From the President . . .

Fall is almost here, but don't even think about putting your Corvettes away just yet. We still have a couple of big events ahead of us. September 8th brings our 2nd annual Horsepower at the Zoo Charity Car Show at Potter Park. On the 28th we will be holding a Corvette show at Pres Kool Chevrolet as well as our two rallies, which will begin there. We will need volunteers to help out on both of these days.

We had a great time at the Mint Festival Parade and heard lots of good comments from the crowd. Then, 24 people showed up for our Mystery Dinner on August 17. What a great turnout! It's sure encouraging to see such great participation at our club events.

If you enjoyed doing the Mini-Rallye after the August meeting, there are several opportunities this month to do some more in addition to ours. Look for the flyers later in this newsletter.

I have had several members ask me about club shirts. Currently we have just one golf shirt and a few sweatshirts left. I am looking into prices for new shirts with an updated look. I hope to have information on what is available at the September 4th meeting for those of you who are

interested. We will also be placing an order for club hats and possibly some other items.

It's not too early to start thinking about next year. Nominations for club officers will be open at the October and November meetings with the election being held at the December meeting/dinner. If you would like to have more of a leadership role in the direction of this club, I encourage you to nominate yourself or have someone nominate you for a club office. I know that no current officer would be offended if **there was** someone else who wanted to **run** against or in place of him or her. **So** don't be shy, speak up if you would like to be more involved. I will be publishing a summary of the **duties of** each office in next month's **newsletter**.

Please Note: After the September meeting, we will be stuffing the **goodie bags** for the Zoo car show. **With a lot of help**, it should only take **a little while** to complete this task.

Happy Corvetting!

Phil Hanses

Public Relations . . .

Greg Kapp and I met with representatives of Pres Kool Chevrolet on August 26 to discuss ways that they can work with us as our club sponsor. We hope to know more prior to our General Membership meeting on September 4. Pres Kool is a sponsor of the Horsepower at the Zoo car show. They will also host our NCCC sanctioned car show and road rallies on September 28. They will work with us and help get the word out through some of their advertisements.

We are gathering lots of door prizes for the Horsepower at the Zoo car show. Special thanks go to Bud Kouts Chevrolet for their donation of more than \$250 in door prizes for the HAZ show! Be sure to ask your business connections if they would be willing to donate items for one or more of our upcoming events. We are looking for items for goodie bags too. No item is too big or too small. Be sure to spread the word about these two car shows. We especially want to get other Corvette owners involved so they can see what our club is all about.

The community calendar listings in the local newspapers have generated a lot of interest in CCCC. The club website is also an excellent way to reach out to other Corvette owners in the community. The site has had well over 4,000 hits since January and is a top listing with most search engines.

Simon Reiffer

Social Happenings . . .

Thanks to the planning of Phil and Cindy, many members of the club participated in the St. Johns Mint Festival Parade on August 10. They also hosted a Mystery Dinner on August 17. After an hour plus drive on the back roads, we ended up at Clifford Lake Inn for a very nice dinner.

30 members represented CCCC at Corvette Crossroads last weekend. Most entered the car show on the dock. Be sure to congratulate Dave and Diana on the trophy they won with their car!

We all had a great time getting to know one another better. We even met Al and Tracy! While kicking back and relaxing, several club members offered to host social events this fall and winter. Bill and Pam have offered their home for cards or for Mexican Train dominoes. Bob and Shalimar have agreed to host a potluck and Mexican Train game on December 28. I'm looking forward to seeing her 12 Christmas trees! It was suggested that we try a progressive dinner soon. Let me know what you think of this idea. It sounds great to me! It might even be the opportunity Jeff was looking for to challenge Simon and the other men in a meat loaf bake-off.

Jeff and Evelyn have put together plans for the first annual NCCC Michigan Region Golf Challenge at Willow Wood Country Club on October 12. Now is the time to get your team together and your reservations in so that they know how many to plan for. Jeff has also arranged our annual Bingo and ice cream social at Tamarack Apartments for November 2. We're looking forward to this!!!

There are lots of events coming up to choose from! What a fun year it's been. Let's keep the momentum going through the winter.
