From the President . . .

Greetings. I hope everyone is having a good summer. Hard to believe that it's August already. We're over half way thru the summer. Where does the time go?

Our next general membership meeting is at Delhi Café on August 4. I hope to see you there. The meeting begins at 7:00, but most members start to arrive around 6:00 to eat and socialize first. If you aren't an early bird, feel free to order and eat during the meeting. Go with what works for you.

Be sure to check out the event flyers in the club newsletter or on the Web site. We have a busy month ahead of us. It starts out with Corvettes @ MIS on July 31 - August 1, hosted by JCC. It looks like this will be a cool event at the track. HVCC is having their speed events on August 1 for those who want to race their car. On August 7 we have the Lake Odessa Summer Splash car show, followed by a BBQ at Pam Thompson's in Belding. JCC is hosting speed events August 8. The fun continues on August 14 with the ACC's car show at the GM Tech Center in Warren. RCSWM is hosting speed events on August 14 and a car show August 15. CCCC makes a trip up to Mackinaw City for Corvette Crossroads on August 27-29. Corvette Crossroads is a great show and a fun time to get to know other club members! I hope you can make it to a few events. You have a lot to pick and choose from! *FYI - Corvettes at Carlisle takes place in Pennsylvania on August 27-29 too. (This is not a club event.)*

At time of this writing we just finished our speed events at Spartan Speedway. We had a real good time and great weather. We also had some exciting racing going on! Just ask Jeff M. Many thanks to Phil Hanses for all the hard work he put in to make the day a success for our club. Phil gave up his time on the track to make sure that things ran smoothly for us. There were many others who worked very hard to make it a good day of racing. Without everyone's help at events like this it wouldn't be as much fun.

Has everyone noticed our membership numbers? We now have 123 members in our club. This is

really great! Many thanks to everyone for promoting the club. We wouldn't be where we are without all of your help. However, our growth presents us with new challenges. Please try to wear your name badge at all events and introduce yourself to new (or old) members. Take time to get to know one another. I hope to meet all of you at our membership meetings or other events. If you don't have a name badge, or have lost yours (shame on you), contact our membership director, Evelyn Aronson. She'll make sure you get one (for a small replacement fee). By the way, many thanks to Evelyn for completing all the paper work involved with our recent growth spurt. That's a lot of new members to process!

With such a full schedule I know that you can't participate in everything. We don't expect that. Just pick the events that interest you. Offer to chair an event if you have something that really interests you. It can be fun and it helps you to get to know others in the club. Let one of the Board members know if you have something you'd like to host. Our club can only grow through the continued involvement of our members. There's an old saying that goes something like "if a lot of people do a little bit a lot gets done." You get my drift I hope. It's what makes a fun club or event.

There are, as I mentioned, a lot of events going on. Don't get yourself too busy, but one that you might like to single out is the event America's Corvette Club is hosting at the GM Tech Center on August 14. It's a one day NCCC sanctioned car show that includes many well known vendors such as Lingenfelter, Mid America Motorworks, Mallett Cars Ltd., Corvette Central, and others. It looks like it could be a fun day. Let me know if you are interested in going. Maybe we can arrange a time to cruise down together.

For those of you planning vacations this month, I hope you have a good and relaxing time. If you can, bring that Corvette with you! Enjoy the rest of summer and drive carefully. I hope to see all of you this month at the meeting or other events.

Save the wave!

Meet Laurie Backus

Laurie has no kids, but she has a dog named Teddi. She's a schipperke. Everyone says "A what?" They're little black dogs from Belgium.

Laurie worked for the State of Michigan for 24 years (21 with the Michigan Guaranty Agency, student loans). She left in October of 1999 to go back to school. She finished school (Davenport University, Lansing) as a Physical Therapist Assistant in Sept 2001, but loved no longer working so much, stayed that way. "Don't know now how I ever got anything done before," said Laurie.

Her hobbies include the Vette, camping, working on her house, attempting gardening, dirt biking, and now learning to ride her motorcycle (with the help and great patience of her boyfriend Ray). If that isn't enough, Laurie is on the board of the Eaton Special Riding Volunteer Association. They provide special needs students the opportunity to horseback ride.

Laurie bought her Collector Edition Corvette new in March of 1996. It was a belated 40th birthday present to herself. She learned about CCCC from a former member she used to work with, but didn't join until December 2002.

Laurie said she really enjoys the friends she has made through the club. "Everyone was so welcoming to me right away. Being a widow, and at the time alone, that first meeting was pretty scary," she said.

SUMMER

Social Events

Where is the summer going?

We will going Hawk Hollow for Mini Golf and eating at Beggars Banquet July 21st. I'm sure that we will again have a very enjoyable evening. Thanks Colleen & Rich Bratsch for organizing that event.

Summer Splash Car Show & BBQ at Pam Thompsons will be August 7th. Pam will have maps to her place for those that won't be able to make the car show but want to come to BBQ.

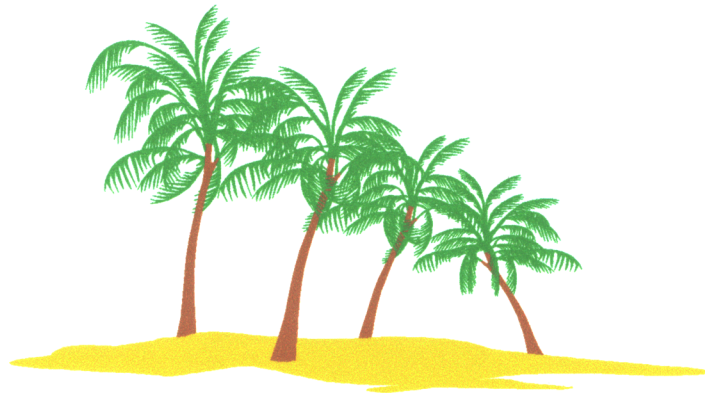

Corvette Crossroads (August 26th-29th) has come up fast. We have 47 people signed up to go....WOW! This is always a fun weekend. There will be the parade accross the bridge this year on Saturday night, so dont forget your Micky Hands. I have a list I will be handing out for the folks that signed up so they can contact each other with any questions or concerns on caravanning.

Brad & Carrie Hutton have worked out the details for the Hayride/Bonfire - Dominos on September 11th. Look for the flyer in this issue. This is fun evening. We all love food and BS..ing around the fire.

That is where are summer has gone. Busy but fun!

All information is on the web site. Gloria Reiffer does a fantastic job.
