VOLUME XXVII - NUMBER 3 - MARCH 1997

Dear Members:

Thanks to Dawn and Bob Metzger for hosting the Valentine's Day Mystery Dinner. Sometimes half the fun is trying to figure out where you might be going. In our case, we drove from our home in Okemos to the Lansing Mall, just to turn around and find ourselves back in Okemos, a few blocks from our home at the Ukai Japanese Steak House for dinner. The chef cooked right at our table, and was very entertaining. Loretta, I hope you picked up some tips! Amazingly, we have lived here 5 years but had never eaten at the Ukai before, so thanks for the great experience Dawn and Bob, even Steve enjoyed it!

The Regional Banquet is March 22nd and is our club event. The deadline for banquet tickets is March 8th. Please register soon if you plan on attending. Further information can be found in this newsletter. Also if you would like to help and haven't already volunteered, please contact Loretta Spinrad.

Unfortunately, the Open House at Holt Auto Sales has been canceled. This is usually a great opportunity for us to promote our organization and get excited about the coming driving season. If anyone has any other ideas for a season kick-off event, please bring them to the March General Meeting.

We are looking for sponsors for our back page. If you or someone you know would like to promote your skill or business on our advertisers page please contact me. The cost is only \$35/year for a business card size ad.

This month's spotlight is on Keith and Elaine Blackie. Thanks Keith and Elaine for letting us get to know you a little better.

Lastly, if you would like your article printed in the April Newsletter, the deadline is Thursday, March 27th. Address your articles to Chris Krisztian, 4600 Oakwood Drive, Okemos, Michigan 48864 or call 517/347-6701 to make other arrangements to drop off your article.

☛ MEETING NOTICE ☛

The March General Membership Meeting will be held Wednesday,
March 5, at 7:00 p.m.

at Richard's Food and Drink
(4105 North East Street, Lansing)
DINNER ORDERED AT 7:15

from the president . . .

Loretta Spinrad

We are getting closer to spring and the Corvette fever in our blood is rising, but not to fear, we will be getting our cars out soon.

For those of you brave enough to get your cars out in March, the Corvette Club of Michigan is hosting two rallies March 16.

The Region Banquet March 22 will be our club event of the month. The Committee Chairpeople should be prepared to report on your progress at our general membership meeting on the 5th. If you need help and/or volunteers, be sure to contact me prior to the meeting.

We still need door prizes, if you know of anyone willing to donate prizes please let me know.

As a reminder, time is running out for hotel rooms and banquet tickets. Be sure to make your reservations by Saturday, the 8th.

I would like to express my thanks to Dawn and Bob Metzger for their entertaining Valentine's Mystery Dinner. I still think Bob should have turned on his roof-top flashers for us to follow. We could have had our own little parade.

If you did not attend, and haven't heard, we spent the evening at a Japanese restaurant, and what a great chef. I don't know about you, but I think it would be a little hard to cut the tiny little tails off the shrimp and flip them into my

pocket with a spatula.

Thanks again to Dawn and Bob for a very entertaining evening.

General membership Meeting March 5, 1997 Richards Restaurant

7:00 p.m.

This will be our last meeting before the Region Banquet March 22. I would like to spend the evening finalizing our plans for the event. Bring your ideas along with a list of materials you will need for your area of responsibility.

General Membership Meeting April 2, 1997

Our April meeting will focus on competition events, ours and Region events hosted by others. We will review the rules and what you should expect from each kind of event.

My basic principle is that you don't make decisions because they are easy; you don't make them because they are cheap; you don't make them because they're popular; you make them because *they're right*.

Theodore Hesburgh, C.S.C.,
former president University of Notre Dame

SPOTLIGHT ON OUR MEMBERS

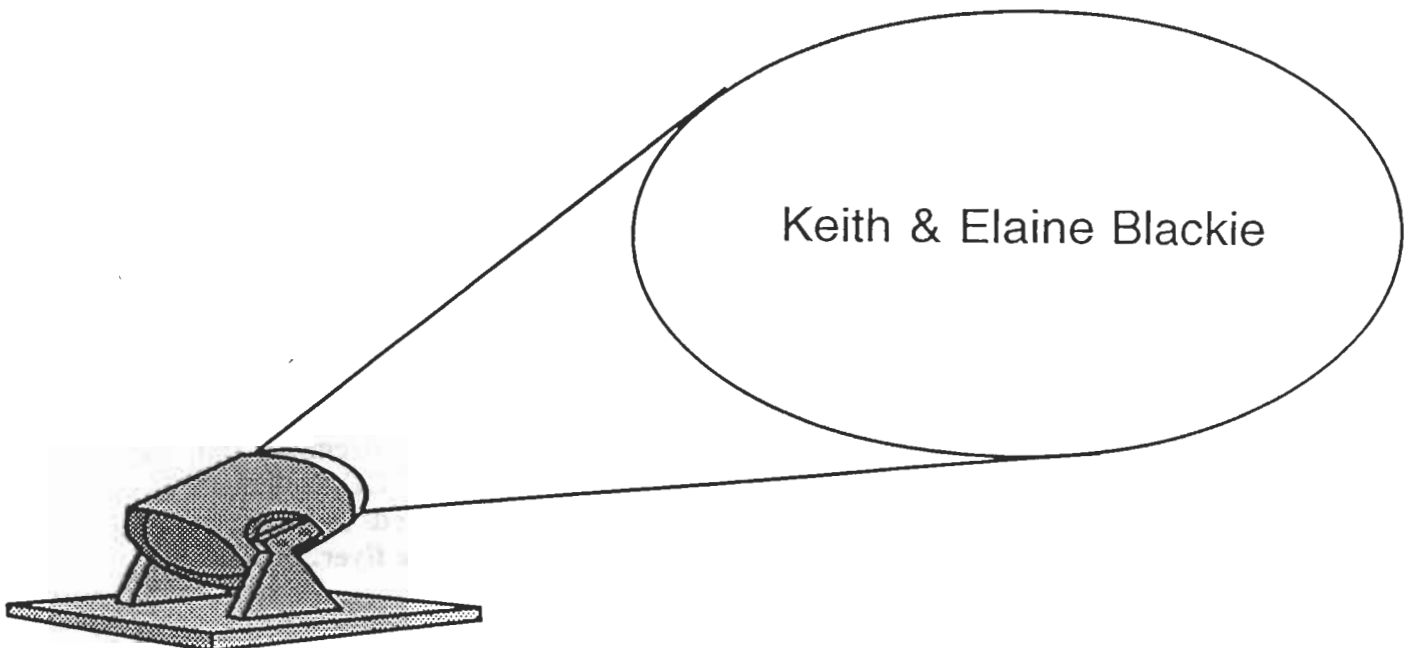

Keith and Elaine purchased their 1985 Corvette last year. They joined the club after meeting participants at the Spartan Speedway weekend. They have been active in many events since.

Keith and Elaine have been married for 23 years and live in Dimondale. They have two adult children. Their daughter is getting married in September. Their son is also engaged, but a date has not been set.

Keith just celebrated his ?? birthday. He works midnights at Olds, and is a Windsor Township paramedic. He enjoys hunting, fishing, football and a tiny amount of bowling. (He won a ring for a 300 game).

Elaine is a Mary Kay consultant and has won a ring for her sales achievements. She works for Massoglia Technical Consulting PC. She enjoys traveling and her Mary Kay business.

They both enjoy time with family, the "vette" and the club outings. Their goal is to retire in five years. They're a wonderful addition to the club.

Competition update . . .

March 1997

Michigan Region

Loretta Spinrad, RCD

Get your corvettes out, the competition season is about to begin in Michigan on March 16 with 2 rallyes hosted by CCM. If you enjoy the challenge of rallyes, you won't want to miss the first events of the year.

Our next event, is the Region Banquet held in Lansing, March 22. Don't forget your lucky charm, for the Las Vegas afternoon. If you feel lucky, you will have a real chance to improve your funny money cash position for the evening's entertainment.

If you haven't made your hotel reservations or purchased your banquet tickets, be sure to hurry as the deadline of March 8 is soon approaching.

The racing season will start May 3rd with events hosted by the Great Lakes, Huron Valley, and Kalamazoo Corvette Clubs. The day premisses to be exciting, starting out with our first Record Drag Race of the year with two additional bracket races for the

true drag racing enthusiast.

The following is a brief summary of the RCD meeting held February 21st in Louisville.

1. National points standings were shared with the committee.

2. Regional patches and rebates were discussed. Michigan will receive a \$291 rebate for the 1996 season.

3. Dale has requested that all sanction requests be submitted as soon as possible for the '97 season.

4. There is nothing new in the area of Technically Speaking.

5. The drag index for the new '97 Corvette (H Class) has been set according to promotional information.

6. Dale has developed a program for points and is willing to provide each region with a print out as requested.

7. It was reported that there was a problem with the last drag event held in 1996 in the Southwest Region. Fred Garvin was not allowed to run in their event as his car did not meet NHRA rules. We were made aware of this fact so that if tracks had specific or additional requirements than the NCCC Rule Book, it needs to be included on the flyer.

- ▶ Is the valve cover/crossover breather, Moroso part #68385, allowed in Group I. -Yes

9. Discussions began on the proposed rule book for 2000. Some of the areas that the committee agreed needed to be looked at were:

- ▶ tires

- ▶ number of classes
- ▶ point structure - giving away points too easily
- ▶ number of events, maybe 7 are too many
- ▶ trophies - number and quality
- ▶ safety requirements for high speed - perhaps a qualified driving school or high speed certificate should be required.
- ▶ Travel points, why?
- ▶ Non-sanction events.

10. Deb Murphy joined the meeting to ask the cooperation of the RCDs in promoting large competition events.

These events will be presented on the floor of the governors meeting in hopes of generating additional participation.

If you have experienced problems with the current rule book or have areas you would like to comment on, please send me something in writing. Please explain what you feel could be better and possible solutions.

**Capital City Corvette Club
Board Meeting Minutes
February 26, 1997**

President's Report

Club President Loretta Spinrad showed the board members the new brochures for our club. Late club membership renewals were discussed. The consensus of the board was that any late renewals would need to pay the additional \$10 late fee since this fee is imposed on us by National when a membership is reactivated. Payment checks are being received for the regional banquet. There are approximately 40 in at this time. Loretta reported that the Spring open house will not take place this year. This is disappointing since this has been a real boost for the beginning of the driving season.

Governor's Report

Dennis gave the report for the Governors meeting he attended, a full report will be in next month's newsletter. He has raffle tickets for sale at \$10 each or 3 for \$25 for a new Corvette. National has a book about Corvettes that appeals to kids up to 16 years old. The tour at the Corvette assembly plant in Bowling Green has been postponed to a later date. No Dream & Drive this year. An outside auditor has been hired to do National books this year. In May, next year's meeting sites will be voted on. New membership roster will be made available to Nancy on Wednesday, March 5th.

Membership Report

55 total members. NCCC-52 members through CCCC. NCCC-3 members through other clubs. Member cards will be prepared to hand out at the next club meeting.

Points Report

Point totals in February newsletter are through February 15, 1997. There were questions and discussion regarding the points system. Loretta explained the current point system. Mike will review and make comments/recommendations regarding policy and procedure for receiving points at next board meeting.

Treasurer's Report

Thank you letter received from the Cancer Society for our support. Deposit slips received from bank.

Newsletter

Two advertisements will be deleted from the newsletter. New advertisers are being solicited. The cost for a business card size ad is \$35/year. Anyone interested in advertising in the newsletter should contact Christine Krisztian. The copier is in need of a tune-up and possible repair. Service call was approved.

Secretary's Report - Nothing to report.

Competition Report - See Newsletter.

Social Report - No report.

Old Business

Governors reimbursement was discussed. Previous allowances have not been adequate to cover expenses. It was agreed that the Governor's expenses will be reimbursed up to \$250 (two nights lodging, two days of meal, and gas) upon presentation of receipts to the Treasury. Amount will be reviewed annually.

Public Relations

Steve gave a new potential member's name to the membership chairperson. Chris will send out renewal letters for current newsletter ad patrons. Steve has raffle tickets available for the American Cancer Society and Spina Bifida, both are for corvettes. Chevy /Vette Fest is this coming weekend in Chicago. May 30-31 is the NCRS sponsored Show & Shine. Flyers will be distributed with further details.
