From the President . . .

Looking back at June, I tried to come up with a word to sum it all up. While it certainly had its highs and lows, I was only able to come up with "unforgettable". The month was not nearly as good as it should have been, yet it wasn't as bad as it could have been.

The things that originally brought us all together, our Corvettes, were a lot less important after Simon's accident and the birth of Cindy and I's daughter, Courtney. I've discovered that being a member of this club is less about the cars, and more about the relationships we have with the people who just happen to drive Corvettes.

It is inspiring to see what has been done and what continues to be done to help Simon and Gloria through what has to be one of the most difficult times of their lives. People from this club and from the Jackson club have given generously of their time and talents to make this difficult time a little more bearable for the Reiffers.

Simon's attitude has been incredible during this time. When Cindy and I visited him at the hospital a couple of days after his fall, I feared what I might see. What I found was a man with an upbeat, positive attitude and a determination that he will drive his Corvette again. I left there feeling better and feeling more hopeful about his future. With this drive and determination, along with the prayers of all those who are close to him, I'm sure he will have the best possible recovery.

June 16th at 1:14 p.m. marked the beginning of an exciting new chapter in my life. Cindy gave birth to our first child, Courtney Rose. Here I am, just short of my 40th birthday, and faced with re-prioritizing my life. Hopefully an old dog can learn new tricks!

Thanks to all of you who have been so generous, beginning with the baby shower at

the Reiffer house. It seems our members are more like an extended family, rather than just other members of a car club.

Thanks to all of you who were able to help out at the low speed events at Spartan Speedway this past Saturday. While the final numbers have yet to be figured out, I'm hopeful that we will have made more profit in one day than we have made in two days in the past.

We received many complements on the friendliness of our workers, the new course layout, and the overall quality of the event. Thanks again to all of those who made it happen.

It was great to see some of our own members out there on the track. Pam Thompson overcame her nerves to participate in the first event and turn in a respectable time. Jim Simmons gave himself and the spectators a thrill when he locked up his brakes and stopped just short of the barrels. Hey Jim, just remember to let off the gas after you cross the finish line. Rich Bratschi was able to get his son out of the driver's seat long enough to compete in two events. Gary Brothers and Brad Hutton drove in all five events. Brad, however, proved he was more skilled sliding sideways!

It was a special treat to see both Ray and Sharon Mcesseman at the track. Ray was out there driving fast again while Sharon was taking in the action from the stands. She certainly has come a long way since their accident earlier this year.

See you on July 2nd at the Point After. If you prefer to eat before the meeting, please try to order by 6:30.

Phil Hanses

Social Update

June has been a quieter month after all the activities of May. Many will be going to Nashville for the 50th Anniversary, so they will have stories to tell us when they come back.

Rich & Colleen have Hawk Hollow Mini Golf on July 16th. Colleen needs your count and money for the dinner before the July 2nd meeting. Contact her at 517-339-8487 for the details on that.

Phil and Cindy are planning a Mystery Dinner for July 19th. Phil will inform us on the meeting place.

In August we have Corvette Crossroads in Mackinac City. They are not having the parade this year which was a fun time. But, we can come up with our own fun. This a wonderful time to get together and enjoy the area and club fellowship.

Here are some upcoming dates to put on your calendar:

September - Brad and Carrie are putting on a Hayride/Bonfire, September 20th / raindate the 27th.

October - John and Janyce Shepler are organizing the MSU Homecoming Events.

Also in October Don and Carol are planning a Color Tour, October 11th.

November is Mexican Train Night at the Johnston's, November 1st.

Then wind down the season with the Christmas Party at the home of Bob & Shalimar Maynard December 3rd.

Again, continue to be with Simon and Gloria in your thoughts and prayers as they go through physical therapy this summer.
