From the President . . .

Greetings!

Well, here it is October already. Did we have summer, or did I miss it? The weeks sure seem to go by fast.

I want to thank everyone for helping at the car show last weekend at Potter Park Zoo. We had a real good time and the weather was great! I think it was the best we have had so far. It just seems to be getting better and better every year. There were about 140 cars entered in the show. I'm not sure how much money we raised for the zoo yet since all the figures aren't in. I do think everyone enjoyed themselves though.

Our next big club event is our fall color tour on October 9. Last year we had a real good time cruising the back roads of our wonderful state with all the fall colors that we can enjoy this time of the year in Michigan. I'm sure there will be a sign up sheet at the general membership meeting. If you can't make the meeting, but want to attend this event, you can contact Don and Carol Armstrong. I know they have a great day all planned for us, complete with turn-by-turn directions in case anyone gets separated from the group. Don't forget to bring your walkie talkies with a fresh supply of batteries!

There are quite a few NCCC sanctioned events scheduled this month. I encourage all of you to try out a few of the events.

October is the big month for road rallyes. You can participate in rallyes hosted by the Royals on October 3, Flint on October 9, Kalamazoo on October 10, Great Lakes on October 16, and CCM on October 17. Rallyes can be a lot of fun to do. If you decide to try a rallye make sure you pay close attention at the divers meeting to get all the rules for that rallye. Each one is a little different.

Several NCCC Michigan Region clubs are joining together to host a 10 event weekend at Grattan on October 23-24, just in case you are interested in racing or showing your car one last time. They have scheduled peoples choice car shows, high speed events, and low speed events for both days.

America's Corvette Club is hosting the last low speed events for the season on October 30. We don't have complete details on this one yet, but it's supposed to have a Halloween theme and include a "Vette-Viper Shootout" with a Viper club.

Since we are heading into the fall season, I'm sure a lot of you will be putting those Corvettes away later this month. I'm not an expert, but I do have a few suggestions to share with you before you store your Corvette for the winter. First and foremost, be sure to wash and put a good coat of wax on it before putting a cover on it. (Gloria says she would be ecstatic if anyone feels led to put a coat of wax on mine before she puts it into storage.)

I always put six mill plastic under the car to protect it from moisture coming up through the garage floor. I also stick a few pieces of carpet under the car for added protection, and to absorb any leaks.

I also like to change the oil, fill the gas tank and add some dry-gas, or some sort of gas stabilizer, to the gas tank for the winter. Oh, and make sure you drive the car a short distance afterward you add it so that it moves into the gas line. You folks with the C4's and newer cars might want disconnect the battery, or put on some sort of battery tender, so your battery doesn't die on you over the winter.

Before I forget, don't forget to attend this month's general membership meeting on October 6. At this meeting, and the one in November, we will be accepting nominations for board positions for 2005. I want to encourage anyone who interested in running to get your name out there. We distributed job descriptions at last month's meeting. They will also be published in this newsletter for you to review. Please look at the job descriptions and see if any of the positions interest you. The election will take place in December at the Christmas party.

I hope all of you have good and safe time this month and I'll see you at the membership meeting, or one of the other events this month.

Save the Wave!!!

COMPETITION REPORT

October, 2004

Well this is it. October is the last month for competition events here in Michigan. I know most of us will be putting the cars away for the winter in November.

There are still plenty of opportunities to get out and enjoy some time behind the wheel of your Corvette this month, especially if you like road rallies.

Upcoming rallies include:

- Royal Corvettes of Western Michigan Rallyes on October 3rd
- Flint Corvette Club Rallyes on October 9th
- Kalamazoo Corvette Club Rallyes on October 10th
- Great Lakes Corvette Club Rallyes on October 16th
- Corvette Club of Michigan Rallyes on October 17th

Don't forget the big weekend at Grattan Raceway. Events include a peoples choice Corvette show, matching time trials, low speed, and high speed events on both Saturday and Sunday, October 23rd and 24th. There is quite a discount for pre-registering for these events so be sure to register by October 15th to save yourself some money.

Also, there have been some low speed autocross events added to the calendar. America's Corvette Club will be hosting events on Saturday, October 30th, which will close out the competition season.

The flyers and registration forms for these events will be in this month's and next month's newsletter. Links to the flyers can also be found on our web site.

Social Events

We had a excellent turnout for the Drive & Dine. We ended up at a place called Gracie's near Birch Run on M-13. We traveled the back roads there and seen some different country sites on the way. There was a caravan of about 20 Corvettes and 3 metal cars. It was also great to see some of our newer members out for this event. Do you have a place where you would like to take everyone? Call me and we can work together on it!

October Color Tour is on Saturday the 9th. Don & Carol Armstrong are working on the route and finishing up the details for this event. Another great day of driving your Corvette in a group caravan. Look for the flyer or the web site on meeting place and time.

November 13th we will be at the Tammarack Apts in Holt to host a Bingo for the residents. They really look forward to having us come out to give them a special day of fun. Start collecting game prizes, which consist of holiday items, trinkets, candy, candles, man items, wrapping paper, ect. All the items at the dollar stores they love. Afterwards we have an ice cream social. Very rewarding event.

This years Christmas party will be at the Williamston Roadhouse Dec. 1st. Watch for the details on this. We will be having a Dirty Santa Exchange so start looking for that special gift.

At any time you want to host or want me to co-host with you, give me a call. We want to make sure we (the Board) are doing things you like to do!

Have a great fall and enjoy the Color Tour!

Janet Johnston
