VOLUME XXVI - NUMBER 9 - SEPTEMBER 1996

Dear Members:

Membership has certainly been booming! This past month, we have picked up 6 new members for a total of 70 members! A very warm welcome to all our new members, including Ted and Kathy Feight, Dave and Anita Lindgren, and Robert and Dawn Metzger. We hope to see you at our future club events.

Be thinking about nominations. We will start nominations for officers in October. Being an officer can be a rewarding experience if you are willing to stick your neck out and become involved. Don't be afraid to speak up if you are interested in a position on the board of directors. All offices will be up for grabs; none are set in stone. Maybe you would like to be Editor next year? We will need someone with a flair for creativity and who has access to a computer. I would be happy to walk you through the process step-by-step the first time around. Think about it.

If you would like your article printed in the October Newsletter, it must be in my mailbox or my door by 10:00 a.m. Wednesday, September 25th. Address **your articles to P.O. Box 204, Westphalia, MI 48894. Be on time.** ☺ Cindy

MEETING NOTICE

The September General Membership Meeting will be held Wednesday, September 4, at 7:00 p.m. at Richard's Food and Drink (4105 North East Street, Lansing) **DINNER ORDERED AT 7:15**

FRANK & ERNEST

From the president . . .

Loretta Spinrad

Hi Gang! As we move into the fall months, don't fear we still have plenty of things to do on our calendar.

The Mackinaw Trip was great and I do believe everyone had a good (if not great) time.

For those that could not attend ☹, we had great weather, a not so great parade, and we will not discuss the casino losses. But Hey! You have to spend your money somewhere, contrary to the belief of some, you cannot take it with you.

Congratulations to Linda and Al Swift. They won 3rd place in the car show for their class. Steve was sure that we would win something as I understand he was negotiating terms for votes, but apparently someone else was a better negotiator because we did not win.

This year we used the club's walkie talkies for communication between cars in the caravan. They worked for about the distance of 3 cars, but not the whole caravan. Next year we will have to investigate the possibility of CB radios.

One of our new members, Dave Lindgren has participated in road tours in another club and would like to see us plan more weekend trips. Please give this some thought and when the questionnaire is passed out for next year's calendar you may have some ideas.

We have had a number of new members join our club in the last few months and as we welcome them into our group it would be nice if you have not been able to attend

a meeting in a while that you plan to attend the September General Membership Meeting to meet this great folks.

Phil Zeller is planning a golf outing for us in September and the O'Hara's and the Dodson's will be chairing our rallyes September 29.

Phil will be the first to let you know that knowing how to play golf is not required for this outing. So that will not be a good excuse for not coming.

I am sure that Dennis will tell you that being proficient at rallying is also not required for participation on the 29th. So mark your calenders for the month of September and join us for a good time.

I would like to remind you that nominations for club officers is soon approaching. Nominations will be accepted at the General Membership Meeting in October and November. We will be voting at the December Meeting. If you have a desire to serve on the Board of Directors and would like more information feel free to contact any current Board Member or myself.

Breakfast

For those members that were at Mackinaw and had breakfast with us on Saturday, I would like to invite you to my restaurant for a great breakfast. One where the hash browns are crisp, the toast isn't wafer thin, and the pancakes are not dry. But you need to come in when I am cooking. HA! HA!

Your lovely president!
(I just have so many talents)

Competition update . . .

September 1996

Loretta Spinrad, Region Competition Director-Michigan

August was a very busy month with what seemed like events every weekend, which is an issue I will be addressing later.

The Shiawassee Club hosted a seven event weekend on August 3 and 4 at the Owosso Speedway. Have you ever noticed that it seems to be hotter at Owosso than any other place in the world? And then of course there is always a rain cloud that just seems to hang over that track. Like it is cursed or something.

In all seriousness, thanks to the Sweets and Leones for their efforts in sponsoring this weekend. And congratulations to Jimmy Sweet and Melissa Husemann. These two young drivers are really taking over the track.

The following weekend brought six Low Speed Events at Flint Auto City. Unfortunately I could not be there as I was home trying to make the IRS deadline of 8/15. And as I am the one that does the tax return, I stayed home and Steve went racing. Yes, Steve actually drove he and the car to the track. I understand he only drove four or five cars off the road on the way there and the same on the way back. That

will teach those people to be on the road on a race weekend.

Thanks goes out to the members of the Flint Club that made those events possible. It is hard work standing out in the sun all day (or sometimes rain) and watch other people have fun. Or at least pretend to have fun between flat tires, cracked fenders, hot radiators, and heaven knows what else, but we really are having a good time, aren't we guys!

Of course we saved the best for last, the six events at Spartan on the 17th and 18th.

If anyone has every doubted why we belong to National Council, let me tell you one very good reason why. "INSURANCE".

Any accident is a tragedy and no one wants to see an accident, but they do happen. The next time you think about the \$20 that goes to National each year, think about the \$1,200 light pole that was repaired at Spartan Speedway.

A driver with the initials of Kay Pratt lost control of the car and slid sideways on the wet grass right into the light poles. Kay was not hurt (maybe

her pride a little, but not physically) and the car suffered some damage. The damage seemed to spread the more we looked at it. I am so glad that Kay has a nice, even tempered husband. I am just glad I didn't hit the pole, can you imagine? I don't even want to think about it.

Anyway, when Kay hit the poles (yes there were two), the poles had the option of holding their ground or moving and they chose to move, which was not good. We had to replace one pole and all the huge lights that were on these poles.

This repair work had to be done by Thursday of the following week as races on held on Friday nights at Spartan. As a promise to Dennis Patrick, we want everyone in the Michigan Region to know how well we were taken care of.

A phone call was placed to Dennis from the track on Sunday, he returned the call Sunday night. He spoke to the insurance company on Monday and Steve spoke to the insurance company on Monday, the Electrical contractors were on the job on Monday.

We explained the urgency to Dennis, who in turn

talked to the insurance company in our behalf. We could not have asked for better service.

As I said, accidents do happen and someone has to pay for the repairs. Can you imagine the liability to the clubs if we didn't have insurance?

I have always been a strong supporter of National and would encourage all club members to be National members.

I would like to take this opportunity to thank all the workers for the Spartan events. Once again it was hot and everyone did a great job keeping the events moving right along. Thanks a lot!

While the events at Spartan were the last low speed events for the season in Michigan, Royals will host the fall drags at Stanton on September 21.

If you have members in your club that have contemplated participation in speed events, please encourage them to attend the drags on the 21st. Drag racing is by far the easiest way to start (there are no turns). It is one, two, three, go fast!!!!

Of course some cars go a little faster than others, but what is a few seconds amongst friends?

Seriously, this will be the last race day of the year in Michigan and I think we should close the season on a high note. Bring your friends, family, next door neighbor, anyone that would like to race. Don't forget, the Royals sponsor bracket races for the metal body cars as well and they win money. So tell your friends to come out and enjoy the fun.

We close September with two rallyes sponsored by the Capital City Corvette Club. These rallyes will be held on Sunday and will start later in the afternoon so you will not have to get up so early on Sunday morning.

October will bring a number of rallyes so the September 29 rallyes will be a great warm up.

By the way of the wonderful grapevine, I have heard there has been some dissatisfaction with the schedule this season. I am therefore attaching a survey that I believe will be helpful in preparing for next season. As competition director for the Michigan Region, I would like to promote harmony among the clubs and the membership, while increasing the level of participation. In order to accomplish this, we need to work at the problems together as a group.

Please share this with

your clubs and send me your responses prior to the September Region meeting, or if you prefer bring them to the meeting. Once again, the response should come from your respective clubs.

On a sadder note, I would like to send our condolences to Pete Dawley, RCD of the Carolina Region. Pete lost his daughter to an automobile accident the week of convention.

Pete, our sincere condolences go out to you and your family on the loss of your daughter.

There isn't anything we can say or do to bring her back, but we want you to know that we are thinking of you.

*Loretta Spinrad
Michigan*

As I have not been able to attend all the competition events this season, I am looking for pictures. If you have taken pictures or know someone that has taken pictures at any of the events, I would like to borrow them for a very brief time. Your help will be greatly appreciated.

Thanks!

MICHIGAN REGION COMPETITION SURVEY

In order to provide a competition program that **promotes** interest and continued support by the majority of members in Michigan I need your **assistance**. Please take a few moments to discuss this survey with your club members and return it to me prior to the September Region Meeting. Michigan has 14 clubs and hundreds of members, I would like to see our competition program reach out to all the members so please take a few minutes to help out. Thanks!

1. The competition season in Michigan usually starts mid-May through October, early November. What is your opinion of this time frame?

2. Each Michigan Club is entitled to hold seven sanction events per year, for a total of 98 in Michigan. Of these 98 events would you participate in more:
Low Speed _____ Rallyes _____ Car Shows _____ Drags _____
3. The current rule books states the maximum number of events to be held on one day is seven, fourteen for a two day weekend, or 21 for a three day weekend. What is the maximum number of events you feel is appropriate to hold on
one day _____ Or two day weekend _____
4. Do you **think we should** limit the number of weekends that clubs should sponsor events: **Yes** _____ **No** _____ If yes, should we limit to 2 or 3 weekends **per month**. And if we do, what **weekends** should they be. For example if 2 weekends it could be the 1st and 3rd or **2nd and 4th** or the 1st and 2nd, etc.

5. Are you **getting adequate** information about the events in order to participant?
Yes _____ **No** _____ If no, how **could we improve** _____

6. What do you **feel we could** do to improve participation in the Michigan program?

7. Do you feel **the Competition Newsletter is helpful?** **Yes** _____ **No** _____
8. Please offer **any additional** comments that **you feel will** be helpful: _____

Club Name: _____

LOCAL CO-ORDINATOR

Any questions, please contact me at my home number. Last year we had about 250 corvettes driving through the rolling hills of Southern Wisconsin. It is a great social weekend full of fun loving Corvette owners.

We leave lansing area Thursday afternoon/evening Oct 10th and stay over in the western suburbs of Chicago. Friday morning, around 9:00 AM, we would join with the Chicago group and drive to LaCross, Wi and arrive around 4:00 PM.

The return trip would leave after the Sunday Brunch. Last year we departed around 11:00 AM. Bring your CB radios and tune in on Channel 5.
