# From the President . . .

One busy month behind us, another one ahead. Things just don't seem to slow down for the Capital City Corvette Club.

July gave us many opportunities to meet with our Corvette friends. It began with the week-long National Council of Corvette Club Convention in Indianapolis. Those of us who attended had a good time. Next year the convention will be in Maryland during August, the week before the big Corvettes at Carlisle (Pennsylvania) show.

Rich and Colleen hosted a mini-golf outing at Hawk Hollow. It was a great evening of golf and dinner afterwards. We met some potential members at the dinner who just happened to be related to one of our current members, Bill Smejkal. Great job Rich and Colleen for organizing such a wonderful event!

Last weekend we hosted our annual Low Speed weekend with the Huron Valley Corvette Club. I'm very happy to report that it was a great success. I received many compliments from the racers about how well run the weekend was. Thanks to all of you who were able to give some of your time towards this important fundraiser for the club. It was great to have so much help that no one had to work all day if they didn't want to.

Also last weekend was the big Corvette show at MIS. I haven't talked to anyone who attended, but I would like us to attend as a club next year.

As I hinted at earlier, August will be a busy month also. It starts with the general membership meeting on the 7<sup>th</sup>. It will be a very short meeting followed by a short road rallye for dessert. **Please note: The meeting will start at 6:45 so we can rush through the meeting and start the rallye by 7:30.** For our newer members, it is meant to be an introduction to what a road rallye ~~is~~ and will be short and easy.

On the 10<sup>th</sup> will be participating in the Mint Festival Parade in St. Johns. This is one of the largest and most well attended parades in the area. It is a great opportunity to promote and publicize our club. See the flyer in this issue for more information.

On the 17<sup>th</sup> Cindy and I are hosting a Mystery Dinner. We will meet in Portland and caravan to an unknown (except to Cindy and me) restaurant for dinner. It will be about a one hour drive from Portland. Dinner reservations are at 6:00. Hopefully you can join us for a relaxing drive and a great meal. See the flyer for the important details.

On the 24<sup>th</sup> and 25<sup>th</sup> is the annual Corvette Crossroads event in Mackinaw City. Many of you are already planning to attend, but there is always room for more.

**Important** - At the July meeting a motion was made to change the location of our monthly meetings to Piazzano's Restaurant at 1825 N. Grand River in Lansing. The motion was tabled pending notification of all club members on this issue. Hopefully you will have a chance to check out this proposed change prior to voting on it. If the motion passes, there will be another vote as to when the change should take effect. I had intended to have a vote on this motion at the August meeting. Because I expect there to be much discussion on this issue and the fact that we must have a short meeting to accommodate the mini-rallye afterwards, I hope to table the vote on this motion until the September meeting so that all of the members concerns can be adequately discussed.

Happy Corvetting!

Phil Hanses

## Public Relations . . .

Be sure to get some Horsepower at the Zoo flyers from Phil Hanses and pass them out to anyone you think might like to participate in the show on September 8. This is a great opportunity for us to spread the word about all of the fun things we do as a club. Don't forget to send in your own entry form in by August 5 if you want one of the event t-shirts at no additional cost. All entries after that date will have to pay an additional \$10 for the t-shirt.

We are also looking forward to our car show at Pres Kool on September 28. Ask your businesses connections if they would be willing donate items for one or both of these events. We are looking for items for goodie bags and for door prizes. No item is too big or too small.

Simon Reiffer

## Social Happenings . . .

Our thanks to Rich and Colleen for planning a great mini-golf outing on July 17 at Hawk Hollow. It was a beautiful summer evening with 22 golfers and 27 at the barbeque afterwards.

We have so many fun events coming up that I hardly know where to begin! Phil and Cindy are making arrangements for us to be in the St. Johns Mint Festival Parade on August 10. This will be the first year we have participated in this parade, and it sounds like a fun day. We need a couple of willing club members to carry the CCCC banner, and a few more to walk next to the Vettes to pass out candy. Phil and Cindy have also planned a Mystery Dinner for August 17. Any hints on where we will be eating? I've got to know - are there any nachos involved? (I can hope, can't I!)

The last weekend of August brings us Corvette Crossroads. We have 26-28 planning to attend this year. A caravan will leave from the Lansing Outlet Mall, DeWitt at 10:00 am on Thursday for those wanting an extra day in northern Michigan. We will make a day trip to Mackinac Island or Sault Ste. Marie on Friday. A second group will head up on Friday morning and arrive in time to parade across the bridge. If you haven't already made motel reservations, call the Chippewa Motor Lodge/Waterfront Inn at 1.800.748.0124. Ask for Laurie and mention you are with Capital City Corvette Club. They may not have rooms left, but it's worth a try. This is a great time to relax and get to know each other. Check out the [www.mackinawcity.com](http://www.mackinawcity.com) website for area info.

There are lots of car shows and road rallyes in September/October. CCCC hosts Horsepower at the Zoo on September 8 as a fundraiser for the zoo animal hospital. The final Cruise the Gut in downtown Lansing takes place on September 21. CCCC is also hosting an NCCC-sanctioned Corvette show at Pres Kool Chevrolet on September 28, followed by 2 sanctioned road rallyes.

Jeff and Evelyn have put together plans for the first annual NCCC Michigan Region Golf Challenge at WillowWood Country Club on October 12. Jeff has also arranged our annual Bingo and ice cream social at Tamarack Apartments for November 2. Lots of events coming up to choose from!

Watch the club website at [www.capitalcitycorvetteclub.org](http://www.capitalcitycorvetteclub.org) for last minute changes and updates.

## *Editorial from the Editor ~*

*I don't know what to say but... Wow! What a fabulous year for the club! It is a great time to be a member of the Capital City Corvette Club!*

~

*We have 21 new members this year so far, 8 of them in July alone! Potential new members are contacting us by phone, e-mail, and snail mail. A lot of it has to do with our very informative and up-to-date website. We renew memberships for 2003 in November, and I hope ALL of you will come back next year!*

~

*Those of us that went to Convention had a good time. Although the Rallye was difficult, we managed to place 5<sup>th</sup> in the Funkhiana. When we left on Tuesday, we were in 1<sup>st</sup> place. Oh well, 5<sup>th</sup> place isn't bad.*

~

*We had 22 people show up for mini-golf on July 17<sup>th</sup>. Attendance at all events is outstanding! I've never seen so many people get so involved before. It is really encouraging to know that people want to do the events we all work so hard to plan. Heck, even our meetings are filling up! The enthusiasm really shows!*

~

*I want to thank the 18 people who came out to help us with the low speed events. Everything went smoothly, and we received lots of compliments. Spectacular job on a job well-done!*

~

*We still have several events coming up that we hope you'll join us in.*

~

*On August 7, we are planning a short meeting followed by a Mini-Rallye. Most of you have not done a Rallye before, so this will be a great way to get your feet wet and learn what it's all about. It will be easy enough for the beginner to do well in. Our club is hosting a sanctioned Rallye on September 28, and we want you all to participate, if you can. The Mini-Rallye will help you learn*

*the basics so you can compete in the bigger Rallye. Our Rallyes aren't big moneymakers, but could be profitable if we get a large number of cars.*

~

*For the Mint Festival Parade on August 10th, we already have 7 cars signed up. If anyone else is interested, please let me know. This is a great way to promote our club!*

~

*On August 17, we are hosting a Mystery Dinner. This will be about an hour's drive to an undisclosed location. Please join us for dinner on the water's edge of a beautiful Michigan Lake. Good food, good fun, good friends!*

~

*September 8th is our Car Show at Potter Park Zoo. The plans for are coming along nicely. We have 21 advertisers for the back of the flyers and shirts, which means we are full! We cannot fit any more on. If any other businesses want to donate, they can do so, but in other capacities. We still need stuff for the goodie bags, and they are welcome to add to that. Speaking of bags, we need those too, if anyone knows where we can get about 200 of them for free.*

~

*On September 28th, we are hosting a Corvette Show at Pres Kool followed by our Rallyes. We hope to get lots of participation in both events!*

~

*October 12th brings a new event -- the First Annual Corvette Challenge golf outing. Jeff is putting together a nice package of golf with dinner for \$40 per person. This should be a fun event for all!*

~

*On November 2nd we will go back to Tamarack Apartments and host BINGO at 2:00 p.m.*

~

*Positive People get Positive Results!

# What Exactly is a Rallye Anyway?

By Phil Hanses, acting Competition Director

The National Council of Corvette Clubs and its Michigan Region holds many competitive events for its members. Last month I discussed what a Low Speed Event was. This month I will attempt to explain what a Rallye is.

A typical rallye involves following directions, looking for clues, and answering questions to get from a starting point to a often unknown ending point. It takes two people to participate, a driver (of course) and a navigator.

There are three basic types of rallyes. The Time-Speed-Distance Rallye, the Gimmick Rallye (more commonly known as a Fun Rallye), and the Chance Rallye (a Poker Rallye or a Game Rallye). The kind most often found in Michigan are the Fun Rallye and the Poker Rallye.

The flyers for all Michigan rallyes are included in our newsletter. The flyer includes the specific details such as date, time, entry fee, and the location of the starting point of the rallye.

When you arrive at the starting location, you will fill out a registration form, sign a standard NCCC waiver, pay your entry fee, and go through a tech inspection to make sure your car is road-worthy. Shortly thereafter, there will be a short "drivers meeting". Both the driver and the navigator should attend and be prepared to take notes. The drivers meeting is where the rules of the rallye are presented. You will probably be given a set of printed general instructions a/k/a Generals. The Generals describe the basic abbreviations used in the route instructions. For example: TL = Traffic light, SS = Stop Sign. If there are any last minute changes, they are also discussed. The participants have the opportunity to ask questions of the rallyemaster during the drivers meeting.

The most common type of rallye is the Fun Rallye. In a Fun Rallye cars are sent out in one or two minute intervals. At the starting point, each team is given a set of route instructions. The route instructions vary greatly from one rallye to another. What I will describe here is how a typical CCCC rallye is set up. Our instructions are usually quite straight forward, meaning there is not a lot trickery involved.

An example might be:

R at TL (*which means turn Right at Traffic Light*)

How many ducks? \_\_\_\_\_ (*You would then be looking for some thing or place that has a number of ducks displayed. You would count the ducks and write your answer in the space provided.*)

C \_ \_ \_ B \_ \_ \_ (*You would be looking for sign that had two prominent words, one beginning with C an the other beginning with B, Cold Beer for example.*)

S at SS (*which means go Straight at Stop Sign*)

The two clues fall between the two route instructions. In our case, it means the answers can be found after we turn right at the traffic light but before we reach the stop sign. In most rallyes, clues can be found on either side of the road. An asterisk is commonly used before the clue to note that the clue is on the left side of the road.

Each answer in the rallye will have a point value. At the end of the rallye, all of your correct answers are totaled up. Distance traveled in the rallye is often a factor in your final score. If you go off course or turn around to go back to answer a question you should deduct the mileage from your ending mileage. The difference between your mileage and the rallyemasters mileage is deducted from your point total. At the end of the rallye the team with the highest score is the winner and receives a trophy or other award.

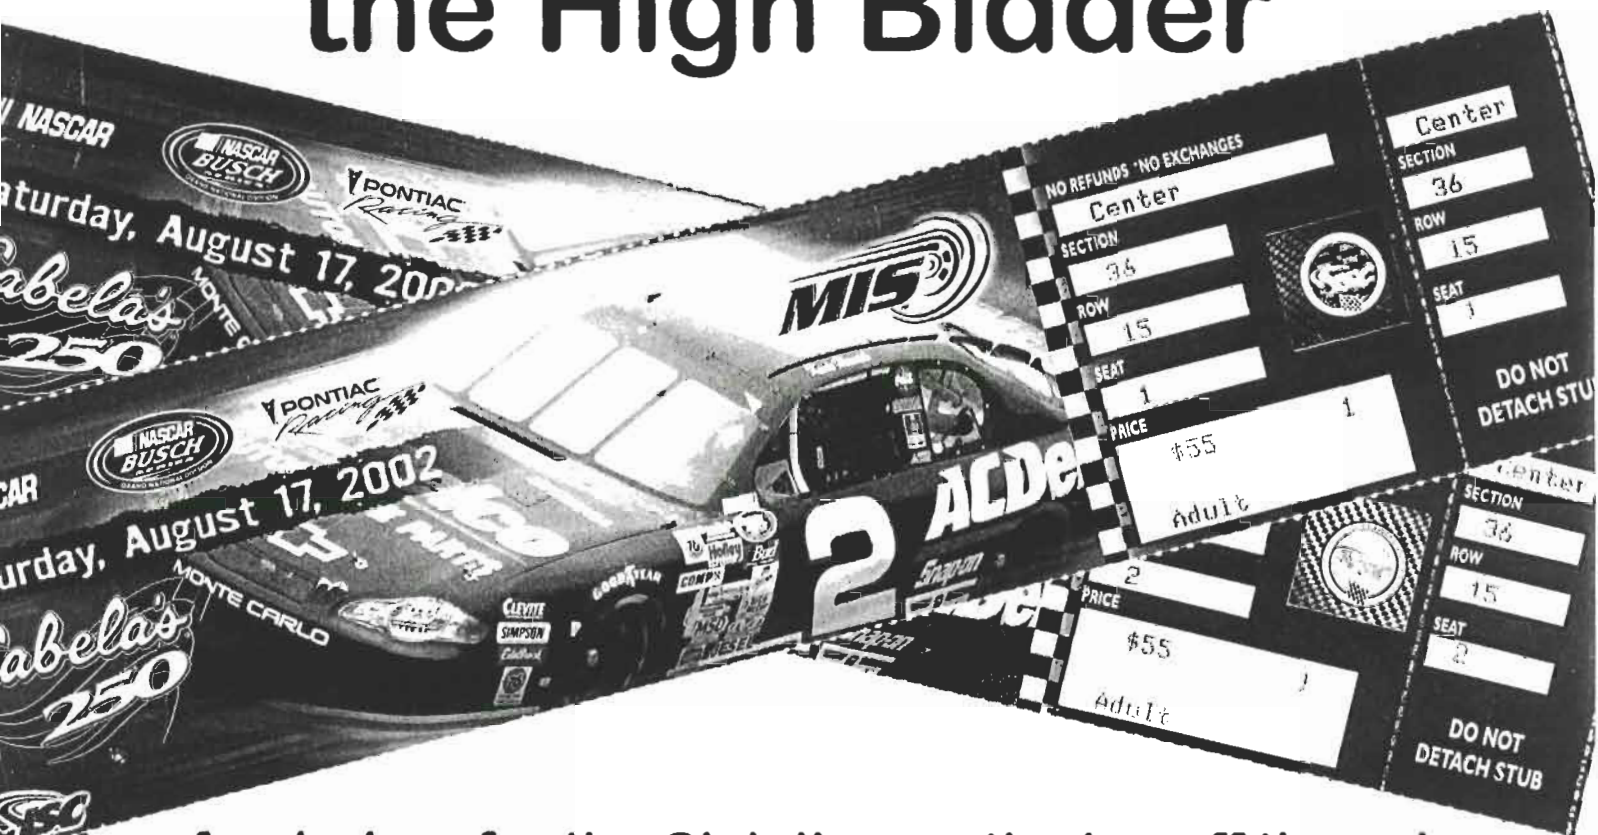

Cindy and I have participated in dozens of rallyes throughout the years. They are all different in the way they are set up and at all levels of difficulty, from very easy to nearly impossible. CCCC rallyes are normally quite simple and enjoyable.

After the abbreviated August 7<sup>th</sup> meeting we are holding a mini-rallye so our members can learn the basics of rallying. It will start at Richards by 7:30. I promise it will be easy and short with the end point being a nice place for dessert.

If you find that you might enjoy doing rallyes, Cindy and I will be happy to give you tips we have learned from our many years of rallying. We plan on entering many rallyes this year and would love to have fellow members join us.

# Race Tickets to the High Bidder

As a fundraiser for the Club I'm auctioning off these two tickets to the Cabela's 250 NASCAR Busch Race on Saturday, August 17<sup>th</sup> at the Michigan International Speedway. These are good seats between the pit entrance and the Start/Finish line.

Call Phil at 989-587-3422 or email at [bluecorvette@bigfoot.com](mailto:bluecorvette@bigfoot.com) to place your bid.

Tickets are valued at \$55 each.

Deadline for bidding is at 11:00 P.M. on August 7<sup>th</sup>.

Bid on the tickets yourself or tell your race fan friends about this auction. The total sale price will be donated to the Capital City Corvette Club.

# ST. JOHNS MINT FESTIVAL PARADE!

August 10<sup>th</sup> - 10:00 a.m.

Lineup at 8:30 a.m.

Please meet us at 8:30 a.m. in the K-Mart parking lot on US-27 on the south side of St. Johns. (Note the time change.)

It's official! We are Entry #31 in the parade!

Please join your fellow club members in promoting our club for the first time in this annual 2½ mile-long parade in beautiful downtown St. Johns in one of the best small-town festivals in the state. The theme this year is "Glory Days" in honor of our country. We'd like to have at least 6 Corvettes participate. We'd also like a couple of people to carry the club banner and few people to walk along side and pass out candy.

## IMPORTANT NOTE: PARADE BY R.S.V.P. ONLY!

Please contact Phil or Cindy ASAP if you'd like to participate in the parade, as we need an exact count of how many cars we will be using. We have a commitment of 6 - 8 Corvettes. Also, by knowing who you are, we can contact you with other pertinent information as it becomes available to us. Those who'd like to walk along side and pass out candy, please tell us so we can provide enough candy. And if anyone is interested in carrying the club banner, please let us know.

## PLUS!

As long as you're out there, there are plenty other things to do! There is an Arts and Crafts Sale, Flea Market, and Antiques & Collectibles at the city park till 7:00 p.m., tours of Mint Farms, Pavilion & Band Shell Entertainment, a Rodeo Saturday at 8:00 p.m., and Much Much More!
