From the President . . .

2003 was another very good year for the club. The tremendous growth we saw in 2002 continued throughout this year. The club participation in our events was spectacular. In June, a few members gave autocross racing a try for the first time at our low speed events. This fall a few of our members are developing an interest in competing in road rallies. The participation in car shows, mystery dinners, the hay ride, and the color tour was outstanding. Other events such as the trips to Traverse City and Mackinaw City were also very successful.

Next year, with a new president, I'm sure we can look forward another great year of fun. With our growth in membership comes new ideas for club activities. If you have thoughts on how to make our club better, share them with a board member or consider running for a position yourself. The past two years have been successful because of new ideas and a willingness to try new things.

Whatever your reason for joining our club, I hope you have found it to be worthwhile. With that, I remind you that the deadline for membership renewal dues is November 10th. After that date, a \$10 late fee is charged by NCCC. A renewal form is in this issue. If you haven't already done so, please fill it out and bring it to the November 5th meeting or mail it to Jeff at the address shown on the form.

Finding a good place to keep your Corvette during the winter months can be a challenge. What do you need to do to prepare the car for storage? Being that it's time to put the Corvettes away, I plan to devote some time at the November meeting for a group discussion on what our members do to get ready for winter. So come to the meeting with your best advice and tips for your fellow members.

Nominations for club officers will again be accepted at the November meeting. Last meeting, there was at least one person nominated for each office, but there is still time to get your name on the December ballot for any position you may be interested in.

See you at the meeting on November 5th.

Phil

Social Events

A big Thanks goes out to John and Janyce Shepler for staying with the MSU event. There were some ups and downs planning this but John came through. Thanks to Bob Maynard for bringing the tents and tables, for the delicious tail gate food that every one brought. And I don't want to forget our security team, Don Armstrong and John Bechtel for watching over the parking lot while we were all at the game.

Our Color Tour was just if Carol and Don Armstrong special ordered the beautiful day and colors! It was Beautiful! They did a wonderful job planning this day event. Twenty two cars and about 150 miles we drove through the country side, stopping at Fallsburg Park in Lowell and we ate at Sam's Joint in Alaska (MI), Stopping off again at a Hastings park and ended up at the Coach's in Lansing. Thank you for the very nice goodie bags and all the planning it took for this event. (Hopefully you will plan another next fall)!

Again we are having Bingo at the Tammarack Apartments in Holt, Nov 8th. at 2:00. The residents do enjoy our Bingos, so plan on attending that. Bring gift items that day along with a treat to share.

December 3rd will be our Christmas Dinner Party hosted by Bob and Shalimar Maynard at their lovely home again. Shalimar has a flyer in this newsletter with all the details.

The Annual Awards Banquet will be January 24th. It will be held at Mountain Jacks in Lansing. There is a flyer on that evening of events in this newsletter also. So make sure to get your reservations in for that event.

CCCC BOARD MEETING MINUTES
10/15/03

SECRETARY: No report.

PUBLIC RELATIONS: No report.

MEMBERSHIP: As of tonight, membership remains at 92 adults, with 40 paid renewals. Name badges will be ordered for all new members. In the meantime, we can either have a temporary button made for \$1.00 or purchase a few blank badges and use Simon and Gloria's label maker as a temporary. Any member interested is eligible to purchase a lifetime membership with NCCC. Current cost is \$320.00. That would reduce your annual local club dues to \$35.00.

SOCIAL: The hayride was a great success. I think everyone enjoyed the evening. The Color Tour also very successful; 25 cars participated. The weather was absolutely perfect. Upcoming events: Mexican Train Nov. 1st, Bingo at Tamarack Nov. 8th, Christmas Dinner Dec. 3rd., and the Annual Banquet January 24th. Reservations have been made at Mountain Jacks. Cost will be \$25.00 per person, including tip.

POINTS: Don distributed copies of the current points program. He had some revision suggestions for next year (i.e., eliminate points for Board Members, region events, etc.). After a lengthy discussion, Phil suggested he form a committee from the membership to review and then present a committee recommendation.

TREASURER: All payables have been paid. There are 27 remaining zoo shirts which the zoo agreed to purchase at cost and resell in their gift shop. Motion was made and approved, selling remaining shirts to the zoo for \$126. Phil opened an account with 6 months free interest at CompUSA when he purchased the copier. He offered to have the club pay him back monthly. The board felt it would be better since we were near year-end and change in officers near to pay the bill in full. Motion unanimously passed, and the treasurer will issue check upon receipt of bills. It was also noted there are only enough newsletter covers for one more mailing. Phil suggested we put our sponsor, Pres Kool's, ad on the back cover. He and Jeff would get quotes for printing/folding costs.

COMPETITION: Calendar with 2004 event dates was distributed. Spartan Speedway cost expected to increase this year to \$350 or more. Other possibility would be holding the low speed event at the State Police Test Track. This would be a first choice option and will be researched further. Also for consideration, renting as a group or with another club, a drag strip for the day...just for fun. Bids for sanctioned event dates will be at the November Region Meeting. Dates chosen by the Board were: Pres Kool car show: 1st choice June 19th, 2nd choice May 22nd, Low Speeds first choice July 17th, 2nd choice July 10th or 24th.

GOVERNOR: No report.

PRESIDENT: Club Federal Tax ID and Tax Exempt status was discussed. Ideas for vendor control regarding club apparel and future options were discussed. No final determinations made and will continue discussion / ideas at a later date.

NEW BUSINESS: Phil suggested the club purchase an Adobe Acrobat program. This could be used for printing awards and greatly increase newsletter capabilities. Motion made and passed unanimously.

Meet Kurt S. Bancroft and Joy Hardman

Both Kurt and Joy grew up in Maple Rapids and went to school together. Joy moved away in 1963 and didn't get re-acquainted until about 1990. They have been together since about June of 1990.

Kurt has two kids, Michelle (31) and Justin (26), and two grandsons, Michael John (3) and Nicholas Kurt (4 mos.). Joy has one son, Brent (29). Kurt has a dog named Barker (Chow/Irish Setter mix) that turned 6 years old Monday.

Kurt has worked for MDOT for 37 years. Joy has worked for Lansing Community College for 9+ years. She had previously worked for the St. Louis Public Schools (Michigan) for 10+ years.

Kurt's main hobby is his Corvette, but he loves to read, watch the History Channel, go downhill skiing, taking care of his rental property, traveling (cruises especially), walking Barker, and of course playing with his grandsons. Joy says she has no real hobbies, but she does work in the yard and watch "Bob Villa-type" shows and Trading Spaces (OK, also a couple of soap operas that she manages to tape). She also enjoys traveling and reading.

In addition to being a member of CCCC, Kurt is a Life Member of the VFW, Life Member of the DAV, Member of the Society of the First Infantry Division, Member of the 28th Black Lions, and AARP. Joy belongs to CCCC and AARP "(Ha! Hey, at least it gives me two!!!! " said Joy.)

Kurt bought his Corvette in 2002. He totally enjoys working, cleaning, and fixing it up and buying anything for his car. His best of times would be spent in the garage sitting in a comfortable chair, smoking a good cigar, and looking at his car.

Kurt got them into CCCC through his interest of meeting other Corvette owners, searching the web, and finding CCCC's website. (Also because he works with Phil's cousin.) They've been in the club for a little over a year.

"Our biggest and most enjoyment that we have gotten from the club and the members are those times and places spent actually driving to places of interest and conversing with other members and meeting lots of new friends," said Joy.

Capital City Corvette Club - What is it?

Almost ten years ago we bought a Corvette and joined this car club. Initially it was just for something to do to have some fun and enjoy the Corvette. It was fun to get to know some new people who were interested in the Corvette also. So as the years went by we got to do a lot of fun stuff, such as rallies, car shows, mystery dinners, learned a lot about racing, and of course road trips. I also learned a lot about the Corvette, trivia being one of my favorites. Nothing like useless information to keep me interested, and I know I'm not the only one.

So we kept going. Being involved as far as we wanted to because we were also involved in other things at that time, such as youth group at our church that took a lot of our time. All the while we were making some real close friends within this club and doing a lot of things together in the so-called off-season. Well, a couple of years ago we retired from our youth activities and were able to help out a little more with the club.

This year started out like most others, planning activities for the upcoming Corvette season and other things. After a winter of working on my car, getting the motor rebuilt and the front end, I was really excited about the new season. It started out great with car shows, a road trip to Traverse City and other things. The car was running great and I was pumped.

Then one nice June morning I was going to clean the gutters. I got the ladder out and proceeded to go to work. Then it happened. My ladder slipped. I somehow slipped backwards and fell flat on my back. I tried to turn over to catch my breath but noticed my legs didn't follow me. Of course the pain was excruciating. By then Gloria heard me and called 911. They came took me in. And the rest, as they say, is history.

All this leads back to the beginning. That the reason we joined this club for fun hasn't been the whole story. You folks have been great friends. All of you have come thru when times got tough. You came over and helped with projects that I wanted to complete around the house. You drove me to therapy, stayed with me when I couldn't be by myself, and helped us out financially. That's more than a simple car club. That's true friendship.

I still believe this happened for a reason. Not sure what yet, but I believe we have all learned from this. So don't feel sorry for me. I'm getting along fine with the help of God's grace, Gloria and friends like all of you.

May God bless each and every one of you.

Simon Reiffer
