Capital City Corvette Club News

VOLUME XXVII - NUMBER 6 - JUNE 1997

Dear Members:

Well, first the bad news. Once again JCC beat us in bowling. Now the good news, we will have an opportunity to beat them at mini-golf on Wednesday, July 2. This will take the place of our July General Membership Meeting, so sharpen up those mini-golf skills and Phil Zeller will give us some pointers at the June General Membership Meeting. GO CCCC!

May was a month full of racing, rallyes and a parade. The month was supposed to start with a trip to the drags but rain washed those plans away. If you were bummed out by the rain that day, see Sharon Wasson's article "I Dreamt I Could Fly". Keep dreaming Sharon, there'll be more opportunities!

To sharpen our "rallyeing" (is that a word?) skills, the May General Membership Meeting was replaced with a mini-rallye. Loretta tried to make it easy on the novices, but some of us still managed to get turned around a time or two. Did you know that State, Stoll, and Solon are all streets that start with "S", have five letters and run off Turner, one after another?

CCCC along with JCC and HVCC hosted some Low Speed Events on May 17-18. Dawn and Bob Metzger, Kenneth Terry and myself drove in our first Low Speeds that weekend. I'm not going to mention times, or who beat who in each family the first time out but if you have a chance talk to mild-mannered Dawn. All four of us enjoyed ourselves, and I know Ken and I are ready to go again. So if you haven't tried the figure 8's yet, there will be another opportunity this month on the weekend of June 21-22.

Nancy Dodson continues to shine the spotlight and this month it is on Pam and Joe Platte. We all love Corvettes but this article helps us find other common interests we may have with other members.

Lastly, please note the earlier deadline for articles for the Newsletter. Due to club events early in July and therefore the need to get the Newsletter in the hands of the members sooner, I am requesting you submit your articles to me by Monday, June 23rd. Address your articles to Christine Krisztian, 4600 Oakwood Drive, Okemos, Michigan 48864 or call 517/347-6701 to make other arrangements to drop off your article.

Chris

MEETING NOTICE

The June General Membership Meeting
will be held Wednesday,
June 4 at 7:00 p.m.
at Richard's Food and Drink
(4105 North East Street, Lansing)
DINNER ORDERED AT 7:15

Is spring here yet? It must be somewhere, just not in Michigan. About now we need to rethink our position and start looking at some type of activity that can be enjoyed during the monsoon season in Michigan. I am told things are going to get better, and we will be able to enjoy our Corvette activities soon, I hope this is true.

May was a very busy month for our club, and I send my sincere thanks to those members that were able to come out and support the events.

We planned a breakfast and caravan to the drags on May 3, and even though the event was canceled upon our arrival, we did have a good time at breakfast.

The rallye held on the 7th gave everyone an opportunity to prepare for the rallye season. I won't be too eager to put the Brookshire on our preferred list of restaurants in the future. Everyone was a good sport and I thank you for that.

We had a very good turn out for our events on May 17 and 18. You guys were great, as usual. And how about the weather, boy did we luck out. The rain held off until the last of the pylons were being loaded in the trailer. Once again, we received a lot of compliments regarding the events held at Spartan. The workers (from all three clubs) are to be congratulated for their efforts.

Memorial Day was a little touchy. The sun came out, but it was a little too chilly for me. The Marshall parade did not seem to have as

many cars this year, but it appeared everyone was having a good time, regardless of the number of participants. Steve and I continued on to the Kalamazoo speed events where we were hoping to see more of you.

June is another month, with more opportunities for Corvette Fun!

**General Membership Meeting
June 4, 1997
Richard's Restaurant
7:00 p.m.**

**Video
of the
National Transplant Games
provided by the
National Kidney Foundation**

NCCC was a major sponsor of
these games in 1996

We will once again be sponsoring events with the Jackson and Huron Valley Corvette Clubs on June 21 and June 22. We will be hosting 3 speed events each day, along with 3 rallyes Saturday evening. After the rallyes we will be hosting a barbeque at the track. We will need workers for the weekend and people to work on the food committee. Details will be discussed at the June

meeting.

In addition to the events Saturday and Sunday, Spartan Speedway will be hosting Corvette Night, Friday, June 20. We will be parking in a secured fenced-in area and all members driving their Corvettes will be able to enter the races for the discount price of 2 for 1. During intermission the Corvettes will have the opportunity to parade lap the track. (See enclosed flyer for details.)

At the last governors meeting, a representative from the National Kidney Foundation spoke to the group. He also made available, the latest video tapes of last year's transplant games. I will be showing these at our June meeting. So I hope to see you there!

Capital City Corvette Club

Board Meeting Minutes

May 28, 1997

President's Report

The low speed events on May 17-18 were profitable. The money will be divided between the three clubs; CCCC, HVCC & JCC. The rain held off for us, but it was close. Turn out by all three clubs was good. Hopefully, it will continue to be so at the June events. Kalamazoo races were on the 26th. Upcoming June events include Races, Rallyes, and a Picnic. After the three low speed events on Saturday, June 21, the Rallyes will start. Our club will then set up for the picnic. Hamburgers and hot dogs will be provided. A food committee will be set up to take care of the rest of the meal. Corvette night will be on Friday night the 20th at Spartan Speedway. Plan to be there between 6-6:30 p.m. The back gate will be open for us to park. Our club will take tickets. At intermission we will parade the track. Jackson would like to participate in our mini-golf outing, which we will have instead of the July General Membership Meeting. Mason would like us to participate in the July 4th parade again. We will try to have a club picnic before the 4th of July parade around 5:30 p.m. Location to be determined. Bring a dish to pass. At the July Regional Meeting nominations will be taken for officers.

Governor's Report

The location of the Regional Meeting will continue to Louisville, Ky. NCCC will be in the Mid America tent this year. The National membership at this time is 11,890. There were 25 entries for the newsletter contest. Tami Spinrad will be involved in the Route 66 Road Tour this year. Raffle tickets are still available for a '97 torch red Corvette. There were 15 applications for scholarships this year. NCCC is doing the transplant games again this year for the National Kidney Foundation. Columbus, Ohio will be the site of the '97 games. So far there are 543 registered adults for the NCCC Convention in Cleveland, Ohio. They are projecting 700 people will be there. A vision 2000 committee has been formed to study how we are structured and how NCCC will enter the year 2000.

Membership Report

We have 61 national members now, and 64 club members. We need more membership flyers. Loretta will bring more flyers to assemble to the next membership meeting and provide Nancy with an updated membership list.

Social Report

Everything went well last month. The bowling event was fun in spite of the fact that we once again lost to JCC. The Spartan Speedway event on Saturday, June 21st will be the club event of the month. The July mini-golf outing will need a social event chair. Dennis and Elaine O'Hara graciously agreed to chair the event. The July 2, General Membership Meeting will be the mini-golf outing at Funtyme on Hogsback Rd. in Mason. There will be a picnic on the 4th of July. Check your newsletter for specific dates and times.

Points Report

If you have questions regarding your points please call Mike (Editor's Note: Point Buster) Dodson. It is ultimately your responsibility to track your own points.

Treasurer's Report

Report submitted, the club is in good shape.

Newsletter

Please have everything in by Friday, May 30th.

Public Relations

The club's fire extinguisher was refilled at DeLau and also needed an O-ring. We got the track cheaper at Spartan Speedway by arranging approximately \$3000 worth of free advertising. The NCR event is this weekend. Phil and Cindy Hanses will be attending the National Convention.

Competition Report

See Newsletter and President's Report.

Secretary's Report, Old Business, New Business

Nothing to report.

May 1997

GOVERNOR'S REPORT

Dennis O'Hara, Capital City Corvette Club Governor

Well, we just returned from Louisville, KY and the second Governor's Meeting for 1997. The weather was great; considering it was raining when we left Michigan. Amazingly enough, the roads got smoother when we left Michigan - makes you wonder....

We had a good turnout at the Executive West Hotel in Louisville for the Governor's Meeting. I have some good informatino to share with you.

FCOA

Future Corvette Owners Association. This is a great opportunity to bring youngsters into our ranks to help build the future. Membership is being expanded to include nieces and nephews as well as children and grandchildren. I also have a copy of the "CORVETE" book for young people that you might like to get for your favorite youngster.

BLOOMINGTON

NCCC will have space at the Mid-America tent; have a '97 vette on display; and have folks from the NKF as part of our national membership drive.

MEMBERSHIP

Speaking of Membership...currently there are 11,890 of us nationally and with the formation of a new region in Arizona and New Mexico that will be recognized in January, 1998, there will be even more.

FACTORY TOUR

The postponed factory tour is back on again! It will be in September, the Friday prior to the Governor's Meeting. The tour will be in Bowling Green, KY, Friday, Sept. 12th at 9:00 a.m. Of the 200 tickets available, we were only allowed to purchase a total of 8 tickets at \$15.00 each. Currently, 4 are available for club members. The tour will include a box lunch and tickets to the Corvette Museum. Accomodations for Thursday night and Friday night are available...

CONVENTION

Currently, there are 543 adults registered for Convention and projected to be at 725+ total. They have a youth program and lots of fun stuff and tours for participants, as well as low speed, high speed and concours events. We also have our "Raffle Car"!! It is Torch Red with Black interior.

CHARITY

It was announced that we have our raffle car for '97 and should have our '98 raffle car for next year soon. There are 9 clubs that have 100% of raffle tickets sold; currently we are at 56% with 27 tickets sold and 23 to go. I will have to have all our tickets and proceeds returned by mid-June, so, if you are thinking about it, buy one or two or however many tickets you can afford so we can envy you when you show up in your NEW C-5!!! During the past year there has been a total of \$118,294 donated by NCCC and various clubs throughout the country, to charities - it's good work for good causes.

We had a representative from the National Kidney Foundation (NKF) speak that told us about the program that will heighten awareness to increase organ donations. Annually, there are about 50,000 people on a waiting list for donations - in '96 there were 10,000 procedures performed. Of the 8-10 people that die per day during the waiting period, 4 will be children. So, you can see the importance of this program. The Transplant Games for 1998 will be in Columbus, Ohio and they expect 1,500+ athletes to participate. Loretta Spinrad has tapes that give us a more complete look at the NKF program.

MISCELLANEOUS

- Governor's Meetings will continue to be held in Louisville, KY for the next 3 years.
- There will be a "Return to the Road - Route 66 Tour" - more details to come.
- The NCCC display at the Corvette Museum will be a Route 66 Diner that was constructed and donated for this purpose. I saw a picture - it is really cool!
- The September issue of Corvette Quarterly will feature the '98 C-5 convertible.
- Vision 2000 - There is a committee of club Governors being formed to help plan a strategy for the future and changes that will affect the NCCC and its members. It will look at how we are structured and do business with a view to the future and how we can grow.
- Scholarships - We had 15 total applications for 1997. If you know of a candidate that qualified, submit an application for 1998. Application deadline is May 1, 1998.

I Dreamt I Could Fly!

by

Sharon Wasson

My Corvette has been a dream since I was a teenager. I used to pretend I was flying down the road in a bright red corvette, racing past all the other cars on the road. Never in my wildest dreams did I ever think it would come true. Not only having a corvette of my own, but actually racing! I love to drive fast, as my husband can attest to. He has tennis shoe marks embedded in the passengers side of all our cars. I can't understand his fear of my driving! I have everthing under control.

Anyway, 2 1/2 years ago I called a guy by the name of Steve Spinrad. I found his name on a flyer I picked up at Holt Auto Sales. After looking it over for several days, I made the decision to call. It sounded like it could be fun, but it was probably like all those other uppity car club meetings. The meeting, as it turned out, was actually fun and we found out there were members we already knew. Hey, why hadn't they told us about this before!

The monthly events were pretty much centered around rallies and low speed racing events. I kept seeing this one event though that kept haunting me - calling out my name, "Sharon, come to Stanton Dragway." Uh huh, I know what your thinking, "Therapy! Therapy, Sharon!", but I finally succumbed to my 'Need for Speed'. I made up my mind that May 3rd was my day. I was going to do it. I would go to Stanton and run my car! I was so excited I couldn't stand it. I talked to Loretta and Steve who encouraged me to try it. I talked to Art and Nancy Doty, I talked to the guys that work on my car, I even talked to people I didn't even know. I was really up for this event that surely would help me to feel that I could fly. The anticipation was unbelievable. It felt like I did waiting in line for the Demon Drop at Cedar Point. Wow! This was going to be awesome.

The Saturday before the race, I had to get one more thing before I was truly ready. Loretta told me I would need a helmet, "A helmet?" I said, "What ever for? Am I going to Land on my head!" So off to the bike shop I went. The choices were overwhelming. There were a thousand, at least to look at, and they certainly were not attractive. I took one down off the shelf and looked it over. A really nice two-tone, black and silver, yep this would be the one. But ~~one~~ look at the price tag and I almost dropped it. You must be kidding, \$250 dollars! No Way! Was my dream of racing over before it began, not a chance. For there, in the corner under a dusty covering, I found what I came for, a plain black helmet. I walked toward the back of the shop with renewed enthusiasm. Would it meet specifications, I thought, sure will, for right there on he back was the stamp, 'Bell 90'. I tried it on and bingo, it fit perfect. Now if the price tag did not match that of a BMW, we were in the racing business. Yes! Only \$69.95!

Saturday, comes. race day at last. We are up at 5:30 because I can't sleep. We drive to Portland to Tommie's, there is noone there and it's 7:15. Surely the others haven't left without me. After a long wait, Ward tells me that it was only five minutes, the others show up. At

breakfast we talk about now to stage the lights and how to keep going past the barrels at the end of the quarter mile, then it happens, "Do I see rain? Are those droplets getting bigger? It's probably dry in Stanton." After breakfast we caravan to the race track. My stomach is in knots. Will I know when to go, and when to stop, what if I turn the wrong way, are they going to yell at me? As we drove into the gate, everyone was just sitting in their cars. Oh no, it can't be so, its too wet to race.

My chance to fly is not going to happen, not yet any ways. There is another chance I'll be back in the fall. Until then, I will dream of going to Tommie's in Portland and getting tips from Steve and Loretta, and think about how I will pull **up to** the lights at the track, take my foot off the brake, step on the gas and I'll go like the wind and feel like I can fly.

*The members of the Capital City Corvette Club
would like to extend their heartfelt condolences to Nancy and Mike
Dodson on the loss of Nancy's mother, Frances Migendt.
Our thoughts and prayers are with you.*

SPOTLIGHT ON OUR MEMBERS

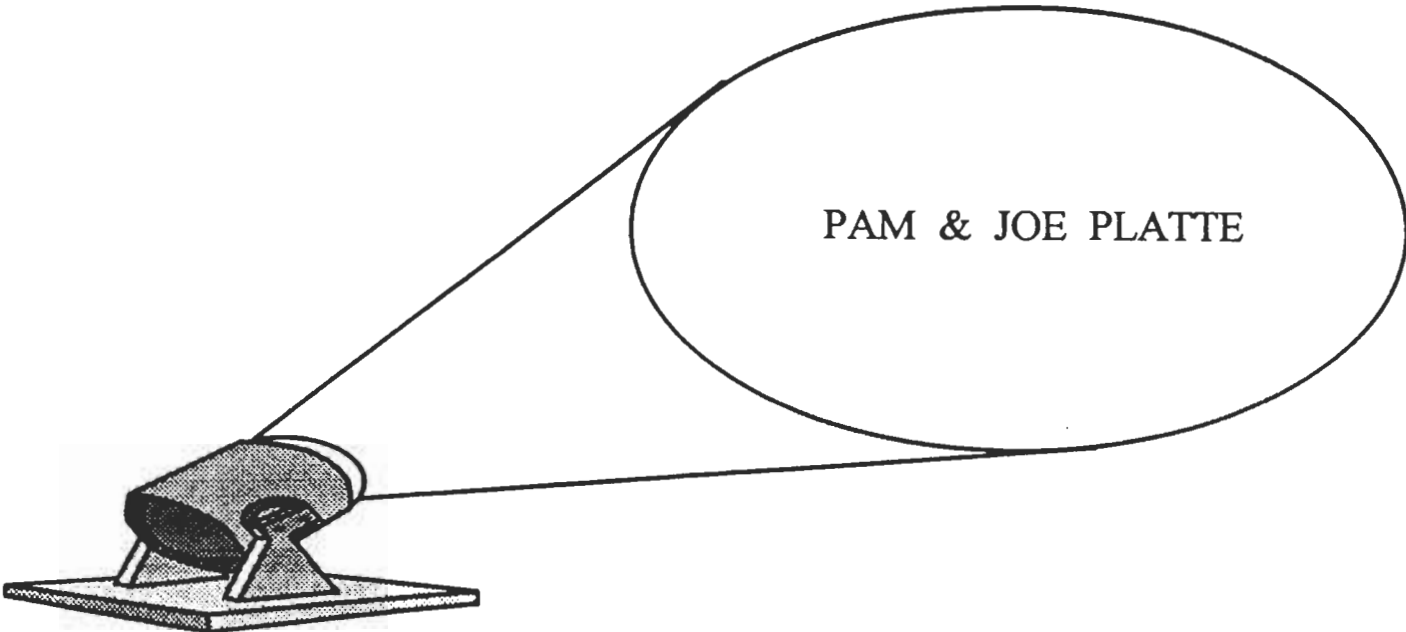

Joe and Pam have been members of the Capital City Corvette Club for 13 years. They are shopping around for the "perfect" Corvette. They live in Lansing and have one son who is 17 and lives at home.

Joe enjoys most sports, especially Bowling and Softball. He is employed at Meijers and has been there for 9 years.

Pam is a cat lover and loves to travel, especially cruises. She is also employed at Meijers and has been there for 25 years.

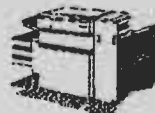

Together they enjoy country line dancing, Corvette club activities and hope to vacation in Florida during the Winter for awhile.

It's great having Joe and Pam as fun member's of our club.
