Competition Director

From the President . . .

Wow! What a year it's been. Everything we've done this year has been very well attended. I didn't make it to Mackinaw City, but I hear our club was very well represented up there.

Our Horsepower at the Zoo Charity Car Show was a huge success. We attracted 50% more cars than last year. By selling advertisements on the flyers and the back of the t-shirts, we covered our expenses and made a profit of very close to \$2,000! All of this money will go towards the Equipment Fund at the Zoo's Animal Hospital. The folks at the Zoo are very appreciative of our efforts.

At last count, we have 28 new club members this year! With so many new people, I thought I'd take a little time to talk about our Points Program.

The stated purpose of the program is to encourage and reward members to participate in CCCC and NCCC Michigan Region sanctioned or sponsored events. What is a "sanctioned or sponsored event"? The member clubs of the NCCC Michigan Region put on (meaning sanction) race, rallye, and car show events throughout the year. Our members accumulate "club points" by attending these events and are made aware of these events because the flyers are included in the newsletter each month.

Similarly, this club holds many "club social events" throughout the year which are eligible for "club points". These events can range from going out to eat to going away for a weekend trip or entering local parades or car shows. Except under special circumstances, thirty days notice must be given to all members prior to an event to be considered a "club social event". In most cases, "notice" is defined as a flyer in the club newsletter. This is what determines a "club social event" in which "club points" are available.

It has been club practice to offer no more than two club social events per month so our calendars don't become too full of club activities. When possible, we also try not to hold events on dates which conflict with other Michigan Region events.

With the use of email, this year, more than ever, club members want to do things together outside of the normal organized "club social event". I am going on record as being in favor of these short notice get-togethers. It's great for the club as a whole. However, in the interest of fairness, these type of things cannot be considered for club points because of the above-mentioned rules.

If you are a new member and do not have a copy of the points program, you can call our Points Director, Jeff McQuade for a copy. He will also answer any questions you may have.

I know this all may seem a bit confusing. Each year, the points program is re-evaluated in an effort to make it less confusing and more fair for all members. I'm sure more progress will be made for next year.

On other subjects, we hope to be ready to take orders for new club shirts at the October 2nd meeting. I expect to have style, color, and pricing information available, so bring your checkbooks. If you know you won't be able to attend the meeting, I will mail you the info if you ask. It will also be available in future newsletters and on the web site.

We seem to have outgrown the available meeting room space at Richards. A committee has been appointed to check out other locations that may be better able to accommodate our needs.

Nominations for Board of Director positions will be accepted at the October and November meetings with the election in December. I have included a description of the responsibilities of each officer in this issue. Be sure to speak up if you are interested in running for an office.

Happy Corvetting!

Phil Hanses

Club Officer Duties

Nominations for club officers will be open at the October and November General Membership meetings. Below I have outlined the main responsibilities and duties of each office. Please consider running for one or more of these positions if you are interested in helping out. All positions are for a term of one year. Election of officers will take place at the December 4th meeting/dinner.

President - The President is responsible to preside over all general membership and board meetings. He/she should be able to attend most club functions, especially those which involve the public. He/she will be ultimately responsible to coordinate the operations and direction of the club. He/she is required to have held at least one club office prior to running for President.

Competition Director - The Competition Director is responsible for coordinating all competition events sponsored by the club. Typical duties include arranging dates and locations for events such as our annual autocross event at Spartan Speedway. He/she is also responsible to select the year-end awards for the Top Ten in the points standings. He/she is expected to attend the Michigan Region meetings and report back to the membership. Currently there are five meetings per year, and they are held at Richard's in Lansing the Tuesday evening before the scheduled NCCC Governors meetings. He/she is ultimately responsible for the points program. He/she will serve as the Club's Vice President and take over the duties of the President in his/her absence. Michigan Region event flyers are sent to the Competition Director and should be made available to the editor for inclusion in the newsletter.

Governor - The Governor is the club's link to NCCC. He/she will receive correspondence from NCCC and distribute it to the appropriate club officer. He/she is encouraged to attend NCCC Governors meetings which occur five times per year. Currently four are held in St. Louis, Missouri, and the other is held at the NCCC Convention. (The meeting location could change to Nashville, Tennessee, in the future.) The club reimburses the Governor for most expenses for attending the meetings.

Secretary - The Secretary is responsible to record the minutes and votes of all club meetings. He/she is responsible to provide a copy of all minutes to the editor for publication in the newsletter.

Treasurer - The Treasurer is responsible for keeping the financial records of the club, making payments of all club debts, and making bank deposits. A report of the financial activity of the club is to be made available or presented at the club meetings.

Membership Director - The Membership Director is in charge of promoting the club at events and recruiting new members. He/she will handle the paperwork involved in enrolling new members and processing renewals. He/she will also handle the promotional items given out by the club and NCCC. He/she is responsible for keeping an accurate membership list and providing that list to the editor at least twice a year for publication in the newsletter.

Social Director - The Social Director is in charge of coordinating or finding people to host all club social events. He/she will select and reserve a location to hold the annual club banquet. If a member would like to host a social event, it is the Social Director who checks for availability of dates on the club calendar before bringing the request to the Board.

Editor - The Editor is responsible for the production of the monthly newsletter. This involves gathering reports and articles, copying, assembling, and mailing the newsletter. The club leases a copy machine for newsletter production, which is kept at the editor's home. He/she is essentially the club "print shop" when copies of flyers and copies of other club information is needed. Knowledge of and access to computers is very helpful, if not essential, to be successful.

Public Relations Director - The Public Relations Director is responsible to help represent the club to the media, businesses, and the general public. He/she is encouraged to find advertisers for the newsletter, handle club sponsorship communications, and generally promote the club in a positive way.

Points Director - The Points Director is responsible for keeping track of member points totals and printing or presenting a monthly report. He/she will answer questions from members regarding the points program. Knowledge of spreadsheet software is helpful but not necessarily required to assist him/her in the job.

Public Relations . . .

The Horsepower at the Zoo car show was a big success. We had 98 cars registered, and everyone seemed to have a good time. Special thanks go out to all of the sponsors and event participants. In addition to raising funds for the Zoo Animal Hospital, the club gained five new members. We were also able to get information about our club out to many local Corvette owners.

We continue to place announcements about club meetings in the local newspapers. Membership has grown this year through a combination of these ads, the club brochure, and the web site. The following chart shows the number of hits to the club website each month this year.

January	February	March	April	May	June	July	August	September
365	398	449	368	582	610	693	776	873*

*As of 9/24/02.

We hope to revise and reprint the club brochure within the next few months. If you have any other ideas for promoting the club, please bring them to the attention of the board.

Simon Reiffer

Social Happenings . . .

We had to cancel the fall color tour, but Jeff and Evelyn are still planning a golf outing at WillowWood Country Club in Portland for October 12. Let them know if you will be attending.

Jay and Kenalee are hosting Mexican Train on October 26. We will meet at the Lansing Factory Outlet Mall in DeWitt at 5:00 p.m. and form a caravan for the drive up. I'm hoping that there will be some color left on the trees! We will have dinner at The Country Inn in Alma then head over to Jay's Furniture Barn in Elwell for the Mexican Train dominoes championship. Evelyn is the reigning champion. Let's see if she can retain the title and traveling trophy.

On November 2 the club will host BINGO and an ice cream social at Tamarack Apartments in Holt. We have a great time with the independent living seniors. Club members bring the dessert and prizes for the BINGO winners. The seniors love winning prizes, so we try to have everyone bring a few. Knick-knacks from the dollar store and inexpensive items from the clearance rack are usually a big hit. Thanks to Jeff for arranging this fun event.

We will discuss a new possibility for the December 4 holiday party and gift exchange at our general membership meeting. A club game night/potluck is in the works for December 28.

I would also appreciate it if everyone could begin thinking about events you might be interested in hosting next year so that we can start planning the 2003 club calendar. In the meantime, if you'd like to arrange a last minute social event, just send me the details. I can send out an e-mail blast to everyone and post it on the website. Fun and spontaneity is what it's all about!

Gloria Reiffer

Note: All points are included through 9/8/02.

CCCC GENERAL MEMBERSHIP MEETING MINUTES

9/4/02

SECRETARY: No report.

Public Relations: No report.

Membership: Greg welcomed the five guests at the meeting. He also let everyone know that the Crossroads at Mackinaw event was a big hit with everyone that attended.

SOCIAL: All upcoming events are posted on the web site. Gloria has added a new feature in the site called "Late Breaking News." Please visit it often. Steve Hitchcock offered to call the radio stations to get announcements for The Zoo Car Show. Kurt Bancroft let us know about a parade in Maple Rapids this weekend; check your e-mail for details.

POINTS: Points are updated on the web site. Contact Jeff if you need car show info.

TREASURER: All accounts are balanced, and all payables are current. Most of the Zoo Car Show expenses have been paid, and it looks like the club we be able to give a sizeable donation.

EDITOR: Deadline for articles to be in the newsletter is September 25.

COMPETITION: We have our first event with Pres Kool as our sponsor on September 28th. We need helpers and participants for the car show and rallies. A sign-up sheet was sent around for jobs at the Zoo Car Show. The October 6th Kalamazoo rallye has been canceled.

PRESIDENT: Nominations for officers will be open at next month's meeting. Phil urged people to consider running for an office. The next board meeting will be September 18th.

OLD BUSINESS: The golf outing on October 12th still needs more people to sign up. To get more teams, we will need only one member of the club on a team. The motion to change the meeting place for the club to Piazzano's was rescinded. A motion to move the meeting place as of January 1st, 2003 was passed. A committee was appointed to research a new meeting place and report by the November meeting.

NEW BUSINESS: Phil passed around a catalog that we will be able to order new club shirts from. Dave explained that we be able to have the club logo, your name, as well as a picture of your car embroidered on your shirt. We assembled goodie bags for the Zoo Car Show.

Adjourned

CCCC BOARD MEETING MINUTES

9/18/02

SECRETARY: No report.

PUBLIC RELATIONS: Simon was contacted by a 50th Anniversary Corvette Catalog Company that will send us catalogs for the next meeting. A representative from AAA would like to make a presentation to the club. It was decided that a meeting during the winter months would be a good time for it. We will invite Carol from Potter Park Zoo to the next meeting to give her the donation from the show.

MEMBERSHIP: Renewals for membership are due November 5th to the Region. We will send out a mailer before the October meeting. We have almost doubled our membership this year.

SOCIAL: Gloria is working with some members to organize a fall color tour. Watch the web site for details. A special motion was made and approved to make the October 26th Mexican Train party in Alma a club event. We will host a BINGO party for the people at Tamarack in Holt at 2:00 pm on November 2nd. We have a proposal by Bob and Shalimar Maynard to host the holiday dinner on December 4th. We will discuss this further at the October meeting. Bill and Pam will host a game night on December 28th.

POINTS: Much discussion was heard to revise the point values for different events. No motions were made. We will revisit this issue at the next board meeting. Jeff said the Golf Outing will have to be altered from its original format because of lack of sign ups, but he said he will still put together some kind of event.

TREASURER: All accounts are balanced, and all payables were approved to be paid. A motion was approved to give the Potter Park Zoo a \$2,000 donation. This includes all of the profit from the show and a small donation from the club.

EDITOR: September 25th is the deadline for the October newsletter.

COMPETITION: The rallye for September 28th is set. Gloria and Simon will check it for Cindy and Phil this coming week. Greg has ordered the trophies for the car show, and we finalized plans for the day.

PRESIDENT: There will be officer positions open, so we need to encourage members to run for these. Phil gave a report from the region meeting. We may get mentioned in Blue Bars because of our membership growth.

OLD BUSINESS: The Zoo Show was a great success. We had 98 cars register, and we will be able to give double the donation to the Zoo that we gave last year. We will be able to order new club shirts at the next meeting. There was no report from the committee to research a new meeting place for the club.

NEW BUSINESS: We picked out the logo to use on the club T-shirts that all new members will receive when they join. Phil will ask at the next membership meeting to approve giving all of the current members one. Greg volunteered to store the club's equipment in his pole barn. There was a discussion on the amount we charge for dues. It was suggested that if we lowered the amount we could attract more members. It was decided to table this discussion until we could establish a budget for the club next year. Pres Kool will be added to the advertisers in the newsletter since they have given us money and a place to hold the car show.

All entrants must be High Speed Certified and fire suits are required for Group III.

Join us for Dinner and Dominoes

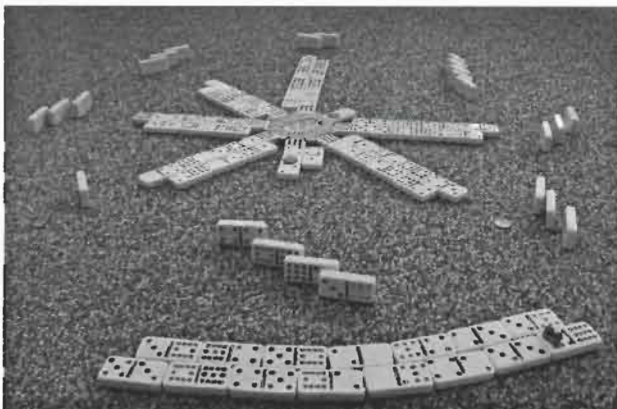

When: Saturday, October 26

Time: Meet at 5:00 / Dinner at 6:00 / Mexican Train at 8:00

Where: Caravan from Lansing Factory Outlet Mall, DeWitt – 5:00 p.m.
Dinner at The Country Inn – 6:00 p.m.
Mexican Train at Jay's Furniture Barn – 8:00 p.m. (or sooner)

Our caravan will leave the Lansing Factory Outlet Mall in DeWitt at about 5:15 and head up US-127 to Alma for a relaxing dinner at The Country Inn.

After dinner we will cruise over to Jay's Furniture Barn in Elwell for a fun game of Mexican Train dominoes. Come try your luck at winning the traveling trophy away from Evelyn Aronson, our current champ.

Mexican Train is a fun and easy game to learn. It is played off a central hub with double twelve dominoes. If you can count to twelve, you can play this game! And, if you can't count to twelve, just follow the colored dots (unless you happen to be colorblind). Most people pick up the game during the first round. The rules will be posted on the website as a link from the event flyer. This is a social game – lots of chat time.

When we leave the Lansing Factory Outlet Mall we will head north on US-27. Those that want to join in-route can try to connect at Uncle John's Cider Mill, north of St. Johns. We will continue north on US-127 to the M-46 exit (Saginaw/Howard City). Go east on M-46 for about 3/4 mile, passing under the traffic light. The Country Inn restaurant will be on the right side of the road. A relaxing dinner is planned for 6:00.

After dinner, around 7:30, we will cruise over to Jay's Furniture Barn for a fun game of Mexican Train. Those coming for the game only would follow the directions above, except they would head west through the traffic light then 5 miles west to Pingree Road. Turn south on Pingree (large billboard for Jay's Furniture Barn on the corner). The barn is 1/4 mile south of the intersection on the right. Please sign up at the October 2 meeting or email Jay and Kenalee at ksatchinson@power-net.net by October 25 so that they can make reservations.

Please Patronize These Sponsors - They helped make our 2002 Charity Car Show a great success!
