Capital City Corvette Club News

VOLUME XXX - NUMBER 4 - April 2000

It's time for the WKAR Auction!!! Arrangements have been made with the Jackson Corvette Club to work together again this year. Because of our many activities relating to the 2000 Convention, the CCCC Board of Directors has decided not to do this as a club event this year. *No club participation points will be awarded.*

However, this does give great exposure to the club and is a fun event. Since we will be "in front of the camera" we would like participants to wear club shirts if you have them.

For those who are interested, we are signed up to work the evening of **Saturday, April 8 from 5:00 – 8:45.** I need to give a general count soon so please sign up at the next meeting, or call Simon & Gloria Reiffer at 646-2180.

As always, free beverages are provided to all workers. Food will be available for purchase.

PLEASE NOTE: A parking ramp is being built behind the Communication Arts and Sciences building. We will not be able to park where we usually do. As a result, Dean Trailways will provide VIP transportation via a deluxe motor coach from the parking lot behind Burlington Coat Factory on Michigan Avenue, near Frandor Mall. We will provide a map and parking pass at the next CCCC meeting. They ask that we arrive at the lot by 5:00 so that ample time is available for instructions before going on air.

Capital City Corvette Club
Calendar of Events for April 2000

from the president . . .

Loretta Spinrad

We finally closed out the 1999 Competition Season in Michigan with the Region Banquet March 11 hosted by the Shiawasee Corvette Club. I would like to congratulate Cindy and Phil Hanses for placing second in the Region for Rallyes. This is no easy task as competing in rallyes takes a lot of patience, time and effort.

The Region Banquet provided an excellent opportunity to sell our convention shirts, an opportunity that proved to be very worthwhile for us.

You have probably noticed the club's calendar of events doesn't have a lot of extra curricular activities between now and July, a disappointment for some I am sure. I am very sorry about this, but until July, convention has to be our top priority. The Board has, and continues to be very busy planning most of the event details, easing the burden on the club as a whole. This, however, takes a lot a time and commitment on our part, unfortunately, not leaving a lot of time for other things. I hope everyone will be supportive of our efforts and realize this is only temporary. Our normal calendar of events will resume after convention.

Registrations continue to come in with each day's mail bringing our success a little closer. We will be seeing a lot of people that have never attended a convention before. They are very excited about their first convention, providing us a great opportunity - show them the time of their life!

Some quick convention updates:

- If you have not registered for convention, your registration needs to be postmarked by the 31st or the registration fees increase.
- The car show Sunday night at the casino will feature George Thurogood and the Destroyers (*Bad to the Bone*). I understand he puts on a great show. The casino plans on 8,000 to 10,000 people and we will be in the front row!
- Convention shirt sales are going very well. Irene has been very busy filling the many orders she continues to receive on a regular basis.

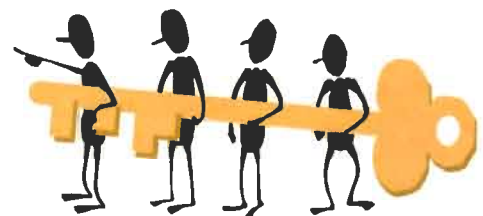

Now, for upcoming events. We have a convention planning meeting scheduled for April 15 at the Old Town Diner on E Grand River. Information about the meeting is outlined in this issue. We hope to see you at this meeting as your help is very important to our overall success.

Our People's Choice Car Show is just around the corner. We will be hosting this in conjunction with the Open House we have at Holt Auto each year. This is a great opportunity to get the cars out, meet people, and eat hot dogs! Now, tell me, what more could you ask for?

The next main event on our calendar will be the drags May 20. We will be working with the Jackson and Kalamazoo Clubs. As this will be a practice for Convention, your help will really be appreciated.

Convention Planning Committee Members:

Well gang, we are approaching the final stretch of this great adventure called Convention 2000. What seem like a "long time out" two years ago, is now within 100 days and counting, so time is certainly of the essence.

Our next planning meeting will be Saturday, April 15 at the Diner. We plan to meet at 4:00 p.m. then go to dinner. We will also be meeting at Shanty Creek over the Memorial Day Weekend.

The focus of the April 15 meeting will be to finalize plans as much as we can before the trip to Shanty Creek over Memorial Day. It will be important to have as much planned prior to Memorial Day as possible so details can actually be finalized over Memorial Day Weekend.

If you would like to be part of the planning meeting at Shanty Creek, rooms have been reserved under our club's name for Saturday and Sunday evenings with the rate being \$75.00 per night. We will leave Lansing at 8:00 a.m. on Saturday and plan to have lunch in Bellaire. We have a meeting scheduled with the hotel staff on Monday morning (Memorial Day) at 8:30 a.m. This will give everyone a chance to meet staff and ask questions regarding their events. Reservations can be made by contacting Shanty Creek directly at 1-800-678-4111.

Everyone has been working very hard and I am grateful. We are going to have a successful convention and I have all of you to thank, so bear with me a little longer.

Now for the April meeting. I am attaching an agenda and some goals for each committee. This way you will have some time to think about additional things that may need to be addressed prior to the meeting.

I would like everyone to wear their convention shirt as we will be taking pictures for the booklet. We will be taking group pictures and will have an article about each committee along with the event information. You may want to think about what you feel will be important to include in your committee's report.

Thanks again, and I look forward to seeing you in April. Any questions please give me a call at (517) 241-8352 between 8:00 a.m. and 6:00 p.m. or (517) 372-4380 after 9:00 p.m.

See you on the 15th!

NCCC Governor's Meeting
February 2000

The meeting started with a reaffirmation of the various officers and committees.

Officer Reports

Sergeant of Arms – Door prizes have been donated, cookbooks are still available. The cookbooks can be purchased at a cost of \$5.00.

Treasurer – NCCC has had an increase in revenue year-to-date in comparison with last this time last year. Expenses have decline year-to-date when compared to last year. As of 2/18 the Charity balance was at \$43,191.74.

Public Relations – National has a variety of advertisements running in various Corvette magazines. A few magazines have expressed interest in running articles relating to local events, and car stories. In you are interested in writing a Corvette related article for possible publication in one of the Corvette magazines, please prepare the article (complete with pictures) and turn it in. This year NCCC will have a booth the Chevy Vette Fest, Bloomington, Carlisle, and Bowling Green. A '57 Corvette beer stein is available for \$49 + 6.50 shipping. Call Don Adams of Central City Produce at 270-754-1992, if you are interested in purchasing any.

Pat Dolan – The transplant games will be held at Walt Disney World June 24-25. NCCC is a Gold Level Sponsor for the games. So far Corvette Cleveland and Buckeye Corvette Club are 100% club for the purchase of raffle tickets.

Competition – The competition committee plans to follow the existing schedule and procedure. RCDs have received the final points standing. The standings are also posted on the website. 1999 patch orders are verified.

Membership – As of 02/25 NCCC membership is 13,341. A goal has been set to increase membership to 16,000 members this year. A new membership brochure is being printed.

Parliamentarian – 21 clubs are participating in the newsletter contest. The bylaw committee will be accepting bylaw change request up to the convention meeting.

Editor – Send information to Loretta Spinrad for addition to blue bars. To be included in the next issue, information must be in by April. Try to include future events, as to encourage other NCCC members to participate in your events.

Business Manager – If an accident occurs, it should be reported to Dan and the insurance company. Be sure to get the waivers signed for all events.

Additional Reports

FCOA (Future Corvette Owners of America) currently has 1035 members. New application forms are coming out. All membership renewal packages have been mailed out. Please contact Rose if you do not get one within the next month. Also contact Rose to purchase a new rulebook (\$7).

New Business – Renewal packages are currently mailed out bulk mail. A motion, from the floor, has been made to mail renewal packages 1st class. This projected cost difference is approximately \$8000. The change will be reviewed by the finance committee, and the vote is to be held at the next scheduled governors meeting. Based on the vote taken at the Capital City Corvette Club's March General Membership meeting, CCCC will vote NO to mailing out the packet first class. Based on that same vote CCCC, if just the membership card was mailed out, a 1st class vote would be YES.
