VOLUME XXX - NUMBER 11 - November/December 2000

Happy Holidays!

The Board of Directors of the Capital City Corvette Club would like to invite you to attend this year's Holiday Dinner at the Rooftop Landing, Williamston.

We will not be holding a membership meeting in December so we urge you to attend as this is a great social event and a wonderful way to begin the holiday season with friends.

Social hour will begin at 7:00 p.m. with dinner will be ordered at 7:30 p.m. The Gift Exchange is always lots of fun so feel free to bring an inexpensive gift to participate.

As a reminder we will also be voting for 2001 club officers at this gathering and a possible new name for the newsletter.

Our next membership meeting will be Wednesday, January 3, 2001 at Richards Restaurant.

Happy Holidays to everyone and may you enjoy a prosperous New Year!

from the president . . .

Loretta Spinrad

Happy Holidays to one and all! As this year winds down I would like to thank everyone for the support given this year to the club events and Convention. Many sacrifices were made by several of you and there were times you may have felt these events had gone unnoticed, but believe me they weren't.

We will soon be planning for 2001 so I would like to take a few minutes to review 2000.

Because of convention, we did not have a lot of social events this year, but the ones we had were fun and very much appreciated. The mystery dinners, the banquet in January, the horse races, miniature golf and bingo at Tamarack. Thanks to the chairpeople and participants of these events.

On the competition side, we had the spring drags, the low speed events at Spartan, rained out drags in the fall, and our rallies. Once again, thanks to the chairpeople, workers, and participants of these events.

Our biggest and most involved event was the convention. The effort made by a small group for the enjoyment of so many was unbelievable, you are to be commended. The many planning meetings both locally and at Shanty Creek, the hours of hands on work, and the effort put forth was wonderful. In addition to the many club planning meetings, the members of the board met once or twice a month in addition to all the other meetings. All of this work took time away from families and other activities, for the benefit of our events.

And who are these individuals that made this all possible? Many are in the top ten of our club points standings. Ranging in points from 239 - 364. But not everyone responsible for the success of our events made the list of the top ten.

Bill and Bridget Stehouwer (190/168) offered a tremendous amount of support with our convention efforts. Chairing such events as the club and convention car show, working throughout convention at Tech and the low speed events among a lot of other duties. Bridget worked along side me handling all the timing at convention and I am proud to say we only missed one timed run due to some technical difficulties. We were fortunate to have the use of their motor home at all the events which was a huge effort on their part. If you have ever had to purchase gas for a motor home, you know what I mean. Bill and Bridget, thanks to you for your ongoing efforts in support of our club and its activities.

Next on our almost top ten list is Dennis and Elaine O'Hara (172/151). Dennis and Elaine were also very helpful in our convention efforts. There are a lot of things that go on behind the scenes that no one else realizes and are non-point activities. Like Dennis' efforts in advertising our events in the State Journal and the late nights spent with me sorting and resorting convention materials in preparation of meetings. The many trips made to Shanty Creek to help plan the events.

Thanks to you Dennis and Elaine for your continued support of our club and events.

Colleen and Rich Bratschi (156/115). For two new members, the Bratschi's have really jumped on the wagon in support of our activities. The door prizes for convention, their help with many activities both before and during convention have proved very helpful and greatly appreciated.

Gloria and Simon Reiffer came in at 142 and 133. Gloria and Simon are always ready to help out where they can. You may not be aware, but Gloria and Simon are involved in many charitable non-club activities which keep them very busy, therefore, any time they can give to our activities is greatly appreciated. So to Gloria and Simon, Thank You and keep up the good work you do and a special thank you for volunteering with the children's program at convention.

We have two more fairly new members, Ken David (120), and Debbie O'Day (121) which have become great assets to our club. Both have jumped in and volunteered even when they didn't know what they may be getting into. And I don't expect to see their contributions diminish in 2001. Ken has expressed his interest in increasing his support of our club by pursuing the Membership Director position and bringing a new member (Pam Fletcher) into our family as a possible secretary to our club.

Debbie, on the other hand has had to step back a little due to her mother being ill, but we expect to see a lot more of Debbie in the future.

There are a number of additional members that have made great sacrifices for our club for which I am grateful. No sacrifice is too small to be noticed.

To all our membership thanks for your continued support of our club and its activities and I hope to see you at our activities in 2001.

In order to plan an exciting 2001 season, we would like to have your input on the activities we pursue. Over the years we have hosted a number of social and competition events that have proved to be both successful and fun. As time changes so do people's needs and preferences. Please review the list of activities we have previously pursued and share your feelings. We would also like to explore the possibilities of new activities. I will need your activity sheets by the January meeting. You can turn them in at the December meeting, January meeting or mail them to the post office box.

Thanks, Loretta
