From the President . . .

Spring has Sprung! Finally. Who would have thought that we would be attending car shows in the middle of May and seeing snow flakes falling on our Corvettes? That is what happened to those of us who participated in the Corvette Celebration at Charlton Park. Thankfully the weather was much nicer for the Marshall Memorial Day parade the following weekend. Thanks go out to the Jackson Corvette Club for inviting us to their hog roast after the parade. The food was delicious.

It is encouraging to see the number of people who are participating in our club functions so far this year. Everything we have done has been well attended. It sure makes the effort put forth by our members who organize these activities seem worthwhile. We will continue to strive to offer a variety of activities that will appeal to the interests of a wide range of members. We certainly will offer something for everyone.

We picked up four new members since the last newsletter. John and Sandy Bechtel of Lansing joined at the May General Membership Meeting. They have a red '95 coupe. Don and Janet Johnston of Portland signed up at the Charlton Park Corvette show. They have a white '76 coupe. Welcome John & Sandy and Don & Janet. We hope to see you at many events this year.

The Board of Directors voted to make two minor adjustments to the points program at the May 22nd meeting. They are meant to clarify the way points are awarded to participants in car shows and parades. The changes are as follows:

Ten points will be awarded for entering any car show as a club event. This means that the event must be listed as a club event in the newsletter and not carry a NCCC sanction number. For instance, the Horsepower at the Zoo car show will be

worth 10 points because it is listed in the newsletter but does not carry a NCCC sanction. A show that carries a NCCC sanction number is considered a competition event which is worth 3 points.

Three points will be awarded for entering any parade as a club event. For instance, the Marshall parade is considered a club event because there was organized participation as a club, it was on the Club calendar, and a flyer appeared in the newsletter.

The main adjustment to the above is the addition of the phrase "as a Club Event". A "Club Event" can be defined as having a flyer or notice printed in the newsletter, appearing on the Club calendar, and having an organized effort to attend as a club.

I have been asked about the appropriate time to order dinner at the General Membership Meetings. Many people would prefer to eat before the meeting so they may be more involved, less distracted, able to take notes, etc. during the meeting. If you would prefer to come early to eat, I ask that you try arrive early enough to order and eat your meal prior to 7:00 if possible. Please ask to be seated in the meeting room so that the restaurant management knows that having our meetings there is a benefit to the restaurant. For those who cannot or prefer not to eat before the meeting, we will continue to order as a group around 7:15 so we can minimize the interruptions to the meeting caused by the wait staff.

See you at Richards Restaurant on Wednesday, June 5th at 7:00 p.m.

Happy Corvetting!

Phil Hanses

Public Relations . . .

We are in the process of seeking a new club sponsor. Greg has been in contact with the management of Pres Kool Chevrolet. They are making a decision about the possibility of becoming our sponsor. A couple of their sales reps have Corvettes. Greg has invited them to a meeting to get to know us. In the meantime, if you happen to stop into the dealership, be sure to thank them for placing an ad on the back of our "Horsepower at the Zoo" event T-shirt. Board members have been busy getting sponsors to cover the costs of the show this year. If you have business contacts that are potential sponsors, please let Phil Hanses know.

We continue to place public service announcements in the local newspapers to invite Corvette owners to our meetings. We are receiving a good response from them, and from the website.

Simon Reiffer

Social Happenings . . .

May was a busy month with club activities. Dave and Pat planned a trip to The Parlour in Jackson for ice cream on May 8. Members of the Jackson Corvette Club joined us, and the group filled the entire back section of the restaurant. On May 18 several of us attended the Flint Corvette Club show at Applegate Chevrolet. About 30 participants went to Damon's for dinner after the show. May 19 brought us the Corvette Celebration Car Show at Charlton Park. We picked up two new members at this show and many new prospects. (Please welcome Don and Janet to the club.) The Marshall Memorial Day Parade took place on May 27. After the parade we enjoyed a hog roast hosted by JCC members. Pictures of these events are posted on the club website at www.capitalcitycorvetteclub.org.

COMING UP NEXT

Rich and Colleen have planned a weekend getaway to Traverse City for May 31 - June 2. They have arranged lots of fun things for us to do on this trip. Our club caravan will leave the Lansing Outlet Mall parking lot at 11:00 a.m. on May 31. See website for details.

The fun continues throughout the summer. Greg is making arrangements for us to be in the Williamston Jubilee Parade on June 22. We will head to Spag's for dinner after the event. Rich and Colleen are arranging miniature golf and a bar-b-que at Hawk Hollow on July 17. The Jackson Corvette Club will be joining us for this event. Jeff and Evelyn are planning a golf tournament at Willow Wood Country Club in Portland on October 12. They would like to make this a Michigan Region event. Watch the club newsletter and website for details of these and other events coming up this year.

Contact me at 517-646-2180 if you would be interested in hosting a social event. You receive 10 points for hosting or co-hosting a social event (limited to 10 points per year). See if you can come up with a fun new event for the club to try. We are always open to new ideas!

CHARLTON PARK

by Don Armstrong

Some of our club members took the opportunity to have their picture taken in front of the Chevy bow-tie.

May 19th turned out to be a beautiful March afternoon. There were cloudy skies, sunshine, a nice breeze out of the northwest, and yes, SNOW! Not exactly the car enthusiast's dream of an ideal day for a cruise-in and car show. In spite of the weather, I think everyone had a great time. I heard a few people say that the show was smaller than usual, but there were at least a couple hundred cars there, and that is no small show!

Every generation of Corvette was well represented, and there were plenty of opportunities for meeting new friends and lots of "tech talk" among the many car owners. Our club even recruited a couple of new members, so it really was a good day. The cars were divided into 10 classes according to model year, and awards were given to each class based on entrant balloting. In many cases it was very difficult to pick a winner even with so many classes.

Charlton Park is a great place for a show like this, with ample visitor parking and a huge area to display the cars, as well as food and craft vendors, and of course the historical village. There is something here for everyone, and it is a very nice little cruise from Lansing. This is one show that I am not going to miss next year!

JEFF THE CHEF?

For those of you who attended the Pig Roast after the Marshall Parade, you had the opportunity to taste the stripped down version of Jeff's "Wacky Cake". (Had 8 Vettes w/18 members at the Parade and 6 Vettes w/14 members at the Roast.)

That is if you hadn't already PIGGED out on all the great food that was there! It was a WONDERFUL DAY, and the sun felt so good! Hope those of you who went made sure to thank Shari for the pig and having us all there!

Sounds like there may be a cooking contest in the Club soon... There seems to be a disagreement on which of two male members in the Club makes the best meat loaf.... Watch for further info in the future....

To the Club members too busy to fix a gourmet meal... Tastes great and is quick and easy to make. Must be, cuz I've been making both since about the age of 10....

Hamburger-Hot Potato Salad

2½ lbs. Potatoes
¼ cup Chopped Onion
½ cup Salad Oil
2 Tbsp. Parsley
¼ cup Vinegar
1 lb. Hamburger (chuck)
2 tsp. Salt & Pepper
½ tsp. Garlic Salt
½ cup Pimento (optional)
½ to 1 tsp. Sugar

Directions:

1. Cook potatoes till tender in skins - cool, peel, and slice (measure 6 cups)
2. Combine oil, vinegar, salt, pepper, onions, and parsley with potato slices.
3. Refrigerate for about 2 hours.
4. Brown hamburger, stirring to keep meat separate. Sprinkle with garlic salt.
5. Refrigerate same as potatoes.
6. Pre-heat oven @ 400 degrees for 15 minutes.
7. In a 2 quart greased casserole dish, layer potato mixture with meat browned (reserve ½ cup meat).
8. Arrange reserved meat in rows on top. Then decorate with strips of pimento along side.
9. Bake covered for 30 minutes. Makes about 6 servings..

And now for dessert.....

Wacky Cake

1½ cups Flour
½ tsp. Salt
1 cup Sugar
1 Tbsp. Vinegar
¼ cup Cocoa
1 tsp. Vanilla
1 tsp. Baking Soda
⅓ cup Salad Oil
1 cup Cold Water
Raisins or Nuts to suit (can also use cut-up cherries) (optional)

Directions:

1. Mix flour, sugar, cocoa, baking soda, and salt.
2. Add vinegar, vanilla, salad oil, and cold water. Beat all until smooth.
3. Pour batter into a greased 9" square pan.
4. Add your choice of either the raisins, cherries, or nuts (optional).
5. Bake @ 350 degrees for 35 minutes.
6. Remove from oven and let cool. Top with favorite frosting.

Note: You can use some cherry juice in place of some water when using cherries... adds a little flavor! I guarantee that if I can make it (and have since a young lad) anyone can!

And you'll enjoy both.....

CORVETTE CLUB OF MICHIGAN
DRIVING SCHOOL AT WATERFORD HILLS ROAD COURSE
Thursday JUNE 20TH 2002

In following our commitment to promote amateur motorsport activities, CCM will again be hosting its 1-day driving school at the challenging Waterford Hills Road Course, located in Waterford Michigan. Each driver will be able to experience the thrill of their Corvette by exploring its performance and handling capabilities while developing their skills under the safe and legal conditions of a closed racecourse.

This is a non-point non-competitive event strictly for enjoyment and education purposes. No aggressive driving tactics will be tolerated.

Upon arriving at Waterford Hills, cars will undergo a mandatory "tech" inspection, followed by a drivers meeting in which the days events will be gone over. In this meeting topics that will be addressed include the flags, best line around the circuit, safety, as well as driving techniques. For the remainder of the day we will be splitting into groups according to skill and car ability for 20-25 minute driving sessions at a time. Through the course of the afternoon, individuals will be paired up with experienced club members, many of whom are professional racecar drivers themselves, to assist in developing students skills behind the wheel of their car as well as answer questions that will arise through the day.

Note: It is recommended that prior to arriving at the track you inspect your own car. ie. Review each item that appears on the tech form, which will be sent upon registering (especially brake fluid and tire wear). Lunch will be provided on the day of the event.

Costs: NCCC \$85 DCSCC: \$95 All Others: \$100

Note: Registration is open to Corvettes only prior to June 1st

No refunds will be granted after June 1st
