VOLUME XXVIII- NUMBER 6 - JUNE 1998

Dear Members:

June once again finds us with a variety of competition events, including low speeds, matching times, and rallyes. Our own CCCC Low Speed and Rallye events, put on in conjunction with the Jackson Corvette Club will be on June 20th. Plan on coming to participate in or help run the event or both. If you've never raced or helped at a low speed event before, don't worry. There will be plenty of people there who have and will help you. It's really pretty easy (as long as you listen to Steve and Loretta) and quite fun to do. As Steve explained to me last year before I got on the track, "just pretend you're late for work". If you're still not convinced, you can still come and just watch.

Don't forget the July General Membership Meeting will be replaced by our Annual Mini-golf Challenge with the Jackson Corvette Club. Please see the enclosed flyer for more details.

Please note the earlier deadline for submitting an article for the Newsletter. As you can tell by the arrival of your Newsletter I am having a more and more difficult time getting it to you in time for the General Membership Meeting. Due to summer festivities, (Weddings, Graduations, Vacations, etc.) and all the Corvette activities, it is necessary for anyone wishing to have their article in the July Newsletter to submit it by Friday, June 19th. Anything received after the deadline will be printed in the following month's newsletter (if it is still pertinent). The earlier Newsletter deadline will continue throughout the summer. Please address your articles to Christine Krisztian, 4600 Oakwood Drive, Okemos, Michigan 48864, e-mail me (please call before trying this) or call 517/347-6701 to make other arrangements to drop off your article.

☛ MEETING NOTICE ☛

The June General Membership Meeting
will be held Wednesday,
June 3 at 7:00 p.m.
at Richard's Food and Drink
(4105 North East Street, Lansing)
DINNER ORDERED AT 7:15

Parades, car shows, speed events, parades, car shows, and more speed events - summer is truly here and we are going to have a great time!

Our season has gotten off to a good start. In spite of cloudy skies, our Open House at Holt Auto Sales was a huge success. We were very happy to see so much support from our fellow region members. Coventry, Kalamazoo, and Flint helped make our day the success it was and for that we are very grateful. I would like to thank all of you for coming out to help and welcome new members. The hot dogs weren't bad either.

How did you like our mini-rallye on the 6th? Fun, wasn't it! The rallye was designed to help you get ready for the real thing. The Great Lakes Club will host two rallyes on the 31st and trust me, you will be happy that you had a chance to practice.

Our bingo and ice cream social at Tamarack on the 16th was another huge success. I really appreciate the efforts put forth by the membership for this event. The Tamarack residents were thrilled with the event and look forward to us coming back again and again. If you were not able to participate, you have no idea how much happiness we were able to bring to these people. Thanks again for your support.

We have a number of social and competition events coming up in the next few weeks.

Memorial Day weekend is always filled with events. Parades and Speed events top our list of things to do. Then we move to the rallyes being held on the 31st.

If you would like to try your luck at racing, the Grand Valley Club will be hosting events on the 6th of June at the West Michigan Auto Auction.

CCM will then be hosting events on the 7th at Flatrock Speedway in Flatrock, Michigan; followed by speed events at Flint Auto City on June 13 and 14 hosted by the Flint Club.

We will be hosting speed events with the Jackson Corvette Club on Saturday, June 20 at Spartan Speedway. Workers are always needed and welcomed. We will be having a picnic at the track after the events and if you would be so kind to bring a dish to pass, it will be greatly appreciated.

I would like to remind you that we will be playing miniature golf on July 1 in place of our regularly scheduled meeting. This is a great social event and gives us a chance to visit with our friends from the Jackson Club.

For those of you that will not be venturing off over the July 4th weekend, we are once again planning to participate in the Mason Parade. This year we would like to have a picnic at the park in Mason prior to the parade.

As I said, we have a number of things planned over the next few weeks and months, so keep you calendars handy as not to miss anything.

President's Report

We will leave Flap Jack at 8:30 a.m. to head down to the Marshall Memorial Day Parade. We're all set with Jackson for the Low Speed/Rallyes on June 20th. The drags on September 19th have been cancelled. Huron Valley Corvette Club would like to do a social event with CCCC. After reviewing the year's calendar, Nancy Dodson volunteered to look into the races at Schwartz Creek as an alternative to Jackson County Harness Raceway. These two options will be presented to the membership and Huron Valley. The Bingo/Ice Cream Social was a great success. The residents of Tamarack Apartments appreciated the event and would love to have the club back again. A good time was had by all who attended. Dennis and Elaine O'Hara are in charge of the Mini-Golf Outing on July 1st (replaces our general membership meeting). Possible locations of the picnic after the 4th of July parade in Mason were discussed, there is a park located nearby.

Public Relations

There will probably be no Corvette night on June 19th at Spartan Speedway. Steve has been trying to get a hold of the track to confirm this, but has had no luck so far. The Open House on May 1st went well, Holt Auto Sales thanked us for a well planned event. Holt Auto Sales also has pictures available of the Open House.

Governor's Report

Please see Governor's Report.

Membership Report

We've added two new members.

Social Report, Points Report, Secretary's Report

No report.

Treasurer's Report

Balance reported.

Newsletter

Nothing to report.

Competition Report

See Newsletter and President's Report.

New Business

The possibility of a fund raising activity was discussed. It will be brought up at the general membership meeting. Possible activities mentioned were "topless" (cars or guys only) car wash or a garage sale. The only dates available this summer for such an activity since the calendar is already quite full of events would be June 27th or August 1st.

Old Business

None.

GOVERNOR'S REPORT

April 25, 1998

TREASURER'S REPORT

Money collected from raffle tickets should be turned in as soon as possible, because the Corvette to be given away at Convention has been ordered and will need to be paid for upon delivery.

It was reported that as new editor, Loretta Spinrad saved \$3,000 on the first issue of *Blue Bars*.

COMPETITION

Record drags scheduled to be held in Michigan in September has been canceled.

Rule changes are as follows: For Group I, replacement exhaust systems are allowed as long as the tubing is equal in size to that of factory exhaust. Gaged exhaust is **not** allowed. BF Goodrich G Force tires are **not** allowed for Group II.

The proposed wheel-to-wheel racing wasn't approved by National because it would not benefit a majority of the NCCC membership.

MEMBERSHIP

There are currently 12,496 National members. There were 13,100 last year. The Membership Director stated that the goal for this year is 13,001.

Future Corvette Owners (FCO) has 578 members. This is approximately a 50% increase in FCO membership.

CORVETTE MUSEUM

The Diner will be at the Corvette Museum, located in Bowling Green, Kentucky, until June, 1998.

BUSINESS MANAGER REPORT

In regards to K&K Insurance, there has been only one minor incident this year compared with **two or three** at this time last year. The Governors were reminded that **if an incident happens at any event, fill out an incident report form.**

There is still no web page for NCCC, but it is **still being worked on.**

The next Governor's meeting will be in **Bowling Green, Kentucky (September)**. The cost will be **\$5.00 per person** for group rates for touring the museum. There are **no plans for a factory tour on Saturday**, but tours **are held on Fridays** from 9:00 a.m. until 1:00 p.m.

CHARITY

The raffle car ordered is red, with a black convertible top, and black interior. It is due for delivery in **June or July**, and the winner will be drawn at convention. The 100% clubs are a little slow coming in this year, so buy your raffle tickets soon.

The Michigan Region donated \$500 to the scholarship fund. (There were 9 scholarship applications received by the May 1 cut-off date).

The charity committee needs help at convention, both at the hotel and at convention booths. People who help will receive extra benefits, such as an umbrella, hats, and lunch. **Convention '98 (St. Louis, MO) will feature** plenty of entertainment, with lots to do and see. **Wednesday night will be a free night so people can go out on the town.** There will be a costume party Thursday night, with the costume theme being from the TV series **M*A*S*H**.

BLOOMINGTON GOLD - CAR DRAWING OUTCOME

Due to lack of funds from Bloomington promoters, the 1998 Corvette was not given away. In October, an auction of assets was held and the new owners were given an opportunity to pay for the car for the winner. They elected not to do so, but with the help of a couple people in Missouri, NCCC will receive a 1998 Corvette for the giveaway, courtesy of Route 66, Chevrolet Motor Company and other sponsors.
