you who are planning on racing -- THERE WILL BE NO GAS AVAILABLE AT SEBRING!!

Nancy Sable, Director of Membership announced a gain of 842 N.C.C.C. members in '96 -- way to go, recruiters!

Last, but not least... the Club sold 26 tickets for the National Raffle Corvette. We'll shoot for more next year. Also, don't forget to look at the back of this report for information on the N.C.C.C. Memorial Program.

NCCC MEMORIAL PROGRAM

The National Council of Corvette Clubs, Inc., working with the NCCC Charity Committee, has added a new program to the Grants division; the NCCC MEMORIAL PROGRAM. This program is designed to help OUR members in their time of need.

The program will be administered by Kara Kosier who also oversees the Grants division of the Charity Committee. The Grants division includes the Disaster Relief Fund and the Scholarship Fund.

There is a one time fee of \$4.00 to join. When one of the enrollees passes away, you will be mailed an assessment notice for \$3.00 to be sent to Kara Kosier. If we have a good response to this new program, we will be able to pay at least \$1,000.00 death claim benefit on each death to the stated beneficiary. The remaining funds would then be used for our Disaster and Scholarship programs.

To join this new benefit program, you must be an NCCC member or relative. Please complete the application and mail it to Kara Kosier, with a check for \$4.00 made payable to NCCC CHARITY COMMITTEE. If you have any questions, please contact Gary Daugherty or Kara Kosier.

CCCC GENERAL MEMBERSHIP MEETING MINUTES 6/5/96

PRESIDENT'S REPORT

Meeting brought to order at 7:00 p.m.

Competition events covered.

A motion was made to make a \$100 donation to Wilberforce Scholarship Fund in Abe Crayon's name.

COMPETITION DIRECTOR REPORT

Friday night, June 21, start at 6:00 - 2 for 1 entrance fee.

Workers needed for Spartan Low Speeds Event Saturday and Sunday.

Need a helmet for participation, seat belts working.

Start racing about 10:30 a.m., driver's meeting beforehand.

Picnic will begin at 5:30 p.m. Members bring a dish to pass if you would please.

Check your most recent Newsletter for upcoming competition events.

SECRETARY'S REPORT

Submitted and printed in last month's Newsletter.

GOVERNOR'S REPORT

Attended meeting in Louisville, written report submitted.

Dream 'n Drive probably in 1998 after the new convertible is introduced.

No scholarship requests were submitted from Michigan. Look over the Governor's report for additional information.

MEMBERSHIP DIRECTOR REPORT

We have signed up three new members from the Shaheen "Past, Present, and Future" show.

PUBLIC RELATIONS REPORT

Steve Hanks is making a donation to our club as appreciation for participating in the April Open House each year.

Pottsville parade is asking for participants for July 6th at 1:00 p.m.

Mason parade is July 4th.

SOCIAL DIRECTOR'S REPORT

Check your June calendar for upcoming social events. Please wear your club shirts to all events.

POINTS DIRECTOR REPORT

Check the Newsletter for your points. If there are any discrepancies, give Angie a call or fill out the form in the Newsletter to have it corrected.

TREASURER'S REPORT

Report submitted. Motion made to accept and seconded. Approved as read.

EDITOR'S REPORT

The deadline for the July Newsletter is Thursday, June 27th at 10:00 a.m.

OLD BUSINESS

Mike Dodson gave a report on his racing experience in Kalamazoo.

NEW BUSINESS

The National Corvette Museum and Harley Davidson are holding an event over July 4th, 5th, and 6th.

ADJOURNMENT

The meeting was adjourned at 8:19 p.m.

CCCC BOARD MEETING MINUTES 6/18/96

The meeting was brought to order at 7:00 p.m.

PRESIDENT'S REPORT

Four couples from CCCC met Huron Valley Corvette Club for a social evening. None from Jackson attended.

Friday night at Spartan Speedway - gates open at 6:00 p.m. for Corvettes. All members are encouraged to wear their club shirts. Saturday registration begins at 9:00 a.m.

Steve Hanks gave the club a donation. A thank you card will be sent signed by the club members.

Loretta will be checking into small items such as pins, license plate holders, antenna flags, etc. to use for club promotion. The idea of using pre-packaged brochures is being explored. It is set up for the laser printer and looks very professional. We would print our own information. Only the inserts would need to be updated. Loretta will bring examples to the next board meeting.

Loretta heard the rooms at Downing's for Mackinaw City are full for Crossroads Weekend.

TREASURER'S REPORT

Report given. Discussion was held regarding Governor's expenses. Our by-laws need to be reviewed to bring the expenses reimbursed into line with current costs.

The July 3rd meeting will be a social activity. Check your newsletter for details. NO meeting at Richard's.

PUBLIC RELATIONS REPORT

Hats and T-shirts will be available after 6/21/96.

POINTS DIRECTOR REPORT

Nothing to update.

EDITOR REPORT

Lansing Rotary Club is sponsoring a "Fly-In/Drive-In" August 11. They have asked if they can put an event flyer in our Newsletter. The Board feels the event should not go in our Newsletter, however, if they want to use our mailing list, we would have no problem with that.

The deadline for the July Newsletter is Thursday, June 27th at 10:00 a.m.

NEW BUSINESS

We have 70 Car Care books to decide what to do with. Possibilities are: rallye prizes instead of trophies, offer them for sale to club members, or raffle prizes. They will be offered for sale first to club members.

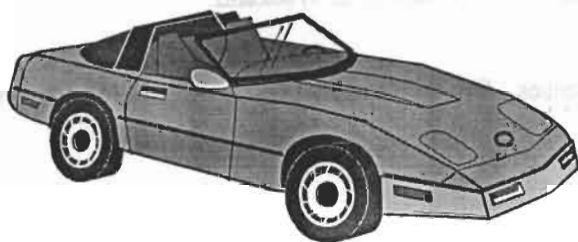

Plans will be started soon for the 2nd Annual Las Vegas trip during spring break 1997.

ADJOURNMENT

The meeting was adjourned at 8:40 p.m.

CHARLTON PARK CORVETTE SHOW

The Capital City Corvette Club was well represented at the 8th Annual Corvette Show held in Charlton Park on Sunday, May 19. We met at Flapjack Restaurant for breakfast then caravanned to the park.

Club members showing their car at the event were Charles Duell, Mike & Nancy Dodson, Jim Gossum, Simon & Gloria Reiffer, Linda Roberts with daughter Shiloh, Bill & Bridget Stehouwer, Roger Stehouwer, Al & Linda Swift, and John Tanner. Chris & Theresa Cooper, along with several other prospective members, joined us in showing their cars.

Art & Nancy Doty, Joe & Pam Platte and Joe Jr. attended the event as spectators. (No, Joe did not find his new Corvette yet but he is still looking for that special car.)

Our club was well represented in the vendors' area also. Dave Cripe, Steve Pavlik & Candy Scharnweber were there as vendors as well as spectators.

We hope to see more of our members at this event next year. There is a \$100 cash award to the club with the most cars shown. This year it went to the Kalamazoo club with 21 cars present.

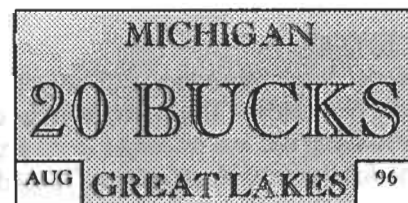

Try to join us next year for a relaxing and fun filled day at the park.

Submitted by Gloria Reiffer

The Corvette Club of Battle Creek sponsors this event. The oldest car being shown was a red 1955 convertible with a power glide transmission. This car was fully restored and won first place in its class. (Of course. It might have been the only car in its class. . .)

More than 250 cars were shown. They awarded trophies in many divisions according to the year of the vehicle. Each entry was given a set of color coded ballots to vote with. Spectators also voted for the "People's Choice" award. Judges selected the "Best of Show" car.

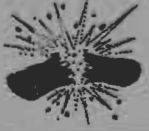

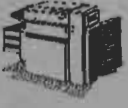

Our club members didn't win any of the trophies. However, Al Swift, Simon Reiffer, John Tanner and Chris Cooper all won door prizes. (Ask Linda about the giant "belt buckle" that Al won then promptly traded to Simon for the tee shirt Simon won.)

Have you ever met anyone that actually WON a Corvette in a raffle? The last few years we have parked near a 1958 red and white convertible. This year the owner had his 1958 there along with a shiny new yellow 1996 coupe. When asked what the license plate meant, he told us he had won it for \$20 in a raffle last fall. Of course, he *did* have to pay the sales and income tax on his winnings. I believe he said that it added about \$10,000 to the cost of the ticket. Even so, well worth the effort I'd say.

Shrine to fete Corvette creator

By Bruce Schreiner

Associated Press

Ashes of the late Zora Arkus-Duntov, an automotive engineer known as the father of the Corvette, will be placed in the national museum that pays tribute to the sports car he designed.

"It's appropriate not only that he'll be near the cars he loved, but also near people who love his cars," said National Corvette Museum spokeswoman Charlotte Davidson.

Arkus-Duntov's ashes will be entombed June 21 at the museum in Bowling Green, Ohio, fulfilling one of his final requests. Arkus-Duntov's wife, Elfi, will attend the ceremony, which is expected to attract Corvette enthusiasts from across

the country.

The ashes will be placed near a large bust of the former chief engineer for Chevrolet and close to a display of Corvettes from the 1950s and '60s, Davidson said.

The urn will be on display in a wooden case with a glass front, she said. The ashes will be brought by a close friend from Michigan, where the 86-year-old Arkus-Duntov died April 21, Davidson said.

"It was his last request that his ashes be at the National Corvette Museum, to be near his cars," said Dan Gale, the friend and a founder of the museum in the south-central Kentucky city where Corvettes are produced.

Arkus-Duntov, a Belgian-born, German-trained engineer, started working for Chevrolet in 1953 — the

Corvette's first model year. He transformed the Corvette from a slow-selling two-seater into a sports car favorite.

He became the car's first chief engineer, and his ingenuity brought innovations to the Corvette that later spread to the rest of the car industry, such as fuel-injection in 1957 and four-wheel disc brakes in 1965.

He retired from Chevrolet in the mid-1970s but continued to attend Corvette shows and events around the country.

Arkus-Duntov attended the opening of the Corvette museum in September 1994 and received a long, standing ovation from the crowd of 120,000. In January 1995, he celebrated his 85th birthday at the museum.
