From the president . . .

Loretta Spinrad

It is time for spring cleaning and do we have a deal for you. The club will be sponsoring a Garage Sale, Saturday, May 22 and we are asking for your help.

Everyone probably has a ton of stuff they no longer need and have considered donating to charity or having a sale, but haven't found the time. We will gladly take your cast - aways off your hands.

In addition to stuff, we will need workers. So put Saturday, May 22 on your calendar. We will really need your help.

As spring approaches our calendar is going to get busier and busier.

The Region Banquet is quickly approaching. Be sure to send in your reservation and check, you only have one week left.

We also have two other big events going on in March. Bingo at Tamarack Apartments and Bowling.

The Bingo is an event for the senior citizens at Tamarack. They really enjoy having us and it is fun. We are asking for donations. Some type of gift for game winners and/or treats for the ice cream social afterwards.

Last year they had quite a group that came to play so a number of prizes will be appreciated.

Volunteers will also be appreciated. These people really enjoy

themselves so helping is really fun. We need people to help them watch their cards and serve desert afterwards. So put March 13 on your calendar.

Phil and Angie are planning the annual bowling challenge with Jackson. We have a reputation to maintain. Last year I believe we lost by a small margin, we need to regain our winning position so limber up and come out to support the local team (us)!

We are trying to plan an Open House at Holt Auto Sales. We will be trying to nail down a date in the next week or so, so you will want to have your Corvettes washed and shined and ready to go. I am not really sure why, as it always rains on that day. Maybe this year if we all drove dirty cars, it would be sunny. Never mind, dirty cars just doesn't make it. As a reminder we have free hot dogs and soda so even if it does rain, we have a good time.

Our next big event will be the drags on May 8. Please bring your cars out to participate. If you know someone that enjoys Drag Racing bring them along too. Metal body cars are welcome as we will have a special program for them.

If you are not into racing, workers are always needed.

GOVERNOR'S REPORT

February 20, 1999

TREASURER'S REPORT

Ticket sales for the Raffle car are slow right now.

(If you would like to see a copy of the financial report, see Mike Dodson, Capital City Corvette Club Governor)

COMPETITION

First place in competition (overall points) for 1998 goes to Corvette Atlanta.

MEMBERSHIP

There are currently 12,389 members in NCCC.

A vote at the April meeting will be taken to decide the location for years 2001, 2002, and 2003 Governors' meetings.

The proposed locations are Louisville, Kentucky, and St. Louis, Missouri.

BUSINESS MANAGER

The NCCC web page has been up since the third week in September. As of the date of this meeting, there had been 4,200 hits on the NCCC web site.

K&K Insurance is reorganizing. It was noted that they also cover the cost of club equipment, such as timing lights if they are damaged.

PARLIAMENTARIAN

There have been 18 entries for the Newsletter contest.

DIRECTOR OF CHARITY

A Corvette club in the Florida Keys received a check from NCCC for damages caused by a storm, and a check was sent to a Michigan club member as a result of a heart problem.

There isn't much information on the 1999 raffle car, other than it will not be a convertible.

Applications are available for scholarships. In 1998, there were sixteen, \$500 scholarships given.

If clubs decide to make donations to the National Kidney Foundation, the Charity Committee prefers they go through NCCC. This helps strengthen the relationship NCCC already has with NKF.

STEERING COMMITTEE

So far there has been a low response for attending the National Convention in Denver. This may be due to membership packets not being mailed out yet. It was mentioned that there is free shuttle service from the airport to the hotel 24 hours per day. Also, for competition, 5-point safety harnesses more than 2 years old will not be allowed, per NHRA track rules. (This applies only to Group II and Group III).

In reference to the year 2000 convention at Traverse City, there has been some talk of opposition to the format in that it does not include high speed competition.

FUTURE CORVETTE OWNERS OF AMERICA (FCOA)

There are now 791 FCOA members. The goal for this year is 1,000 members. FCOA packets will be sent out in March.

Check www.FCOA@aol.com. A dinosaur display is at the Corvette Museum in Bowling Green until April 19th. This is there as an educational display so a tax break can be taken advantage of.

PRESIDENT'S REPORT

The Corvette Museum is taking donations so they can buy the property behind the museum. They would like to build a road course on the property.

Get-away **Weekend** **at** **Shanty Creek Resort**

**July 4th Week-
end 1999**

**The reality is here!
The challenge is ours!
Onward, upward, and
full speed ahead!**

We are well into the planning stages of this convention, but there is still a lot of planning and work to be done. Please be thinking about the level of commitment you will be able to make, things you enjoy doing and where you may be able to offer assistance. You may want to volunteer to work on more than one committee based on the time you have available. Don't be shy, step right up and volunteer!

In preparation for convention and to help with our planning efforts we are planning a trip to Traverse City this July. We will be leaving Lansing early Saturday morning July 3rd. We plan to stay at Shanty Creek Saturday and Sunday evenings and some of us will be staying longer. **The room rates will be \$75.00 per night over the week-end and \$55.00 per night during the week.**

This will definitely be a work weekend, but we will find plenty of time to enjoy the sites. It will also be Cherry Festival time in Traverse City. We feel it is imperative that we spend time in the area to better acquaint ourselves with the locale and plan our events. Your support will definitely be appreciated.

If you plan to help with convention, we would really like to see you at Shanty Creek over the 4th. **Time is running out for reservations, so if you can join us please contact me so I can confirm your reservations.** A check in the amount of \$75.00 or credit card number will be required to confirm your room. If you have any questions please don't be shy.

Loretta (517) 372-4380

Do you need a club shirt?

This will be your last chance to purchase club apparel at reduced rates!. We have Golf Shirts, Sweat Shirts, and a few Denim Shirts that will be sold at our next meeting at a very good rate. After Wednesday, the prices will be going up.

Over the last year our inventory has been growing so this will be a good chance to purchase a shirt before a new order is placed and the prices go up. Bring your money be prepared to shop!

I will be taking orders for future purchases, but we really need to deplete our currently inventory first.

Loretta

IMPORTANT

Do you plan to participate in the Labor Day Caravan? Would you still like to go to Mackinaw?

If you cannot make the "Corvette Road Tour" on Labor Day Weekend, or even if you can, perhaps you would like to go to Mackinaw for the Corvette Weekend. Elaine and I, and a few other folks will be going to Mackinaw on August 27-29. We have contacted Downings and blocked out 10 rooms at last year's rate of \$75 per night. If you want to go, you can make reservations by calling (616) 436-5528. Tell them you are with the Capital City Corvette Club to get the \$75.00 rate. You will also need to indicate your smoking preference. The cut off date for reservations is July 15, 1999, but I wouldn't wait too long to make your plans. Whether there is a caravan, etc., will be determined by who is going and when they want to leave. In any event, if any of you want to join in, the parade is Friday evening . . . Save the wave!
