from the president . . .

Loretta Spinrad

Congratulations on a job well done! I would like to thank Phil Zeller and Angie Zea, Phil and Cindy Hanses, and Mike and Nancy Dodson for their hard work in making our Convention Shirt Sales a success at the last Governor's Meeting. These folks did a fine job and their efforts are greatly appreciated.

We have done a lot over the last month all of which should prove to be beneficial with our convention planning.

First, there was the Labor Day Caravan to Bowling Green. This turned out to be a huge event with over 6,000 Corvettes and 60,000 people in attendance. The Michigan Caravan started at Oakland Community College in Farmington Hills with 300 cars and a lot of very anxious people. This gave us an opportunity to distribute the Convention Brochure and talk to people about next year at Shanty Creek. I am happy to report we received a very positive response.

As we left Michigan, the sight of 300 Corvettes was quite breathtaking to say the least. And a special thanks to the State troopers that helped us all the way to the Ohio border, I wish they could have continued on with us.

In Ohio we stopped at Bowling Green University for a short break and were joined by more Corvette Owners.

On the road again. Upon leaving Bowling Green it started to become a little bumpy, not with the pavement, but with the truck drivers. They were not happy with us and some were doing their best to make our drive a little uncomfortable. Lunch was a welcome relief.

When we stopped for lunch just south of Dayton, we were joined by a few more caravans coming from the east. Now our group was really growing which didn't help our situation with the truck drivers. Between the traffic congestion, construction, and the truck drivers, we struggled to stay together, but we finally arrived in Louisville about 5:00 p.m. Thursday evening where everyone had a chance to unwind and prepare for the next leg to begin on Friday.

It was exciting to see so many Corvettes in one place, but I don't think anyone was prepared for the sight they faced Friday morning, I know I wasn't.

Line up was once again early, very early, 6:30 a.m. It was still dark. As we pulled into the fairgrounds, you began to get a feel for the situation, but it was not until

the sun appeared over the horizon, did you know. Little by little 3,000 Corvettes had found their way to the staging area. The sight was unbelievable. The news media was overhead with helicopters, there were cameras and television personalities all over the place. It was a great experience!

Unfortunately, the lineup was one of the biggest highlights of the day as shortly after departing (15 seconds) the caravan was broken up due to an overturned truck on the highway. What a mess! It was as the caravan all of a sudden didn't exist, it was every person for themselves. Our group stayed together pretty well and made the best of the situation. We were fortunate as we all had CBs so we were able to stay in constant communication, which really helped.

We arrived in Bowling Green later Friday morning in plenty of time to explore the museum, exhibits, and vendor tents before collapsing at our hotel.

Our group worked hard promoting the Convention and my sincere thanks goes out to Bridget and Bill Stehouwer, Irene and Steve Quick, Nancy and Mike Dodson, Cindy and Phil Hanses, and my copilot, Steve. Everyone did a great job!

Between the Mackinaw Show, Bowling Green, and Governor's meeting the word is really starting to spread. If the response is any indication of what our convention participation will be, we may need to use all the space at the resort, including Schuss and the new hotel, Cedar River!

Convention planning has not been our only activity this month, even though it may seem like it at times, we did have our annual golf outing, Sunday the 19th. The turn out was a little disappointing, but we had a great time anyway. I can see Steve will need a new set of clubs soon. And Nancy, for Christmas, maybe golf teas for Steve would be appropriate, what do you think?

We had a beautiful day and a lot of fun. After the game we retreated to Sammy's so we could listen to Phil Zeller explain how we lost. I still contend we should have received an "age" handicap.

Now, in October, we will be hosting our Rallyes on the 17th and I hope you will be able to come out and support our efforts. Details are outlined on the enclosed flyer. We look forward to seeing you! We were originally going to the horse races on the 23rd; however, this has been postponed until November 6th so it can be combined with a convention planning meeting. We will

from the president, continued . .

once again be selling shirts at the November Governor's meeting. To close our year, we will be hosting our annual Holiday Dinner on December 1. Due to a policy change at the Raindeer farm, this year's dinner will be at Damons located on Lake Lansing Road at US27. Nancy Dodson will be providing more details regarding this event in next month's newsletter.

We have had a very busy summer, hopefully a summer that provided you with ample opportunity to enjoy yourselves!

Election of Officers

We will be holding our annual election of officers at our December Holiday Dinner. Nominations will therefore be open at the October and November Meetings. If you have a desire to devote your time and efforts in supporting the club you may want to consider running for office. All positions are voted on each year.

President - must have served on the board at least one year prior to election. The president is responsible for the overall direction of the club and must be willing and able to oversee all events and positions if necessary. This person is expected to attend all CCCC functions to promote the club's activities.

Vice President Competition - must know and under the NCCC rule book and points system for the club. The competition director is responsible for all competition events, sanction requests, event summaries, and awards. This person is also required to be at all CCCC competition events. This person is also the club's representative for the Region and is expected to attend Region Meetings and report back to the club on all region activities.

Governor - this person is the club's representative to the National. This person is expected to attend the NCCC Governor's Meetings and report back to the club on all NCCC activities.

Membership Director - this person is responsible for new member recruitment, handling renewals, and keeping track of all membership activities. It is expected this person will attend all CCCC functions to promote the club's activities.

Social Director - this person is responsible for arranging and promoting all CCCC social activities. It is also expected that this person will attend all CCCC social

functions to promote the club's activities.

Public Relations Director - this person promotes the club's interest at events and solicits sponsorship monies and items. It is expected this person will attend all CCCC events to promote interest in the club.

Points Director - this person is responsible for keeping track of all the points for the general membership and providing a monthly update of points standings for the newsletter.

Secretary - this person is responsible for taking and publishing the minutes for all meetings. Minutes to be posted each month in the club newsletter.

Treasurer - this person is responsible for the club's treasury. Making deposits, balancing the books, making appropriate reimbursements to club members, and paying bills.

Newsletter Editor - this person is responsible for publishing the newsletter each month. This includes gathering reports, printing, and mailing the newsletter to all club members.

The position descriptions as outlined are defined in our bylaws; however, the board is currently serving dual roles. One being the duties as required and outlined here and the duties as the Convention Steering Committee for our club, this means their duties have doubled for this year and will continue to be increased through this time next year. We also encourage people to participate, I just want to make sure that you understand the commitment that will be required for the next year if you desire to seek an office.

The Board of Directors currently meet once a month in addition to the General Members Meetings. As we get closer to convention, the meeting schedule may increase. If you have any questions regarding any of these positions, don't hesitate to ask me or one of the other board members.

DON'T WAIT TO RENEW YOUR MEMBERSHIP!!!!

The deadline for membership renewal is November 10th. Our club goal is to have 100% NCCC membership.

Consider renewing at the October 6th , or November 3th General Membership Meetings, or mail to NANCY DODSON, 305 E. HERBISON, DEWITT, MI 48820.

PUBLIC RELATIONS

Corvette Quarterly will carry an NCCC ad.

CHARITY

Raffle tickets are available for the 2000 model Corvette. Exact details (and a picture of the car) will be available at the November Governors' meeting.

The 1999 raffle car was returned because the winner's tax advisor suggested that he not accept the car, so it was sold back to the dealership. By doing this, an additional \$14,000 was available for charity. The \$34,000 car was sold back to the dealership . . . the winner of the raffle was given \$20,000 . . . which left \$14,000 extra for charity.

A \$15,000 check will be written from NCCC to the Transplant Games, which will be held next year in Disney World the end of June.

NATIONAL CORVETTE CARAVAN

It was determined that there were 6,000 Corvettes and 60,000 people who attended the Labor Day Celebration in Bowling Green over the holiday weekend.

CONVENTION

Loretta gave an update on the 2000 convention at Shanty Creek. Her update was well planned and presented professionally. Convention shirts were sold during the Governors' meeting. A big THANK YOU to Nancy Dodson, Phil & Cindy Hanses, Phil Zeller and Angie Zea for helping with the sale of the shirts.

BUSINESS MANAGER

MEMBERSHIP

There are 14,336 National members. The goal is 15,000. The Future Corvette Owners of America (FCOA) number 945. This is a 41% increase over last year.
