Calendar of Events for August 1999

From the president

Loretta Spinrad

Well Gang, the 1999 Convention is in the past and July 2000 will be here before you know it. We have already put a lot of work into our convention plans and believe me it has just started. I would really like to thank everyone that attended our planning weekend at Shanty Creek. I think we made a lot of head way and everyone had great ideas, all of which continue to be explored. If you have not been able to attend the club meetings in the last couple of months, the following is a recap of our convention status.

- The Convention Brochure for 2000 has been completed and is currently in the process of being printed. We will be able to begin distribution at the Mackinaw and Carlisle shows. We will also have a large supply available for the NCM caravan the 1st of September. This brochure will provide a great marketing tool for NCCC and convention both.
- Our shirt vendor has been selected (Aarons Sportsware) and shirts have been ordered with sales to begin at the Governor's Meeting in September. If you would like to attend the meeting in Louisville and help sell the shirts be sure to let me know. This will be a great opportunity for you to market our convention ideas and see what really goes on at Governors Meeting. To date the people that have signed up for the September Meeting are: the Hanses, the O'Haras, the Taulbees, and of course the Dodsons and Spinrads. There are never too many people to help so if your calendar is open, please consider joining us.
- There has been a schedule change for convention. We will be hosting a low speed event on Tuesday only, with the Mackinaw Day moving to Wednesday, and Drag Racing on Thursday. Drag Racing will be a nice addition to our plans.

We have had a very busy summer, beginning with our garage sale, then our Shanty Creek weekend, and our race events during July. All of which were very productive.

I would really like to thank Phil and Angie, Phil and Cindy, Gloria and Simon, and Mike and Nancy for the tremendous amount of work you did over the race weekend. Without your efforts it would have been impossible to have accomplished all we did. Thanks again.

Congratulations to Chris and Ken on the arrival of their lovely daughter Andrea. Just in case you were not aware, Andrea was born two days after her baby shower. What timing!

Our next event will be the mystery dinner being hosted by Cindy and Phil Hanses on August 14. You will find a flyer in this issue with the details, if you did not sign up at the last meeting be sure to contact them to reserve your spot.

Several of us will be attending the Mackinaw show at the end of the month. I am sure Nancy Dodson would appreciate any help you may wish to offer at the NCCC table. As Michigan's RMD, Nancy will be responsible for NCCC membership recruitment. Pat Dolan will have raffle tickets for the 2000 giveaway car and we will want to promote Convention for 2000. All in all there will be a lot going on, so if you have some spare time, be sure to stop by the booth and offer assistance.

Our next meeting will be just before the 1999 Caravan and Labor Day. I still do not have specific information about the caravan and there is nothing posted on the Web. As soon as I know something I will let you know what the plan will be on leaving Lansing.

Once again, thanks for your help and support with all our projects.

Loretta
