VOLUME XXVII - NUMBER 10 - OCTOBER 1997

---

Dear Members:

It's time to Rallye! If you like to rallye this is your month. Almost every weekend has a rallye or two. The CCCC Rallye is scheduled for October 12<sup>th</sup>. Please see the enclosed flyers for details.

We will decide at the October General Membership Meeting if we will head down to Jackson Harness Raceway this month to eat dinner, watch the races, and try our luck on the horses. There are only two or three weeks of racing left, so if you are interested, attend the General Membership Meeting or check with a Board member shortly after the meeting to find out what was decided.

For those of us who couldn't go on the Corvette Museum and Assembly Tour, Dennis and Elaine O'Hara share their experience in this month's newsletter.

It's once again time to renew our memberships. Enclosed is the renewal form. The renewal forms will also provide current information to be used by board members for a phone tree. Loretta will explain at this month's meeting, how the phone tree will aid us in carrying out spontaneous events. This will allow any member with an idea for an activity to call a board member with the details of the event. The board member will then relay the information to the other board members, who will then have a list of about ten members to call regarding the event. (I think that's how it will work.) A membership list with addresses and phone numbers for the exclusive use of our membership is being assembled. If you do not wish to have your address and phone number included, please indicate this on your renewal form.

Finally, if you would like your article printed in the November Newsletter, the deadline is Thursday, October 23<sup>rd</sup>. Please address your articles to Christine Krisztian, 4600 Oakwood Drive, Okemos, Michigan 48864 or call 517/347-6701 to make other arrangements to drop off your article.

Chris

The temperatures are falling and the leaves are turning color, it would seem that Mother Nature is trying to tell us something. Fall is approaching and quite quickly I might add. There should still be a few good Corvette weekends left and we want to take advantage of them.

October is well known for rallies and if you like to rallye, you will not be disappointed in how many rallies are being offered. You will find flyers for all the events being held in our Region for the remainder of the competition season. If you have any questions regarding any of these events be sure to contact me.

In addition to the competition events, we are also exploring a number of social events. We would like to thank you for your completion of our questionnaire regarding possible social outings. We are happy to report the top vote getters were:

#### Weekend Trips:

Toronto and Chicago

#### Day Trips:

Mt. Pleasant, Lake Michigan, and Frankenmuth

#### Other events of interest were:

Horse Racing and Lugnut games

Based on your input, Phil and the other

board members will be researching these possibilities for what we can do from now until the end of the year and what we should be pursuing for next year.

This is also the time to think about Board nominations. Nominations will be opened at the October and November General

#### Membership

Meetings. If you are interested in a board position, you may like to know what the duties and commitment may be.

The upcoming General Membership Meeting should prove to be very social as our agenda will focus on some recent videos taken by our club members. Phil Zeller

has taken a lot of footage over the summer, some at Spartan and some at Mackinaw. We also have some footage of the drag races that were held at Stanton September 20. If you were not able to attend these events, you will not want to miss the videos.

President's Report

Meeting called to order at 7:20pm. Loretta asked that members show up at 7pm so that we can start the meeting on time, and then we can order our food at 7:15pm. Last months general membership meeting minutes were accepted.

Competition Report

The low speed events are over for the year. The drags are next up on September 20<sup>th</sup>. The club is planning to meet for breakfast at the Log Jam in Grand Ledge at 7:30am. We will eat and shoot for 9:00am at Stanton. There will be 1 record drag and 2 bracket runs. Loretta explained the events, rules, etc. October 5<sup>th</sup> there are 2 Rallyes coming up in Kalamazoo. October 12<sup>th</sup> our club will have 2 Rallyes. October 18<sup>th</sup> Great Lakes CC will have their two Rallyes. The Region meeting is September 9<sup>th</sup>.

Governor's Report

Dennis said the Governors meeting will be in Louisville, KY, on September 13<sup>th</sup>. On Friday, Sept. 12<sup>th</sup> there will be the museum and Factory tour. The 1998 Vette convertible will run down Route 66.

Membership Report

Nancy said we have 61 members. She passed out Vette Club (CCCC) brochures that we can use to explain our club and help solicit new members. We then discussed ways we can increase our membership.

Social Report

Phil said we are set to scramble golf (is that like eggs) at the Mason Hills Golf Course, Sept. 28<sup>th</sup>. Cost will be \$10 per person and will include 9 holes and a cart. Tee time is 3pm. In the works is a get together at the Jackson Harness Raceway for dinner and betting. The date is open, possibly first week in October. Loretta explained the social event survey handed out to the members. This will help the CCCC Board know where member's interest are and better plan next years events.

Treasurer's Report

Kenneth said income & expense reports and transaction reports for August are available if you would like a copy. He gave an end of month balance. Also available is a year to date transaction report. Members were asked if they were interested in selling the Discovery Passbooks this year as a fund raiser. Since there was no interest, they will not be sold by the club.

Public Relations

Steve deferred to items already discussed.

Points Report

Mike said points sheet should be filled out for any corrections and turned into him.

Newsletter

Christine said the deadline for next newsletter is September 23rd.

Secretary's Report and Old Business - no report

New Business

Discussion on next years Mackinaw City event and where we might stay.

## GOVERNOR'S REPORT SEPTEMBER 1997

*We just returned from September Governor's meeting in Louisville; weather was great; the Corvette Museum and Assembly Plant Tour was the best, and we got some time on the road in the vette. Overall, the meeting was a good meeting with good attendance from other clubs and regions across the country. The following is a synopsis of what was discussed and presented. If you have interest in any specifics in any area, I will have the complete minutes in the near future that I will be happy to share with you.*

### *GAIL DAWCEY - V.P. MEMBERSHIP*

*The activity and growth in the clubs that have 75 to 100 members has created a situation that has eliminated reporting clubs with 60 members. This gives us a new goal to shoot for. The total NCCC membership is 12,785 as of September 1997.*

*Membership renewals - it's that time again... You will find a renewal form in this issue of your Newsletter and we will be doing a mailing again this year to all members. We would like to have your renewal form and check returned to the club no later than the November 5th meeting. Your support in accomplishing this is appreciated. Our goal for '98 is a 100% NCCC club again.*

### *JERRY CLIMPACH - PARLIAMENTARIAN*

*Jerry reported that 28 clubs entered the Newsletter Contest in 1997. The 1st, 2nd and 3rd place winners are: 1. Boot Trail Corvette Club; 2. Cow Town Vettes; and 3. Corvette Troy. Complete details are in the upcoming issue of Blue Bars Magazine.*

### *LARRY NORWOOD - DIRECTOR OF PUBLIC RELATIONS*

*The National Corvette Museum has requested that the NCCC Display, a 50's-60's Diner with appropriate vehicles and memorabilia be held over until March or April of 1998. This display is really cool!! Also, NCCC club patches are on display which gives good visibility for NCCC member clubs. As a matter of fact, 2 people from Corvette Atlanta were carried at the museum. In the Diner - how romantic! NCCC will have an ad in the Fall edition of Corvette Quarterly - that will be the convertible edition.*

### *DENNIS PATRICK - BUSINESS MANAGER*

*The Museum/Plant Tour on Friday, September 12th was a great success: 180 tickets were sold; turnout was almost 100% with 168 people there (Elaine and I went); it was a great way to spend a day. If you can fit it into your schedule sometime, DO IT! It is worth the effort. We wrote a recap of the day and events in another part of the Newsletter.*

*No X&X Insurance claims since Convention. NCCC merchandise has a new vendor - more to come on that.*

### *ELANA SEIBEL - SERGEANT-AT-ARMS*

*She reported that Northeast Region will provide munchies for the November Hospitality Room.*

*JOHN OSBORNE - DIRECTOR OF PUBLICATIONS*

*The Convention Issue of Blue Bars is in the mail. Convention pictures will be on sale in November.*

*PATRICK DOLAN - DIRECTOR OF CHARITY*

*In 1997, 12 scholarships were awarded for a total of \$6,000. Any and all contributions to the scholarship fund for 1998 will be appreciated.*

*The 1998 Raffle Car will be a CONVERTIBLE! It will be provided by Chevrolet and not come out of an individual dealer allocation. It will be delivered through Jack Cauley Chevrolet at dealer cost. Tickets for the '98 Raffle Car are available now. In the past we would get them in February/March and only have until convention in July to sell them. Last year we achieved 100% ticket sales (sold 1 ticket per member). All the 100% clubs will be recognized in the winter issue of Blue Bars. The proceeds of the Raffle Car go to the National Kidney Foundation (NKF). Additionally, the Chevrolet Route "66" Convertible Announcement Tour raised \$11,000 for the NKF. Thanks Chevrolet!*

*DACE BELZ - VISION 2000 COMMITTEE*

*The Vision 2000 Committee has been formed to deal with future issues and set an agenda for growth and increase membership. There will be a survey coming out for your input and feedback. If you have thoughts or ideas, let me know and I will present them to the committee. This committee is comprised of members of the Board of Governors that will be developing future direction and do it with an eye toward the future and not politics or territorial issues.*

*CONVENTION '97/'98/'99 - Report by Chuck Heretta*

|                                                |                   |
|------------------------------------------------|-------------------|
| <i>'97 CONVENTION: Paid Adult Registration</i> | <i>669</i>        |
| <i>Day Passes</i>                              | <i><u>128</u></i> |
| <i>TOTAL</i>                                   | <i>797</i>        |

*Everyone was very pleased with the results of the Cleveland Convention.*

*'98 CONVENTION: Cleveland, OH*

*No report, but the shirts and stuff are available. I have a shirt. Order forms are coming if anyone is interested. St Louis will be having warm-up races in October and Gateway Raceway Park - 2 day High & Low Speed Events. If you are interested, I have the details. '98 Convention Registration information will be in the Renewal Packet and Blue Bars.*

*'99 CONVENTION: Denver, Colorado, sponsored by the Rocky Mountain Region.*

*Presentation and packets for convention were passed out. I have a copy for you to look at. Hotel will be in Denver and we will use a NASCAR Track, Pikes Peak International Raceway Park.*

*OLD BUSINESS - National nomination ballots have been mailed*

*NEW BUSINESS - A By-Laws change regarding Regional Executive recommendations will be on the ballot and voted on by Governors.*

## WHAT WE DID ONE SUMMER DAY

### SHOW & TELL AT THE CORVETTE MUSEUM & ASSEMBLY PLANT TOUR

Submitted by Dennis & Elaine O'Hara

Well, we just returned from Governor's Meeting in Louisville, KY on September 12/13. Weather was wonderful; car was running great; and I would like to share with you our activity filled day at the National Corvette Museum and the Bowling Green Assembly Plant that we attended prior to the weekend meetings.

As you know, the NCCC organized a tour for members that was self-supporting and allowed us to have a full day of the "corvette experience".

We started our day with members of other corvette clubs that had made their way to Smiths Grove, KY (just north of Bowling Green, KY). Everyone was up early, made sure the vettes were clean, washed, wiped down - you know, the things that we all say we are not obsessive about. We caravanned out at about 8:45a.m. Our group was about 12 cars; we were headed for Bowling Green.

We met up with the other folks from around the country at the Museum. We spent the morning wandering, looking, and wondering why we didn't have enough sense to hold on to those vettes we used to have...

The NCCC display was super. It depicted a diner, cars on display, Route 66, and the memorabilia that makes the early days of corvetteing such fond memories.

There is a display area of NCCC member club patches. Ours was right there with all the rest. The museum is a wonderful place to spend time and showcase some of the best examples of our favorite car.

We had a quick box lunch in the Museum Auditorium, then off to the assembly plant - lots of corvettes caravanning to the plant. We arrived at the plant, parked all the corvettes together and walked into the plant - big lot, long walk. We met up with some of the folks that came down from Louisville - they were on their way to the Museum.

We went to an area and met up with our tour guide "Mike" and became a group of about 20 at that time. We entered a facility that is 1 million square feet of air conditioned space, filled with people, machines, robots, parts and computers all with the single purpose of producing Corvettes.

They told us it is about 4 days from start to finish to produce a vette, and takes about 1,000 people in the plant to accomplish it; not all working on the same car of course!

*Show & Tell - Page 2.*

We started off in the area that produces frames and moved through all the stages until the body and chassis came together. Then wheels, cockpit, interior and all the other pieces came together just prior to filling all the fluids - oil, power steering, etc. Then the magic moment! They light it up! Elana Siebel from the Kalamazoo club was picked from our group to help give birth to a new C-5 convertible. Actually, she started it up for the first time right on the assembly line.

The amazing thing is, all of these pieces and parts of various colors and destinations get to where they are going and where they need to be at the right time and sequence.

Then continuing on down the line, all the final fit, finish, and inspections take place - and some bumps in the road to settle the suspension down. Then every corvette goes onto the Dynamometer and Test Acceleration Booth to go through a simulation of various speeds, acceleration and systems checks for a go/no go rating. While in this station, the car accelerates to over 60 MPH and does some serious jumping around as they check steering, brakes, transmission operations, to name a few.

Then...we had a surprise which was the highlight of our tour. We saw the '98 Indy 500 pace car prototype! It was outrageous - Laser Blue with Canary Yellow alloy wheels and Blue and Yellow leather interior. It surely will stand out in a crowd!!

Unfortunately, the 90 minute tour was over. Would I like to see it again? You bet! And probably will.

If you can fit this tour into your plans - do it. Wear comfortable shoes and be prepared to be impressed. We know there were 166 people, other than us, that were.

Remember - *"Save the Wave"*

# **SPOTLIGHT ON OUR MEMBERS**

Bill and Bridget have been married for two years. They own a 1985 Corvette which they have had for 5 years. They also owned a 1972 Corvette which they sold this year. Bill joined our club 3 years ago, Bridget joined when they got married. They purchased a new home in Grand Ledge where they have lived for one year. They have 1 dog, Bill has 3 adult children and 4 grandchildren. They are both employed at the John Henry Co. Bill has been there for 29 years, and Bridget has been there for 2 years.

Bill enjoys racing the Corvette, golf and he is a liscensed pilot.

Bridget also enjoys racing the Corvette, golf and sailing.

Togeather they enjoy traveling. They just purchased a camper and in December plan to vacation in Florida. When asked about retirement they said "We will never retire". It's a pleasure having Bill and Bridget as part of our club.

RENEW YOUR MEMBERSHIP NOW!

Dear Fellow Member:

The deadline for membership renewal has been moved up this year and we are asking for your help in meeting this year's deadline. The deadline is November 15, 1997. However, with your cooperation, I would like to turn our club renewal in at the November 15th Governor's meeting in Louisville, KY. Our club goal this year is to have 100% NCCC membership along with our Club renewals!

We will have a General Membership meeting on Wednesday, October 1st and November 5th. You can renew then.
