From the President . . .

Judging by the temperatures, fall is certainly here, but don't put your Corvettes away just yet. We still have some things planned for you with your cars. The MSU Homecoming event is coming up on October 4th. You should have signed up at the last meeting to reserve game tickets, but you may still be able to show your car on that day. John Shepler will have the final details for us at the meeting on October 1st. Also, on the 11th Don and Carol have put together a color tour. This club has not done one of these in a while so I'm sure it will be a fun way to spend the day.

With the completion of the Horsepower at the Zoo Car Show, our year of holding events that require work by our members is now complete!!! Thanks to everyone who came out this year and volunteered of their time to make all our events successful. By holding our Corvette show, rallye, and autocross racing, we have raised a good amount of money to help run the club. The Zoo show was able to raise enough money to allow us to donate 50% more to the Zoo than we did last year. Carol Webster will be at the meeting so we can present her the check.

We will be selling excess Horsepower at the Zoo T-shirts at the meeting for \$12 each. Any unsold shirts after the meeting will be given to the Zoo so they can sell them at the gift shop. Be prepared to pay for the shirts at the meeting if you would like one. If you can't be at the meeting but would like a shirt, please email me the size you want, and I will reserve it for you.

Our old copy machine was turned in off lease after we printed last month's

newsletter. Just today the new multi-function machine was delivered. Although it will not print color, we should have a better looking newsletter because of the laser print quality and the ability to print pictures if we like. It will also create PDF files that can be emailed to members and opened and printed using the free Acrobat Reader program. This may give us an alternate to printing and mailing the newsletter for those who may be interested.

Nominations for 2004 Club Officers will be opened at the October and November meetings. I know that there will be at least a few positions open, so be sure to let someone know if you would like to become more involved in the club operations next year. Included in this issue are descriptions of the duties of each officer. They can also be found in your copy of the Club By-Laws.

The deadline for renewals of club dues are approaching. Dues need to be paid earlier this year to avoid the NCCC \$10 late fee. A renewal form can be found in this issue. We will also try to have a form put on the club website.

Thanks for cooperating with me to make last month's meeting more organized and efficient. I received some positive comments about the use of the PA system, so we will continue to use it.

I hope to see you on October 1st at the Point After.

Phil

Phil Hanses

Club Officer Duties

Nominations for club officers will be open at the October and November General Membership meetings. Below I have outlined the main responsibilities and duties of each office. Please consider running for one or more of these positions if you are interested in helping out. All positions are for a term of one year. Election of officers will take place at the December 4th meeting/dinner.

President - The President is responsible to preside over all general membership and board meetings. He/she should be able to attend most club functions, especially those which involve the public. He/she will be ultimately responsible to coordinate the operations and direction of the club. He/she is required to have held at least one club office prior to running for President.

Competition Director - The Competition Director is responsible for coordinating all competition events sponsored by the club. Typical duties include arranging dates and locations for events such as our annual autocross event at Spartan Speedway. He/she is also responsible to select the year-end awards for the Top Ten in the points standings. He/she is expected to attend the Michigan Region meetings and report back to the membership. Currently there are five meetings per year, and they are held at Richard's in Lansing the Tuesday evening before the scheduled NCCC Governors meetings. He/she is ultimately responsible for the points program. He/she will serve as the Club's Vice President and take over the duties of the President in his/her absence. Michigan Region event flyers are sent to the Competition Director and should be made available to the editor for inclusion in the newsletter.

Governor - The Governor is the club's link to NCCC. He/she will receive correspondence from NCCC and distribute it to the appropriate club officer. He/she is encouraged to attend NCCC Governors meetings which occur five times per year. Currently four are held in St. Louis, Missouri, and the other is held at the NCCC Convention. (The meeting location could change to Nashville, Tennessee, in the future.) The club reimburses the Governor for most expenses for attending the meetings.

Secretary - The Secretary is responsible to record the minutes and votes of all club meetings. He/she is responsible to provide a copy of all minutes to the editor for publication in the newsletter.

Treasurer - The Treasurer is responsible for keeping the financial records of the club, making payments of all club debts, and making bank deposits. A report of the financial activity of the club is to be made available or presented at the club meetings.

Membership Director - The Membership Director is in charge of promoting the club at events and recruiting new members. He/she will handle the paperwork involved in enrolling new members and processing renewals. He/she will also handle the promotional items given out by the club and NCCC. He/she is responsible for keeping an accurate membership list and providing that list to the editor at least twice a year for publication in the newsletter.

Social Director - The Social Director is in charge of coordinating or finding people to host all club social events. He/she will select and reserve a location to hold the annual club banquet. If a member would like to host a social event, it is the Social Director who checks for availability of dates on the club calendar before bringing the request to the Board.

Editor - The Editor is responsible for the production of the monthly newsletter. This involves gathering reports and articles, copying, assembling, and mailing the newsletter. The club leases a copy machine for newsletter production, which is kept at the editor's home. He/she is essentially the club "print shop" when copies of flyers and copies of other club information is needed. Knowledge of and access to computers is very helpful, if not essential, to be successful.

Public Relations Director - The Public Relations Director is responsible to help represent the club to the media, businesses, and the general public. He/she is encouraged to find advertisers for the newsletter, handle club sponsorship communications, and generally promote the club in a positive way.

Points Director - The Points Director is responsible for keeping track of member points totals and printing or presenting a monthly report. He/she will answer questions from members regarding the points program. Knowledge of spreadsheet software is helpful but not necessarily required to assist him/her in the job.

**CCCC GENERAL MEMBERSHIP MEETING
SEPTEMBER 3, 2003**

SECRETARY: Last month's general membership meeting and board minutes are in the newsletter.

PUBLIC RELATIONS: Simon has contacted numerous area media to promote the zoo show, i.e. TV stations, radio, local newspapers, etc. We're all looking forward to a great show! Also, Simon was able to get in his Corvette today... YAHOO!

MEMBERSHIP: To date, we have 114 members; 26 FCOA and 88 Adults. We need all new members to submit a car picture to be posted on the website. Either mail or e-mail info to Gloria. Club T-shirts are available for purchase at \$7.00 each.

SOCIAL: Happy ----- birthday to Janet and Jeff today. 9/20 Last Cruise the Gut this year, Hayride 9/27 hosted by Brad & Carrie, MSU Homecoming (more info to follow) hosted by John & Janyce, Color Tour 10/11 hosted by Don & Carol, and Mexican Train Dominoes 11/01 hosted by Don & Janet.

POINTS: Don reported points have been currently updated (see web page).

TREASURER: All accounts balanced and payables approved. Have received 46 prepaid zoo show entries. Thank you to Gary Brothers who made a \$100.00 club donation in appreciation of a referral.

EDITOR: October newsletter deadline, September 24th.

COMPETITION: Rich: Upcoming events include - Jackson/Battle Creek Autocross 9/06, Shiawassee Rallye 9/07, and Kalamazoo Autocross 9/21. Phil strongly encouraged members to attend these and other club's events.

GOVERNOR: Next region meeting 9/09, but due to Richard's closing, have not yet determined a definite meeting site. NCCC Governors meeting - 9/13. Don received a list with two potential members from Mackinac.

PRESIDENT: Phil discussed meeting concerns as noted in the newsletter. We have 48 in attendance tonight, which is GREAT! Janet brought her karaoke machine, so Phil was able to utilize the microphone, which was a tremendous help. John Shepler discussed MSU Homecoming plans. Only 2 cars will be in the parade, 2003 driven by Dave Kuempel and a 1953 driven by Don Baron. All others will be on display in the demonstration field. Free game tickets will be available to those who participate...and most importantly PLEASE DO NOT wear anything ...blue. Only Green & White allowed.

OLD BUSINESS: Jeff has a sign-up sheet circulating for volunteers at the zoo show. Will need to be there about 10:00 for set-up. He anticipates approximately 200 cars at this show. Also need assistance after the meeting to fill goodie bags. Beekman's car show is 9/07 this year.

NEW BUSINESS: Dave Kuempel suggested we, as a club, make a special effort to say "THANKS" to all participants as they leave the show.

Tonight's 50/50 winner is Sandy Bechtel. Congratulations!!

**CCCC BOARD MEETING MINUTES
SEPTEMBER 17, 2003**

SECRETARY: No report.

PUBLIC RELATIONS: Simon stated he "just hopes to get back into the swing of things now that he's feeling better."

MEMBERSHIP: Membership numbers remain the same. We need to remind all members renewal dues are due no later than November 5th. We need to allow time to forward all renewals to National and avoid a club late fee.

SOCIAL: Hayride at the Hutton's September 27th, MSU Homecoming arranged by John & Janyce Shepler October 4th, Color Tour hosted by Don & Carol Armstrong October 11th, Mexican Train at the Johnston's November 1st, Holiday Dinner at the Maynard's December 3rd, and the Annual Banquet January 24th at Mountain Jacks.

POINTS: Point status to date is available on the Web site.

TREASURER: Despite the questionable weather, the zoo show was a success! Only have 33 shirts left, of which the zoo has agreed to purchase. Overall profit from the T-shirts, 50/50, and car registration exceeded last year's, so donation to the zoo will be near \$3,000. Motion was made and passed for the club to donate the difference, and plan to make the check presentation to Carol Webster at the October meeting. Phil noted per his calculations: 40% of the cars in the show were Corvettes, 23% won trophies, and they received an overall vote of 29%. We were all very pleased with the diversification of awards.

EDITOR: October newsletter deadline is September 24th.

COMPETITION: No report.

GOVERNOR: Region meeting was September 9th, and the NCCC Governors meeting was September 13th. There are some region by-law changes, one of which includes the position of Secretary/Treasurer now being separated into two offices.

PRESIDENT: No report.

OLD BUSINESS: Phil invited Jeff Mitzel to the Board Meeting. Jeff had done considerable research on our copier/printer dilemma. Costs of using an outside printer vs. purchasing a printer, color or black and white, and annual costs involved were discussed. Final recommendation, based on the club's needs was: HP LASER JET MODEL 3320 MFP. Motion was made and unanimously approved for purchase. Jeff M. and Phil will finalize place of purchase.

NEW BUSINESS: Phil talked about the Chicago Vette Fest in November. He will bring up at the next general membership meeting, thinking maybe a group would like to go.

MEMBER INPUT: In further discussion of the zoo show, Jeff questioned whether we should continue. He noted it is a tremendous amount of work and a heavy weight on a few people. Maybe we should consider retaining a portion of the 50/50 for the club's account. Other ideas: need to be better organized, obviously having a chairperson would help, and form committees, park Vettes in the back, and fill the front with other vehicles.

*CCCC member Gary Thompson passed away on May 12, 2003.

Meet Dave and Diana Kuempel

Dave and Diana met on a blind date in September of 1970 while Dave was on strike at G.M. They have been married for 31 years and have three children: Mike (28), Ben (26), and Jenny (24).

Dave has worked for General Motors for 33 years. He has worked in Tool Gage & Fixture Repair skilled trades since 1976. He is currently in the G.M. Protected Employee Program doing community service at the Siren/Eaton Shelter in Charlotte. Diana is a Cosmetologist and has owned her own business, Diana's Place, since 1987.

Dave likes cars, computers, and of course, he likes to work on the house. Diana likes reading, knitting, crocheting, and plays Alto Saxophone in the Ionia-Maple Valley Community Band. They both enjoy going to Corvette shows and traveling.

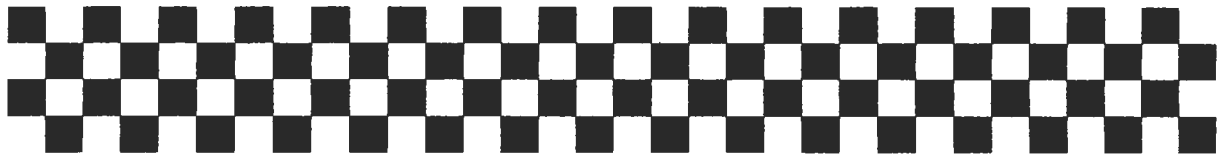

Dave has been involved with the Boy Scouts of America since 1984 and is a recipient of the Silver Beaver Award. He also set up our club's message board and chat room.

Dave and Diana currently own a 2003 50th Anniversary Edition Convertible Corvette that they purchased in February of this year. Previous Corvettes owned include a 1999 Torch Red Coupe and a 2000 Torch Red Convertible.

They heard about CCCC from a co-worker but were thankful that they finally met Simon, Gloria, and Greg. It was these three that really helped them make the decision to join CCCC! They joined the club in June of 2002.

"We've really enjoyed being in the club. We've met some really wonderful people, and we don't think we could ask for a better organization than CCCC," said Dave.

Considering they met on a blind date, here are some interesting facts about Dave and Diana: both of their parents were married on October 26th, both mothers were born on December 24th, their mothers went to school together as young girls, and both his and her folks each had three children. Both sets of parents were able to celebrate 50 years of marriage.

It's DUES Time Again !!!

Don't Wait till it's to LATE ...

The deadline for Membership Renewal is November 5th. Our Club goal is to have 100% NCCC Membership by this date.

Consider renewing at either the October 1st , or November 5th General Membership Meetings. (Renewals will be accepted at September Meeting also.)

Social Events

September 27th we will be having a Hayride at Brad & Carrie Hutton's. We want to thank them for changing the date for us. We are looking forward to a fun night.

October 4th is MSU Homecoming and John & Janyce Shepler are planning the event for us. You needed to sign up to get the free tickets to the game. John is getting the details on which demonstration field we are going to be parking on. We should have some information in the newsletter this month.

October 11th Don and Carol Armstrong have a wonderful Fall Color Tour planned. (Make sure you have enough gas in your tanks for this outing). This is an all day tour. If you have not signed up yet for this, contact the Armstrongs.

November 1st, Don & Janet Johnston will be hosting the Mexican Train Nite (dominoes). We have a traveling trophy out there; I think it is with Evelyn Aronson or is it Simon Reiffer??? This is a fun night to get to know each other and play dominoes. Gloria Reiffer will have the rules posted on the web for everyone to familiarize themselves with the game.

November 8th - Bingo - Tamarack Apartments, Holt

December 3rd, Bob & Shalimar Maynard again have graciously offered to host the Christmas party. This will again be a white elephant gift exchange. Also watch for the flyer on that event.

Now remember! If you have an idea for an event you would like to do either this year or something for next year, contact me or a board member. Always open for new ideas!

Happy Halloween
Janet Johnston

Fall Color Tour!

Saturday October 11th

**We will meet at 9:00 a.m. in the Art
Van parking lot on W. Saginaw Hwy
just west of I96**

**We'll be stopping at a restaurant
along the way for lunch. There will be
plenty of scenic photo opportunities
so don't forget your camera!**

**This will be an all day event so come
prepared.**

The signup deadline is October 1st.
